BNP Paribas Home Loan SFH

(duly licensed French credit institution)

€35,000,000,000 Covered Bond Programme

for the issue of *Obligations de Financement de l'Habitat*

Under the Covered Bond Programme described in this Base Prospectus (the "**Programme**"), BNP Paribas Home Loan SFH (the "**Issuer**"), subject to compliance with all relevant laws, regulations and directives, may issue covered bonds (*obligations de financement de l'habitat*) to be governed either by English law, French law or German law, as specified in the relevant Final Terms (as defined below) (respectively, the "**English Law Covered Bonds**", the "**French Law Covered Bonds**" and the "**German Law Covered Bonds**" and together, the "**Covered Bonds**"). The Issuer is licensed as a *société de financement de l'habitat* ("**SFH**") by the *Autorité de contrôle prudentiel*. All English Law Covered Bonds, French Law Covered Bonds and German Law Covered Bonds will benefit from the statutory *privilège* (priority in right of payment) over all the assets and revenues of the Issuer created by Article L.515-19 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Privilège**"), as more fully described herein.

The aggregate nominal amount of Covered Bonds outstanding will not at any time exceed € 35,000,000,000 (or its equivalent in other currencies) at the date of issue.

Application has been made to the *Autorité des marchés financiers* (the "**AMF**") for approval of this Base Prospectus in its capacity as competent authority in France pursuant to Article L.621-8 of the French *Code monétaire et financier* which implements the Directive 2003/71/EC of 4 November 2003, as amended (the "**Prospectus Directive**"). Application may be made to Euronext Paris for the English Law Covered Bonds and the French Law Covered Bonds issued under the Programme during a period of twelve (12) months after the date of the visa granted by the AMF on this Base Prospectus to be listed and admitted to trading on the regulated market of Euronext Paris. The regulated market of Euronext Paris is a regulated market for the purposes of the Directive 2004/39/EC of 21 April 2004 (each such market being a "**Regulated Market**"). English Law Covered Bonds and French Law Covered Bonds issued under the Programme may also be unlisted or listed and admitted to trading on any other market, including any other Regulated Market in any member state of the European Economic Area ("**EEA**"). The relevant final terms (a form of which is contained herein) in respect of the issue of any English Law Covered Bonds or French Law Covered Bonds, as the case may be, (the "**Final Terms**") will specify whether or not such Covered Bonds will be listed and admitted to trading on any market and, if so, the relevant market. The German Law Covered Bonds will not be admitted to trading nor listed on any market or stock exchange. Covered Bonds admitted to trading on a Regulated Market of the European Union in circumstances which require the publication of a prospectus under the Prospectus Directive shall have a minimum denomination of at least €100,000, or such higher amount as may be allowed or required by the relevant monetary authority or any applicable laws or regulations.

Covered Bonds will be issued on a continuous basis in series (each a "**Series**") having one or more issue dates and (except in respect of the first payment of interest) on terms otherwise identical, the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. Each Series may be issued in tranches (each a "**Tranche**") on different issue dates. The specific terms of each Series will be set forth in the Final Terms.

English Law Covered Bonds may be issued in bearer form ("**Bearer English Law Covered Bonds**"), which includes English Law Covered Bonds that are specified to be Exchangeable Bearer Bonds, in bearer form exchangeable for Registered English Law Covered Bonds ("**Exchangeable Bearer Bonds**"), or in registered form only ("**Registered English Law Covered Bonds**"). Bearer English Law Covered Bonds having an original maturity of over one year will initially be represented by a temporary global note (a "**Temporary Global Note**"). Bearer English Law Covered Bonds having an original maturity of one year or less will initially be represented by a permanent global note. Interests in a Temporary Global Note will be exchangeable for interests in a permanent global note (a "**Permanent Global Note**" and together with the Temporary Global Note, a "**Global Note**") or, if so stated in the relevant Final Terms, for definitive English Law Covered Bonds in bearer form ("**Definitive English Law Covered Bonds**") in the case of Bearer English Law Covered Bonds after the date falling forty (40) days after the issue date upon certification as to non-U.S. beneficial ownership as more fully described herein. Interests in Permanent Global Notes will be exchangeable for definitive English Law Covered Bonds in bearer form or (in the case of Exchangeable Bearer Bonds) registered form, in each case, as described under "Summary of Provisions Relating to the English Law Covered Bonds While in Global Form". Registered English Law Covered Bonds will be represented by registered certificates (each a "**Certificate**"), one Certificate being issued in respect of each Bondholder's entire holding of Registered English Law Covered Bonds of one Series.

If a Permanent Global Note is stated in the applicable Final Terms to be issued in new global note form ("**New Global Notes**" or "**NGNs**"), it is intended to be eligible collateral for Eurosystem monetary policy and such Permanent Global Note will be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the "**Common Safekeeper**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"). Permanent Global Notes which are not issued in NGN form ("**Classic Global Notes**" or "**CGNs**") and Certificates may (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depositary on behalf of Euroclear and Clearstream, Luxembourg or (b) in the case of a Tranche intended to be cleared through Euroclear France, be deposited on the issue date with Euroclear France acting as Central Depositary or (c) in the case of a Tranche intended to be

cleared through a clearing system other than or in addition to Euroclear or Clearstream, Luxembourg or delivered outside a clearing system, as agreed between the Issuer and the relevant Dealer(s).

One or more series of Registered English Law Covered Bonds may be offered to investors in the United States pursuant to the exemption from registration provided by Section 3(a)(2) (the "**3(a)(2) Covered Bonds**") of the Securities Act of 1933, as amended (the "**Securities Act**"). 3(a)(2) Covered Bonds will be entitled to the benefit of an unconditional senior guarantee (the "**US Guarantee**") of the due payment thereof issued by BNP Paribas, acting through its New York Branch (in such capacity, the "**US Guarantor**"). 3(a)(2) Covered Bonds will initially be represented by a permanent registered global Certificate (each, a "**3(a)(2) Global Certificate**"), without interest coupons, which will be deposited on the issue date with a custodian for, and registered in the name of Cede & Co. as nominee for, the Depository Trust Company ("**DTC**").

Alternatively, one or more series of Registered English Law Covered Bonds may be offered only to qualified institutional buyers ("**QIBs**") in the United States in reliance on the exemption from registration provided by Rule 144A (the "**144A Covered Bonds**") under the Securities Act ("**Rule 144A**"). Any such 144A Covered Bonds may simultaneously be offered outside the United States to non-U.S. persons (as such term is defined in Rule 904 under the Securities Act (a "**non-U.S. person**")) pursuant to Regulation S (the "**Regulation S Covered Bonds**").

Regulation S Covered Bonds will initially be represented by a permanent registered global Certificate (each an "**Unrestricted Global Certificate**"), without interest coupons, which may (or in the case of English Law Covered Bonds listed on Euronext Paris will) be deposited on the issue date with a common depository on behalf of Euroclear and Clearstream, Luxembourg or if a Global Certificate (as defined below) is stated in the applicable Final Terms to be issued under the new safekeeping structure ("**NSS**"), it is intended to be eligible collateral for Eurosystem monetary policy and such Global Certificate will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg. An Unrestricted Global Certificate in respect of a Tranche of English Law Covered Bonds that is not to be listed on Euronext Paris may be cleared through a clearing system other than or in addition to Euroclear, Clearstream, Luxembourg or DTC (as defined below) or delivered outside a clearing system, as agreed between the Issuer and the relevant Dealer.

144A Covered Bonds will initially be represented by a permanent registered global Certificate (each a "**Restricted Global Certificate**") and, together with the 3(a)(2) Global Certificate and the Unrestricted Global Certificate, the "**Global Certificates**"), without interest coupons, which may be deposited on the issue date either (a) with a common depository on behalf of Euroclear and Clearstream, Luxembourg, (b) with a custodian for, and registered in the name of Cede & Co. as nominee for, DTC or (c) if a Global Certificate is stated in the NSS, it is intended to be eligible collateral for Eurosystem monetary policy and such Global Certificate will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg.

French Law Covered Bonds may be issued either in dematerialised form ("**Dematerialised Covered Bonds**") or in materialised form ("**Materialised Covered Bonds**") as more fully described herein. Dematerialised Covered Bonds will at all times be in book entry form in compliance with Articles L. 211-3 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). No physical documents of title will be issued in respect of the Dematerialised Covered Bonds.

Dematerialised Covered Bonds may, at the option of the Issuer, be (i) in bearer form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders (as defined in "Terms and Conditions of the Covered Bonds - Form, Denomination, Title and Redenomination") including Euroclear Clearstream, Luxembourg, or (ii) in registered form (*au nominatif*) and, in such latter case, at the option of the relevant Bondholder (as defined in "Terms and Conditions of the Covered Bonds - Form, Denomination, Title and Redenomination"), in either fully registered form (*au nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (appointed in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Bondholder.

Materialised Covered Bonds will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in relation to Materialised Covered Bonds. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Covered Bonds with, where applicable, coupons for interest or talons attached (the "**Definitive Materialised Covered Bonds**"), on or after the fortieth (40th) day after the issue date of the Covered Bonds (subject to postponement as described in "Temporary Global Certificate in respect of Materialised Covered Bonds") upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository for Euroclear and Clearstream, Luxembourg, and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer(s) (as defined below).

German Law Covered Bonds will be issued in materialised registered form only.

The Covered Bonds may include Covered Bonds in bearer form (including Definitive English Law Covered Bonds and French Law Covered Bonds which are Materialised Covered Bonds) or Exchangeable Bearer Bonds that are subject to U.S. tax law requirements. Subject to certain exceptions, the Covered Bonds may not be offered or sold or, in the case of Bearer English Law Covered Bonds, delivered within the

The Covered Bonds are being offered and sold only outside the United States to non-U.S. persons in reliance on Regulation S of the Securities Act, provided, that Registered English Law Covered Bonds may be offered and sold within the United States either: (i) pursuant to Section 3(a)(2) of the Securities Act, or (ii) in reliance on Rule 144A only to QIBs. Prospective purchasers are hereby notified that sellers of the 144A Covered Bonds may be relying on the exemption from provisions of Section 5 of the Securities Act provided by Rule 144A of the Securities Act. For a description of certain restrictions on offers, sales and transfers of 144A Covered Bonds and on distribution of this Base Prospectus, see "Transfer Restrictions" and "Plan of Distribution".

The Issuer has not registered as an investment company pursuant to the United States Investment Company Act of 1940, as amended.

None of the Covered Bonds or the US Guarantee is insured by the Federal Deposit Insurance Corporation (the "FDIC") or any other U.S. governmental agency. Neither BNP Paribas nor the Issuer is subject to the periodic reporting requirements of the U.S. Securities Exchange Act of 1934.

Covered Bonds issued under the Programme are expected on issue to be rated AAA by Standard & Poor's Ratings Services and AAA by Fitch Ratings (together, the "Rating Agencies"). A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency. As of the date of this Base Prospectus, each of the Rating Agencies is established in the European Union and is registered under Regulation (EU) No. 1060/2009, as amended and is included in the list of registered credit rating agencies published at the website of the European Securities and Markets Authority (www.esma.europa.eu/page/List-registered-and-certified-CRAs).

ARRANGER AND PERMANENT DEALER

BNP PARIBAS

This Base Prospectus (together with all supplements thereto from time to time) constitutes a base prospectus for the purposes of Article 5.4 of the Prospectus Directive and contains all relevant information concerning the Issuer which is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer, as well as the base terms and conditions of the English Law Covered Bonds and French Law Covered Bonds to be issued under the Programme. The terms and conditions applicable to each Tranche not contained herein (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the relevant Final Terms.

This Base Prospectus should be read and construed in conjunction with any document and/or information which is incorporated herein by reference in accordance with Article 212-11 of the *Règlement général* of the AMF implementing the Prospectus Directive in France and Article 28 of the European Commission Regulation no.809/2004 dated 29 April 2004 (see "Documents incorporated by Reference" below) as well as, in relation to any Tranche of Covered Bonds, with the relevant Final Terms.

This Base Prospectus (together with all supplements thereto from time to time) may only be used for the purposes for which it has been published.

No person is or has been authorised to give any information or to make any representation other than those contained or incorporated by reference in this Base Prospectus in connection with the issue or sale of the Covered Bonds and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the US Guarantor, the Arranger or the Dealer (as defined in "General Description of the Programme"). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented, or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented, or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied, or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and the offering or sale of Covered Bonds in certain jurisdictions may be restricted by law. The Issuer and the Dealer do not represent that this Base Prospectus may be lawfully distributed, or that any Covered Bonds may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealer which is intended to permit a public offering of any Covered Bonds or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Covered Bond may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus or any Covered Bonds may come must inform themselves about, and observe, any such restrictions on the distribution of this Base Prospectus and the offering and sale of Covered Bonds. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of Covered Bonds in the United States of America, Japan and the European Economic Area (including France, Republic of Italy, the Netherlands and the United Kingdom).

For a description of these and certain further restrictions on offers, sales and transfers of Covered Bonds and on distribution of this Base Prospectus, see "Transfer Restrictions" and "Plan of Distribution".

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Arranger or the Dealer to subscribe for, or purchase, any Covered Bonds.

The Arranger and the Dealer have not separately verified the information contained or incorporated by reference in this Base Prospectus. Neither the Arranger nor the Dealer makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information contained or incorporated by reference in this Base Prospectus. Neither this Base Prospectus nor any other information supplied in connection with the Programme (including any information incorporated by reference therein) is intended to provide the basis of any credit or other evaluation and

should not be considered as a recommendation by any of the Issuer, the US Guarantor, the Arranger or the Dealer that any recipient of this Base Prospectus or any other financial statements should purchase the Covered Bonds. Each prospective investor of Covered Bonds should determine for itself the relevance of the information contained or incorporated by reference in this Base Prospectus and its purchase of Covered Bonds should be based upon such investigation as it deems necessary. Neither the Arranger nor the Dealer undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or prospective investor in the Covered Bonds of any information that may come to the attention of the Dealer or the Arranger.

In connection with the issue of any Tranche, the Dealer or Dealers (if any) named as the stabilising manager(s) (the "Stabilising Manager(s)") (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Covered Bonds or effect transactions with a view to supporting the market price of the Covered Bonds at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche and sixty (60) days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment shall be conducted in accordance with all applicable laws and rules.

None of the Dealer or the Issuer or the US Guarantor makes any representation to any prospective investor on the Covered Bonds regarding the legality of its investment under any applicable laws. Any prospective investor in the Covered Bonds should be able to bear the economic risk of an investment in the Covered Bonds for an indefinite period of time.

Prospective purchasers of Covered Bonds should ensure that they understand the nature of the relevant Covered Bonds and the extent of their exposure to risks and that they consider the suitability of the relevant Covered Bonds as an investment in the light of their own circumstances and financial condition. Covered Bonds involve a high degree of risk and potential investors should be prepared to sustain a total loss of the purchase price of their Covered Bonds. For more information, see "Risk Factors".

Borrower Event of Default:

Upon the occurrence of a Borrower Event of Default, the Issuer (represented by the Administrator or the Issuer Independent Representative) shall, by written notice (such notice to constitute a *mise en demeure*) to the Borrower (with copy to (i) the Issuer Independent Representative (if the Borrower Enforcement Notice is delivered by the Administrator), (ii) the Administrator (if the Borrower Enforcement Notice is

delivered by the Issuer Independent Representative) and (iii) (in each instance) the Rating Agencies), (x) declare that (i) no further Borrower Advances shall be available under the Borrower Facility Agreement, and (ii) the then outstanding Borrower Advances are immediately due and payable and (y) enforce the rights of the Lender under the Borrower Collateral Security Agreement and the Cash Collateral Agreement for the repayment of any sum due by the Borrower under the Borrower Facility Agreement and not paid by the Borrower (whether at its contractual due date or upon acceleration) (a "**Borrower Enforcement Notice**").

Each of the following events constitutes the occurrence of an event of default under the Borrower Facility Agreement (each, a "**Borrower Event of Default**"):

- (a) the Borrower fails to pay any sum due under the Borrower Facility Agreement when due, in the currency and in the manner specified herein; provided, however, that where such non-payment is due to an administrative error or the failure of continuing external payment systems or clearing systems reasonably used by the Borrower and such payment is made by the Borrower within three (3) Business Days of such non-payment, such non-payment shall not constitute a Borrower Event of Default;
- (b) a Breach of Pre-Maturity Test occurs;
- (c) a Breach of Asset Cover Test occurs;
- (d) a Breach of Collection Loss Reserve Funding Requirement occurs;
- (e) any material representation or warranty made by the Borrower, in the Borrower Facility Agreement or in any notice or other document, certificate or statement delivered by it pursuant hereto or in connection herewith is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Administrator or the Issuer has given notice thereof to the Borrower or (if sooner) the Borrower has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (f) the Borrower fails to comply with any of its material obligations under the Borrower Facility Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Administrator or the Issuer has given notice thereof to the Borrower or (if sooner) the Borrower has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (g) as regards the Borrower, an Insolvency Event occurs;
- (h) any effect, event or matter (regardless of its nature, cause or origin and in particular the commencement of any legal, administrative or other proceedings against the Borrower) occurs which is or could be reasonably expected to be materially adverse to (i) the financial or legal situation, assets, business or operations of the Borrower and (ii) the ability of the Borrower to perform its payment obligations or the financial covenants under any of the Programme Documents;
- (i) at any time it is or becomes unlawful for the Borrower to perform or comply with any or all of its material obligations under the Borrower Facility Agreement or any of the material obligations of the Borrower under the Borrower Facility Agreement are not or cease to be legal, valid and binding;
- (j) upon the occurrence of a Hedging Rating Trigger Event (as defined in section "The Hedging Strategy" of this Base Prospectus), (i) the Issuer (or the Administrator on its behalf) fails to enter into any Issuer Hedging Agreement (as defined in section "The Hedging Strategy" of this Base Prospectus) with any relevant Eligible Hedging Provider (as defined in section "The Hedging Strategy" of this Base Prospectus) within thirty (30) calendar days from the

occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy (as defined in section "The Hedging Strategy" of this Base Prospectus) or (ii) the Issuer (or the Administrator on its behalf) or the Borrower fails to enter into any Borrower Hedging Agreement (as defined in section "The Hedging Strategy" of this Base Prospectus) within thirty (30) calendar days from the occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy (as defined in section "The Hedging Strategy" of this Base Prospectus); or

- (k) a Breach of Maximum Legal Substitution Assets Limit has occurred and is continuing and the license of the Issuer as a *société de financement de l'habitat* has been withdrawn following such breach.

Under the Borrower Facility Agreement, the Borrower undertakes to indemnify the Lender:

Borrower's guarantee and indemnities:

- (a) against any cost, claim, loss, expense (including legal fees) or liability (other than reasonable consequential losses including loss of profit), which the Lender may (acting reasonably) sustain or incur as a consequence of the occurrence of any Borrower Event of Default or any default by the Borrower in the performance of any of the obligations expressed to be assumed by it in the Borrower Facility Agreement; and
- (b) against any loss (other than by reason of negligence or default by the Lender) that the Lender may suffer or incur as a result of its funding or making arrangements to fund a Borrower Advance requested by the Borrower hereunder but not made by reason of the operation of any one or more of the provisions hereof; and

In addition, the Borrower, as guarantor, irrevocably and unconditionally guarantees and undertakes to hold the Lender harmless against any liabilities that the Lender may incur in connection with its funding or making arrangements to fund, through the issuance of Covered Bonds or otherwise, any Borrower Advance made available to the Borrower under the Borrower Facility Agreement (including but not limited to any indemnity payable by the Lender (in its capacity as Issuer) to any party under any Program Documents and any termination costs due and payable by the Lender under any Hedging Agreement which would not be subordinated to the full and final redemption of the then outstanding Covered Bonds).

Under the Borrower Facility Agreement and subject to customary legal limitation under French law, the Borrower, as guarantor (in such capacity, the "**Guarantor**") irrevocably and unconditionally, (i) jointly and severally guarantees (*caution solidaire*) to the Lender the due and punctual observance and performance of the terms, conditions and covenants under each Affiliate Facility Agreement (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**") on the part of each relevant Affiliate (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**") of each and any Affiliate under each and any Affiliate Facility Agreement (the "**Guaranteed Liabilities**"), and agrees to pay from time to time on demand of the Administrator any and every sum or sums of money which is at any time payable to the Lender in respect of the Guaranteed Liabilities, and (ii) agrees as a primary obligation to indemnify the Lender from time to time on demand of the Administrator from and against any loss incurred by the Lender as a result of any of the obligations of any Affiliate under or pursuant to the Programme Documents being or becoming void, voidable, unenforceable or ineffective as against such Affiliate for any reason whatsoever, whether or not known to the Lender or any other person, the amount of such loss being the amount which the Lender would otherwise have been entitled to recover from such Affiliate.

**The Borrower
Collateral Security
Agreement:**

(see section "**The Borrower and the Borrower Facility Agreement**" – "**The Borrower Facility Agreement**").

The Borrower Collateral Security Agreement sets forth the terms and conditions upon which the Borrower shall grant financial assets (the "**Eligible Assets**") as collateral security (*remise en garantie financière à titre de sûreté*) pursuant to Articles L. 211-36 to L. 211-40 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Borrower Collateral Security**") for the benefit of the Lender in order to secure, as they become due and payable, the payments of all and any amounts owed by the Borrower under the Borrower Facility Agreement, whether present or future and whether in its capacity as "Borrower" or "Guarantor" (the "**Borrower Secured Liabilities**").

For the purposes of the Borrower Collateral Security Agreement, an "Eligible Asset" means any Home Loan Receivable that complies with the "Home Loan Eligibility Criteria" and with the SFH Legal Framework which is existing and has not been repaid in full (each as further described in "**The Borrower Collateral Security Agreement**").

The title to the Eligible Assets granted as Collateral Security shall not be transferred in favour of the Issuer until perfection of the Collateral Security. The Issuer shall be vested in the title to such Eligible Assets only upon enforcement of the Borrower Collateral Security, if any such enforcement occurs in accordance with the terms of the Borrower Collateral Security Agreement.

The Borrower shall perform the servicing of the Borrower Collateral Security Assets (as defined in "The Borrower Collateral Security Agreement") in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"), using the degree of skill, care and attention as for the servicing of its assets for its own account, without interfering with the Issuer's material rights under the Borrower Collateral Security Agreement.

(see section "**The Borrower Collateral Security**" – "**The Borrower Collateral Security Agreement**").

**The Cash Collateral
Agreement:**

The Cash Collateral Agreement sets forth the terms and conditions upon which BNP Paribas, as Cash Collateral Provider, shall be requested to fund certain amounts as cash collateral (*gage espèces*) (each, a "**Cash Collateral**") into a Cash Collateral Account, the Collection Loss Reserve Account and the Affiliate Debt Commingling Account in order to secure the repayment of the Borrower Secured Liabilities.

Pre-Maturity Test and Legal Liquidity Test

See below section entitled "**Asset Monitoring - The Pre-Maturity Test and the Legal Liquidity Test**".

Collection Loss Trigger Event

Upon downgrading of the credit rating of the Borrower below A-1 (short-term) or A (long term) (S&P) or F1(short term) / A (long term) (Fitch) (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds) (the "**Collection Loss Trigger Event**") and within ten (10) Business Days from the occurrence of such Collection Loss Trigger Event, the Cash Collateral Provider shall be required to pay into the credit of a bank account to be opened within such period in the Issuer's name and in its books of the Issuer Accounts bank (the "**Collection Loss Reserve Account**"), an amount equal to the higher of (i) the Interest Amount due on the Covered Bonds, on a rolling basis, during the three (3) calendar months following the occurrence date of the Collection Loss Trigger Event, and (ii) the collections received by the Borrower and the Affiliates under the Home Loans Receivables granted as Borrower Collateral Security and Affiliate Collateral Security during the three (3) calendar months preceding the occurrence date of the Collection

Loss Trigger Event, as such amount shall be reported to the Issuer, the Administrator and the Issuer Calculation Agent (with a copy to the Rating Agencies) within the above mentioned ten (10) Business Day-period.

Failure by the Cash Collateral Provider to fund the Collection Loss Reserve Account up to the required amount within the required period following the occurrence date of the Collection Loss Trigger Event shall constitute a "**Breach of Collection Loss Reserve Funding Requirement**" within the meaning of the Cash Collateral Agreement. A Breach of Collection Loss Reserve Funding Requirement constitutes the occurrence of a Borrower Event of Default.

Any other solution that prevents the rating of the Covered Bonds to be adversely impacted may also be implemented upon Collection Loss Trigger Event.

Affiliate Debt Commingling Trigger Event

Upon downgrading of the credit rating of the Borrower below A-1 (S&P) or F1 (short-term) or A (long term) (Fitch) (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds) (the "**Affiliate Debt Commingling Trigger Event**") and within sixty (60) calendar days from the occurrence of such Affiliate Debt Commingling Trigger Event:

- (a) the Borrower and each relevant Affiliate shall take all necessary steps so that all and any amounts owed by any Affiliates under any Affiliate Facility, are paid into the credit of a single dedicated bank account to be opened within such period in the name and in the books of the Borrower (the "**Affiliate Debt Commingling Account**"); and
- (b) the Borrower shall grant any cash amount standing on the credit of the Affiliate Debt Commingling Account as Cash Collateral (*gage-espèces*) for the benefit of the Issuer so as to secure as they become due and payable the payments of the Borrower Secured Liabilities.

Failure by the Cash Collateral Provider to fund the Affiliate Debt Commingling Account up to the required amount within the required period following the occurrence date of the Affiliate Debt Commingling Trigger Event shall constitute a "**Breach of Debt Commingling Funding Requirement**" within the meaning of the Cash Collateral Agreement. A Breach of Debt Commingling Funding Requirement constitutes the occurrence of a Borrower Event of Default.

All cash credited to the Collection Loss Reserve Account as described above shall be granted as Cash Collateral subject to, and in accordance with, the relevant terms of the Cash Collateral Agreement and shall secure the Borrower Secured Liabilities as they become due and payable.

The Cash Collateral Provider will benefit from the *Privilège* for the repayment of any amounts constituting any Cash Collateral. The Cash Collateral Provider will thus be qualified as a privileged creditor of the Issuer ("**Privileged Creditor**").

(see section "**The Borrower Collateral Security**" – "**The Cash Collateral Agreement**").

4. THE AFFILIATES, THE AFFILIATE FACILITY AGREEMENTS AND THE AFFILIATE COLLATERAL SECURITY

The Affiliates:

Any Affiliate of the Borrower may access the Programme subject to the satisfaction of the conditions described in section "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**".

The Affiliate Facility Agreements:

Prior to its accession to the Programme, each relevant Affiliate enters into an Affiliate Facility agreement (each, an "**Affiliate Facility Agreement**") with BNP Paribas, as "Affiliate Lender" (the "**Affiliate Lender**") in order to determine the terms and conditions according to which the Affiliate Lender shall grant such Affiliate with advances under an Affiliate Facility (each, an "**Affiliate Advance**").

