* BNP Paribas’ senior notes are rated “A1” (stable outlook) by Moody’s Investors Service Ltd, “A+” (negative outlook) by Standard and Poor’s Ratings Group, and “A+” (stable outlook) by Fitch Ratings.

**“Baa2” by Moody’s Investors Service Ltd, “BBB” by Standard and Poor’s Ratings Group, and “A” by Fitch Ratings.

A rating (1) is subject to downward revision, suspension or withdrawal at any time by the assigning rating organization, (2) does not take into account market risk or the performance-related risks of the investment, and (3) is not a recommendation to buy, sell or hold securities. **In this respect, on September 18, 2015, Moody’s Investors Service Ltd. downgraded the rating of French government bonds from Aa1 to Aa2 with a stable outlook. While this downgrade does not automatically affect the Issuer’s credit rating, it is conceivable that it could lead a credit rating agency to lower its rating of the Issuer’s outstanding and newly issued bonds.**

To the extent that any such Senior Co-Lead Manager or Co-Lead Manager intends to effect sales of the Subordinated Notes in the United States, they will do so only through one or more U.S. registered broker-dealers or otherwise as permitted by applicable U.S. law.
