Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Subordinated Notes on the date of pricing will be required, by virtue of the fact that the Subordinated Notes initially will settle in T+5, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade those Notes on the date of pricing or the next two business days should consult their own advisor.

Consequently no key information document, if required by Regulation (EU) No 1286/2014 (the “PRIIPs Regulation”), as amended, for offering or selling the Subordinated Notes or otherwise making them available to retail investors in the EEA, has been or will be prepared.