The Affiliate Lender will fund each Affiliate advance to be made available to the relevant Affiliate with the proceeds of a corresponding Borrower Advance made available under the Borrower Facility.

The terms and conditions of an Affiliate Advance may not mirror those of the Borrower Advance funding such Affiliate Advance. Any amounts repaid or prepaid under any Affiliate Advance shall not be re-borrowed.

Upon the occurrence of an Affiliate Event of Default which is continuing unremedied, the Affiliate Lender may, by written notice (such notice to constitute a *mise en demeure*) to the relevant Affiliate, (i) declare that no further Affiliate Advances shall be available under the relevant Affiliate Facility Agreement, and the relevant Affiliate Advances become immediately due and payable and enforce its rights under the relevant Affiliate Collateral Security Agreement (an "**Affiliate Enforcement Notice**").

Any Affiliate Facility will be accelerated upon the occurrence of a Borrower Event of Default.

Under each Affiliate Facility Agreement, subject to customary legal limitations under French law and up to the maximum amount that may be owed by each Affiliate under the relevant Affiliate Facility Agreement, each Affiliate, as guarantor (in such capacity, the "**Affiliate Guarantor**") irrevocably and unconditionally and jointly and severally:

- (i) guarantees to the Lender the due and punctual observance and performance of the terms, conditions and covenants under the Borrower Facility Agreement (as described in "The Borrower and the Borrower Facility Agreement") on the part of the Borrower under the Borrower Facility Agreement (as defined herein), including the payment of all present and future payment obligations (whether actual or contingent and whether owed jointly or severally or in any other capacity whatsoever), and agrees to pay from time to time on demand of the Administrator any and every sum or sums of money which is at any time payable to the Lender in respect of the Borrower Facility Agreement; and
- (ii) agrees as a primary obligation to indemnify the Lender from time to time on demand of the Administrator from and against any loss incurred by the Lender as a result of any of the obligations of the Borrower under or pursuant to the Programme Documents being or becoming void, voidable, unenforceable or ineffective as against the Borrower for any reason whatsoever, whether or not known to the Lender or any other person, the amount of such loss being the amount which the Lender would otherwise have been entitled to recover from the Borrower.

(see section "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security" – "The Affiliate Facility Agreements").

Affiliates not incorporated in France:

Variations to the above described terms of any Affiliate Facility Agreement may be agreed between the Affiliate Lender and any Affiliate not incorporated in France if required under the law of the jurisdiction where the relevant Affiliate is incorporated or the law governing the Home Loans and/or the Affiliate Collateral Security. Other variations to the above described terms of any Affiliate Facility Agreement can only be agreed subject to prior Rating Affirmation.

The Affiliate Collateral Security Agreements:

Each Affiliate Collateral Security Agreement sets forth the terms and conditions upon which the relevant Affiliate shall grant Eligible Assets as collateral security (*garantie financière*) (the "**Affiliate Collateral Security**") for the benefit of the Affiliate Lender

so as to secure as they become due and payable the payments of all and any amounts owed by the Affiliate under the relevant Affiliate Facility, whether present or future and whether in its capacity as "Affiliate" or "Affiliate Guarantor" (the "**Affiliate Secured Liabilities**").

For the purposes of each Affiliate Collateral Security Agreement, an "**Eligible Asset**" means any Home Loans receivables that comply to the "Home Loans Eligibility Criteria" and with the SFH Legal Framework.

The creation and perfection of each Affiliate Collateral Security with respect to each Affiliate which is incorporated in France shall be created and perfected subject to the same requirements as that applicable to the creation and perfection of the Borrower Collateral Security.

Each Affiliate shall perform the servicing of the Affiliate Collateral Security Assets (as defined in section "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security" – "The Affiliate Collateral Security Agreements") in accordance with applicable laws, its customary servicing procedures, using the degree of skill, care and attention as for the servicing of its assets for its own account.

(see section "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security" – "The Affiliate Collateral Security Agreements").

5. ASSET MONITORING

Asset Cover Test:

Under the Borrower Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall monitor the Borrower Collateral Security Assets and cause each Affiliate to monitor the relevant Affiliate Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

For so long as Covered Bonds remain outstanding, non compliance with the Asset Cover Test would result from the Asset Cover Test Ratio (as specified in section "**Asset Monitoring**" – "**The Asset Cover Test**"), being less than one (1). Non compliance with the Asset Cover Test does not constitute the occurrence of an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further Covered Bonds as long as it remains unremedied, except for the purposes of subscription by the Issuer of Auto-held Covered Bonds in accordance with Condition 20 as set forth in "Terms and Conditions of the Covered Bonds".

Failure by the Borrower to cure a non compliance with the Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date (as defined in "**Asset Monitoring – The Asset Cover Test**") will constitute a "**Breach of Asset Cover Test**" within the meaning of the Collateral Security Agreement.

A Breach of Asset Cover Test constitutes the occurrence of a Borrower Event of Default. A Breach of Asset Cover Test will prevent the Issuer from issuing any further Covered Bonds, except for the purposes of subscription by the Issuer of Auto-held Covered Bonds in accordance with Condition 20 as set forth in "**Terms and Conditions of the Covered Bonds**".

(see section "**Asset Monitoring**" – "**The Asset Cover Test**").

Minimum Legal Collateralisation Ratio

The Issuer, as a *société de financement de l'habitat*, must at all times maintain a cover ratio (*ratio de couverture*) between its Eligible Assets (including its Legal Substitution Assets (as defined herein)) and its liabilities benefiting from the *Privilège* (the "**Collateralisation Ratio**"). In accordance with the French SFH legal Framework on the date hereof, and in particular pursuant to Articles L. 515-20 and R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*), the *sociétés de financement de l'habitat* (SFH) such as the Issuer must at all times maintain an

Collateralisation Ratio equal to at least one hundred and two per cent. (102%) (the "**Minimum Legal Collateralisation Ratio**"). For the calculation of the Minimum Legal Collateralisation Ratio, the Issuer shall take into account the Home Loan Receivables granted as Collateral Security in accordance with Article R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*).

The Specific Controller (as defined herein) ensures that the Minimum Legal Collateralisation Ratio is complied with.

Non-compliance by the Issuer with the Minimum Legal Collateralisation Ratio will constitute a "**Breach of Minimum Legal Collateralisation Ratio**".

A Breach of Minimum Legal Collateralisation Ratio does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

See "**Asset Monitoring – Minimum Legal Collateralisation Ratio**".

Maximum Legal Substitution Assets Percentage

Pursuant to Articles L. 515-17 and R. 515-7 of the French Monetary and Financial Code, the so-called substitution assets (*valeurs de remplacement*) (the "**Legal Substitution Assets**") of the Issuer shall not exceed at any time a percentage equal to fifteen per cent. (15%) of the total amount of its liabilities which benefit from the *Privilège* (the "**Maximum Legal Substitution Assets Percentage**").

With respect to the Issuer and for the purpose of the calculation of the Maximum Legal Substitution Assets Percentage, the Legal Substitution Assets are comprised of such debt, securities, deposits and other investment products that are deemed eligible as the so-called substitution assets (*valeurs de remplacement*) within the meaning of Articles L. 515-17, R. 515-7 and R. 515-16 of the French Monetary and Financial Code (*Code monétaire et financier*) (including any Permitted Investment and any Cash Collateral made available to the Issuer by the Cash Collateral Provider in accordance with the Cash Collateral Agreement) and which are held by the Issuer from time to time.

The Specific Controller ensures that the Maximum Legal Substitution Assets Percentage is not exceeded by the Issuer.

Upon the Legal Substitution Assets of the Issuer exceeding the Maximum Legal Substitution Assets Percentage, this shall constitute a "**Breach of Maximum Legal Substitution Assets Limit**" by the Issuer. The Specific Controller ensures that the Issuer and the *Autorité de contrôle prudentiel* are promptly notified of the occurrence of a Breach of Maximum Legal Substitution Assets Limit. Upon receipt of such notice, the Issuer will then notify the Borrower, the Rating Agencies, the Asset Monitor and the Issuer Calculation Agent of the same.

A Breach of Maximum Legal Substitution Assets Limit does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default if it does not trigger in turn the withdrawal of the licence of the Issuer as a *société de financement de l'habitat*.

See "**Asset Monitoring – Maximum Legal Substitution Assets Percentage**".

Pre-Maturity Test and Legal Liquidity Test:

The contractual liquidity test of the Issuer (the "**Pre-Maturity Test**") shall be deemed complied with for so long as, in relation to any and each Series of Covered Bonds, (i) no Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, or (ii) if, to the contrary, a Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, the Cash Collateral Provider has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount within fourteen (14) calendar days from the day of occurrence of such Pre-Maturity Rating Downgrade Event.

The legal liquidity test of the Issuer (the "**Legal Liquidity Test**") shall be deemed complied with for so long as, in relation to all the Liabilities of the Issuer, (i) no Legal Liquidity Rating Downgrade Event has occurred, or (ii) if, to the contrary, a Legal Liquidity Rating Downgrade Event has occurred, the Cash Collateral Provider (x) has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount within fourteen (14) calendar days from the day of occurrence of such Legal Liquidity Rating Downgrade Event, and (y) on each day following the initial funding of the Cash Collateral as mentioned above (each, a "**CCRFA Funding Date**"), the Cash Collateral Provider has maintain in the Cash Collateral Account an amount sufficient to ensure that the balance of the Cash Collateral Account shall be at least equal to the CCRFA, as determined pursuant to the Cash Collateral Agreement, computed as of such CCRFA Funding Date.

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount, upon the occurrence of (i) the downgrading, during any Pre-Maturity Test Period (as defined below), of the then applicable ratings of the Borrower below one (1) or more of the Pre-Maturity Rating Required Levels (as defined below) (each, a "**Pre-Maturity Rating Downgrade Event**"), and/or (ii) the downgrading at any time of the then applicable ratings of the Borrower below (cumulatively) all Liquidity Rating Required Levels (as defined below) (each, a "**Legal Liquidity Rating Downgrade Event**"). The occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

The following credit ratings with respect to the Borrower are defined as the "**Pre-Maturity Rating Required Levels**" for the purposes of the Cash Collateral Agreement:

- (i) A-1 (short-term) and A (long-term) by S&P; and
- (ii) F1 + (short-term) by Fitch;

or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds.

The following credit ratings with respect to the Borrower are defined as the "**Liquidity Rating Required Levels**" for the purposes of the Cash Collateral Agreement:

- (i) A-1 (short-term) and A (long-term) by S&P; and
- (ii) F1 (short-term) and A (long-term) (Fitch);

or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds.

"Pre-Maturity Test Period" means (i) with respect to any Series of outstanding Covered Bonds which are not Soft Bullet Covered Bonds, the period starting from, and including, the three hundred sixty-five (365th) calendar day preceding the Final Maturity Date of that Series and ending on, and including, such Final Maturity Date, and (ii) with respect to any Series of outstanding Soft Bullet Covered Bonds, the period starting from, and excluding, the three hundred sixty-five (365th) calendar day preceding the Extended Final Maturity Date of that Series and ending on, and including, such Extended Final Maturity Date.

"Legal Liquidity Cover Period" means a period of one hundred and eighty (180)

calendar days as each the CCRFA Funding Date, the first applicable Legal Liquidity Cover Period beginning upon the occurrence of a Legal Liquidity Rating Downgrade Event.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount within fourteen (14) calendar days from the day of occurrence of a Pre-Maturity Rating Downgrade Event shall constitute a "**Breach of Pre-Maturity Test**". A Breach of Pre-Maturity Test constitutes the occurrence of a Borrower Event of Default.

The failure by the Cash Collateral Provider to fund any required Cash Collateral within fourteen (14) calendar days from the day of occurrence of a Legal Liquidity Rating Downgrade Event or maintain the relevant amount in the Cash Collateral Account at any time during any Legal Liquidity Cover Period in accordance with the relevant terms of the Cash Collateral Agreement constitutes a "**Breach of Liquidity Test**". A Breach of Liquidity Test does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

In order to comply with its legal obligation to cover its liquidity needs, the Issuer may also recourse to any other financing methods provided for under Article R.515-7-1 of the French Monetary and Financial Code (*Code monétaire et financier*).

See "**Asset Monitoring – The Pre-Maturity Test and the Legal Liquidity Test**".

Amortisation Test:

For so long as Covered Bonds remain outstanding and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer must ensure compliance with an amortisation test (the "**Amortisation Test**").

For so long as Covered Bonds remain outstanding, non compliance with the Amortisation Test would result from the Amortisation Ratio (as specified under "**Asset Monitoring**" being less than one (1).

A non compliance with the Amortisation Test constitutes the occurrence of an Issuer Event of Default.

See section "**Asset Monitoring**" – "**The Amortisation Test**".

Risks related to the Issuer

The Issuer has sole liability under the Covered Bonds

The Issuer is the only entity with the obligation to pay principal and interest with respect to the Covered Bonds. The Covered Bonds are not and will not be the obligation or responsibility of any other entity, including (but not limited to) BNP Paribas (in any capacity but in particular in its capacity as Borrower, Administrator, Cash Collateral Provider or Issuer Calculation Agent), the Dealers, the Representative, the Paying Agents, the Affiliates (if any), the Asset Monitor, any participant to the Hedging Strategy (as applicable) or any company in the same group of companies as any of the foregoing entities, or the shareholders, directors, or agents of any company in the same group of companies as the foregoing entities provided however that:

- (a) the obligations of the Issuer under the 3(a)(2) Covered Bonds only will be guaranteed on a senior basis (the "**US Guarantee**") by BNP Paribas, acting through its New York branch (in such capacity, the "**US Guarantor**"). The US Guarantor's obligations under the US Guarantee constitute direct, unconditional, unsecured and unsubordinated obligations of the US Guarantor and will rank *pari passu* with all present and future unsecured, unconditional and unsubordinated obligations of the US Guarantor, without any preference among themselves and without any preference one above the other by reason of priority of date of issue, currency of payment or otherwise, except for obligations given priority by law; and
- (b) the Borrower, as guarantor, will irrevocably and unconditionally guarantee and hold the Issuer

harmless against any liabilities that the Issuer (as lender under the Borrower Facility Agreement) may incur in connection with its funding or making arrangements to fund, through the issuance of Covered Bonds or otherwise, any Borrower Advance made available to the Borrower under the Borrower Facility Agreement (including but not limited to any indemnity payable by the Issuer to any party under any Programme Documents and any termination costs due and payable by the Issuer under any Hedging Agreement which would not be subordinated to the full and final redemption of the then outstanding Covered Bonds).

In making an investment decision, investors must rely upon their own examination of the Issuer, the Borrower Collateral Security Assets, the terms of the Covered Bonds issued under the Programme and the financial information incorporated in this Base Prospectus. In the case of a Borrower Event of Default, there can be no assurance that the Borrower Collateral Security Assets will be sufficient to pay in full the amounts payable under the Covered Bonds.

The Issuer relies on BNP Paribas or its successors for its operations and to administer the Programme Documents

The Issuer has entered into a number of agreements with BNP Paribas, who has agreed to perform services for the Issuer. In particular, but without limitation:

- BNP Paribas has been appointed as Administrator to provide the Issuer with necessary advice, assistance and know-how, whether technical or otherwise in connection with the day to day management and corporate administration of the Issuer and to ensure that the Issuer exercises each of its rights and perform each of its obligations under the Programme Documents;
- BNP Paribas has been appointed as Issuer Calculation Agent, as defined below, to make calculations as provided under the Programme Documents and in particular to make calculations relating to the Asset Cover Test, the Pre-Maturity Test, the Legal Liquidity Test and the Amortisation Test.

Upon certain events occurring, a new entity would have to be appointed to act as Issuer Calculation Agent and Administrator.

Under the relevant Programme Documents, the Issuer may in certain circumstances terminate the appointment of BNP Paribas or any other BNP Paribas Entity that may be appointed (such termination not being effective until a substitute servicer with the required rating shall have replaced BNP Paribas), in which case the transfer of the servicing function to a new servicer outside the BNP Paribas Group may result in delays, increased costs and/or losses in collection of sums due to the Issuer under its assets, could create operational and administrative difficulties for the Issuer, and could adversely affect its ability to perform its obligations under the Covered Bonds.

The Issuer relies on third parties including BNP Paribas and entities of the Group and their successors for the monitoring of the Collateral Security Assets

The Issuer has entered into the Borrower Collateral Security Agreement and the Affiliate Collateral Security Agreement with BNP Paribas and the Affiliates, who have agreed to administer and monitor the Collateral Security Assets and/or the Collateral Security.

Under the relevant Programme Documents, the Issuer may terminate the appointment of BNP Paribas or any other entity of the Group that may be appointed (such termination not being effective until a substitute servicer with the required rating shall have replaced BNP Paribas or the relevant entity of the Group), in which case the transfer of the monitoring function to any entity outside the Group may result in delays, increased costs and/or losses for the Issuer, could create operational and administrative difficulties for the Issuer and could adversely affect its ability to perform its obligations under the Covered Bonds. In addition, if the Affiliates and/or the BNP Paribas fail to adequately administer the Collateral Security Assets and/or the Collateral Security, this may lead to diminished value of the Collateral Security or any part thereof, and in turn, the ability of the Issuer to make payments under the Covered Bonds.

The Issuer relies on third parties including BNP Paribas and entities of the Group and their successors for the hedging of its obligations under the Covered Bonds

Under the Hedging Strategy, the Issuer is reliant on the entities of the Group (only until a Borrower Event of Default is enforced, subject to, and in accordance with the relevant terms of the Borrower Facility Agreement) and/or any relevant Eligible Hedging Provider(s), as defined below, to provide it with the funds matching its obligations under the Covered Bonds (see "**The Hedging Strategy**").

Failure of entities of the Group and/or any relevant Eligible Hedging Provider(s) to enter into any hedging agreement contemplated by the Hedging Strategy may adversely affect the Issuers' ability to perform its obligations under the Covered Bonds.

The Issuer relies on BNP Paribas and its successors for the provision of liquidity

The Issuer has entered into the Cash Collateral Agreement with BNP Paribas (as Cash Collateral Provider), who has agreed to provide liquidity to the Issuer upon certain rating trigger events occurring.

Failure of BNP Paribas to provide liquidity where required under the Cash Collateral Agreement may adversely affect the Issuers' ability to perform its obligations under the Covered Bonds.

Substitution risk

In the event of a downgrading of the short-term and/or long-term debt of one (1) or more parties to the Programme Documents (such as the Eligible Hedging Providers, the Issuer Calculation Agent, the Cash Collateral Provider, the Administrator, or the Issuer Accounts Bank), or if under certain other circumstances the substitution of one (1) or more of these parties is appropriate pursuant to the terms of the Programme Documents, no assurance can be given that a substitute entity will be found.

If there is a downgrading of the long-term debt of the Administrator, or another Administrator Termination Event, as defined below, occurs pursuant to the terms of the Administrative Agreement, as defined below, the Issuer will be entitled to terminate the appointment of the Administrator and appoint a new administrator in its place. There can be no assurance that a substitute administrator with sufficient experience would be found who would be willing and able to serve on the same or similar terms found in the Administrative Agreement. In particular, upon the occurrence of any Borrower Event of Default and the subsequent enforcement of the Borrower Collateral Security and the transfer to the Issuer of the Borrower Collateral Security Assets, there can be no assurance that a substitute administrator with sufficient experience of servicing such transferred Borrower Collateral Security Assets could be found who could be willing and able to serve on the same or similar terms found in the Administrative Agreement. The ability of a substitute Administrator to perform the required services fully would depend, among other things, on the information, software and records available at the time of the appointment. Any delay or inability to appoint a substitute Administrator may affect the realisable value of the Issuer Security or any part thereof, and/or the ability of the Issuer to make payments under the Covered Bonds. No Administrator has (nor will have, as applicable) any obligation itself to advance payments that the Borrower fails to make in a timely manner. The Representative is not obliged under any circumstance to act as an Administrator or to monitor the proper performance of obligations by any Administrator.

Certain conflicts of interest

The Issuer is a special purpose entity with exclusive and limited purpose, as well as a credit institution (*établissement de crédit*) licensed as a "*société financière*" with the status of *société de financement de l'habitat*, and is intended to be a ring-fenced entity that will be unaffected by the insolvency of the Group, in particular by including limited recourse and non-petition wording in the relevant Programme Documents.

Nonetheless, conflicts of interest may arise during the life of the Programme as a result of various factors involving certain parties to the transaction. For example, potential conflicts may arise when BNP Paribas acts in several capacities under the Programme, as it is allowed to do provided that its rights and obligations under the Programme Documents are not contractually conflicting and are independent from one another. During the course of their business activities, the Programme parties and/or any respective affiliates may operate, service, acquire or sell properties, or finance loans secured by properties, which are in the same markets as the Home

Loans. In such case, the interest of any of those parties or their affiliates or the interest of other parties for whom they perform services may differ from, and compete with, the interests of the Issuer or of the Bondholders.

Insolvency and examinership laws in France could limit the ability of the Bondholders to enforce their rights under the Covered Bonds

The Issuer, as a *société anonyme*, is subject to French laws and proceedings affecting creditors (including conciliation proceedings (*procédure de conciliation*), safeguard proceedings (*procédure de sauvegarde*) and judicial reorganisation or liquidation proceedings (*procédure de redressement ou de liquidation judiciaires*)).

The Issuer, as a regulated financial institution, is also subject to the provisions of Articles L. 613-25 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). These provisions include in particular specific rules on the opening of an insolvency proceeding against the Issuer, the involvement of the *Autorité de contrôle prudentiel* in the event of bankruptcy of the Issuer, specific concepts of suspension of payment (*cessation des paiements*) for the Issuer and some specific rules of liquidation for the Issuer.

As a general principle, the above mentioned insolvency and reorganisation rules favour the continuation of a business and protection of employment over the payment of creditors.

However, the Issuer, as a *société de financement de l'habitat*, benefits from a regime which derogates in many ways from the French legal provisions relating to insolvency proceedings, in particular:

- in accordance with Article L. 515-37 of the French Monetary and Financial Code, the provisions of Article L. 632-2 of the French Commercial Code (*nullités facultatives de la période suspecte*) shall not apply to payments made by the Issuer in application of the Programme Documents;
- the bankruptcy proceedings (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) of a shareholder of the Issuer cannot be extended to the Issuer;
- any service/loan agreement pursuant to which the Issuer has delegated to another credit institution the management or the recovery of loans, exposures, assimilated receivables, securities, instruments, bonds or other sources of financing may be immediately terminated upon the opening of bankruptcy proceedings (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) affecting that credit institution;
- in case of bankruptcy proceedings (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) or conciliation proceedings (*procédure de conciliation*) of the Issuer, all cash flows generated by the assets of the Issuer are allocated as a matter of absolute priority to servicing liabilities of the Issuer which benefit from the *Privilège* as they fall due, in preference to all other claims, whether or not secured or statutorily preferred and, until payment in full of the liabilities of the Issuer which benefit from the *Privilège*, no other creditors may take any action against the assets of the Issuer.

As a result of the operation of the SFH legal Framework, in the case of a bankruptcy or insolvency proceedings in respect of the Issuer, the ability of holders of Covered Bonds to exercise their rights under the Covered Bonds may be limited.

The Issuer filing for bankruptcy will not give rise to the right on the part of holders of the Covered Bonds to declare the Covered Bonds immediately due and payable

The bankruptcy of the Issuer, which is an event that is customarily considered an event of default under debt instruments giving rise to an absolute or qualified right on the part of the registered holder to declare such debt instrument immediately due and payable, constitutes the occurrence of an Issuer Event of Default under the "Terms and Conditions of the Covered Bonds". However, under the SFH legal Framework, the opening of bankruptcy proceedings or of conciliation proceedings with respect to the Issuer will not give rise to the right on the part of the holders of the Covered Bonds to declare the Covered Bonds immediately due and payable since, pursuant to the terms of the French Monetary and Financial Code (*Code monétaire et financier*) mentioned above, all cash flows generated by the assets of the Issuer are allocated as a matter of absolute priority to servicing liabilities of the Issuer which benefit from the *Privilège* as they fall due, in preference to all other claims, whether or not secured or statutorily preferred and, until payment in full of the liabilities of the Issuer which benefit from the *Privilège*, no other creditors may take any action against the assets of the Issuer.

Limited resources are available to the Issuer

In the absence of any Borrower Event of Default, the Issuer's ability to meet its obligations under the Covered Bonds will depend on the amount of scheduled principal and interest paid by the Borrower under the Borrower Facility Agreement and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments, as defined below and/or the available amount under the Share Capital Proceeds Account and/or payments proceeds under Legal Substitution Assets.

Pursuant to the Cash Collateral Agreement, the Issuer will benefit from any Cash Collateral to be provided by the Cash Collateral Provider under the circumstances described under the Cash Collateral Agreement.

Upon the occurrence of a Borrower Event of Default and/or an Affiliate Event of Default and enforcement of the Borrower Collateral Security and/or Affiliate Collateral Security granted by the Borrower and any Affiliate, and without prejudice to any other unsecured recourse the Issuer may have under the Borrower Debt, as defined below, the Issuer's ability to meet its obligations under all the Covered Bonds will depend on the revenue proceeds from the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets granted by the Borrower and any Affiliate which would have been enforced in favour of the Issuer (meaning the amount of principal and interest paid directly to the Issuer by the relevant debtors under the Home Loan Receivables which would have been transferred to the Issuer upon enforcement of such Borrower Collateral Security and/or Affiliate Collateral Security or the price or value of such Home Loan Receivables and related Home Loan Security upon the sale or refinancing thereof by the Issuer) and/or, as applicable the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy, and/or the revenue proceeds generated by Permitted Investments, and/or the amount of any Cash Collateral provided by the Cash Collateral Provider under the Cash Collateral Agreement, and/or the available amount under the Share Capital Proceeds Account, as defined below and/or payments proceeds under Legal Substitution Assets.

If such amounts are not sufficient for the Issuer to meet its obligations under the Covered Bonds, the Issuer will not have any further source of funds available other than the recourse the Issuer has under the Borrower Debt until such Borrower Debt is repaid in full.

The occurrence for whatever reason of an Issuer Event of Default will not automatically trigger the cross occurrence of a Borrower Event of Default, and the Issuer will in the absence of a Borrower Event of Default be unable to enforce the Collateral Security securing the repayment of the Covered Bonds in order to cure such Issuer Event of Default. Therefore, notwithstanding the occurrence of such an Issuer Event of Default while no Borrower Event of Default shall have occurred, the Issuer's ability to meet its obligations under the Covered Bonds will continue to depend only on the amount of scheduled principal and interest paid by the Borrower under the Borrower Facility Agreement and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments and/or any Cash Collateral and/or the available amount under the Share Capital Proceeds Account.

Recourse and enforcement with respect to the Issuer is subject to significant limitations

Payments due under the Covered Bonds are subject to significant limitations as described in Condition 14 "Limited recourse" under "**Terms and Conditions of the Covered Bonds**". Furthermore, payment with respect to the Covered Bonds will be subordinated to the full payment of certain sums pursuant to the then applicable Priority Payment Order and recoverable only from and to the extent of the amount of the Available Funds as described in Condition 15 under "**Terms and Conditions of the Covered Bonds**". No enforcement action under the Covered Bonds may be taken prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date (or the Extended Final Maturity Date, if any) of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond as described in Condition 14 "Non-petition" under "**Terms and Conditions of the Covered Bonds**".

