

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the "**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of UK domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II product governance / target market assessment – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / target market assessment – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018 (in accordance with the FCA's policy statement entitled "*Brexit our approach to EU non-legislative materials*"), has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**") and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA ("**UK MiFIR**"). Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

PART B – OTHER INFORMATION

1. Listing and Admission to trading

- | | | |
|------|---|--|
| (i) | Listing and admission to trading: | Application will be made by the Issuer (or on its behalf) for the Notes to be admitted to trading on Euronext Paris with effect from or on 30 November 2021. |
| (ii) | Estimate of total expenses related to admission to trading: | EUR 6,400 |

2. Ratings

- Ratings:
- The Notes to be issued are expected to be rated:
- Baa1 by Moody's France S.A.S. ("**Moody's**"),
 - A- by S&P Global Ratings Europe Limited ("**S&P**")
 - A+ by Fitch Ratings Ireland Limited ("**Fitch**") and
 - A (High) by DBRS Ratings GmbH ("**DBRS Morningstar**").

According to Moody's' definitions, obligations rated Baa are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category.

According to S&P's definitions, an obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The addition of a plus (+) or minus (-) sign shows relative standing within the rating categories.

According to Fitch's definitions, 'A' ratings denote expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifier "+" is appended to denote relative status within major rating categories.

According to DBRS' definitions, 'A' rating means good credit quality. The capacity for the payment of financial obligations is substantial, but of lesser credit quality than AA. The Issuer may be vulnerable to future events, but qualifying negative factors are considered manageable. All rating categories other than AAA and D also contain subcategories (high) and (low).

Each of S&P, Fitch and DBRS Morningstar is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended)

(the "**CRA Regulation**") or under the CRA Regulation as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018.

3. Interests of Natural and Legal Persons Involved in the Issue

"Save for the fees payable to the Managers so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer."

4. Reasons for the Offer and Estimated Net Proceeds

(i) Reasons for the offer: The net proceeds of the issue of the Notes will be allocated or reallocated from time to time to the financing and/or refinancing, in whole or in part, of Eligible Green Assets as defined below and further described in the BNP Paribas Green Bond Framework dated October 2021 available at <https://invest.bnpparibas/en/document/green-bond-framework-october-2021>, as may be amended from time to time by the Issuer (the "**BNP Paribas Green Bond Framework**").

Pending the allocation or reallocation, as the case may be, of the net proceeds of the Notes to Eligible Green Assets, the Issuer will invest the balance of the net proceeds, at its own discretion, in cash and/or cash equivalent and/or other liquid marketable instruments. The Issuer will use its best efforts to substitute any redeemed loans, any other form of financing that is no longer financed or refinanced by the net proceeds, and/or any such loans or any other form of financing which cease to be Eligible Green Assets, as soon as practicable once an appropriate substitution option has been identified, as long as Green Bond issues are outstanding. The Issuer will monitor the use of the net proceeds of the Notes via its internal information systems.

For the avoidance of doubt, payment of principal and interest in respect of the Notes will be made from general funds of the Issuer and will not be directly or indirectly linked to the performance of Eligible Green Assets.

"**Eligible Green Assets**" means any existing, on-going and/or future loans or any other form of financing from Eligible Categories selected by the Issuer, which meet the Eligibility Criteria, all in accordance with the BNP Paribas Green Bond Framework.

"**Eligible Categories**" means the following categories (all as more fully described in the BNP Paribas Green Bond Framework):

- Renewable Energy
- Energy Efficiency
- Green buildings
- Transportation
- Water Management and Water Treatment
- Pollution prevention and control

For the avoidance of doubt, the following sectors are excluded from the BNP Paribas Green Bond Framework: defence and security, palm oil, wood pulp, nuclear power generation, coal-fired power generation, unconventional oil and gas, mining and tobacco.

"Eligibility Criteria" means the criteria with which any loan or any other form of financing should comply, at any time, in order to be considered as an Eligible Green Asset (as such criteria may be amended, from time to time, by the Issuer, subject to external review by third parties, as the case may be, as per the BNP Paribas Green Bond Framework). As part of the application of the Eligibility Criteria, the Issuer will assess the potential environmental, social and governance risks of the relevant assets, in line with its framework for managing such risks, including specific risk assessment tools and the Equator Principles. The selection of the Eligible Green Assets in accordance with the Eligibility Criteria will then be verified by external third parties, as per the BNP Paribas Green Bond Framework.

As long as any Notes are outstanding, the Issuer is expected to provide a report, at least annually, on (i) the Eligible Green Assets financed or refinanced by the net proceeds and their relevant environmental impact indicators, (ii) the allocation of the net proceeds of the Notes to Eligible Green Assets detailing the aggregate amount dedicated to each of the Eligible Categories and (iii) the balance of unallocated cash and/or cash equivalent and/or other liquid marketable instruments still held by the Issuer, as further described in the BNP Paribas Green Bond Framework. The report will be published by the Issuer at <https://invest.bnpparibas/en/document/ey-assurance-report-3> and the Issuer has mandated an appropriate external independent auditor to provide an assurance report on this report.

Pursuant to the BNP Paribas Green Bond Framework, a second party opinion has been obtained from an appropriate second party opinion provider to assess the sustainability of its Green Bond Framework and to confirm its alignment with the ICMA Green Bond Principles. This Second Party Opinion on the Green Bond Framework will be published as and when BNP Paribas Framework is updated. For the avoidance of doubt, Green Asset Categories not reviewed by an independent second party opinion provider, either in whole or in part, would require an updated version of the Second Party Opinion on the Green Bond Framework before their insertion in BNP Paribas' single common pool of Eligible Green Assets. On an annual basis, an independent second party opinion provider will also provide a verification of the compliance of all the new Eligible Green assets added within the course of the year.

The opinion and assurance report are available at <https://invest.bnpparibas/en/document/iss-second-party-opinion-2>

(viii) Intended to be held in a manner which would allow Eurosystem eligibility: No. Whilst the designation is specified as "no" at the date of these Final Terms, should the Eurosystem eligibility criteria be amended in the future such that the Notes are capable of meeting them the Notes may then be deposited with one of the ICSDs as common safe-keeper. Note that this does not necessarily mean that the Notes will then be recognised as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met.