Permitted Investments

Any available funds in the Issuer Accounts (prior to their allocation and distribution) may be invested by the Administrator in Permitted Investments. The value of the Permitted Investments may fluctuate depending on the financial markets and the Issuer may be exposed to a credit risk in relation to such Permitted Investments. None

of the Arrangers, the Dealers, the Issuer, the Administrator or any other party to the Programme Documents guarantees the market value of the Permitted Investments. None of them shall be liable if the market value of any of the Permitted Investments fluctuates and decreases.

Risks related to the Borrower

Borrower's ability to pay under the Borrower Debt

Neither the Issuer nor any other party to the Programme Documents (other than, upon certain circumstances, the Cash Collateral Provider and the Affiliates (if any)) guarantees or warrants the full and timely payment by the Borrower of any sums of principal or interest payable under the Borrower Debt, being part of the Issuer Assets.

Should BNP Paribas be subject to any applicable insolvency proceedings (including, the procedures of safeguard, moratorium, suspension of payments, controlled management, liquidation or similar insolvency proceedings), this would impair the ability of the Issuer to claim against BNP Paribas to obtain timely payment of amounts of principal and interest due and payable under the Borrower Debt.

However in such event, the Issuer would be entitled to accelerate the payment of such amounts and then immediately enforce the Borrower Collateral Security or the Cash Collateral (including upon and following the commencement of insolvency proceedings against the Cash Collateral Provider and/or the Borrower).

For a detailed description of certain risks related to the Borrower's operations and industry, investors are directed to pages 4 to 9 of the Information Statement incorporated by reference herein.

Risks related to the Affiliates

Affiliates' ability to pay under the Affiliate Debt

Neither the Issuer nor any other party to the Programme Documents (other than, upon certain circumstances, the Cash Collateral Provider, the Borrower and the other Affiliates (if any)) guarantees or warrants the full and timely payment by any Affiliate of any sums of principal or interest payable under the Affiliate Debt.

Should an Affiliate be subject to any applicable insolvency proceedings (including, the procedures of safeguard, moratorium, suspension of payments, controlled management, liquidation or similar insolvency proceedings), this would impair the ability of the Issuer to claim against such Affiliate to obtain timely payment of amounts of principal and interest due and payable under the Affiliate Debt.

However in such event, the Issuer would be entitled to accelerate the payment of such amounts and then immediately enforce the Affiliate Collateral Security (including upon and following the commencement of insolvency proceedings against the Affiliate).

Accession of new entities of the Group as Affiliates may increase risk to the Bondholders

New entities may accede to the Programme as Affiliates by concluding an Affiliate Facility Agreement and an Affiliate Collateral Security Agreement with the Borrower, and this will generally increase the risks of the Bondholders under the Programme.

However, this would only be permitted if such entities are within the Group, upon prior Rating Affirmation, and if the other conditions precedent relating to Affiliates acceding to the Programme are met in accordance with the Programme Documents.

For a detailed description of certain risks related to the BNP Paribas Group, investors are directed to pages 4 to 9 of the Information Statement incorporated by reference herein.

Risks related to the Borrower Collateral Security and Affiliate Collateral Security

No interpretation by French courts of rules applicable to Borrower Collateral Security and Affiliate Collateral Security

The Home Loan Receivables which will be granted as Borrower Collateral Security and Affiliate Collateral Security in favour of the Issuer for the repayment of the Borrower Debt and the Affiliate Debt extended by the Issuer will be granted in accordance with Articles L. 211-36 to L. 211-40 of the French Monetary and Financial Code implementing Directive 2002/47/EC of the European Parliament and of the Council of 6 June 2002 on financial collateral arrangements, which has been amended by Directive 2009/44/EC of the European Parliament and of the Council of 6 May 2009 (the "**EU Collateral Directive**").

However, Article L. 211-38 of the Financial Code further states that the establishment and enforceability of a collateral security "*derive from the transfer of the relevant property and rights, the dispossession of the grantor or their control by the beneficiary or a person acting on his behalf*" but there are no guidelines in the EU Collateral Directive, in Article L. 211-38 of the French Monetary and Financial Code, in legal commentaries or in French case law on how to satisfy the "control" requirement in practice and in the context of security over loan receivables such as the security purported to be created over the Home Loan Receivables under under each Affiliate Collateral Security Agreement and the Borrower Collateral Security Agreement.

Although these French laws are in full force and effect as of the date of this Base Prospectus, Bondholders should note that French courts have not yet had the opportunity to interpret such rules.

No prior notification to debtors under the Home Loan Receivables granted as Borrower Collateral Security or as Affiliate Collateral Security

Each Affiliate Collateral Security Agreement (if any) and the Borrower Collateral Security Agreement will provide that the relevant Home Loans Receivables and Home Loan Security will be granted as Collateral Security without notification to the underlying debtors of such Home Loans. Such debtors will only be notified if and when the relevant Collateral Security is enforced following the occurrence of a Borrower Event of Default, and title to the relevant Home Loans and related Home Loan Security has been transferred to the Issuer. Notification to such debtors will only be effected when upon such Borrower Event of Default, the relevant collateral security has been enforced. As long as no such notification has been given, any payment made by any debtor under the relevant Home Loans to the relevant Affiliate or to the Borrower will be considered valid, as applicable, even though title to such Home Loans will have been validly transferred to the Issuer upon enforcement of the relevant Collateral Security.

There is no guarantee that notification to the debtors under the relevant Home Loans will be made at the times mandated and there can be no guarantee or assurance as to the ability of the Issuer to obtain effective direct payment from the debtors under the relevant Home Loans in a sufficiently timely manner, all of which may affect payments under the Covered Bonds. In such circumstances, a shortfall in distributions of interest or repayment of principal to Bondholders may result. However, also in such circumstances, the Hedging Agreement concluded in accordance with the Hedging Strategy is designed to cover limited amounts of interest on the related Series of Covered Bonds for a limited period of time.

Until notification to the debtors has been given informing them that insolvency proceedings have been opened against the Borrower, a statutory stay of execution under mandatory rules of French insolvency law will prevent the Issuer from taking recourse against the Borrower for repayment of collections received by the Borrower under the relevant Home Loans which are commingled with the Borrower's other funds.

This commingling risk is mitigated by the obligation of the Borrower to grant cash as Borrower Collateral Security to cover such risk upon downgrading of the Borrower credit rating below A-1 (short term) or A (long term) by S&P or F1 (short term) or A (long term) by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds) (see "**The Borrower Collateral Security – The Borrower Collateral Security Agreement – Collection Loss Trigger Event**").

Set-off by debtors

Notwithstanding the transfer to the Issuer of the relevant Home Loans and related Home Loan Security upon the occurrence of a Borrower Event of Default which is continuing, the debtors under the relevant Home Loans may be entitled, under restrictive conditions, to set off the relevant Home Loans receivable against a claim they may have vis-à-vis the relevant Borrower or Affiliate. In the absence of contractual arrangements providing for statutory set-off possibilities under the Home Loans (see "The Borrower Collateral Security – The Borrower Collateral Security Agreement – Home Loan Eligibility Criteria") or judicial ordered set-off, only mutuality of claims (*connexité*) may allow a set-off by a debtor under a Home Loan. A set-off between inter-related debts (*dettes connexes*) is available as a right. Inter-related debts (*dettes connexes*) mainly result from an economic association. In this latter case, mutuality of claims will be determined on a case by case basis, depending on the factual circumstances then existing. The most likely circumstance where set-off would be considered is when counterclaims resulting from a current account relationship will allow a debtor to set-off such counterclaims against sums due under a Home Loan. In this situation however, French case law states that there is no mutuality of claims, notwithstanding the fact that instalment under the home loan was to be paid by way of direct debit from the funds standing to the credit of the relevant current account, since the parties did not intend to interrelate their current account relationship and the lending transaction from an economical standpoint.

Risks related to maintenance of Borrower Collateral Security or Affiliate Collateral Security value prior to or following enforcement thereof

If the collateral value of the Home Loans Receivables and related Home Loan Security granted as Borrower Collateral Security in favour of the Issuer pursuant to the Borrower Collateral Security Agreement or as Affiliate Collateral Security in favour of the Borrower pursuant to any Affiliate Collateral Security Agreement has not been maintained in accordance with the terms of the Asset Cover Test, the Amortisation Test and the Minimum Legal Collateralisation Test or the other provisions of the Programme Documents, the value of the relevant Collateral Security Assets or any part thereof (both before and after the occurrence of a Borrower Event of Default) or the price or value of such Home Loans Receivables and related Home Loan Security upon the sale or refinancing thereof by the Issuer may be affected.

The value of the properties securing the Home Loans may decrease as a result of any number of factors, including the national or international economic climate, regional economic or housing conditions, changes in tax laws, mortgage interest rates, inflation, the availability of financing, yields on alternative investments, increasing utility costs and other day-to-day expenses, political developments and government policies. In addition, as the properties securing the Home Loans are predominantly located in France, the value of such properties may therefore decline in the event of a general downturn in the value of property in France. In addition, as the properties securing the Home Loans are predominantly located in France, the value of such properties may therefore decline in the event of a general downturn in the value of property in France.

The materialisation of any of the foregoing factors could adversely affect the Issuer's business, financial condition, cash flows and results of operations, and may result in the Issuer having insufficient funds to meet its obligations under the Covered Bonds.

Sale or refinancing of Home Loan Receivables and related Home Loan Security by the Issuer following enforcement of the Borrower Collateral Security or of the Affiliate Collateral Security

After title to the Home Loan Receivables granted as Collateral Security and the related Home Loan Security has been transferred to the Issuer upon enforcement of the Collateral Security (the "**Transferred Assets**"), the Administrator will organise the sale or refinancing by the Issuer of such Home Loan Receivables and related Home Loan Security in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date (or Extended Final Maturity Date, if any) under each relevant Series of Covered Bonds).

The Administrator will organise the sale or refinancing by the Issuer of the Home Loan Receivables granted as Collateral Security and the related Home Loan Security in accordance with the Administrative Agreement (see "**The Issuer – The Administrative Agreement**").

The Administrative Agreement provides that the Administrator shall ensure that the Transferred Assets which are proposed for sale or refinancing by the Issuer (the "**Selected Assets**") at any relevant date (the "**SARA Relevant Date**") will be selected on a random basis, provided that (i) no more Selected Assets will be selected

than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "**Selected Assets Required Amount (SARA)**", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * A/B$$

where:

"Adjusted Required Redemption Amount" means an amount equal to the Euro equivalent of the outstanding principal amount of the first Series of Covered Bonds maturing after the SARA Relevant Date (together with Interest Amount accrued thereon), less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority Payment Order and those amounts that are required to repay any Series which mature prior to or on the same date as the relevant Series);

"A" means the Euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all Transferred Assets; and

"B" means the Euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will offer the Selected Assets for sale to potential buyers for the best price reasonably available, but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date (or the Extended Final Maturity Date, if any) of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator will (i) organise the offer for sale of the Selected Assets by the Issuer for the best price reasonably available, or (ii) seek a refinancing of the Selected Assets by the Issuer on the best terms reasonably available, even if the price obtained in this case for the Selected Assets is less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator may through a tender process select a portfolio manager of recognised standing which shall be appointed by the Issuer to advise it in relation to the sale or refinancing of the Transferred Assets. This portfolio manager can be appointed by the Issuer on terms intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the Transferred Assets (if such terms are commercially available in the market).

In respect of any sale or refinancing of the Selected Assets, the Administrator shall use all reasonable endeavours to procure that the Selected Assets are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

There is no guarantee that a buyer will be found to acquire the Home Loan Receivables granted as Collateral Security and the related Home Loan Security at the times required and there can be no guarantee or assurance as to the price which may be able to be obtained, which may affect the ability of the Issuer to make payments when due under the Covered Bonds.

In addition, with respect to any sale or refinancing of the Home Loan Receivables granted as Collateral Security and the related Home Loan Security to third parties, the Issuer will not be permitted to give warranties or indemnities as to those assets. There is no assurance that representations or warranties previously given by the Borrower or by the relevant Affiliates with respect to such assets pursuant to the terms of the Borrower Collateral Security Agreement and to the relevant Affiliate Collateral Security Agreement may benefit a third party purchaser of such assets upon sale or refinancing thereof by the Issuer. Accordingly, there is a risk that the price or value of such assets upon the sale or refinancing thereof by the Issuer be adversely affected by the lack of representations and warranties which in turn could adversely affect the ability of the Issuer to make payments when due under the relevant Series of Covered Bonds.

Risk related to the Home Loans and related Home Loan Security

Debtors' ability to pay under the Home Loans

The debtors under the Home Loans are individuals having borrowed under the Home Loans in order to finance the acquisition of real estate property.

If, following enforcement of the Collateral Security, the Issuer does not receive the full amount due from the debtors on such Home Loans, this may affect the ability of the Issuer to make payments under the Covered Bonds.

The Issuer may therefore be exposed to the occurrence of credit risk in relation to the debtors under the Home Loans.

None of the Borrower, the Affiliates, the Issuer or any other party to the Programme Documents guarantees or warrants full and timely payment by the debtors under the Home Loans of any sums payable under such Home Loans.

The ability of a debtor under the Home Loans to make timely payment of amounts due under such Home Loans will mainly depend on his assets and his liabilities as well as his ability to generate sufficient income to make payments under the relevant Home Loans. His ability to generate income may be adversely affected by a large number of factors, some of which (i) relate specifically to the debtor himself (including but not limited to his age and health, employment situation, family situation, creditworthiness or expropriation) or (ii) are more general in nature (such as changes in governmental regulations, fiscal policy, etc.).

Furthermore, the debtors under the Home Loans may benefit from the favourable legal and statutory provisions of the French Consumer Code (*Code de la consommation*), pursuant to which any individual may, under certain circumstances, and subject to certain conditions, request and obtain from the competent court a grace period, a reduction of the amount of all and any of its indebtedness and any interest relating thereto and, as the case may be, (pursuant to (i) law no.98-657 dated 29 July 1998, as amended, and (ii) law no.2003-710 dated 1st August 2003) a full or partial extinguishment of its indebtedness against a credit institution.

No independent investigation – representations and warranties

None of the Issuer, the Arranger, the Administrator or any other party to any Programme Documents has undertaken or will undertake any investigations, searches or other due diligence regarding the Home Loans, the related Home Loan Security or as to the status and/or the creditworthiness of the debtors under the Home Loans. Each of them has relied solely on the representations and warranties given by the Borrower under the Borrower Collateral Security Agreement and by the relevant Affiliate under the relevant Affiliate Collateral Security Agreement.

If any breach of eligibility criteria relating to any Home Loan Receivable is material and (if capable of remedy) is not remedied, the Borrower shall be required under the Borrower Collateral Security Agreement to provide sufficient eligible Home Loans Receivables in order to maintain compliance with the Asset Cover Test.

Failure to maintain compliance with the Asset Cover Test and/or Minimum Legal Collateralisation Ratio may result in the Issuer having insufficient funds to meet its obligations under the Covered Bonds.

Limited description of the Home Loans

The Bondholders will not receive detailed statistics or information in relation to the Home Loans or the Borrower Collateral Security Assets because it is expected that the constitution of the security over the Borrower Collateral Security Assets may constantly change due to, among other things, the Borrower and/or the Affiliates (if any) granting security over additional, and/or new Borrower Collateral Security Assets, and/or Affiliate Collateral Security Assets or Affiliates acceding to the Programme. However, each eligible Home Loan Receivable will be required to meet the applicable eligibility criteria.

Prepayment

The rate of prepayment of Home Loans is influenced by a wide variety of economic, social and other factors, including prevailing market interest rates, changes in tax laws (including but not limited to amendments to mortgage interest tax deductibility), local, and regional economic conditions, as well as changes in the debtor's behaviour (including but not limited to home-owner mobility). No guarantee can be given as to the level of prepayment that the Home Loans may experience, and variation in the rate of prepayments of principal on the Home Loans may affect the ability of the Issuer to have sufficient funds to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice, and effect subsequent transfer of title to the Home Loan Receivables and Home Loan Security in favour of the Issuer.

Changes to the lending criteria of the Borrower and of the Affiliates

Each of the Home Loans originated by the Borrower or by an Affiliate (if any) will have been originated in accordance with its lending criteria at the time of origination. It is expected that each Borrower's or Affiliate's lending criteria will generally consider the type of financed property, term of loan, age of applicant, the loan-to-value ratio, the status of applicants and their credit history. One (1) of the Home Loans Eligibility Criteria requires that, prior to the date upon which the Home Loan has been made available to the borrower thereof, all scoring and lending criteria and preconditions as applied by the originator of the Home Loan pursuant to its customary lending procedures be satisfied. Each of the Borrower or the relevant Affiliate (if any) retains the right to revise its lending criteria from time to time. If the lending criteria changes in a manner that affects the creditworthiness of the Home Loans, that may lead to increased defaults by borrowers thereof and may affect the realisable value of the Borrower Collateral Security Assets, or of the Affiliate Collateral Security Assets, or a part thereof, and may affect the ability of the Issuer to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice, and ultimately effect transfer of title to the Home Loan Receivables and Home Loan Security in favour of the Issuer.

Foreclosing on real property granted as security under French law governed Mortgages

French legal procedures to be followed in relation to the enforcement of French law governed Mortgages and related expenses may affect the Issuer's ability to liquidate the properties secured under such Mortgages efficiently and in a timely manner. An outline of these procedures is set out below. (Specific rules are provided for lender's privileges and mortgages registered in the departments of Haut-Rhin, Bas-Rhin and Moselle. However, these specific rules do not substantially change the outline of these procedures set out below.)

Foreclosure on property located in France by secured creditors (*saisie immobilière*) may require the sale of the property at a public auction (*vente aux enchères*) if the sale cannot be made voluntarily by the debtor (*conversion en vente volontaire* or *à l'amiable*). The foreclosure procedure may take up to one (1) and a half years in normal circumstances. The beneficiary of a lender's privilege or a mortgage will rank, with respect to sale proceeds, in the order of priority of registration of privileges and mortgages (*droits de préférence*) encumbering such property (Article 2458 of the French Civil Code (*Code civil*)). The first step in the foreclosure procedure consists of delivering a foreclosure notice to the debtor by a bailiff or *huissier* (a process server or *commandement de saisie immobilière*). This notice is filed at the French Land and Charges Registry having jurisdiction in the district where the real property is located. The next step is to instruct a local lawyer (*avocat*) to prepare the terms of the sale of the property at auction, including the reserve price of the relevant real property (such instruction is not mandatory in the departments of Haut-Rhin, Bas-Rhin and Moselle). Finally, a number of legal notices are required to be given prior to the sale. The debtor may file objections against such foreclosure (including the reserve price), the validity of which will be decided by a competent court. If no bid is made at the public auction, and provided there is only one (1) foreclosing creditor, such foreclosing creditor is declared the highest bidder and is thus obliged to purchase the property at a reserve price specified in the terms of the sale. Rules applicable to the *saisie immobilière* procedure have been recently modified by an act (*ordonnance n° 2006-461 réformant la saisie immobilière*) dated 21 April 2006. This new legislation (Articles 2190 *et seq.* of the French Civil Code (*Code civil*)) came into force on 1 January 2007. The purpose of the legislation is to simplify the foreclosure process by encouraging voluntary sales (*ventes à l'amiable*), and to reduce the duration and complexity of the foreclosure process.

In accordance with Article 2461 of the French Civil Code (*Code civil*), secured creditors will continue to benefit from the lender's privilege or mortgage, even if the property is transferred by the debtor to a third party without the Lenders' consent. This right is known as *droit de suite*. If the secured creditor wishes to exercise this right, an order to pay is required to be served on the debtor by a bailiff and notice is required to be served on the third

party to whom the relevant secured property was transferred (*tiers détenteur de l'immeuble hypothéqué*) with a view either to pay the debt secured over the property or to surrender the property at an auction.

The exercise of the *droit de suite* is often frozen due to an "advanced clearing" of the privileges and mortgages granted over the relevant property (*purge des privilèges et hypothèques*). If the debtor and all secured creditors agree, in accordance with Article 2475 of the French Civil Code (*Code civil*), for sale proceeds to be allocated (*affecté*) to them, the secured creditors exercise their preferential rights (*droits de préférence*) over the sale proceeds, the payment of which will discharge all privileges and mortgages granted over the property (*purge amiable*). If no agreement is reached (for instance if the sale price of the property is substantially below the amount of the secured debt), the third party will still be entitled to offer to pay the sale price to the secured creditors in order to clear all privileges and mortgages granted over the relevant property (*purge judiciaire*, Articles 2478 *et seq.* of the French Civil Code (*Code civil*)). Secured creditors may refuse this offer if they believe that the sale price has been underestimated by the debtor and the third party. In this case, an auction will be ordered with a minimum bid which is the price offered by the relevant third party being made to the secured creditor, plus ten per cent. (10%).

The Issuer's ability to liquidate the properties secured under the Home Loans efficiently and in a timely manner, and in turn to make payments when due on the Covered Bonds, may be adversely affected by the legal procedures described above.

Enforcement of Home Loan Guarantees

Following enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security, title to the Home Loans Receivables and Home Loan Security is transferred in favour of the Issuer. Notification of the debtors under such Home Loans is then given, and the Issuer enforces its rights under the relevant Home Loan Guarantees against the guarantor. If thereafter, such guarantor does not pay in whole or in part any amounts due under the relevant Home Loan Guarantees for whatever reason or does not pay such amounts in a timely manner, this may affect the ability of the Issuer to make payments under the Covered Bonds.

Risks relating to swaps and options derivatives

Interest and currency risks

Each Borrower Advance granted by the Issuer for the benefit of the Borrower under the Borrower Facility Agreement shall be made available in the same Specified Currency and according to the same interest conditions as those applicable to the Covered Bonds funding such Borrower Advance. As a consequence, as long as a Borrower Event of Default has not occurred, the Issuer shall not be exposed to any currency and interest risk regarding the Borrower Debt and the Covered Bonds.

There is no assurance that the Loans that are part of the Borrower Collateral Security and of the Affiliate Collateral Security (if any) bear interest by way of the same conditions as those of the Covered Bonds and are denominated in the same currency as the Covered Bonds. Upon the occurrence of a Borrower Event of Default which continuing unremedied and the enforcement of the Borrower Collateral Security and the Affiliate Collateral Security (if any), Home Loan Receivables and related Home Loans Security will be transferred to the Issuer. In this case, in order to hedge the potential mismatch of the interest rates applicable to the Covered Bonds and to the Home Loan Receivables and the potential mismatch of currencies, the Issuer shall apply the Hedging Strategy as from the occurrence of the Hedging Rating Trigger Event, as defined below. However, there can be no assurance that the Hedging Strategy will adequately address such hedging risks.

Hedging strategy

On 13 January 2012, following the occurrence of a Hedging Rating Trigger Event, the Issuer and the Borrower executed the Issuer Hedging Agreement (as it may be amended from time to time), the Borrower Hedging Agreement (as it may be amended from time to time) and the related Hedging Transactions in accordance with the provisions of the Amended Hedging Approved Form Letter. As a result, the Issuer's obligations under the Hedging Strategy and the Amended Hedging Approved Form Letter are fully satisfied and completed on the date of this Base Prospectus. However, in certain circumstances, the hedging documentation contemplated under the

Hedging Strategy may be terminated, and as a result the Issuer may be unhedged if replacement interest rates and/or currency derivative transactions are not entered into.

Risks related to Covered Bonds generally

The Covered Bonds may not be a suitable investment for all investors

Each prospective investor in the Covered Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each prospective investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Covered Bonds and weigh the merits and risks of investing in the relevant Covered Bonds. The prospective investor should have sufficient knowledge in experience for the purpose of properly evaluating the information contained or incorporated by reference in this Base Prospectus or any applicable supplement to this Base Prospectus and the relevant Final Terms;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Covered Bonds and the impact the relevant Covered Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Covered Bonds, including Covered Bonds with principal or interest payable in one (1) or more currencies, or where the currency for principal or interest payments is different from the prospective investor's currency;
- (d) understand thoroughly the terms of the relevant Covered Bonds and be familiar with the behaviour of any relevant indices and financial markets;
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and
- (f) be aware, in terms of any legislation or regulatory regime applicable to such investor, of the applicable restrictions (if any) on its ability to invest in Covered Bonds generally and in any particular type of Covered Bonds.

Modification of the Conditions of English Law Covered Bonds

The Terms and Conditions applicable to English Law Covered Bonds permit in certain cases defined majorities to bind all holders of English Law Covered Bonds including Bondholders who did not attend and vote at the relevant meeting and holders of English Law Covered Bonds who voted in a manner contrary to the majority. The meeting may deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, as more fully described in Condition 12(a).

Modification of the Conditions of French Law Covered Bonds

The holders of French Law Covered Bonds will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interest in a *masse*, as defined in Condition 12(b), and a General Meeting can be held thereto. The Terms and Conditions applicable to French Law Covered Bonds permit in certain cases defined majorities to bind all holders of French Law Covered Bonds including Bondholders who did not attend and vote at the relevant General Meeting and holders of French Law Covered Bonds who voted in a manner contrary to the majority. The General Meeting may deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, as more fully described in Condition 12(b).

Change of law

The Terms and Conditions of the Covered Bonds are based on English law in the case of English Law Covered Bonds, and French law in the case of French Law Covered Bonds, in each case, in effect as at the date of this

Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or French law (as applicable) or administrative practice after the date of this Base Prospectus.

Impact of regulatory changes

The Issuer is subject to financial services laws, regulations, administrative actions and policies in each jurisdiction in which it carries on business. Changes in supervision and regulation, in particular in France, could materially affect the Issuer's business, the products and services offered or the value of its assets. Although the Issuer works closely with its regulators and continually monitors its environment, future changes in regulation, fiscal or other policies can be unpredictable and are beyond the control of the Issuer.

Taxation

Potential purchasers and sellers of the Covered Bonds should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Covered Bonds are transferred, or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Covered Bonds. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Covered Bonds. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant supplement to the Base Prospectus.

EU Savings Directive

On 3 June 2003, the European Council of Economics and Finance Ministers adopted a directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Saving Directive**"). The Saving Directive requires Member States, subject to a number of conditions being met, to provide to the tax authorities of other Member States details of payments of interest and other similar income made by a paying agent located within their jurisdiction to an individual resident in that other Member State, except that, for a transitional period, Luxembourg and Austria will instead withhold an amount on interest payments unless the relevant beneficial owner of such payment elects otherwise and authorises the paying agent to disclose the above information. The rate of this withholding tax is currently thirty-five per cent. (35%). (see "Taxation – EU Savings Directive").

If a payment were to be made or collected through a Member State which has opted for a withholding system and tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax.

The proposed financial transactions tax

The European Commission recently published a proposal for a Directive for a common financial transaction tax (the "**FTT**") in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia. The tax would be applicable from 1 January 2014.

The proposed FTT has very broad, potentially extraterritorial scope. It would apply to financial transactions where at least one party is a financial institution, and (a) one party is established in a participating Member State or (b) the financial instrument which is subject to the transaction is issued in a participating Member State. A financial institution in the meaning of the proposal for a Directive for a FTT encompasses a wide range of entities, including certain credit institutions but also, *inter alia*, certain regulated markets, UCITS, AIF, securitisation vehicles and individuals. A financial institution may be, or be deemed to be, "established" in a Member State in a broad range of circumstances.

The Issuer is incorporated in France and therefore financial institutions worldwide would be subject to the FTT when dealing in the Notes.

In relation to many secondary market transactions in bonds and shares, the FTT would be charged at a minimum rate of 0.1% on each financial institution which is party to the transaction. The issuance and subscription of the Notes should, however, be exempt. There are no broad exemptions for financial intermediaries or market

makers. Therefore, the effective cumulative rate applicable to some dealings in bonds or shares (for instance, cleared transactions) could be greatly in excess of 0.1%.

A person transacting with a financial institution which fails to account for FTT would be jointly and severally liable for that tax.

The FTT proposal remains subject to negotiation between the Member States, and may therefore be altered. Additional Member States may decide to participate. Prospective Bondholders are strongly advised to seek their own professional advice in relation to the FTT.

The European Commission has proposed certain amendments to the Saving Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

US Guarantee only for the benefit of 3(a)(2) Covered Bonds

The US Guarantee is granted for the benefit of the 3(a)(2) Covered Bonds only.

The Covered Bonds and the US Guarantee are not Registered under the Securities Act

The Covered Bonds have not been, and will not be, registered under the Securities Act or under any state securities laws.

The 144A Covered Bonds are being offered in certain limited circumstances to investors in the United States that are QIBs in reliance on the exemption from registration provided by Rule 144A. In addition, Regulation S Covered Bonds may be offered outside the United States to non-U.S. persons pursuant to Regulation S. There are restrictions on the transfer of 144A Covered Bonds and Regulation S Covered Bonds. See "Transfer Restrictions".

The 3(a)(2) Covered Bonds and the US Guarantee are not required to be and are not registered under the Securities Act or under any state securities laws. The 3(a)(2) Covered Bonds and US Guarantee are being offered pursuant to the registration exemption contained in Section 3(a)(2) of the Securities Act.

Neither the SEC nor any state securities commission or regulatory authority has recommended or approved the Covered Bonds or the US Guarantee, nor has any such commission or regulatory authority reviewed or passed upon the accuracy or adequacy of this base prospectus or any applicable supplement.

The Covered Bonds are not insured by the FDIC

The Covered Bonds are not deposit liabilities of BNP Paribas and neither the Covered Bonds nor your investment in the Covered Bonds are insured by the FDIC or any other governmental agency of the United States, France or any other jurisdiction.

Risk factor related to U.S. Foreign Account Compliance Act (FATCA) Withholding

Pursuant to the FATCA provisions set out in Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), or similar law implementing an intergovernmental FATCA approach, certain non-U.S. financial institutions that are not treated as exempt under FATCA may be required to withhold U.S. tax at a rate of 30% with respect to (i) certain payments from sources within the United States, (ii) "foreign passthru payments" made to certain non-U.S. financial institutions that do not comply with this new reporting regime, and (iii) payments to certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution.

The Issuer is classified as a financial institution for these purposes. If an amount in respect of such withholding tax were to be deducted or withheld from interest, principal or other payments made in respect of the Covered Bonds, neither the Issuer nor any paying agent nor any other person would, pursuant to the conditions of the Covered Bonds, be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected. Prospective investors should refer to the section "*Taxation – Foreign Account Tax Compliance Act.*"

Risks related to the structure of a particular issue of Covered Bonds

Covered Bonds issued under the Programme will either be fungible with an existing Series or have different terms to an existing Series (in which case they will constitute a new Series). All Covered Bonds issued from time to time will rank *pari passu* with each other in all respects.

A wide range of Covered Bonds may be issued under the Programme. A number of these Covered Bonds may have features which contain particular risks for prospective investors. Set out below is a description of the most common of such features:

Covered Bonds subject to optional redemption by the Issuer

An optional redemption feature of Covered Bonds is likely to limit their market value. During any period when the Issuer may elect to redeem Covered Bonds, the market value of such Covered Bonds generally will not rise substantially above the price at which they can be redeemed. This also may be true prior for any redemption period.

Soft Bullet Covered Bonds may be redeemed after their Final Maturity Date

The Final Maturity Date of the Soft Bullet Covered Bonds may be extended automatically to the Extended Final Maturity Date if the Final Redemption Amount of the relevant Soft Bullet Covered Bonds is not paid by the Issuer on the Final Maturity Date (as specified in the relevant Final Terms). The payment of the Final Redemption Amount may be automatically deferred and shall become due and payable on the Extended Final Maturity Date if so specified in the relevant Final Terms, provided that all or part of the Final Redemption Amount unpaid on the Final Maturity Date may be paid by the Issuer on any Specified Interest Payment Date occurring thereafter up to and including the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period at the relevant applicable Rate of Interest and be payable on each Specified Interest Payment Date and on the Extended Final Maturity Date all as specified in the relevant Final Terms and in accordance with the applicable Conditions

Fixed Rate Covered Bonds

Investment in Covered Bonds which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Covered Bonds.

Floating Rate Covered Bonds

Investment in Covered Bonds which bear interest at a floating rate comprises (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Covered Bonds but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Covered Bonds may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Covered Bonds upon the next periodic adjustment of the relevant reference rate.

Covered Bonds with caps or floors

Covered Bonds with floating interest rates can be volatile investments. If they are structured to include caps or floors, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Covered Bonds

Inverse Floating Rate Covered Bonds have an interest rate equal to a fixed rate minus a rate based upon a reference rate. The market values of such Covered Bonds typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Covered Bonds are more volatile because an increase in the reference rate not only decreases the interest rate of the Covered Bonds, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Covered Bonds.

Fixed/Floating Rate Covered Bonds

Fixed/Floating Rate Covered Bonds may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Covered Bonds since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Covered Bonds may be less favourable than then prevailing spreads on comparable Floating Rate Covered Bonds tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Covered Bonds. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Covered Bonds.

Covered Bonds issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Decisions of majority holders of English Law Covered Bonds may bind all holders of the relevant Series

Any Extraordinary Resolution permitting the service of an Issuer Enforcement Notice, and any approval via an Extraordinary Resolution to take any action as provided under this Base Prospectus must be passed at a meeting of the holders of the English Law Covered Bonds of a single Series then outstanding and cannot be decided upon at a meeting of the holders of the English Law Covered Bonds of all Series. Any Extraordinary Resolution permitting the service of an Issuer Enforcement Notice will be effective for all the holders of the English Law Covered Bonds, including the holders of the English Law Covered Bonds who did not attend and vote at the relevant meeting and the holders of the English Law Covered Bonds who voted in a manner contrary.

Certain decisions of majority holders of French Law Covered Bonds may bind all holders of the relevant Series

Any resolution to direct the Representative to serve an Issuer Enforcement Notice, and any direction to the Representative to take any action as provided under this Base Prospectus must be passed at a single meeting of the holders of the French Law Covered Bonds of a single Series then outstanding and cannot be decided upon at a meeting of the holders of the French Law Covered Bonds of all Series. Any resolution to direct the Representative to serve an Issuer Enforcement Notice will be effective for all the holders of the French Law Covered Bonds, including the holders of the French Law Covered Bonds who did not attend and vote at the relevant meeting and the holders of the French Law Covered Bonds who voted in a manner contrary.

Ratings of the Covered Bonds and Rating Affirmation

The ratings assigned to the Covered Bonds by the Rating Agencies are based on the Collateral Assets, the Collateral Security, the Home Loans and Home Loan Security, the Cash Collateral, the *Privilège* and the other relevant structural and credit enhancement features provided for under the Programme Documents, including, among other things, the short-term and/or long-term unsecured, unguaranteed and unsubordinated debt ratings of the parties to the Programme Documents, and reflect only the views of the Rating Agencies. The ratings address the likelihood of full and timely receipt by any of the relevant Bondholders of interest on the Covered Bonds and the likelihood of receipt by any relevant Bondholder of principal of the Covered Bonds by the relevant Final Maturity Date (or the relevant Extended Final Maturity Date, if any). There is no assurance that any such ratings will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by any of the Rating Agencies as a result of changes in or unavailability of information or if, in the judgement of the Rating Agencies, circumstances so warrant. A qualification, downgrade or withdrawal of any of the ratings mentioned above may impact upon both the value of the Covered Bonds or their marketability in secondary market transactions.

The Rating Agencies will be notified of the exercise of certain discretions exercised by or on behalf of the Issuer under the Programme Documents, in particular, for any matters that are subject to Rating Affirmation. However, the Rating Agencies are under no obligation to revert to the Issuer (or any of its agents) regarding the impact of the exercise of such discretion on the ratings of the Covered Bonds and any decision as to whether or not to confirm, downgrade, withdraw or qualify the ratings of all classes or any class of Covered Bonds based on such

notification may be made at the sole discretion of the Rating Agencies at any time, including after the relevant action has been taken.

Agencies other than the Rating Agencies could seek to rate the Covered Bonds and if such unsolicited ratings are lower than the comparable ratings assigned to the Covered Bonds by the Rating Agencies, those unsolicited ratings could have an adverse effect on the value and the marketability of the Covered Bonds. For the avoidance of doubt and unless the context otherwise requires, any references to "ratings" or "rating" in this Base Prospectus are to ratings assigned by the specified Rating Agencies only.

Implementation of Basel II and Basel III Risk-Weighted Asset Framework

The regulatory framework currently applicable in France stems from the updated Basel II Accords widely known as "Basel 2.5". Basel 2.5 was implemented under EU legislation by virtue of directives no. 2006/48 and no. 2006/49 (the "**Capital Requirements Directives**") as amended from time to time as supplemented by the Directive 2010/76 and 2010/78 ("**CRD III**"). In France, the provisions of the Capital Requirements Directives were implemented under the *arrêtés* dated 20 February 2007 and the *ordonnance* no. 2007-571 dated 19 April 2007, supplemented by subsequent *arrêtés*, the latest one dated 23 November 2011 and implementing CRD III.

It also should be noted that on 16 December 2010 and 13 January 2011, the Basel Committee for Banking Supervision published a revised framework ("**Basel III**"), including new capital and liquidity standards for credit institutions. Those measures are expected to be implemented by relevant authorities starting from 1 January 2013 with full implementation on 1 January 2019, although certain supervisory authorities have already announced their intention to require an earlier application.

In particular, the changes introduced by Basel III refer to, amongst other things:

- a complete review of the capital standards;
- the introduction of a leverage ratio; and
- the introduction of short-term and longer-term standards for funding liquidity (referred to as the "*Liquidity Coverage Ratio*" and the "*Net Stable Funding Ratio*").

The European authorities have indicated that they support the work of the Basel Committee on the approved changes in general. Those changes were implemented on a European level through the adoption on 16 April 2013 by the European Parliament of the new Capital Requirements Directive (*directive CRD IV*) and the relative Regulation (*the Capital Requirement Regulation*). The new Capital Requirements Directive will be implemented under French law. Those new measures will apply and are expected to be implemented by the relevant authorities as from 1 January 2014, if published in the *Official Journal* by 30 June 2013, otherwise from 1 July 2014 and with full implementation by 1 January 2019.

The implementation of Basel II, Basel 2.5 and Basel III has and will continue to bring about a number of substantial changes to the current capital requirements, prudential oversight and risk-management systems, including those of the Issuer. The direction and the magnitude of the impact of Basel II and Basel III will depend on the particular asset structure of each bank and its precise impact on the Issuer cannot be quantified with certainty at this time. The Issuer may operate its business in ways that are less profitable than its present operation in complying with the new guidelines resulting from the transposition of the Capital Requirements Directives and the Capital Requirements Regulation.

In addition, the implementation of Basel II, Basel 2.5 and Basel III could affect the risk weighting of the Covered Bonds in respect of certain investors to the extent that those investors are subject to the new guidelines resulting from the implementation of the Capital Requirements Directives and the Capital Requirements Regulation. Accordingly, recipients of this Base Prospectus should consult their own advisers as to the consequences and effects the implementation of the Capital Requirements Directives and the Capital Requirements Regulation could have on them.

Forecasts and estimates

Estimates of the weighted average lives of the Covered Bonds contained in this Base Prospectus, together with any other projections, forecasts and estimates in this Base Prospectus are forward-looking statements. Such projections are speculative in nature and it can be expected that some or all of the assumptions underlying the

projections will not prove to be wholly correct or will vary from actual results. Consequently, the actual results might differ from the projections and such differences might be significant.

Risks related to the market generally

An active trading market for the Covered Bonds may not develop

Covered Bonds may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Covered Bonds easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Covered Bonds that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Covered Bonds generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have an adverse effect on the market value of Covered Bonds.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Covered Bonds in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Covered Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Covered Bonds and (3) the Investor's Currency-equivalent market value of the Covered Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Covered Bonds involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Covered Bonds.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each prospective investor should consult its legal advisers to determine whether and to what extent (1) Covered Bonds are legal investments for it, (2) Covered Bonds can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Covered Bonds. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Covered Bonds under any applicable risk-based capital or similar rules.

English Law Covered Bonds where denominations involve integral multiples

In relation to any issue of English Law Covered Bonds which have a denomination consisting of the minimum Denomination of €100,000 (or its equivalent in another currency) plus higher integral multiples of another smaller amount, it is possible that the English Law Covered Bonds may be traded in amounts in excess of €100,000 (or its equivalent in another currency) that are not integral multiples of €100,000 (or its equivalent in another currency). In such a case a Bondholder who, as a result of trading such amounts, holds a nominal amount of less than the minimum Denomination will not receive a Definitive English Law Covered Bond in respect of such holding (should definitive English Law Covered Bonds be printed) and would need to purchase a nominal amount of English Law Covered Bonds such that it holds an amount equal to one or more Denominations in order to receive Definitive English Law Covered Bonds.

US GUARANTEE OF 3(A)(2) COVERED BONDS

The obligations of the Issuer under the 3(a)(2) Covered Bonds only will be guaranteed on a senior basis (the "**US Guarantee**") by BNP Paribas, acting through its New York branch (in such capacity, the "**US Guarantor**"). The US Guarantor's obligations under the US Guarantee constitute direct, unconditional, unsecured and unsubordinated obligations of the US Guarantor and will rank *pari passu* with all present and future unsecured, unconditional and unsubordinated obligations of the US Guarantor, without any preference among themselves and without any preference one above the other by reason of priority of date of issue, currency of payment or otherwise, except for obligations given priority by law. The US Guarantee is available for inspection at the principal office of BNP Paribas Securities Services, Luxembourg Branch, as Fiscal Agent and Principal Paying Agent for English Law Covered Bonds.

THE BRANCH

BNP Paribas operates the New York branch (the "**Branch**") pursuant to a license issued by the Superintendent in 1976. The Branch conducts an extensive banking business serving U.S. and non-U.S. customers including French clients of BNP Paribas and their U.S. subsidiaries. The Branch's principal office is located at 787 Seventh Avenue, New York, New York 10019, and its telephone number is (212) 841-2000.

SUPERVISION AND REGULATION OF THE BRANCH AND BNP PARIBAS IN THE UNITED STATES

Banking Activities

The U.S. banking operations of BNP Paribas, including those conducted through the Branch, are subject to extensive state and U.S. federal regulation and supervision.

New York State Law

BNP Paribas is licensed by the New York Superintendent of Financial Services (the "**Superintendent**") under the New York Banking Law (the "**NYBL**") to conduct a commercial banking business in the State of New York through the Branch. The Branch is supervised, regulated and examined by the New York State Department of Financial Services and the Board of Governors of the Federal Reserve System (the "**Federal Reserve Board**") and is subject to banking laws and regulations applicable to a foreign bank that operates a New York branch.

Under the NYBL and regulations adopted thereunder, BNP Paribas must keep on deposit for the Branch, with banks in the State of New York, high-quality eligible assets which are pledged to the Superintendent for certain purposes. The amount of assets required to be pledged is determined on the basis of a sliding scale (whereby the amount of assets required to be pledged as a percentage of the Branch's third-party liabilities decreases from 1% to 0.25% as such liabilities increase from \$1 billion or less to more than \$10 billion (up to a maximum of \$100 million of assets pledged)) in the case of foreign banking corporations that have been designated as "well-rated" by the Superintendent, as BNP Paribas has been. Should BNP Paribas cease to be "well-rated" by the Superintendent, it may need to maintain substantial additional amounts of eligible assets with banks in the State of New York. Under the NYBL, the Superintendent is also empowered to require a New York branch of a foreign bank to maintain in New York specified assets equal to such percentage of certain of the branch's liabilities as the Superintendent may designate. At present, the Superintendent has set this percentage at 0%, although specific asset maintenance requirements may be imposed upon individual branches on a case-by-case basis. The Superintendent has not prescribed such a requirement for the Branch.

The NYBL authorizes the Superintendent to take possession of the business and property of a foreign bank's New York branch under certain circumstances including violation of law, conduct of business in an unauthorized or unsafe manner, capital impairment, the suspension of payment of obligations, initiation of liquidation proceedings against the foreign bank, or reason to doubt the foreign bank's ability to pay in full the claims of its creditors. Pursuant to the NYBL, when the Superintendent takes possession of a foreign bank's New York branch, it succeeds to the branch's assets, wherever located, and the assets of the foreign bank in the State of New York. In liquidating or dealing with the branch's business after taking possession of the branch, the

Superintendent will accept for payment out of the branch's assets only the claims of depositors and other creditors unaffiliated with the foreign bank that arose out of transactions with the branch (without prejudice to the rights of the holders of such claims to be satisfied out of other assets of the foreign bank) and only to the extent those claims represent an enforceable legal obligation against such branch if such branch were a separate legal entity. After such claims are paid, together with any interest thereon, and the expenses of the liquidation have been paid or properly provided for, the Superintendent will turn over the remaining assets, if any, to other offices of the foreign bank that are being liquidated in the United States, upon the request of the liquidators of those offices, in the amounts which the liquidators of those offices demonstrate are needed to pay the claims accepted by those liquidators and any expenses incurred by the liquidators in liquidating those other offices of the foreign bank. After any such payments are made, any remaining assets will be turned over to the foreign bank or to its duly appointed liquidator or receiver.

U.S. Federal Law

In addition to being subject to New York laws and regulations, the Branch is also subject to U.S. federal regulation primarily under the International Banking Act of 1978, as amended (the "**IBA**"), including the amendments to the IBA made pursuant to the Foreign Bank Supervision Enhancement Act of 1991 (the "**FBSEA**"). Under the IBA, as amended by the FBSEA, all U.S. branches of foreign banks, such as the Branch, are subject to reporting and examination requirements of the Federal Reserve Board similar to those imposed on domestic banks that are owned or controlled by U.S. bank holding companies, and most U.S. branches and agencies of foreign banks, including the Branch, are subject to reserve requirements on deposits, although restrictions on the payment of interest on demand deposits were removed under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "**Dodd-Frank Act**"), effective July 2011. In addition, by reason of the conduct of banking activities in the United States (including through the Branch), BNP Paribas is also subject to reporting to, and supervision and examination by, the Federal Reserve Board in its capacity as BNP Paribas' U.S. "umbrella supervisor."

The Branch's deposits are not, and are not required or permitted to be, insured by the Federal Deposit Insurance Corporation (the "**FDIC**"). In general, subject to exceptions, the Branch is not permitted to accept domestic retail deposits having a balance of less than U.S.\$250,000.

Among other things, the IBA provides that a state-licensed branch of a foreign bank (such as the Branch) may not engage in any type of activity that is not permissible for a federally-licensed branch or agency of a foreign bank unless the Federal Reserve Board has determined that such activity is consistent with sound banking practice. A state-licensed branch must also comply with the same single borrower (or issuer) lending and investment limits applicable to national banks. These limits are based on the foreign bank's worldwide capital and, in the case of a foreign bank with multiple U.S. branches or agencies (such as BNP Paribas), the foreign bank must aggregate the business of all of its U.S. branches and agencies in determining compliance with these limits. Under the Dodd-Frank Act, effective 1 July 2013, the lending limits applicable to the Branch will include credit exposures that arise from derivative transactions, repurchase (and reverse repurchase) agreements, and securities lending (and securities borrowing) transactions with a counterparty. The Dodd-Frank Act also includes "push-out" provisions that could significantly limit the swaps activities of the U.S. branches of non-U.S. banks. The Branch is also subject to certain quantitative limits and qualitative restrictions on the extent to which it may lend to or engage in certain other transactions with affiliates engaged in certain securities, insurance and merchant banking activities in the United States. In general, these transactions must be on terms that would ordinarily be offered to unaffiliated entities, and are subject to volume limits; such transactions that involve extensions of credit must be secured by designated amounts of specified collateral.

The Federal Reserve Board may terminate the activities of a U.S. branch or agency of a foreign bank if it finds that the foreign bank is not subject to comprehensive supervision on a consolidated basis in its home country, or if there is reasonable cause to believe that such foreign bank or an affiliate has violated the law or engaged in an unsafe or unsound banking practice in the United States, and as a result, continued operation of the branch or agency would be inconsistent with the public interest and the purposes of federal banking laws, or for a foreign bank that presents a risk to the stability of the U.S. financial system, the home country of the foreign bank has not adopted, or made demonstrable progress toward adopting, an appropriate system of financial regulation to mitigate such risk. If the Federal Reserve Board were to use this authority to close the Branch, creditors of the Branch would have recourse against BNP Paribas, unless the Superintendent or other regulatory authorities were to make alternative arrangements for the payment of the liabilities of the Branch.

The Bank Holding Company Act of 1956, as amended (the "**BHCA**"), imposes significant restrictions on BNP Paribas' U.S. non-banking operations and on its worldwide holdings of equity in companies which, directly or indirectly operate in the United States. Under amendments to the BHCA effected by the Gramm-Leach-Bliley Act (the "**GLBA**"), qualifying bank holding companies and foreign banks that become "financial holding companies" are permitted to engage through non-bank subsidiaries in a broad range of non-banking activities in the United States, including insurance, securities, merchant banking and other financial activities. The GLBA does not authorize banks or their affiliates to engage in commercial activities that are not financial in nature, and in general does not affect or expand the permitted activities of a U.S. branch of a foreign bank (such as the Branch). Moreover, the Dodd-Frank Act limits proprietary trading, derivative and certain other activities of bank holding companies and financial holding companies, including such activities conducted by foreign banks in the United States.

Under the BHCA, BNP Paribas is required to obtain the prior approval of the Federal Reserve Board before acquiring, directly or indirectly, the ownership or control of more than 5% of any class of voting securities (or "control") of any U.S. bank, bank holding company or certain other types of U.S. depository institution or depository institution holding company. Under federal banking law and regulations issued by the Federal Reserve Board, the Branch is also restricted from engaging in certain "tying" arrangements involving products and services.

Under the GLBA and related Federal Reserve Board regulations, BNP Paribas elected to become a financial holding company effective 2 April 2001. To qualify as a financial holding company, BNP Paribas was required to certify and demonstrate that BNP Paribas was "well capitalized" and "well managed" (in each case, as defined by Federal Reserve Board regulation). These standards, as applied to BNP Paribas, are comparable to the standards U.S. domestic banking organizations must satisfy to qualify as financial holding companies. In terms of capital requirements, each of BNP Paribas and its U.S. subsidiary banks, Bank of the West, San Francisco, California, and First Hawaiian Bank, Honolulu, Hawaii (collectively, the "**U.S. Subsidiary Banks**"), must in general maintain a Tier 1 risk-based capital ratio of at least 6% and a total risk-based capital ratio of at least 10% (in each case, calculated in accordance with the respective home country standards of BNP Paribas and the U.S. Subsidiary Banks). In addition, the U.S. Subsidiary Banks must also meet applicable leverage ratio and Community Reinvestment Act standards. If, in the future, BNP Paribas were to acquire control of another U.S. bank (or certain other types of U.S. depository institution), or were to acquire control of a non-U.S. bank with a U.S. branch (or certain other U.S. banking operations), such U.S. or non-U.S. bank must also satisfy the Federal Reserve Board's "well-capitalized" and "well-managed" standards in order for BNP Paribas to maintain its status as a financial holding company. At any time when BNP Paribas or either of the U.S. Subsidiary Banks, or any such other U.S. or non-U.S. bank, is not well capitalized or well managed, or otherwise fails to take action to correct unsatisfactory conditions or to meet any of the requirements for BNP Paribas to maintain its financial holding company status, then, depending on the requirement in question, BNP Paribas may be required to discontinue certain financial activities or terminate its U.S. banking operations, or may be limited in its ability to expand certain activities or undertake certain acquisitions.

The GLBA and the regulations issued thereunder contain a number of other provisions that could affect BNP Paribas' U.S. banking operations. One such provision relates to the financial privacy of consumers. In addition, the so called "push out" provisions of the GLBA narrow the exclusion of banks (including U.S. branches of foreign banks, such as the Branch) from the definitions of "broker" and "dealer" under the Exchange Act. The rules of the SEC narrowing the exclusion of banks from the definition of "dealer" took effect in 2003 and the rules of the SEC and the Federal Reserve Board narrowing the exclusion of banks from the definition of broker took effect for BNP Paribas in 2009. As a result, certain securities activities conducted by the Branch have been restructured or transferred to one or more U.S. registered broker-dealer affiliates.

Recent Financial Regulatory Reform

In response to the financial crisis, on 21 July 2010, the United States enacted the Dodd-Frank Act, which provides a broad framework for significant regulatory changes that will extend to almost every area of U.S. financial regulation. The Dodd-Frank Act contains a wide range of provisions that will affect financial institutions operating in the United States, including foreign banks such as BNP Paribas. However, for any restrictions that the Federal Reserve Board may issue for foreign banks, the Federal Reserve Board is directed to take into account the principle of national treatment and equality of competitive opportunity, and the extent to which the foreign bank is subject to comparable home country standards.

The Dodd-Frank Act provides regulators with tools to impose heightened capital, leverage and liquidity requirements and other prudential standards, particularly for financial institutions that pose significant systemic risk and bank holding companies with greater than \$50 billion in assets. On 14 December 2012, the Federal Reserve Board proposed regulations that would impose enhanced prudential standards on the U.S. operations of certain large foreign banking organizations, such as BNP Paribas. In particular, under the proposal, the Branch would be subject to liquidity requirements, single counterparty credit limits, and, in certain circumstances, asset maintenance requirements. In addition, the Branch's parent, BNP Paribas, would be required to create a separately capitalized top-tier U.S. intermediate holding company that would hold most or all of its direct and indirect U.S. subsidiaries. The intermediate holding company would be subject to capital, liquidity and other enhanced prudential standards, including single counterparty limits, capital planning and stress testing requirements, on a consolidated basis.

The Dodd-Frank Act also establishes a new U.S. regulatory regime for swaps and security-based swaps (generically referred to in this paragraph as "swaps"). Among other things, the Dodd-Frank Act provides the Commodity Futures Trading Commission and the SEC with jurisdiction and regulatory authority over swaps, requires the establishment of a comprehensive registration and regulatory framework applicable to swap dealers, such as BNP Paribas, and major swap participants, requires many types of swaps to be cleared and traded on an exchange or executed on swap execution facilities, requires swap market participants to report all swap transactions to swap data repositories and imposes capital, margin, business conduct, recordkeeping and other requirements on swap dealers and major swap participants. Although many swaps requirements are already in effect, the details of many of these requirements will be established through future rulemakings.

Also included in the Dodd-Frank Act are provisions designed to promote enhanced supervision of financial markets, impose new limitations on permissible financial institution activities and investments (including limitations under the so-called "Volcker Rule" on proprietary trading and sponsorship of or investment in hedge funds or private equity funds in the United States), protect consumers and investors from financial abuse, and provide the government with the tools needed to manage a financial crisis.

Many aspects of the Dodd-Frank Act require rulemaking by U.S. federal supervisory agencies for full implementation. Until there is greater clarity on the nature of these regulations, it is not possible to assess fully the impact (including additional compliance costs) of the legislation and the regulations on the business of BNP Paribas and the operations of the Branch.

Anti-Money Laundering and Economic Sanctions

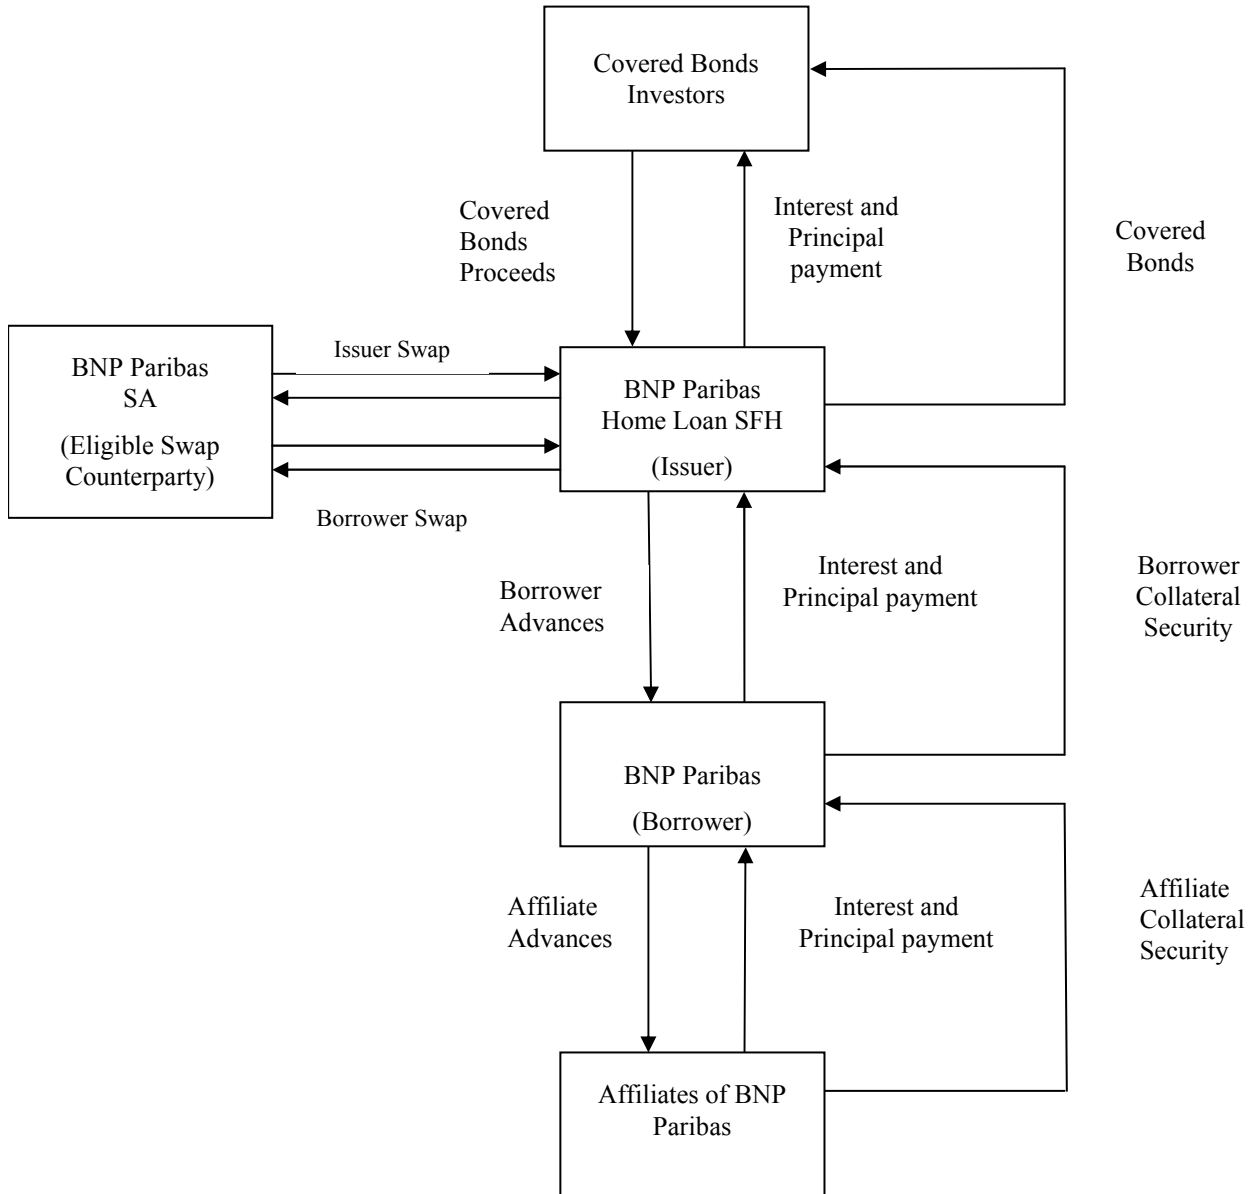

In recent years, a major focus of U.S. policy, legislation and regulation relating to financial institutions has been to combat money laundering and terrorist financing and to assure compliance with U.S. economic sanctions in respect of designated countries or entities. U.S. economic sanctions are enforced in part by the U.S. Office of Foreign Assets Control ("OFAC").

U.S. regulations applicable to BNP Paribas (including the Branch) and its subsidiaries impose obligations to maintain appropriate policies, procedures and controls to detect, prevent and report money laundering and terrorist financing, to verify the identity of their customers, report suspicious transactions, and implement due diligence procedures for certain correspondent and private banking accounts. Failure of BNP Paribas (including the Branch) to maintain and implement adequate programs to combat money laundering and terrorist financing, and to comply with U.S. economic sanctions, could have serious legal and reputational consequences.

BNP Paribas provides financial services throughout the world, which may from time to time include countries in which U.S. banks are prohibited from conducting business due to restrictions imposed by OFAC. BNP Paribas does not believe any business activities with counterparties in, or directly relating to, such countries are material to its business, and such activities represented a very small part of BNP Paribas' total assets and total revenues as of, and for the year ended, 31 December 2012.

USE OF PROCEEDS

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include English Law Covered Bonds, German Law Covered Bonds and French Law Covered Bonds, in the following section.

The net proceeds of the issue of Covered Bonds will be used to fund the Borrower Advances that the Issuer (as Lender) will make available to BNP Paribas (as Borrower) under the Borrower Facility Agreement. Such net proceeds may also fund the purchase by the Issuer in the future of eligible assets other than the Borrower Advances and the Home Loan Receivables. In particular, the Issuer may purchase any eligible assets in the future in a view to grant such assets as collateral with the *Banque de France* in accordance with the rules of the Eurosystem.

TERMS AND CONDITIONS OF THE COVERED BONDS

*The following is the text of the terms and conditions (the "**Conditions**") that as completed in accordance with the provisions of the relevant Final Terms shall be applicable to the English Law Covered Bonds and the French Law Covered Bonds. The terms and conditions applicable to the German Law Covered Bonds are contained in the Agency Agreement (as defined below).*

In this section, "Covered Bonds" refers only to English Law Covered Bonds and French Law Covered Bonds, except as otherwise provided. In the case of French Law Covered Bonds which are Dematerialised Covered Bonds, the text of the terms and conditions will not be attached to any physical documents of title but will be constituted by the following text as completed by the relevant Final Terms. In the case of French Law Covered Bonds which are Materialised Covered Bonds, or English Law Covered Bonds, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms (and subject to simplification by the deletion of non-applicable provisions) or (ii) these terms and conditions as so completed shall be endorsed on the relevant Definitive Materialised Covered Bond, Temporary Global Note, Permanent Global Note, Bearer English Law Covered Bond (in definitive form) and each Certificate relating to Registered English Law Covered Bonds, as the case may be.

Words and expressions defined in the Agency Agreement, or defined or used in the applicable Final Terms shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated provided that, in the event of inconsistency between the Agency Agreement, and the applicable Final Terms, the applicable Final Terms will prevail. References in the Conditions to "Covered Bonds" are to the Covered Bonds of one (1) Series only, not to all Covered Bonds that may be issued under the Programme.

The Covered Bonds are issued outside France by BNP Paribas Home Loan SFH (the "**Issuer**"), on a syndicated or non-syndicated basis, in series (each a "**Series**") having one (1) or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. Each Series may be issued in tranches (each a "**Tranche**") on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the "**Final Terms**") in accordance with the applicable Conditions.

The Covered Bonds are issued with the benefit of an amended and restated agency agreement dated on or before the date of this Base Prospectus (the "**Agency Agreement**" governed by French law except for those provisions in respect of English Law Covered Bonds which are governed by English law) entered into between the Issuer, BNP Paribas Securities Services as fiscal agent, principal paying agent and calculation agent with respect to French Law Covered Bonds (the "**French Fiscal Agent**"), BNP Paribas Securities Services, Luxembourg Branch as fiscal agent, principal paying agent and calculation agent with respect to English Law Covered Bonds (the "**English Fiscal Agent**" and references to the "**Fiscal Agent**" shall be to the French Fiscal Agent and/or the English Fiscal Agent, as appropriate), BNP Paribas, New York Branch as transfer agent, registrar and paying agent with respect to English Law Covered Bonds (the "**Transfer Agent**") and the other agents named therein. The paying agents, the registrar, the registration agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Paying Agents**" (which expression shall include the Fiscal Agent), the "**Registrar**", the "**Registration Agent**" and the "**Calculation Agent(s)**".

The Bondholders (as defined below) and, where applicable, the holders of the interest coupons (the "**Coupons**") relating to interest bearing Covered Bonds and, where applicable in the case of such Covered Bonds, talons (the "**Talons**") for further Coupons are referred to below as the "**Couponholders**" and are deemed to have notice of all the provisions of the Agency Agreement, Deed of Covenant and the applicable Final Terms which are applicable to them.

In the case of the English Law Covered Bonds, the Bondholders and the Couponholders are entitled to the benefit of a Deed of Covenant (as amended from time to time, the "**Deed of Covenant**") dated 18 June 2013 and executed by the Issuer. The original copy of the Deed of Covenant is held by a common depository on behalf of Euroclear (as defined below) and Clearstream, Luxembourg.

Copies of the Deed of Covenant are obtainable during normal business hours at the specified office of each of the Paying Agents. Copies of the applicable Final Terms may be obtained, upon request, free of charge, from the registered office of the Issuer and the specified offices of the Paying Agents save that, if this Covered Bond is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a Base Prospectus is required to be published under the Directive 2003/71/EC of the European Parliament and of the Council, as amended from time to time (the "**Prospectus Directive**"), the applicable Final Terms will only be obtainable by a Bondholder holding one or more Covered Bonds and such Bondholder must produce evidence satisfactory to the Issuer and/or the Paying Agent as to its holding of such Covered Bonds and identity. .

The obligations of the Issuer under the 3(a)(2) Covered Bonds will be guaranteed on a senior basis by the US Guarantor pursuant to a guarantee (the "**US Guarantee**"). The US Guarantor's obligations under the US Guarantee constitute direct, unconditional, unsecured and unsubordinated obligations of the US Guarantor and will rank *pari passu* with all present and future unsecured, unconditional and unsubordinated obligations of the US Guarantor, without any preference among themselves and without any preference one above the other by reason of priority of date of issue, currency of payment or otherwise, except for obligations given priority by law. The US Guarantee is available for inspection at the principal office of BNP Paribas Securities Services, Luxembourg Branch, as Fiscal Agent and Principal Paying Agent for English Law Covered Bonds.

$$\text{Day Count Fraction} = \frac{1}{360} \times [[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)]$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day included the Calculation Period falls;

Using the same abbreviations as for 30E/360-FBF the fraction is:

If dd2 = 31 and dd1 ≠ (30,31)

then :

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + (dd2 - dd1)]$$

or

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + \text{Min}(dd2, 30) - \text{Min}(dd1, 30)].$$

- (viii) if "**30E/360**" or "**Eurobond Basis**" is specified in the relevant Final Terms, the number of days in the Calculation Period divided by three hundred and sixty (360) calculated on a formula basis as follows:

where:

"Y1" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"D1" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D2 will be 30.

- (ix) if "**30E/360-FBF**" is specified in the relevant Final Terms, in respect of each Calculation Period, the fraction whose denominator is three hundred and sixty (360) and whose numerator is the number of days elapsed during such period, calculated on the basis of a year comprising twelve (12) months of

thirty (30) days, subject to the following the exception: if the last day of the Calculation Period is the last day of the month of February, the number of days elapsed during such month shall be the actual number of days.

Where:

D1 (dd1, mm1, yy1) is the date of the beginning of the period

D2 (dd2, mm2, yy2) is the date of the end of the period

The fraction is :

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + \text{Min}(dd2, 30) - \text{Min}(dd1, 30)].$$

(b) Interest on Fixed Rate Covered Bonds

Each Fixed Rate Covered Bond bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date.

If a fixed amount of interest ("**Fixed Coupon Amount**") or a broken amount of interest ("**Broken Amount**") is specified in the relevant Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the relevant Final Terms.

(c) Interest on Floating Rate Covered Bonds

(i) *Interest Payment Dates:* Each Floating Rate Covered Bond bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate *per annum* (expressed as a percentage)

equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant Final Terms as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Notwithstanding the foregoing, where the applicable Final Terms specify that the relevant Business Day Convention is to be applied on an "unadjusted" basis, the Interest Amount payable on any date shall not be affected by the application of that Business Day Convention.
- (iii) *Rate of Interest for Floating Rate Covered Bonds*: The Rate of Interest in respect of Floating Rate Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms in accordance with the provisions below relating to either FBF Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Covered Bonds:

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**FBF Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Agent under a notional interest rate swap transaction (*Echange*) in the relevant Specified Currency governed by the 2001 FBF Master Agreement (*convention cadre FBF*) relating to transactions on forward financial instruments (formerly 1994 AFB Master Agreement for Foreign Exchange and Derivatives Transactions), as supplemented by the then applicable Interest and Currency incorporating the FBF Definitions and under which:

- (1) the Floating Rate is as specified in the relevant Final Terms; and
- (2) the Floating Rate Determination Date is as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Agent**" and "**Floating Rate Determination Date**" are translations of the French terms "*Taux Variable*", "*Agent*" and "*Date de Détermination du Taux Variable*", respectively, which have the meanings given to those terms in the FBF Definitions.

(B) Screen Rate Determination for Floating Rate Covered Bonds:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (1) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:

- (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one (1) entity); or
- (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and

(2) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (1)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (1)(II) applies and fewer than two (2) Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and

(3) if paragraph (2) above applies and the Calculation Agent determines that fewer than two (2) Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two (2) out of five (5) leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two (2) of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two (2) of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

(d) Accrual of Interest

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless (i) in the case of Dematerialised Covered Bonds, on such due date or (ii) in the case of English Law Covered Bonds and Materialised Covered Bonds, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(e) Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding:

- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one (1) or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified in these Conditions), (w) if FBF Determination is specified in the relevant Final Terms, all percentages resulting from such calculations shall be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with halves being rounded up), (x) all percentages resulting from

such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven (7) figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(f) Calculations

The amount of interest payable in respect of any Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Covered Bond by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Covered Bond for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two (2) or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the Interest Amounts of interest payable in respect of each of those Interest Accrual Periods.

(g) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Bondholders, any other Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and, if the Covered Bonds are admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(h) Calculation Agent and Reference Banks

The Issuer shall procure that there shall at all times be four (4) Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one (1) or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Covered Bond is Outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one (1) Calculation Agent is appointed in respect of the Covered Bonds, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office, or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

7. Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended in accordance with the paragraph below, each Covered Bond shall be finally redeemed on the Final Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided in these Conditions, is its nominal amount).

Covered Bonds may have hard bullet maturities or soft bullet maturities (allowing the Final Maturity Date of the relevant Series to be extended, each such Covered Bonds being referred to as "**Soft Bullet Covered Bonds**"), as specified in the Final Terms of the relevant Series. With respect to Series of Soft Bullet Covered Bonds, an extended Final Maturity Date (the "**Extended Final Maturity Date**") shall be specified as applying in relation to such Series in the applicable Final Terms. This means that if the Final Redemption Amount of the relevant Series is not paid by the Issuer on the Final Maturity Date, then payment of such Final Redemption Amount shall be automatically deferred and shall become due and payable one (1) or several year(s) (as specified in the relevant Final Terms) later on the Extended Final Maturity Date. However, any amount representing the Final Redemption Amount remaining unpaid on the Final Maturity Date may be paid by the Issuer on any Specified Interest Payment Date thereafter, up to (and including) the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period at the relevant applicable Rate of Interest and be payable on each Specified Interest Payment Date and on the Extended Final Maturity Date all as specified in the relevant Final Terms and in accordance with the applicable Conditions.

(b) Redemption at the Option of the Issuer and Partial Redemption

- (i) If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer of all the relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 17 to the Bondholders redeem all or, if so provided, some, of the Covered Bonds on any Optional Redemption Date. Any such redemption of Covered Bonds shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any. Any such redemption must relate to Covered Bonds of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Covered Bonds in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

A. *English Law Covered Bonds*

In the case of a partial redemption, the notice to holders of Bearer English Law Covered Bonds shall also contain the certificate numbers of the Bearer English Law Covered Bonds, or in the case of Registered English Law Covered Bonds shall specify the nominal amount of Registered English Law Covered Bonds and the holder(s) of such Registered English Law Covered Bonds chosen to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

B. *French Law Covered Bonds*

In the case of a partial redemption in respect of Materialised Covered Bonds, the notice to holders of such Materialised Covered Bonds shall also contain the numbers of the Definitive Materialised Covered Bonds to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption in respect of Dematerialised Covered Bonds, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Covered Bonds in a Series in proportion to the aggregate

nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Covered Bonds and, in such latter case, the choice between those Dematerialised Covered Bonds that will be fully redeemed and those Dematerialised Covered Bonds of any Series that will not be redeemed shall be made in accordance with Article R. 213-16 of the French Monetary and Financial Code (*Code monétaire et financier*) and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

- (ii) So long as the Covered Bonds are listed and admitted to trading on Euronext Paris and the rules thereof so require, the Issuer shall, once in each year in which there has been a partial redemption of the Covered Bonds, cause to be published either on the website of the AMF (www.amf-france.org) or in a leading financial newspaper of general circulation in France, which is expected to be *Les Echos*, a notice specifying the aggregate nominal amount of Covered Bonds outstanding and, in the case of Materialised Covered Bonds and English Law Covered Bonds a list of any Materialised Covered Bonds and English Law Covered Bonds, drawn for redemption but not surrendered.

(c) Redemption at the Option of Bondholders

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Bondholder, upon the Bondholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer redeem such Covered Bond on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option, the Bondholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during normal business hours from any Paying Agent within the notice period. In the case of Materialised Covered Bonds and Bearer English Law Covered Bonds, the Exercise Notice shall have attached to it the relevant Covered Bonds (together with all unmaturing Coupons and unexchanged Talons) or (in the case of Registered English Law Covered Bonds) the Certificate representing such English Law Covered Bonds must be deposited with the Registrar or any Transfer Agent at its specified office. In the case of Dematerialised Covered Bonds, the Bondholder shall transfer, or cause to be transferred, the Dematerialised Covered Bonds to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice.

No option so exercised and, where applicable, no Covered Bond so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(d) Early Redemption Amount and Optional Redemption Amount

- (i) The Early Redemption Amount payable in respect of any Covered Bond, upon redemption of such Covered Bond pursuant to Condition 7(e) or 7(f) or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption.
- (ii) The Optional Redemption Amount payable in respect of any Note, upon redemption of such Note pursuant to Condition 7(b) or 7(c) will be determined on the following basis:

"Optional Redemption Amount" = $Y \times \text{Specified Denomination}$

Where:

"Y" means the ratio expressed as a percentage specified in the relevant Final Terms.

(e) Redemption for taxation reasons

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer or, in the case of 3(a)(2) Covered Bonds, the US Guarantor would on the occasion of the next payment of principal or interest due in respect of the Covered Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 9(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 17, redeem all, but not some only, of the Covered

Bonds at their Early Redemption Amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer or the US Guarantor could make payment of principal and interest without withholding for French taxes.

- (ii) If the Issuer or, in the case of 3(a)(2) Covered Bonds, the US Guarantor would, on the next payment of principal or interest in respect of the Covered Bonds, be prevented by French law from making payment to the Bondholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Bondholders in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds then outstanding at their Early Redemption Amount together with any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the Issuer or, in the case of 3(a)(2) Covered Bonds, the US Guarantor could make payment of the full amount then due and payable in respect of the Covered Bonds, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Bondholders shall be the later of (i) the latest practicable date on which the Issuer or, in the case of 3(a)(2) Covered Bonds, the US Guarantor could make payment of the full amount then due and payable in respect of the Covered Bonds and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Covered Bonds, or, if applicable, Coupons or, if that date is passed, as soon as practicable thereafter.

(f) Redemption due to illegality

The Covered Bonds of all Series shall be redeemed at the option of the Issuer, subject to compliance by the Issuer of all the relevant laws, regulations and directives, in whole, but not in part, at any time, on giving not less than thirty (30) nor more than sixty (60) days' irrevocable notice in accordance with Condition 17 to the Bondholders (or such other notice period as may be specified in the relevant Final Terms), if the Issuer satisfies the Fiscal Agent immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bonds of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Collateral Assets made by it to an Originator or to comply with any other of its obligations under the Covered Bonds of that Series, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten (10) years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, five (5) years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Each holder of French Law Covered Bonds or Representative thereof will have the right, during the fifteen (15)-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant holders of French Law Covered Bonds at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(G) Expenses

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the French Law Covered Bonds.

(H) Single Masse

The holders of French Law Covered Bonds of the same Series, and the holders of French Law Covered Bonds of any other Series which have been consolidated (*assimilées* for the purposes of French law) with the French Law Covered Bonds of such first mentioned Series in accordance with Condition 16, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche or Series of French Law Covered Bonds will be the Representative of the single Masse of all such Series.

For the avoidance of doubt, in this Condition 12, the expression "outstanding" shall not include the Covered Bonds purchased by the Issuer in accordance with Condition 7(g) which are held by the Issuer and not cancelled or subscribed by the Issuer in accordance with Condition 20.

13. Replacement of Definitive Materialised Covered Bonds, Coupons and Talons

If, in the case of any Registered English Law Covered Bonds, Bearer English Law Covered Bonds or Materialised Covered Bonds, a Certificate, Bearer English Law Covered Bond, Definitive Materialised Covered Bond, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent and in the case of Registered English Law Covered Bonds, of the Registrar, or in each case, such other Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Bondholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Certificate, Bearer English Law Covered Bond, Definitive Materialised Covered Bond, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Certificates, Bearer English Law Covered Bonds, Definitive Materialised Covered Bonds, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Certificates, Bearer English Law Covered Bonds, Definitive Materialised Covered Bonds, Coupons or Talons must be surrendered before replacements will be issued.

14. Limited recourse, Non petition

Limited recourse

By subscribing to any Covered Bond, each Bondholder will be automatically deemed to have agreed:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer under the Covered Bonds and these Conditions against any shareholder, member of the board of directors (*conseil d'administration*), managing directors (*directeurs généraux*) or agent of the Issuer, by the enforcement of any assessment or by any proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under the Covered Bonds and these Conditions is a corporate obligation of the Issuer, and that no personal liability shall be attached to, or be incurred by, any shareholder, member of the board of directors (*conseil d'administration*), managing director (*directeur général*) or agent of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in these Conditions or implied therefrom and, as a condition of and in consideration for the issuing by the Issuer of any Covered Bond, to waive any and all personal liability of every such shareholder, member of the board of directors (*conseil d'administration*), managing directors (*directeurs généraux*) or agent of the Issuer for breaches by the Issuer of any of its obligations, covenants or agreements under the Covered Bonds and these Conditions;
- (b) to limit its recourse against the Issuer under the Covered Bonds and these Conditions to amounts payable or expressed to be payable to it by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and these Conditions (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under the Covered Bonds and these Conditions) and in accordance with the then applicable Priority Payment Order;
- (c) that amounts payable or expressed to be payable by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and/or these Conditions shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant Interest Payment Date or (as applicable) on the relevant Final Maturity Date (or on the relevant Extended Final Maturity Date, if any) of each relevant Series of Covered Bonds (provided that, in the event that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and provided further that, in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due to it and all other claims ranking *pari passu* to its claims, then its claims against the Issuer shall be satisfied only up to a certain percentage of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment of such percentage, the obligations of the Issuer with respect to such amounts owed on the relevant date shall be discharged in full);

- (d) that, in accordance with paragraph 2 of Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*), in the event of a conciliation (*conciliation*), safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) of the Issuer, the amounts due by the Issuer from time to time under the *obligations de financement de l'habitat* (including the Covered Bonds) and any other resources or liabilities benefiting from the *Privilège* shall be paid on their contractual due date, and in priority to all other Issuer's debts, whether or not preferred or secured, including interest resulting from agreements whatever their duration. Accordingly, until all creditors benefiting from the *Privilège* have been paid in full, no other creditor of the Issuer may exercise any right over the assets and rights of the Issuer;
- (e) that, in accordance with paragraph 3 of Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*), the Covered Bonds and the other debt benefiting from the *Privilège* shall not become due and payable as a result of the judicial liquidation (*liquidation judiciaire*) of the Issuer; and
- (f) that, in accordance with Article L. 515-37 of the French Monetary and Financial Code (*Code monétaire et financier*), the provisions of Article L. 632-2 of the French Commercial Code (*Code de commerce*) (*nullités facultatives de la période suspecte*) shall not apply to payments made by the Issuer in application of the Programme Documents.

German Law Covered Bonds are subject to the particular limited recourse provisions specified in the terms and conditions of the German Law Covered Bonds included in the Agency Agreement.

Non-petition

By subscribing to any Covered Bond, each Bondholder will also be automatically deemed to have agreed that prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date (or the Extended Final Maturity Date, if any) of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond:

- (a) it will not take any corporate action or other steps or legal proceedings for the winding-up, dissolution or organisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, examiner, sequestrator or similar officer of the Issuer or of any or all of the Issuer's revenues and assets; and
- (b) it will not have any right to take steps for the purpose of obtaining payment of any amounts payable to it under the Covered Bonds by the Issuer and shall not until such time take any step to recover any debts whatsoever owing to it by the Issuer otherwise than in accordance with, and subject to, the Conditions.

The above undertakings by each relevant Bondholder shall survive the payment of all sums owing under any Covered Bond and/or these Conditions.

German Law Covered Bonds are not subject to non-petition provisions.

No risk of Issuer consolidation upon insolvency of the Group

Despite the fact that the Issuer is almost entirely owned by BNP Paribas, pursuant to the provisions of Article L. 515-27 of the French Monetary and Financial Code (*Code monétaire et financier*), the safeguard procedure, judicial reorganisation or liquidation (*procédure de sauvegarde, de redressement ou de liquidation judiciaires*) of BNP Paribas, in its capacity as shareholder of the Issuer, shall not be extended to the Issuer.

15. Priority Payment Orders

Any and all sums due by the Issuer under the Programme (including principal and interest under the Covered Bonds) will be paid within the limit of the Available Funds of the Issuer at the time of such payment and according to the relevant Priority Payment Order described under the section "**Cash Flow**" of the Base Prospectus. As a consequence, the payment of certain sums will be subordinated to the full

payment of other sums. Bondholders are deemed to have notice of the provisions of the section "**Cash Flow**" of the Base Prospectus.

16. Further Issues and Consolidation

(a) Further Issues

The Issuer may from time to time without the consent of the Bondholders or Couponholders create and issue further Covered Bonds to be consolidated with the Covered Bonds provided such Covered Bonds and the further Covered Bonds carry rights identical in all respects (or identical in all respects save as to the principal amount thereof and the first payment of interest as specified in the relevant Final Terms) and that the terms of such Covered Bonds provide for such consolidation, and references in these Conditions to "**Covered Bonds**" shall be construed accordingly, provided that in order for any such consolidated series of Covered Bonds to have the same identification number as the original Covered Bonds, any such consolidated series must be fungible with the original Covered Bonds for US federal income tax purposes.

(b) Consolidation

The Issuer, with the prior approval of the Fiscal Agent (which shall not be unreasonably withheld), may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) days' prior notice to the Bondholders in accordance with Condition 17, without the consent of the Bondholders or Couponholders, consolidate the Covered Bonds of one (1) Series denominated in Euro with the Covered Bonds of one (1) or more other Series issued by it, whether or not originally issued in one (1) of the European national currencies or in Euro, provided such other Covered Bonds have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Covered Bonds, provided that in order for any such consolidated series of Covered Bonds to have the same identification number as the original Covered Bonds, any such consolidated series must be fungible with the original Covered Bonds for US federal income tax purposes.

17. Notices

- (a) Notices to the holders of Dematerialised Covered Bonds in registered form (*au nominatif*) shall be valid if either, (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth (4th) weekday (being a day other than a Saturday or a Sunday) after the mailing, or at the option of the Issuer (ii) they are published in a leading daily financial newspaper of general circulation in Europe (which is expected to be the *Financial Times*) provided that, so long as such Covered Bonds are admitted to trading on any Regulated Market and the applicable rules of such Regulated Market so require, notices will only be deemed to be valid if they are published on the website of any relevant regulatory authority, in a leading daily financial newspaper with general circulation in the city/ies where the Regulated Market on which such Covered Bonds are admitted to trading, which in the case of Euronext Paris is expected to be *Les Echos*, or as otherwise required by the rules applicable to that Regulated Market, as the case may be.
- (b) Notices to the holders of Bearer English Law Covered Bonds, Materialised Covered Bonds and Dematerialised Covered Bonds in bearer form (*au porteur*) shall be valid if published in a leading daily financial newspaper of general circulation in Europe (which is expected to be the *Financial Times*) and, so long as such Covered Bonds are admitted to trading on any Regulated Market and the applicable rules of such Regulated Market so require, in a leading daily financial newspaper with general circulation in the city/ies where the Regulated Market on which such Covered Bonds are admitted to trading, which in the case of Euronext Paris is expected to be *Les Echos*, or as otherwise required by the rules applicable to that Regulated Market, as the case may be.
- (c) Notices required to be given to the holders of Dematerialised Covered Bonds (whether in registered or in bearer form) (*au porteur* or *au nominatif*) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream, Luxembourg and any other clearing system through which the Covered Bonds are for the time being cleared in substitution for the mailing and publication as required by Conditions 17(a) and (b), above; provided that (i) so long as such Covered Bonds are admitted to trading on any Regulated Market and the rules of that Regulated Market so require, notices shall also be published in a leading daily financial newspaper with general

circulation in the city/ies where the Regulated Market on which such Covered Bonds are admitted to trading, which in the case of Euronext Paris is expected to be *Les Echos*, or as otherwise required by the rules applicable to that Regulated Market, as the case may be.

- (d) Notices to the holders of Registered English Law Covered Bonds shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. For English Law Covered Bond interests held by a Custodian on behalf of DTC, notice to holders shall be presumed to have been received upon delivery to DTC. In addition, so long as any Registered English Law Covered Bonds are listed on any Regulated Market and the rules of that exchange so require, notices to the holders of such Registered English Law Covered Bonds will be valid if placed in a daily newspaper with general circulation in the city/ies where the Regulated Market on which such Covered Bonds are admitted to trading, which in the case of Euronext Paris is expected to be *Les Echos*, or as otherwise required by the rules applicable to that Regulated Market, as the case may be.
- (e) If any such publication is not practicable, notice shall be validly given if published in another leading daily financial newspaper with general circulation in Europe, provided that so long as such Covered Bonds are admitted to trading on any Regulated Market, notices shall be published as otherwise required by the rules applicable to that Regulated Market, as the case may be. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer English Law Covered Bonds and Materialised Covered Bonds in accordance with this Condition.
- (f) Notices to be given by any Bondholder shall be in writing and given by lodging the same, together (in the case of any Covered Bonds in definitive form) with the relative Covered Bonds or Covered Bonds, with the Paying Agent (in the case of Bearer English Law Covered Bonds and Materialised Covered Bonds) or the Registrar (in the case of Registered English Law Covered Bonds).

18. Contracts (Rights of Third Parties) Act 1999

In respect of English Law Covered Bonds only, no person shall have the right to enforce any term or condition of these English Law Covered Bonds under the Contracts (Rights of Third Parties) Act 1999.

19. Governing Law and Jurisdiction

(a) English Law Covered Bonds

(i) Governing Law

The English Law Covered Bonds and related Coupons and Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law, except for the *Privilège*, which is governed by French law.

(ii) Jurisdiction

The High Court of Justice in England is to have jurisdiction to settle any disputes which may arise out of or in connection with any English Law Covered Bonds and related Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any English Law Covered Bonds and related Coupons or Talons ("**Proceedings**") may be brought in such court. The Issuer and the US Guarantor irrevocably submit to the jurisdiction of such court and waives any objection to Proceedings in such court on the ground that the Proceedings have been brought in an inconvenient forum or otherwise. This submission is made for the benefit of each of the holders of the English Law Covered Bonds and related Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(iii) Service of Process

The Issuer and the US Guarantor irrevocably appoint BNP Paribas, London Branch as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer or the US Guarantor). If for any reason the Issuer or US Guarantor cease to have a London branch or such process agent ceases to be able to act as such the Issuer and the US Guarantor irrevocably agree to appoint a suitable process agent and shall immediately notify holders of English Law Covered Bonds of such appointment in accordance with Condition 17. Nothing shall affect the right to serve process in any manner permitted by law.

(b) French Law Covered Bonds**(i) Governing Law**

The French Law Covered Bonds, Coupons and Talons are governed by, and shall be construed in accordance with, French law.

(ii) Jurisdiction

Any claim against the Issuer in connection with any Covered Bonds, Coupons or Talons may be brought before any competent court in Paris.

20. Subscription by the Issuer of Covered Bonds as eligible collateral with the *Banque de France*

Pursuant to Article L. 515-32-1 of the French Monetary and Financial Code (*Code monétaire et financier*), the Issuer as *société de financement de l'habitat (SFH)* may subscribe to its own Covered Bonds (the "**Auto-held Covered Bonds**") for the sole purpose of granting them as eligible collateral with the *Banque de France* in accordance with the rules of the Eurosystem, provided that the Issuer's liquidity needs cannot be funded otherwise. Such recognition as eligible collateral will depend upon satisfaction of the Eurosystem eligibility criteria as specified by the European Central Bank. The Covered Bonds thus subscribed by the Issuer must meet the following conditions:

- the outstanding principal amount of the Auto-held Covered Bonds does not exceed ten per cent. (10%) of the outstanding principal amount of any liabilities of the Issuer benefiting from the *Privilège* on the subscription date of the Auto-held Covered Bonds by the Issuer;
- the Auto-held Covered Bonds are deprived of the rights provided for under Articles L. 228-46 to L. 228-89 of the French Commercial Code (*Code de commerce*) for so long as they are held by the Issuer;
- the Auto-held Covered Bonds are granted as collateral to the French central bank (*Banque de France*) or they are cancelled within the eight (8) days from their settlement date or from the date they are no more granted as collateral, as applicable; and
- the Auto-held Covered Bonds cannot be subscribed by a third party.

The Specific Controller certifies these conditions are met in a report delivered to the *Autorité de contrôle prudentiel*.

SUMMARY OF PROVISIONS RELATING TO THE ENGLISH LAW COVERED BONDS WHILE IN GLOBAL FORM

Initial Issue of English Law Covered Bonds

If the English Law Covered Bonds are stated in the applicable Final Terms to be issued in either NGN form or under the NSS they are intended to be eligible collateral for Eurosystem monetary policy and the Global Note or Global Certificate will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper (and in the case of a Registered English Law Covered Bond issued under the NSS, registered in the name of a nominee for the Common Safekeeper). Depositing the Global Note or Global Certificate with the Common Safekeeper does not necessarily mean that the English Law Covered Bonds will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

If the English Law Covered Bond is in CGN form, upon the initial deposit of a Global Note with a common depositary for Euroclear and Clearstream, Luxembourg (the "**Common Depositary**") or registration of Registered English Law Covered Bonds in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depositary, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of English Law Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid.

In the case of English Law Covered Bonds held through Euroclear France, the intermédiaires financiers habilités (French banks or brokers authorised to maintain securities accounts on behalf of their clients) (each an "**Approved Intermediary**") who are entitled to such English Law Covered Bonds according to the records of Euroclear France will likewise credit each subscriber with a nominal amount of English Law Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid.

Each Tranche of Bearer English Law Covered Bonds having an original maturity of more than one year will initially be represented by a Temporary Global Note and each Tranche of Bearer English Law Covered Bonds having an original maturity of one year or less will be represented by a Permanent Global Note, in each case, in bearer form without Coupons or a Talon attached. No interest will be payable in respect of a Temporary Global Note, except as provided below. Upon deposit of the Temporary Global Note(s) with the Common Depositary, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of English Law Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid. Registered English Law Covered Bonds issued will be issued in definitive form.

Upon the initial deposit of a Global Certificate in respect of, and registration, if relevant, of Registered English Law Covered Bonds in the name of a nominee for DTC and delivery of the relevant Global Certificate to the custodian for DTC (the "Custodian"), DTC will credit each subscriber with a nominal amount of English Law Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid.

If the relevant Final Terms indicate that the Global Note is an NGN, the nominal amount of the English Law Covered Bonds shall be the aggregate amount from time to time entered in the records of both Euroclear or Clearstream, Luxembourg. The records of such clearing systems shall be conclusive evidence of the nominal amount of English Law Covered Bonds represented by the Global Note and, for these purposes, a statement issued by such clearing system stating the nominal amount of the English Law Covered Bonds represented by the Global Note at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

English Law Covered Bonds that are initially deposited with the Common Depositary may (if indicated in the relevant Final Terms) also be credited to the accounts of subscribers with Approved Intermediaries or (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by Euroclear France or other clearing systems. Conversely, English Law Covered Bonds that are initially deposited with Euroclear France or any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems (or Approved Intermediaries), in all cases subject to the rules of such clearing systems from time to time.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg, DTC or such Approved Intermediary as the holder of an English Law Covered Bonds represented by a Global Note or a Global Certificate deposited with the Common Depositary must look solely to Euroclear or Clearstream, Luxembourg, DTC or such Approved Intermediary (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered English Law Covered Bonds, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, DTC or Euroclear France (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the English Law Covered Bonds for so long as the English Law Covered Bonds are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered English Law Covered Bonds, as the case may be, in respect of each amount so paid.

Exchange

Temporary Global Notes

Each Temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date (defined below):

(i) if the relevant Final Terms indicate that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see "Overview of the Programme- Selling Restrictions"), in whole, but not in part, for the Definitive English Law Covered Bonds defined and described below; and

(ii) otherwise in whole or in part upon certification as required under U.S. Treasury regulation section 1.163-5(c)(2)(i)(D)(3) and any successor regulation issued under Section 4701 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**") containing rules identical to those applying under Code section 163(f)(2)(B) as to non-U.S. beneficial ownership in the form set out in the Agency Agreement or promptly after the Issue Date in the case of Registered English Law Covered Bonds, for interests in a Permanent Global Note or, if so provided in the relevant Final Terms, for Definitive English Law Covered Bonds in bearer form.

Each Temporary Global Note that is also an Exchangeable Bearer Bond will be exchangeable for Registered English Law Covered Bonds in accordance with the Conditions in addition to any Permanent Global Note or Definitive English Law Covered Bonds for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered English Law Covered Bonds only.

In the case of Bearer English Law Covered Bonds with an initial maturity of more than three hundred and sixty-five (365) days (and that are not relying on the C Rules), the Temporary Global Note shall bear the following legend:

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES FEDERAL INCOME TAX LAWS INCLUDING THE LIMITATION PROVIDED IN SECTIONS 165(j) AND 1287 (a) OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

Permanent Global Notes

Each Permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under "Partial Exchange of Permanent Global Notes and Global Certificates" below, in part for Definitive English Law Covered Bonds or, in the case of the paragraph (ii) below, Registered English Law Covered Bonds:

(i) if the relevant Final Terms provide that a Global Note is exchangeable for Definitive English Law Covered Bonds and at the request of the holder, by such holder giving notice to the Fiscal Agent of its election for such exchange;

(ii) if the Permanent Global Note is an Exchangeable Bearer Bond, by the holder giving notice to the Fiscal Agent of its election to exchange the whole or part of such Permanent Global Note for Registered English Law Covered Bonds; and

(iii) otherwise, (1) if the Permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or Euroclear France or any other clearing system (an "Alternative Clearing System") and any such clearing system is closed for business for a continuous period of fourteen (14) days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or (2) if principal in respect of any English Law Covered Bonds is not paid when due, by the holder giving notice to the Fiscal Agent of its election for such exchange.

In the event that a Global Note is exchanged for Definitive English Law Covered Bonds, such Definitive English Law Covered Bonds shall be issued in Specified Denomination(s) only. A holder of English Law Covered Bonds who holds a nominal amount of less than the minimum Specified Denomination will not receive a Definitive English Law Covered Bond in respect of such holding and would need to purchase a nominal amount of English Law Covered Bonds such that it holds an amount equal to one or more Specified Denominations.

Unrestricted Global Certificates

If the Final Terms states that the English Law Covered Bonds are to be represented by an Unrestricted Global Certificate on issue, transfers of the holding of English Law Covered Bonds represented by any Unrestricted Global Certificate may only be made in whole but not in part:

(i) if the English Law Covered Bonds represented by the Unrestricted Global Certificates are held on behalf of Euroclear, Clearstream, Luxembourg or Euroclear France or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of fourteen (14) days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or

(ii) if the principal in respect of any English Law Covered Bonds is not paid when due; or

(iii) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (i) above, the holder of the English Law Covered Bonds has given the Registrar not less than thirty (30) days' notice at its specified office of the holder's intention to effect such transfer.

Restricted Global Certificates and 3(a)(2) Global Certificates

Each Restricted Global Certificate and 3(a)(2) Global Certificate will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below) in whole but not, except as provided under "Partial Exchange of Permanent Global Notes and Global Certificates", in part, for individual Certificates:

(i) if the English Law Covered Bonds represented by the Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System (except for DTC) and any such clearing system is closed for business for a continuous period of fourteen (14) days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or

(ii) if the English Law Covered Bonds represented by the Global Certificate are held on behalf of a Custodian for DTC and if DTC notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depositary with respect to the relevant Global Certificate or DTC ceases to be a "clearing agency" registered under the US Securities Exchange Act of 1934 (the "**Exchange Act**") or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within ninety (90) days of receiving notice of such ineligibility on the part of DTC; or

(iii) if the principal in respect of any English Law Covered Bonds is not paid when due; or

(iv) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (i) or (ii) above, the holder of the English Law Covered Bonds has given the Registrar not less than thirty (30) days' notice at its specified office of the holder's intention to effect such transfer. Individual Certificates issued in exchange for a beneficial interest

in the Restricted Global Certificate shall bear the legend applicable to such English Law Covered Bonds as set out under "Transfer Restrictions".

Partial Exchange of Permanent Global Notes and Global Certificates

For so long as a Permanent Global Note or Global Certificate is held on behalf of a clearing system and the rules of that clearing system permit, such Permanent Global Note or Global Certificate will be exchangeable in part on one or more occasions (1) for Registered English Law Covered Bonds if the Permanent Global Note is an Exchangeable Bearer Bond and the part submitted for exchange is to be exchanged for Registered English Law Covered Bonds, or (2) for Definitive English Law Covered Bonds or Certificates, as applicable if the principal in respect of any English Law Covered Bonds is not paid when due.

Delivery of Notes

If the Global Note is a CGN, on or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a Temporary Global Note exchangeable for a Permanent Global Note, deliver, or procure the delivery of, a Permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a Temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a Permanent Global Note to reflect such exchange or (ii) in the case of a Temporary or Permanent Global Note exchangeable for Definitive English Law Covered Bonds or Registered English Law Covered Bonds, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive English Law Covered Bonds or Certificates in bearer or registered form, as the case may be or (iii) if the Global Note is a NGN, procure that details of such exchange be entered pro rata in the records of the relevant clearing system. In this Base Prospectus, "Definitive English Law Covered Bonds" means, in relation to any Global Note, the definitive Bearer English Law Covered Bonds for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons in respect of interest that have not already been paid on the Global Note and a Talon), Definitive English Law Covered Bonds will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each Permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive English Law Covered Bonds.

Exchange Date

"**Exchange Date**" means, in relation to a Temporary Global Note, the day falling after the expiry of forty (40) days after its issue date, and, in relation to a Permanent Global Note, a day falling not less than sixty (60) days, or in the case of an exchange for Registered English Law Covered Bonds, five Business Days, or in the case of exchange following the failure to pay principal in respect of any English Law Covered Bonds, thirty (30) days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

Each Restricted Global Certificate and each individual Certificate issued in exchange for a beneficial interest in a Restricted Global Certificate will bear a legend applicable to purchasers who purchase the Registered English Law Covered Bonds pursuant to Rule 144A as described under "Transfer Restrictions".

Amendment to Conditions

The Temporary Global Notes, Permanent Global Notes and Global Certificates contain provisions that apply to the Covered Bonds that they represent, some of which modify the effect of the terms and conditions of the Covered Bonds set out in this Base Prospectus. The following is a summary of certain of those provisions:

Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a Permanent Global Note, Definitive English Law Covered Bond or Registered English Law Covered Bond is improperly withheld or refused. Payments on any Temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S.

beneficial ownership in the form set out in the Agency Agreement (or such other form as the Issuer may approve).

All payments in respect of Covered Bonds represented by a Global Note in CGN form will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Covered Bonds, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Bondholders for such purpose. If the Global Note is in CGN form, a record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Covered Bonds. Condition 9 (b) (iv) will apply to Definitive English Law Covered Bonds only. If the Global Note is in NGN form or a Global Certificate is issued under the NSS, the Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Covered Bonds recorded in the records of the relevant clearing system and represented by the Global Note/Global Certificate will be reduced accordingly. Payments in relation to a Global Note in NGN form or Global Certificate issued under the NSS, will be made to its holder. Each payment so made will discharge the Issuer's obligations in respect thereof. Any failure by the relevant clearing systems to make the corresponding entries in the records of the relevant clearing system shall not affect such discharge.

Prescription

Claims against the Issuer in respect of Covered Bonds that are represented by a Permanent Global Note will become void unless it is presented for payment within a period of ten (10) years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 6).

Meetings

The holder of a Permanent Global Note or of the Covered Bonds represented by a Global Certificate shall (unless such permanent Global Note or Global Certificate represents only one Covered Bond) be treated as being two persons for the purposes of any quorum requirements of a meeting of Bondholders and, at any such meeting, the holder of a Permanent Global Note shall be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Covered Bond. All holders of Registered English Law Covered Bonds are entitled to one vote in respect of each integral currency unit of the Specified Currency of the Covered Bond comprising such Bondholder's holding, whether or not represented by a Global Certificate.

Cancellation

Cancellation of any Covered Bond represented by a Permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant Permanent Global Note or its presentation to or to the order of the Fiscal Agent for endorsement in the relevant schedule of such Permanent Global Note or in the case of a Global Certificate, by reduction in the aggregate principal amount of the Certificates in the relevant register, whereupon the principal amount thereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Covered Bonds represented by a Permanent Global Note may only be purchased by the Issuer or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest thereon.

Issuer's Option

Any option of the Issuer provided for in the Conditions of any Covered Bonds while such Covered Bonds are represented by a Permanent Global Note shall be exercised by the Issuer giving notice to the Bondholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Covered Bonds drawn in the case of a partial exercise of an option and accordingly no drawing of Covered Bonds shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Covered Bonds of any Series, the rights of account holders with a clearing system in respect of the Covered Bonds will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg (to be reflected in the records of Euroclear or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), DTC or any other clearing system (as the case may be).

Bondholders' Options

Any option of the Bondholders provided for in the Conditions of any Covered Bonds while such Covered Bonds are represented by a Permanent Global Note may be exercised by the holder of the Permanent Global Note giving notice to the Fiscal Agent within the time limits relating to the deposit of Covered Bonds with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Covered Bonds in respect of which the option has been exercised, and stating the nominal amount of Covered Bonds in respect of which the option is exercised and at the same time where the Permanent Global Note is in CGN form, presenting the Permanent Global Note to the Fiscal Agent, or to a Paying Agent acting on behalf of the Fiscal Agent, for notation.

Nominal Amount

Where the Global Note is in NGN form or the Global Certificate is issued under the NSS, the Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Covered Bonds, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Covered Bonds represented by the Global Note shall be adjusted accordingly.

Events of Default

Each Global Note or Registered English Law Covered Bond represented by a Global Certificate provides that the holder may cause such Global Note, or a portion of it, or one or more Registered English Law Covered Bonds to become due and repayable in the circumstances described in Condition 10 by stating in the Issuer Enforcement Notice to the Fiscal Agent the nominal amount of such Global Note or Registered English Law Covered Bonds that is/are becoming due and repayable. Following the giving of the Issuer Enforcement Notice, the holder of a Global Note or Registered English Law Covered Bond represented by a Global Certificate may elect for direct enforcement rights against the Issuer under the terms of a Deed of Covenant executed as a deed by the Issuer on 27 July 2010 to come into effect in relation to the whole or a part of such Global Note or one or more Registered English Law Covered Bonds in favour of the persons entitled to such part of such Global Note or such Registered English Law Covered Bonds, as the case may be, as accountholders with a clearing system. Following any such acquisition of direct rights, the Global Note or, as the case may be, the Global Certificate and the corresponding entry in the register kept by the Registrar will become void as to the specified portion or Registered English Law Covered Bonds, as the case may be. However, no such election may be made in respect of Covered Bond represented by a Global Certificate unless the transfer of the whole or a part of the holding of Covered Bond represented by the Global Certificate shall have been improperly withheld or refused.

Notices

So long as any Covered Bonds are represented by a Global Note or a Global Certificate and such Global Note or Global Certificate is held on behalf of a clearing system, notices to the Bondholders of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note, except that so long as such Covered Bonds are admitted to trading on any Regulated Market and the applicable rules of such Regulated Market so require, in a leading daily financial newspaper with general circulation in the city/ies where the Regulated Market on which such Covered Bonds are admitted to trading, which in the case of Euronext Paris is expected to be *Les Echos*, or as otherwise required by the rules applicable to that Regulated Market, as the case may be.

Redenomination and Consolidation

A Global Note may be amended or replaced by the Issuer (in such manner as it considers necessary) for the purposes of taking into account the redenomination and/or consolidation of the Covered Bonds pursuant to Conditions 2 and/or 16, provided that such amendment or replacement could not reasonably be expected to be prejudicial to the interests of the Bondholders. Any consolidation may, in such circumstances, require a change in the relevant common depository or central depository or custodian or nominee, as the case may be.

TEMPORARY GLOBAL CERTIFICATES IN RESPECT OF FRENCH LAW COVERED BONDS WHICH ARE MATERIALISED COVERED BONDS

The following description is only applicable to French Law Covered Bonds.

Temporary Global Certificates

A Temporary Global Certificate without interest coupons (a "**Temporary Global Certificate**") will initially be issued in connection with each Tranche of Materialised Covered Bonds, which will be delivered on or prior to the issue date of the Tranche with a common depository (the "**Common Depository**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and for Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"). Upon the delivery of such Temporary Global Certificate with a Common Depository, Euroclear and Clearstream, Luxembourg will credit each subscriber with a nominal amount of Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depository may also credit with a nominal amount of Covered Bonds the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, a nominal amount of Covered Bonds that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg, or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Covered Bonds will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see "General Description of the Programme-Selling Restrictions"), in whole, but not in part, for Definitive Materialised Covered Bonds and
- (ii) otherwise, in whole but not in part, upon certification as required under U.S. Treasury Regulation section 1.163-5 (c)(2)(i)(D)(3) and any successor regulation issued under the U.S. Internal Revenue Code of 1986 as amended (the "**Code**"), section 4701(b) containing rules identical to those applying under Code section 163(f)(2)(B) as to non-U.S. beneficial ownership for Definitive Materialised Covered Bonds.

While any Materialised Covered Bond is represented by a Temporary Global Certificate, any payment payable in respect of such Materialised Covered Bonds prior to the Exchange Date (as defined below) will be made only to the extent that the certification described in (ii) above has been received by Euroclear and/or Clearstream, Luxembourg, and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certification received) to the relevant Paying Agent. The holder of a Temporary Global Certificate will not be entitled to collect any payment due thereon on or after the Exchange Date unless, upon due certification as described above, exchange of the Temporary Global Certificate for an interest in Definitive Materialised Covered Bonds is improperly refused or withheld.

Delivery of Definitive Materialised Covered Bonds

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to, or to the order of, the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Covered Bonds. In this Base Prospectus, "**Definitive Materialised Covered Bonds**" means, in relation to any Temporary Global Certificate, the Definitive Materialised Covered Bonds for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons in respect of interest that have not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Covered Bonds will be security printed in accordance with any applicable legal and stock exchange requirement.

Exchange Date

"**Exchange Date**" means, in relation to a Temporary Global Certificate in respect of any Materialised Covered Bonds, the day falling after the expiry of forty (40) days after its issue date, provided that in the event any further Materialised Covered Bonds which are to be assimilated (*assimilables* for the purposes of French law) with such first mentioned Materialised Covered Bonds are issued prior to such day pursuant to Condition 16(a), the Exchange Date may, at the option of the Issuer, be postponed to the day falling after the expiry of forty (40) days after the issue date of such further Materialised Covered Bonds.

In the case of Materialised Covered Bonds with an initial maturity of more than three hundred and sixty-five (365) days (and that are not relying on the C Rules), the Temporary Global Certificate shall bear the following legend:

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES FEDERAL INCOME TAX LAWS INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287 (a) OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

CLEARING AND SETTLEMENT IN RESPECT OF ENGLISH LAW COVERED BONDS

Book-Entry Ownership

Bearer English Law Covered Bonds

The Issuer may make applications to Euroclear France, Clearstream, Luxembourg and Euroclear for acceptance in their respective book-entry systems in respect of any Series of Bearer English Law Covered Bonds. In respect of Bearer English Law Covered Bonds in CGN form, a Temporary Global Note and/or a Permanent Global Note in bearer form without coupons may be deposited with a common depository for Clearstream, Luxembourg, Euroclear or with Euroclear France acting as central depository, and in NGN form with a Common Safekeeper for Euroclear and Clearstream, Luxembourg. Transfers of interests in such Temporary Global Notes or Permanent Global Notes will be made in accordance with the normal Euromarket debt securities operating procedures of Clearstream, Luxembourg and Euroclear and, if appropriate, Euroclear France.

Registered English Law Covered Bonds

The Issuer may make applications to Clearstream, Luxembourg and Euroclear for acceptance in their respective book-entry systems in respect of the English Law Covered Bonds to be represented by an Unrestricted Global Certificate or a Restricted Global Certificate. Each Unrestricted Global Certificate or Restricted Global Certificate deposited with a nominee for Clearstream, Luxembourg and/or Euroclear or a Common Safekeeper for Clearstream, Luxembourg and/or Euroclear, will have an ISIN and a Common Code.

The Issuer and a relevant US agent appointed for such purpose that is an eligible DTC participant may make application to DTC for acceptance in its book-entry settlement system of the Registered English Law Covered Bonds represented by a Restricted Global Certificate or a 3(a)(2) Global Certificate. Each such Global Certificate will have a CUSIP number. Each Restricted Global Certificate will be subject to restrictions on transfer contained in a legend appearing on the front of such Global Certificate, as set out under "Transfer Restrictions". In certain circumstances, as described below in "Transfers of Registered English Law Covered Bonds", transfers of interests in a Restricted Global Certificate may be made, as a result of which such legend may no longer be required.

In the case of a Tranche of Registered English Law Covered Bonds to be cleared through the facilities of DTC, the Custodian, with whom the Global Certificates are deposited, and DTC will electronically record the nominal amount of the Registered English Law Covered Bonds held within the DTC system. Investors in Registered English Law Covered Bonds of such Tranche may hold their interests in an Unrestricted Global Certificate only through Clearstream, Luxembourg or Euroclear. Investors may hold their interests in a Restricted Global Certificate or a 3(a)(2) Global Certificate directly through DTC if they are participants in the DTC system, or indirectly through organisations which are participants in such system.

Payments of the principal of, and interest on, each Restricted Global Certificate or 3(a)(2) Global Certificate registered in the name of DTC's nominee will be to or to the order of its nominee as the registered owner of such Global Certificate. The Issuer expects that the nominee, upon receipt of any such payment, will immediately credit DTC participants' accounts with payments in amounts proportionate to their respective beneficial interests in the nominal amount of the relevant Global Certificate as shown on the records of DTC or the nominee. The Issuer also expects that payments by DTC participants to owners of beneficial interests in such a Global Certificate held through such DTC participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the name of nominees for such customers. Such payments will be the responsibility of such DTC participants. None of the Issuer, any Paying Agent or any Transfer Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of ownership interests in the Restricted Global Certificates or 3(a)(2) Global Certificates or for maintaining, supervising or reviewing any records relating to such ownership interests.

All Registered English Law Covered Bonds will initially be in the form of a 3(a)(2) Global Certificate, an Unrestricted Global Certificate and/or a Restricted Global Certificate. Definitive Registered English Law Covered Bonds in the form of individual Certificates will only be available, in the case of English Law Covered Bonds initially represented by an Unrestricted Global Certificate, in amounts specified in the applicable Final Terms, and, in the case of English Law Covered Bonds initially represented by a Restricted Global Certificate, in

amounts of U.S.\$ equivalent to €100,000 (or its equivalent in other currencies rounded upwards as agreed between the Issuer and the relevant Dealer(s)), or higher integral multiples of U.S.\$1,000 (or its equivalent in other currencies), in certain limited circumstances described in "Summary of Provisions Relating to English Law Covered Bonds While in Global Form".

Transfers of Registered English Law Covered Bonds

Transfers of interests in Global Certificates within DTC, Clearstream, Luxembourg and Euroclear will be in accordance with the usual rules and operating procedures of the relevant clearing system. The laws of some states in the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer interests in a Restricted Global Certificate or a 3(a)(2) Global Certificate to such persons may be limited. Because DTC can only act on behalf of participants, who in turn act on behalf of indirect participants, the ability of a person having an interest in a Restricted Global Certificate or a 3(a)(2) Global Certificate to pledge such interest to persons or entities that do not participate in DTC, or otherwise take actions in respect of such interest, may be affected by the lack of a physical certificate in respect of such interest.

In the case of Registered English Law Covered Bonds to be cleared through Euroclear, Clearstream, Luxembourg and/or DTC, transfers may be made at any time by a holder of an interest in an Unrestricted Global Certificate to a transferee who wishes to take delivery of such interest through the Restricted Global Certificate for the same Series of English Law Covered Bonds provided that any such transfer made on or prior to the expiration of any distribution compliance period relating to the English Law Covered Bonds represented by such Unrestricted Global Certificate will only be made upon receipt by the Registrar or any Transfer Agent of a written certificate from Euroclear or Clearstream, Luxembourg, as the case may be, (based on a written certificate from the transferor of such interest) to the effect that such transfer is being made to a person whom the transferor reasonably believes is a qualified institutional buyer within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities law of any state of the United States or any other jurisdiction. Any such transfer made thereafter of an interest in the English Law Covered Bonds represented by such Unrestricted Global Certificate will only be made upon request, through Clearstream, Luxembourg or Euroclear, by the holder of an interest in the Unrestricted Global Certificate to the Fiscal Agent and receipt by the Fiscal Agent of details of that account at either Euroclear or Clearstream, Luxembourg or DTC to be credited with the relevant interest in the Restricted Global Certificate. Transfers at any time by a holder of any interest in the Restricted Global Certificate to a transferee who takes delivery of such interest through an Unrestricted Global Certificate will only be made upon delivery to the Registrar or any Transfer Agent of a certificate setting forth compliance with the provisions of Regulation S and giving details of the accounts at Euroclear or Clearstream, Luxembourg, as the case may be, and/or DTC to be credited and debited, respectively, with an interest in the relevant Global Certificates.

Subject to compliance with the transfer restrictions applicable to the Registered English Law Covered Bonds described above, cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Custodian, the Registrar and the Fiscal Agent.

On or after the Issue Date for any Series, transfers of English Law Covered Bonds of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of English Law Covered Bonds of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Global Certificates will be effected through the Fiscal Agent, the Custodian and the Registrar receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. Transfers will be effected on the later of (i) three business days after the trade date for the disposal of the interest in the relevant Global Certificate resulting in such transfer and (ii) two business days after receipt by the Fiscal Agent or the Registrar, as the case may be, of the necessary certification or information to effect such transfer. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC will take any action permitted to be taken by a holder of Registered English Law Covered Bonds (including, without limitation, the presentation of Global Certificates for exchange as described above) only at the direction of one or more participants in whose account with DTC interests in Global Certificates are credited and only in respect of such portion of the aggregate nominal amount of the relevant Global Certificates as to which such participant or participants has or have given such direction. However, in the circumstances described in "Summary of Provisions Relating to English Law Covered Bonds While in Global Form", DTC will surrender the relevant Restricted Global Certificates or a 3(a)(2) Global Certificates for exchange for individual Certificates (which will, in the case of Restricted Global Certificates, bear the legend applicable to transfers pursuant to Rule 144A).

The Issuer has been advised that DTC is a limited purpose trust company organised under the laws of the State of New York, a "banking organisation" under the laws of the State of New York, a member of the US Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic computerised book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to DTC is available to others, such as banks, securities brokers, dealers and trust companies, that clear through or maintain a custodial relationship with a DTC direct participant, either directly or indirectly.

Although DTC, Clearstream, Luxembourg and Euroclear have agreed to the foregoing procedures in order to facilitate transfers of beneficial interests in the Global Certificates among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, the Paying Agents or the Transfer Agents will have any responsibility for the performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations.

While a Restricted Global Certificate or a 3(a)(2) Global Certificate is lodged with DTC or the Custodian, the relevant Registered English Law Covered Bonds represented by individual Certificates will not be eligible for clearing or settlement through DTC, Clearstream, Luxembourg or Euroclear.

Pre-issue Trades Settlement

It is expected that delivery of English Law Covered Bonds will be made against payment therefor on the relevant Issue Date, which could be more than three business days following the date of pricing. Under Rule 15c6-1 of the US Securities and Exchange Commission under the Exchange Act, trades in the United States secondary market generally are required to settle within three business days (T+3), unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Registered English Law Covered Bonds in the United States on the date of pricing or the next succeeding business days until the relevant Issue Date will be required, by virtue of the fact that such English Law Covered Bonds initially will settle beyond T+3, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Settlement procedures in other countries will vary. Purchasers of English Law Covered Bonds may be affected by such local settlement practices and purchasers of English Law Covered Bonds who wish to trade English Law Covered Bonds between the date of pricing and the relevant Issue Date should consult their own adviser.

THE ISSUER

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include English Law Covered Bonds, German Law Covered Bonds and French Law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

General

The Issuer was incorporated on 22 June 2004, as a French "*Société anonyme*". Its term of existence is ninety-nine (99) years from the date of its incorporation. The legal name of the Issuer is BNP Paribas Home Loan SFH and its commercial name is "BNP Paribas Home Loan SFH" (formerly BNP Paribas Home Loan Covered Bonds). The Issuer is registered with the French *Registre du commerce et des sociétés de Paris* under number 454 084 211. The Issuer adopted the name "BNP Paribas Home Loan Covered Bonds" and the legal form of a French "*Société anonyme à directoire et conseil de surveillance*" on 18 September 2006. From the date of its incorporation and until 18 September 2006, the Issuer was a dormant entity owned by BNP Paribas and did not engage in any business activity. The Issuer adopted its current legal and commercial name, i.e. "BNP Paribas Home Loan SFH" and the legal form of a French "*Société anonyme à conseil d'administration*" on or prior to the date hereof, following the adoption of the status of *société de financement de l'habitat*.

The Issuer is governed by:

- (a) the French Commercial Code (*Code de commerce*); and
- (b) the French Monetary and Financial Code (*Code monétaire et financier*).

The Issuer's registered office and principal place of business is located at 1 Boulevard Haussmann, 75009 Paris, France. The telephone number of the Issuer's registered office is: + 33 1 40 14 85 75.

At the date of this Base Prospectus, the Issuer is an entirely owned subsidiary of BNP Paribas. For further information relating to BNP Paribas, including risk factors and a description of its activity and results of operations and financial condition, investors are directed to the Information Statement, the BNPP 2012 Financial Statements and the BNPP 2011 Financial Statements which are incorporated by reference herein.

The Issuer was a special purpose entity, with separate legal capacity and existence, which was first licensed by the French banking regulator (the *Comité des établissements de crédit et des entreprises d'investissement*, an institution now merged into the *Autorité de contrôle prudentiel*) as a credit institution (*établissement de crédit*), with the status of a financial company (*société financière*) and with limited and exclusive purpose, on 30 November 2006. Following the enactment of Law n°2010-1249 dated 22 October 2010 on banking and financial regulation (the "**SFH Law**") and of Decree n° 2011-205 date 23 February 2011, establishing the new status of "*société de financement de l'habitat (SFH)*", and in accordance with the provisions of Article 74 of the SFH Law, the Issuer has opted for the regime of *société de financement de l'habitat (SFH)*. On 1st April 2011, the Issuer was granted the status of *société de financement de l'habitat (SFH)* by the *Autorité de contrôle prudentiel*, which is the new legal and commercial name of the Issuer. As a consequence, the Issuer is now governed by the SFH legal Framework, as described below. See "The SFH Legal Framework").

The Issuer's exclusive corporate purpose set out in Article 2 of the Issuer's by-laws is to finance home loans (*prêts à l'habitat*) and other financial assets which are eligible under the SFH legal Framework.

Therefore, in compliance with its license as *société de financement de l'habitat*, but subject to the limitations set forth in its by-laws (*statuts*), the Issuer may:

- (a) grant or finance home loans (*prêts à l'habitat*) and hold eligible securities and instruments;
- (b) grant to any credit institutions (including BNP Paribas S.A.) loans guaranteed by the remittance, the transfer or the pledge of the receivables arising from home loans;
- (c) acquire promissory notes (*billets à ordre*) issued by credit institutions which represent receivables arising from home loans;

- (d) issue *obligations de financement de l'habitat* (such as the Covered Bonds) and raise other sources of financing which benefit from the *Privilège* in order to finance these assets;
- (e) issue ordinary bonds or raise other sources of financing which do not benefit from the *Privilège* (See "Issuer Financial Elements"), including promissory notes (*billets à ordre*) which represent receivables arising from home loans;
- (f) carry out temporary transfers of securities, pledge a securities account and pledge or transfer all or part of the receivables held by it in accordance with the applicable provisions of the French Monetary and Financial Code (*Code monétaire et financier*). The receivables or securities thus transferred or pledged are not included in the cover pool defined in Article L. 515-19 of the French Monetary and Financial Code (*assiette du Privilège*) and are not taken into account for the calculation of the Collateralisation Ratio;
- (g) in order to hedge its interest and currency risks on loans, exposures, *obligations de financement de l'habitat* and other sources of financing benefiting from the *Privilège*, or to manage or hedge the global risk on its assets, liabilities and off balance sheet exposures, use derivative instruments as defined in Article L. 211-1 of the French Monetary and Financial Code (*Code monétaire et financier*). Any amounts payable pursuant to these financial instruments, after applicable netting, benefit from the *Privilège*.

The Issuer may not hold equity participations or other forms of equity interest issued by other companies.

Issuer's Activities

The sole activity of the Issuer is to issue Covered Bonds from time to time that benefit from the *Privilège*, as described in the Base Prospectus, and to use the proceeds thereof to fund advances (each, a "**Borrower Advance**"), as lender (in such capacity the "**Lender**"), to BNP Paribas S.A., as borrower (in such capacity, the "**Borrower**") under a credit facility agreement (the "**Borrower Facility Agreement**"). See "The Borrower and the Borrower Facility Agreement".

Special purpose entity and restrictions on object and powers

The Issuer's objects and powers are to the extent possible restricted to those activities necessary to carry out its obligations under the Programme Documents.

The Issuer does not have and will not have any employees, nor will it own or lease any premises. The management of its operations is, and will be, entrusted to another credit institution or credit institutions in accordance with the provisions of Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*). On the Programme Date, the management of the administrative operations of the Issuer is carried out by BNP Paribas in its capacity as Administrator of the Issuer in accordance with the Administrative Agreement and the risk management of the Issuer is carried out by the relevant departments of BNP Paribas in accordance with the provisions of the *Convention d'Externalisation et de Prestations de Services* entered into between the Issuer and BNP Paribas.

The Issuer has undertaken pursuant to the Administrative Agreement and its articles of association not to engage in unrelated business activities or incur any material liabilities other than those contemplated in the Programme Documents.

Limitations on indebtedness

Pursuant to the Conditions, the Issuer is restricted from incurring additional indebtedness (other than as contemplated by the Programme Documents) unless:

- (a) such indebtedness is fully subordinated to any amounts (whether privileged or not privileged) incurred in relation to Covered Bonds; or
- (b) prior Rating Affirmation has been delivered in relation to such indebtedness.

Limited recourse

Each party to any Programme Document will agree:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer under any Programme Document against any shareholder, member of the board of directors (*conseil d'administration*), managing directors (*directeurs généraux*) or agent of the Issuer, by the enforcement of any assessment or by any proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under any Programme Document is a corporate obligation of the Issuer, and that no personal liability shall be attached to, or be incurred by, any shareholder, member of the board of directors (*conseil d'administration*), managing directors (*directeurs généraux*) or agent of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in any Programme Document or implied therein and to waive any and all personal liability of every such shareholder, member of the board of directors (*conseil d'administration*), managing director (*directeurs généraux*) or agent of the Issuer for breaches by the Issuer of any of its obligations, covenants or agreements under any Programme Document;
- (b) to limit its recourse against the Issuer under any Programme Document to amounts payable or expressed to be payable to it by the Issuer on, under or in respect of its obligations and liabilities under any Programme Document (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under any Programme Document) and in accordance with the then applicable Priority Payment Order;
- (c) that amounts payable or expressed to be payable by the Issuer on, under or in respect of its obligations and liabilities under any Programme Document shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant payment date (provided that, in the event that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and provided further that, in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due under any claim of any party under any Programme Document and all other claims ranking *pari passu* to any such claim, then the claim of such party against the Issuer shall be satisfied only up to a certain percentage of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment of such percentage, the obligations of the Issuer with respect to any amount owed on the relevant date to such party shall be discharged in full);

The Privilège (Statutory Priority in Right of Payment)

Obligations de financement de l'habitat are specialized covered bonds products that can only be issued by credit institutions licensed and regulated in France as *sociétés de financement de l'habitat*. *Obligations de financement de l'habitat* benefit from the legal *Privilège* under French law which provides a priority in right of payment over all the assets and revenues of the *société de financement de l'habitat* to the Bondholders and other privileged debt.

The principal and interest of the Covered Bonds will benefit from the *privilège* (statutory priority in right of payment) created by Article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Privilège**").

Accordingly, notwithstanding any legal provisions to the contrary (including Livre VI of the French Commercial Code (*Code de Commerce*) on insolvency proceedings), pursuant to article L. 515-19 of the French Monetary and Financial Code (*Code monétaire et financier*):

- (i) all amounts payable to the Issuer in respect of loans or assimilated receivables, exposures and securities referred to in articles L.515-14 to L.515-17 of the French Monetary and Financial Code (*Code monétaire et financier*) and forward financial instruments referred to in article L.515-18 of the French Monetary and Financial Code (*Code monétaire et financier*), in each case after any applicable set-off, together with the claims in respect of deposits made by the Issuer with credit institutions, shall be allocated in priority to the payment of any sums due in respect of *obligations de financement de l'habitat* (such as the Covered Bonds) and any other resources raised by the Issuer and benefiting from the *Privilège*;

Accordingly, until all creditors benefiting from the *Privilège* (including the Bondholders) have been paid in full, no other creditor of the Issuer may exercise any right over the assets and rights of the Issuer; and
- (iii) the judicial liquidation (*liquidation judiciaire*) of the Issuer will not result in the *obligations de financement de l'habitat* (such as the Covered Bonds) and the other debt benefiting from the *Privilège* becoming due and payable.

In order to maintain the *Privilège* granted to holders of obligations de financement de l'habitat and other privileged debts, a *société de financement de l'habitat* can not have any employees. A *société de financement de l'habitat* must, therefore, entrust the management of its operations to another credit institution or credit institutions with which it has signed an agreement.

With respect to the Issuer, the liabilities benefiting from the *Privilège* comprise the Issuer Hedging Costs, amounts due under the Covered Bonds, the Issuer Hedging Subordinated Termination Costs, amounts due to the Cash Collateral Provider under the Cash Collateral Agreement and certain amounts of fees and expenses due to the Administrator under the Administrative Agreement. It is reminded that the sums due by the Issuer under the Borrower Hedging Agreements do not benefit from the *Privilège*.

Subscription by the société de financement de l'habitat of its own obligations de financement de l'habitat as eligible collateral with the Banque de France

Pursuant to Article L. 515-32-1 of the French Monetary and Financial Code (*Code monétaire et financier*), a *société de financement de l'habitat* may subscribe to its own *obligations de financement de l'habitat* for the sole purpose of granting them as eligible collateral with the *Banque de France* in accordance with the rules of the Eurosystem, provided that the liquidity needs of the *société de financement de l'habitat* cannot be funded otherwise. Such recognition as eligible collateral will depend upon satisfaction of the Eurosystem eligibility criteria as specified by the European Central Bank. The *obligations de financement de l'habitat* thus subscribed by the *société de financement de l'habitat* must meet the following conditions:

- their outstanding principal amount does not exceed ten per cent. (10%) of the outstanding principal amount of any liabilities of the *société de financement de l'habitat* benefiting from the *Privilège* on the subscription date of the *obligations de financement de l'habitat* by the *société de financement de l'habitat*;
- they are deprived of the rights provided for under Articles L. 228-46 to L. 228-89 of the French Commercial Code (*Code de commerce*) for so long as they are held by the *société de financement de l'habitat*;

Ongoing and periodic internal control system

The Issuer's internal control system is based on a three (3) level system and makes a clear distinction between its ongoing and its periodic internal controls in accordance with the Règlement 97-02 of the French *Comité de la réglementation bancaire et financière* relating to the internal control of credit institutions and investment companies as amended from time to time.

Ongoing internal control system (contrôle permanent)

The Issuer has set up an internal control system which takes into account the Issuer's own legal form as a French limited company with a Board of Directors (*société anonyme à Conseil d'Administration*), and also its "lack of own means" status.

The Issuer is integrated into BNP Paribas's ongoing internal control system. BNP Paribas's overall ongoing control procedures are applied according to a Department's organisational structure within BNP Paribas.

These procedures rest in the first instance on Level 1 and Level 2 ongoing controls which are carried out by BNP Paribas Operations Teams: Front Office, Middle Office, and Back Office.

Level 2 controls comprise both hierarchic controls as performed by team leaders and management, as well as departmental controls. Other transversal departments, again internal to BNP Paribas, strengthen this mechanism (Group Risk Management, Finance, Compliance).

The ongoing internal control (*contrôle interne permanent*) of the Issuer is conducted by the internal control officer (*responsable du contrôle interne permanent*), currently Mr Bruno Lavolé and by the investment services' compliance officer (*responsable de la conformité des services d'investissement*), currently Mr Fabrice Moly.

Periodic internal control system (contrôle périodique)

The Issuer's internal control system, Level 3, is under the supervision of independent control committees.

The Audit team of the Corporate and Investment Banking division of BNP Paribas (CIB) carries out the Issuer's audit. The Audit team reports since 1 January 2006 to the General Investigation Service of BNP Paribas (*Inspection Générale*).

The Issuer is included in the Corporate and Investment Banking division of BNP Paribas (CIB)'s audit remit and is audited according to the principles, norms and standards in force for the Group as a whole and more specifically for the activities and entities of CIB.

The internal audit charter of the Group is applicable to the Issuer. The General Investigation Service's norms as are specified in accordance with the Issuer's scope of activity in accordance with the Group's internal audit guidelines and international audit standards.

BNP Paribas in accordance with the provisions of the *Convention d'Externalisation et de Prestations de Services* entered into between the Issuer and BNP Paribas determines the terms and conditions of the management of the control activities of the Issuer which will be carried out by the audit team of the General Investigation Service.

These Level 1 ongoing internal controls can be carried out automatically once they are integrated in the computer system. In addition, they allow the provision of information to the system of internal control. The Level 1 ongoing internal controls and the responsibilities of the operating employees are provided for in the internal control procedures of BNP Paribas accessible in the form of a "procedure handbook". The control of the compliance of (i) the transactions, (ii) the level of risk actually involved and (iii) the compliance with the procedures is carried out by agents and employees of BNP Paribas acting on behalf of the Issuer.

Finally, all of the preparation and electronic processing tasks relating to the accounting information systems of the Issuer are carried out by specialised teams of Finances Développement Groupe which have expertise in this domain and benefit from a backup site. The framework is based on general accounts managed by BNP Paribas – service "Reporting Filiales". The Advances made available by BNP Paribas Home Loan SFH, as Lender under the Borrower Facility Agreement and the issue of the Covered Bonds are followed up by the back offices of BNP Paribas which transmit the information (by way of a confirmation slip) to the service FDG Reporting Filiales in order to ensure the book entry and which initiate the cash flows. The entire process is validated on a monthly basis by the follow-up of the back accounts and inventories (balance sheet and financial review) which are edited by the back office tools of BNP Paribas.

With regard to the shareholders, the by-laws of the Issuer provides that some actions may not be taken by the board of directors, nor by the chairman nor by the managing director, nor by any substitute managing director (*directeur général délégué*) whatsoever, without the prior consent of the shareholders' general meeting. External Supervision and oversight of the Issuer

The Autorité de contrôle prudentiel

As credit institutions (*établissements de crédit*), *sociétés de financement de l'habitat* are supervised by the *Autorité de contrôle prudentiel*, an independent supervisory and control authority of banking and insurance activities in France, integrated within the framework of the *Banque de France*. The *Autorité de contrôle prudentiel* is notably composed of the Governor of the *Banque de France* and various experts chosen for their expertise in banking and financial matters and is responsible for monitoring observance of the laws and regulations applicable to credit institutions as well as the soundness of their financial position. *Sociétés de financement de l'habitat* must submit to the *Autorité de contrôle prudentiel* their Collateralisation Ratio on 30 June and 31 December of each year.

The Issuer is subject to off-site monitoring and on-site inspections by the *Autorité de contrôle prudentiel*. Off-site monitoring by the *Autorité de contrôle prudentiel* consists of the examination of the Issuer's prudential and accounting records as well as regular contacts with the Issuer's board of directors and statutory auditors. The Issuer is required to submit to the *Autorité de contrôle prudentiel* a registration document on internal control procedures and the assessment and supervision of risk procedures and bi-registration documents setting forth its Collateralisation Ratio (pursuant to its status as a *société de financement de l'habitat*). In addition, statutory auditors are required to advise the *Autorité de contrôle prudentiel* of any fact or decision that may constitute a breach of existing regulations and that is likely to have a significant effect on the financial situation, the profits or the asset composition of the Issuer or cause the statutory auditors to issue a qualified or adverse opinion.

Through on-site inspections, the *Autorité de contrôle prudentiel* ascertains that the information disclosed by the Issuer accurately reflects its financial condition. The *Autorité de contrôle prudentiel* may decide to make a recommendation, issue an injunction or institute disciplinary proceedings if it determines that the Issuer has contravened a law or regulation relating to its activity as a *société de financement de l'habitat*.

The Specific Controller

The Issuer has appointed, in accordance with Article L.515-30 of the French Monetary and Financial Code (*Code monétaire et financier*) a Specific Controller (*Contrôleur spécifique*), and a Substitute Specific Controller (*Contrôleur spécifique Suppléant*), who are selected from the official list of auditors and are appointed by the board of directors of the Issuer with the approval of the *Autorité de contrôle prudentiel*.

The principal Specific Controller of the Issuer is Fides Audit, 37, avenue de Friedland, 75008 Paris, France, represented by Mr. Stéphane Massa and the Substitute Specific Controller of the Issuer is M.B.V. & Associés, 39, avenue de Friedland, 75008 Paris, France represented by Mrs Martine Leconte.

The Specific Controller ensures that the Issuer complies with the SFH legal Framework (in particular, verifying the quality and the eligibility of the assets and the Minimum Legal Collateralisation Ratio). He also monitors the balance between the Issuer's assets and liabilities in terms of rates and maturity (cash flow adequacy) and notifies the board of directors, the Managing Director (*directeur général*) of the Issuer and the *Autorité de contrôle prudentiel* if he considers such balance to be unsatisfactory.

The Specific Controller carries out various audits in cooperation with the Issuer's statutory auditors and is completely independent of the Issuer. In particular, the Specific Controller must control the valuation procedures of the real estate properties securing the Home Loan Receivables that are granted as Collateral Security.

For the performance of its duties, the Specific Controller has access to all information from management, internal control data, and internal audit data. The Specific Controller is entitled to undertake, at any time, any necessary control of the Issuer that it deems appropriate and to review the Issuer's books and records. In addition, the Specific Controller is entitled to request information from third parties who have entered into transactions on behalf of the Issuer. It may request copies of relevant agreements and documents from any credit institution entrusted with the management or the recovery of loans, bonds or other sources of financing of the Issuer pursuant to Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*) and copies of the home loan agreements, mortgage registration certificates and any other documents relating to the Home Loan Receivables that are granted as Collateral Security it may consider relevant in order to carry out its duties.

The Specific Controller certifies, on a quarterly basis, compliance with legal and regulatory standards concerning the Collateralisation Ratio in connection with the issuance programme of the Issuer and for any issue of resources of more than €500 million which benefit from the *Privilège*. Additionally, the Specific Controller certifies that documents the Issuer sends to the *Autorité de contrôle prudentiel* meet legal and regulatory requirements. The Specific Controller submits a registration document on its activity to the board of directors of the Issuer, and a copy is forwarded to the *Autorité de contrôle prudentiel*.

The *Autorité de contrôle prudentiel* can require information relating to the activity and the financial situation of the Issuer from the Specific Controller. The Specific Controller is required to disclose to the *Autorité de contrôle prudentiel* any decision taken by the *société de financement de l'habitat* or its parent company, which constitute a violation of legal provisions and affect its financial situation, the continuity of the company or the certification of accounts. The Specific Controller is also required to advise the *Autorité de contrôle prudentiel* of any fact or decision that could jeopardize the situation of the *société de financement de l'habitat* as a going concern.

The Specific Controller cannot conduct any activities that could undermine its independence and take, receive or retain any interest in the Issuer or BNP Paribas. The Specific Controller is prevented from providing services exceeding the scope of its control to the Issuer or to BNP Paribas.

The Specific Controller is liable for any error or negligence committed in the exercise of its functions.

Managing Directors may be sanctioned if the Specific Controller is not appointed, not invited to attend shareholders' meetings, prevented from conducting its control or not provided with useful documents that he has requested. The Specific Controller attends all meetings of the shareholders of the Issuer and, on his request, may be heard by the board of directors (*conseil d'administration*) of the Issuer.

Administrator's duties regarding the refinancing of the Transferred Assets

After title to the Home Loans Receivables granted Borrower Collateral Security and Affiliate Collateral Security and the related Home Loan Security has been transferred to the Issuer upon enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security following the occurrence of a Borrower Event of Default (the "**Transferred Assets**"), the Administrator will sell or refinance such Home Loan Receivables and related Home Loan Security in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date (or Extended Final Maturity Date, if any) under each relevant Series of Covered Bonds).

The Administrator shall ensure that the Transferred Assets which are proposed for sale or refinancing (the "**Selected Assets**") at any relevant date (the "**SARA Relevant Date**") will be selected on a random basis, provided that (i) no more Selected Assets will be selected than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "**Selected Assets Required Amount (SARA)**", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * \text{A/B}$$

where:

"**Adjusted Required Redemption Amount**" means an amount equal to the Euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) of the first Series of Covered Bonds maturing after the SARA Relevant Date less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority Payment Order and those amounts that are required to repay any Series which mature prior to or on the same date as the relevant Series);

"**A**" means the Euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all Transferred Assets; and

"**B**" means the Euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will offer the Selected Assets for sale to potential buyers for the best price reasonably available but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date (or the Extended Final Maturity Date, if any) of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator will (i) organise the offer for sale of the Selected Assets by the Issuer for the best price reasonably available, or (ii) seek a refinancing of the Selected Assets by the Issuer on the best terms reasonably available, even if the price obtained in this case for the Selected Assets is less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator may through a tender process select a portfolio manager of recognised standing which shall be appointed by the Issuer to advise it in relation to the sale or refinancing of the Transferred Assets. This portfolio manager can be appointed by the Issuer on terms intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the Transferred Assets (if such terms are commercially available in the market).

In respect of any sale or refinancing of the Selected Assets, the Administrator shall use all reasonable endeavours to procure that the same are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

For the purpose of investment by the Administrator of the Issuer's available cash in Permitted Investments as mentioned in paragraph (e) above, "**Permitted Investments**" shall mean:

- (a) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and short term debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity of thirty (30) days or less and mature on or before the next following Payment Date and the short term or, as applicable, long term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A-1 (short term) by S&P, F1 (short term) and A (long term) by Fitch;
- (b) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity of sixty (60) days or less and greater than thirty (30) days and mature on or before the next following Payment Date, and the short term or, as applicable, long term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A-1 (short term) by S&P, F1+ (short term) and A+ (long term) by Fitch;
- (c) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity of three (3) months or less and greater than sixty (60) days and mature on or before the next following Payment Date, and the short term or, as applicable, long term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A-1+ (short term) or AA- (long term) by S&P, F1+ (short term) and A+ (long term) by Fitch;
- (d) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity of more than three (3) months and less than three hundred sixty-four (364) days and mature on or before the next following Payment Date, and the short term or, as applicable, long term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A-1+ (short term) or AA- (long term) by S&P, F1+ (short term) and AA- (long term) by Fitch; and
- (e) Euro denominated government securities, Euro demand or time deposits, certificates of deposit which have a remaining maturity date of more than three hundred sixty-four (364) days and mature on or before the next following Payment Date and the long term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least AAA by S&P and AAA by Fitch.

If the permitted investment carries only a short term rating by Fitch due to its short-term nature, the short term rating is sufficient.

The Administrator may not assign its rights and obligations under the Administrative Agreement but will have the right to be assisted by, to appoint or to substitute for itself any third party in the performance of certain or all its tasks under the Administrative Agreement provided that:

- (a) the Administrator has given written notice of the exercise of that right to the Issuer;

The Lender and the Borrower have agreed to enter into a borrower facility agreement (the "**Borrower Facility Agreement**") in order to determine the terms and conditions according to which the Lender shall grant the Borrower with advances under the Borrower Facility Agreement (each, a "**Borrower Advance**").

The Borrower Advances

The Borrower Advances shall be made available to the Borrower in an aggregate maximum amount equal to € 35,000,000,000 (the "**Borrower Facility Commitment**") for the purpose of financing the general financial needs of the Borrower and, in particular, any Affiliate Advance (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**") under any Affiliate Facility Agreement (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**").

- (b) a Breach of Pre-Maturity Test occurs;

Borrower's indemnities

Under the Borrower Facility Agreement, the Borrower undertakes to indemnify the Lender against:

- (a) any cost, claim, loss, expense (including legal fees) or liability (other than reasonable consequential losses including loss of profit), which it may (acting reasonably) sustain or incur as a consequence of the occurrence of any Borrower Event of Default or any default by the Borrower in the performance of any of the obligations expressed to be assumed by it in the Borrower Facility Agreement; and

In addition, the Borrower undertakes to hold the Issuer harmless against any liabilities that the Issuer may incur in connection with its funding or making arrangements to fund, through the issuance of Covered Bonds or otherwise, any Borrower Advance made available to the Borrower under the Borrower Facility Agreement (including but not limited to any indemnity payable by the Lender (in its capacity as Issuer) to any party under any Programme Documents and any termination costs due and payable by the Lender under any Hedging Agreement which would not be subordinated to the full and final redemption of the then outstanding Covered Bonds).

Guarantee

Subject to customary legal limitation under French law, the Borrower, as guarantor (in such capacity, the "**Guarantor**") irrevocably and unconditionally, (i) jointly and severally guarantees (*caution solidaire*) to the Lender the due and punctual observance and performance of the terms, conditions and covenants under each Affiliate Facility Agreement (as described in "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security") on the part of each relevant Affiliate (as described in "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security") (other than an Excluded Affiliate), including the payment of the Guaranteed Liabilities, and agrees to pay from time to time on demand of the Administrator any and every sum or sums of money which is at any time payable to the Lender in respect of the Guaranteed Liabilities, and (ii) agrees as a primary obligation to indemnify the Lender from time to time on demand of the Administrator from and against any loss incurred by the Lender as a result of any of the obligations of any Affiliate (other than an Excluded Affiliate) under or pursuant to the Programme Documents being or becoming void, voidable, unenforceable or ineffective as against such Affiliate for any reason whatsoever, whether or not known to the Lender or any other person, the amount of such loss being the amount which the Lender would otherwise have been entitled to recover from such Affiliate.

For such purposes,

In addition, the Borrower may request that such Ineligible Home Loan Receivables be released from the scope of the Borrower Collateral Security.

Eligible Assets shall be validly granted as Borrower Collateral Security and shall qualify as "**Borrower Collateral Security Assets**" for the purposes of the Borrower Collateral Security Agreement only upon satisfaction of numerous conditions precedents, including in particular that the same shall have been duly identified in the Borrower's IT systems.

Creation and Perfection

The Borrower Collateral Security shall be created in accordance with Articles L. 211-36 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). The Borrower Collateral Security shall not entail any transfer of title with respect to the relevant Eligible Assets until enforcement.

The perfection of each security shall not be conditional upon any formality other than the identification of the assets subject to the Borrower Collateral Security.

Controlling Rights and Covenants

The Borrower Collateral Security Agreement provides that the Issuer benefits from controlling rights and covenants (the "**Controlling Rights and Covenants**") which should give it sufficient "control" over the Borrower Collateral Security Assets as required by Article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*).

The Controlling Rights and Covenants include the following undertakings from the Borrower to the benefit of the Issuer: (i) to maintain the Borrower Collateral Security Assets free from any encumbrance or any option to purchase or similar rights, except as contemplated under the Borrower Collateral Security Agreement; (ii) not to transfer, assign, pledge, delegate or in any way encumber any of the Borrower Collateral Security Assets other than pursuant to, or as permitted under, the Borrower Collateral Security Agreement; (iii) not to permit that similar restrictions apply which may materially affect the security created under the Borrower Collateral Security Agreement; (iv) to perform the servicing of the relevant Borrower Collateral Security Assets in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"); (v) not to materially alter the Servicing Procedures without the prior consent of the Issuer (such consent not to be unreasonably withheld); (vi) not to agree any renegotiation, restructuring or amendment of the terms, conditions and main financial characteristics of the Borrower Collateral Security Assets which may materially and adversely affect the value of the Borrower Collateral Security Assets or the rights of the creditor thereunder without the prior consent of the Issuer; and (vii) for the purpose of satisfying itself whether the Borrower Collateral Security Assets remain Eligible Assets or controlling the information contained in the relevant asset reports, to grant (at reasonable times and intervals and upon reasonable notice) the Issuer (or any agent acting on its behalf) access to the Borrower's premises or to premises where the relevant asset records are located, in order to inspect or audit such asset records (such right of inspection or audit including taking copies of all or any document or data).

Asset Monitoring and Asset Cover Test

The Borrower shall monitor the Borrower Collateral Security Assets so as to at all times comply with the Asset Cover Test (as further described in "Asset Monitoring – The Asset Cover Test").

In particular, the Borrower may at any time add, substitute or release Borrower Collateral Security Assets (including Home Loan Receivables arising from Ineligible Home Loans) from the scope of the Borrower Collateral Security. However, any such addition, substitution and/or release shall be effective only subject to confirmation by the Issuer Calculation Agent that a Non Compliance with Asset Cover Test (as defined below) would not occur as a result of such addition, substitution and/or release. For such purpose, the Issuer Calculation Agent shall re calculate the Asset Percentage (as defined in "**Asset Monitoring – The Asset Cover Test**") that

would be applicable following such addition, substitution and/or release each time any such addition, substitution or release is requested by the Borrower.

Upon non compliance with the Asset Cover Test on any applicable test date, the Borrower shall cure such non compliance by:

- (a) granting sufficient additional or substitute Eligible Assets as Borrower Collateral Security (or cause the Affiliates to grant additional or substitute Eligible Assets as Affiliate Collateral Security pursuant to the relevant terms of the relevant Affiliate Collateral Security Agreement); and/or

Any Breach of Asset Cover Test shall be deemed the occurrence of a "Borrower Event of Default" under the Borrower Facility Agreement.

Asset Servicing

The Borrower shall perform the servicing of the Borrower Collateral Security Assets in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"), using the degree of skill, care and attention as for the servicing of its assets for its own account, without interfering with the Issuer's material rights under the Borrower Collateral Security Agreement.

The Borrower shall provide the Issuer with: (i) on each Asset Cover Test Date, an asset report (the "**Asset Report**") up-to-date as at the last Business Day of the calendar month immediately preceding such Asset Cover Test Date, and (if different from an Asset Cover Test Date) on each date upon which a Borrower Collateral Security Assets is selected by the Borrower for inclusion in the scope of the Borrower Collateral Security. Each Asset Report shall include the relevant data and information with respect to the relevant assets.

The Borrower shall furthermore, in accordance with the Servicing Procedures, establish, maintain or cause to be maintained and furthermore administer at all times accurate, complete and up-to-date records with respect to the Borrower Collateral Security Assets.

For the purpose of satisfying itself as to whether the Borrower Collateral Security Assets remain Eligible Assets or control Asset Reports, the Issuer (or any agent acting on its behalf) is granted the access to the Borrower's premises or to premises where the Asset Records are located, in order to inspect or audit such Asset Records (such right of inspection or audit including taking copies of all or any document or data).

If a Servicing Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of such event and then within thirty (30) Business Days of such occurrence, the Issuer and the Borrower will, in accordance with provisions of Article L.515-22 of the French Monetary and Financial Code (*Code monétaire et financier*) and an undertaking letter issued by the Issuer (the "**Issuer Letter of Undertaking**"), use reasonable endeavours to appoint a new servicer (whose (i) long-term senior unsecured, unsubordinated and unguaranteed debt obligations (if rated) are rated at least BBB by S&P or (ii) long-term senior issuer default rating (IDR) (if rated) is rated at least BBB- by Fitch), for the servicing of the Collateral Security Assets granted by the Affiliates and the Borrower.

The Affiliate Collateral Security Agreements

Background

An Affiliate Collateral Security Agreement refers to any agreement made between (i) any Affiliate which has concluded an Affiliate Facility Agreement, and (ii) BNP Paribas in its capacity as "Affiliate Lender", "Administrator" and "Issuer Calculation Agent" (each an "**Affiliate Collateral Security Agreement**").

Affiliate Secured Liabilities

Each Affiliate Collateral Security Agreement sets forth the terms and conditions upon which the relevant Affiliate grants financial assets (the "Eligible Assets" as collateral security (*remise en garantie financière à titre de sûreté*) pursuant to Articles L. 211-to L. 211-40 of the French Monetary and Financial Code (*Code monétaire et financier*) (the "**Affiliate Collateral Security**") in favour of the Affiliate Lender so as to secure as they become due and payable the payments of all and any amounts owed by the Affiliate under the relevant Affiliate Facility Agreement, whether present or future and whether in its capacity as "Affiliate" or "Affiliate Guarantor" (the "**Affiliate Secured Liabilities**").

The title to the Eligible Assets granted as Affiliate Collateral Security shall not be transferred in favour of the Issuer until perfection of the Affiliate Collateral Security. The Issuer shall be vested in the title to such Eligible Assets only upon enforcement of the Affiliate Collateral Security, if any such enforcement occurs in accordance with the terms of the Affiliate Collateral Security Agreement.

Eligible Assets

For the purposes of each Affiliate Collateral Security Agreement, an "**Eligible Asset**" means any Home Loans Receivable that meets the requirements of the SFH legal framework and complies or whose underlying Home Loan complies with all the Home Loans Eligibility Criteria.

The "Home Loans Eligibility Criteria" are those described in "The Borrower Collateral Security – the Borrower Collateral Security Agreement".

Affiliate Collateral Security Assets

Eligible Assets shall be validly granted as Affiliate Collateral Security and shall qualify as "**Affiliate Collateral Security Assets**" for the purposes of the relevant Affiliate Collateral Security Agreement only upon satisfaction of numerous conditions precedents, including in particular that the same shall have been duly identified in the Affiliate's IT systems.

The creation and perfection of each Affiliate Collateral Security with respect to each Affiliate which is not incorporated in France will depend on the applicable law and will be subject to prior Rating Affirmation.

Controlling Rights and Covenants

The Affiliate Collateral Security Agreement provides that the Issuer benefits from controlling rights and covenants (the "**Controlling Rights and Covenants**") which should give it sufficient "control" over the Affiliate Collateral Security Assets as required by Article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*).

The Controlling Rights and Covenants include the following undertakings from each Affiliate: (i) to maintain the Affiliate Collateral Security Assets free from any encumbrance or any option to purchase or similar rights, except as contemplated under the Affiliate Collateral Security Agreement; (ii) not to transfer, assign, pledge, delegate or in any way encumber any of the Affiliate Collateral Security Assets other than pursuant to, or as permitted under, the Affiliate Collateral Security Agreement; (iii) not to permit that similar restrictions apply which may materially affect the security created under the Affiliate Collateral Security Agreement; (iv) to perform the servicing of the relevant Affiliate Collateral Security Assets in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"); (v) not to materially alter the Servicing Procedures without the prior consent of the Issuer (such consent not to be unreasonably withheld); (vi) not to agree any renegotiation, restructuring or amendment of the terms, conditions and main financial characteristics of the Affiliate Collateral Security Assets which may materially and adversely affect the value of the Affiliate Collateral Security Assets or the rights of the creditor thereunder without the prior consent of the Issuer; and (vii) for the purpose of satisfying itself whether the Affiliate Collateral Security Assets remain Eligible Assets or controlling the information contained in the relevant asset reports, to grant (at reasonable times and intervals and upon reasonable notice) the Issuer (or any agent acting on its behalf) access to each Affiliate's premises or to premises where the relevant asset records are located, in order to inspect or audit such asset records (such right of inspection or audit including taking copies of all or any document or data).

Top up requirements

Under each Affiliate Collateral Security Agreement and in order to preserve the value of its security thereunder, the Affiliate Lender will have the discretion to request from the relevant Affiliate to grant additional or substitute Eligible Assets as Affiliate Collateral Security upon conditions to be agreed on a case by case basis.

The Affiliate Lender will have also the right to accept or refuse any release from the scope of an Affiliate Collateral Security that may have been requested by the relevant Affiliate.

Asset Servicing

Each Affiliate shall perform the servicing of the Affiliate Collateral Security Assets in accordance with applicable laws, its customary servicing procedures, using the degree of skill, care and attention as for servicing of its assets for its own account.

Each Affiliate shall regularly provide the Affiliate Lender with an asset report on terms to be agreed between each Affiliate and the Affiliate Lender.

Each Affiliate shall furthermore, in accordance with its servicing procedures, establish, maintain or cause to be maintained and furthermore administer at all times accurate, complete and up-to-date records with respect to the relevant Affiliate Collateral Security Assets.

For the purpose of satisfying itself as to whether such Affiliate Collateral Security Assets remain Eligible Assets or control assets reports, the Affiliate Lender is granted the access to each Affiliate's premises or to premises where the asset records are located, in order to inspect, audit such assets records (including taking copies of all or

any document or data). In addition, the Affiliate Lender shall cause each Affiliate to grant access to each Affiliate's premises to the Issuer (or any agent acting on its behalf).

If an Affiliate Servicing Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of such event and then within thirty (30) Business Days of such occurrence, the Issuer, the Borrower and the relevant Affiliate, in accordance with provisions of Article L.515-22 of the French Monetary and Financial Code (*Code monétaire et financier*) and an undertaking letter issued by the Issuer (the "**Issuer Letter of Undertaking**"), use reasonable endeavours to appoint a new servicer (whose (i) long-term senior unsecured, unsubordinated and unguaranteed debt obligations (if rated) are rated at least BBB by S&P or (ii) long-term senior issuer default rating (IDR) (if rated) is rated at least BBB- by Fitch), or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds, for the servicing of the relevant Affiliate Collateral Security Assets.

For such purposes, "**Affiliate Servicing Rating Trigger Event**" means, as regards an Affiliate, the event in which (i) the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of this Affiliate (or if long-term senior unsecured, unsubordinated and unguaranteed debt obligations of this Affiliate are not rated, the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Borrower) become rated below BBB by S&P or (ii) the long-term senior issuer default rating (IDR) of this Affiliate (or if long-term senior issuer default rating (IDR) of this Affiliate is not rated, the long-term senior issuer default rating (IDR) of the Borrower) becomes rated below BBB- by Fitch, or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds.

Representations, warranties and undertakings

Each Affiliate shall make the customary representations and warranties and undertakings to the Affiliate Lender, the representations and warranties being given on the execution date of the Affiliate Collateral Security Agreement and continuing until satisfaction in full of the relevant Affiliate Secured Liabilities.

Enforcement

Upon the service of an Affiliate Enforcement Notice subject to, and in accordance with, the relevant terms of the relevant Affiliate Facility Agreement following the occurrence of an Affiliate Event of Default which is continuing unremedied, the Affiliate Lender shall be entitled to, at its discretion, exercise all rights, actions and privileges on the Affiliate Collateral Security Assets as granted to a secured creditor in accordance with applicable laws. Upon enforcement of an Affiliate Collateral Security pursuant to the terms of the relevant Affiliate Collateral Security Agreement, the Affiliate Lender undertakes to grant the relevant Affiliate Collateral Security Assets, title to which will have then been transferred to it, as Borrower Collateral Security in accordance with the relevant terms of the Borrower Collateral Security Agreement.

Conditions of enforcement

Conditions of enforcement of an Affiliate Collateral Security granted by an Affiliate which is incorporated in France will be those applicable to the enforcement of the Borrower Collateral Security.

Conditions of enforcement of an Affiliate Collateral Security granted by an Affiliate which is not incorporated in France will be those applicable under the relevant local laws.

Under the SFH legal Framework, the Specific Controller shall monitor the Collateral Security Assets so as to ensure compliance with a Minimum Legal Collateralisation Ratio (the "**Minimum Legal Collateralisation Ratio**") and a maximum percentage of Legal Substitution Assets (the "**Maximum Legal Substitution Assets Percentage**").

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower, as Cash Collateral Provider, shall fund the Cash Collateral Account up to an amount determined in accordance with the Cash Collateral Agreement.

Under Condition 5(f) and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

The Asset Cover Test

The following terms shall have the following definitions:

"**Asset Cover Test Date**" means the twentieth (20th) day of each calendar month and each issuance date of a Series or a Tranche of Covered Bonds. The first Asset Cover Test Date was on 20 December 2006.

"**Asset Cover Test Calculation Period**" means, in relation to any Asset Cover Test Date, each period starting on, and including, the immediately preceding Asset Cover Test Date, and ending on, and excluding such Asset Cover Test Date.

Compliance with the Asset Cover Test requires compliance with the asset cover ratio R specified below (the "**Asset Cover Ratio**"). Such compliance is tested by the Issuer Calculation Agent from time to time subject to, and in accordance with, the relevant terms of the Borrower Collateral Security Agreement and the Calculation Services Agreement.

The Asset Cover Ratio (R)

"**R**" means the following ratio which shall be at least equal to one (1) at each Asset Cover Test Date:

$$R = \left[\frac{\text{Adjusted Aggregate Asset Amount (AAAA)}}{\text{Aggregate Covered Bond Outstanding Principal Amount}} \right]$$

whereby:

"**Aggregate Covered Bond Outstanding Principal Amount**" or "**ACBOPA**" means, at any Asset Cover Test Date, the aggregate amount of principal (in Euro or Euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"**Adjusted Aggregate Asset Amount (AAAA)**" means, at any Asset Cover Test Date:

$$(AAAA) = A + B + C + D$$

whereby:

"A" means the lower of "A1" and "A2".

"A1" is equal to the sum of all Adjusted Home Loan Outstanding Principal Amounts of all Relevant Home Loans (see "**The Borrower Collateral Security**" for a description of the Home Loans Eligibility Criteria) during the applicable Asset Cover Test Calculation Period (the "**Relevant Home Loans**"), as such Adjusted Home Loan Outstanding Principal Amounts under Borrower Facility will be calculated on the relevant Asset Cover Test Date, whereby:

"**Adjusted Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Home Loan granted as Borrower Collateral Security or Affiliate Collateral Security, the lower of:

- (i) the Home Loan Outstanding Principal Amount of such Relevant Home Loan minus the Applicable Deemed Reductions; and
- (ii) the LTV Cut-Off Percentage of the Indexed Valuation relating to such Relevant Home Loan minus the Applicable Deemed Reductions;

it being provided that the "Adjusted Home Loan Outstanding Principal" of each Home Loan granted as Affiliate Collateral Security by any Affiliate shall account for zero if the Borrower, at its discretion, elects not to enforce such Affiliate Collateral Security in its favour following the service by it of an Affiliate Enforcement Notice to such Affiliate in accordance with the relevant terms of the relevant Affiliate Facility Agreement.

"**Applicable Deemed Reductions**" means the aggregate sum of the financial losses incurred by the Borrower or (as appropriate) any Affiliate with respect to the Relevant Home Loans to the extent that such financial losses have been incurred as a direct result of a material breach of the Servicing Procedures by the Borrower or (as appropriate) such Affiliate during the applicable Asset Cover Test Calculation Period (see "The Borrower Collateral Security Agreement – Asset Servicing" for a description of the Servicing Procedures).

"**Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Home Loan, the amount of principal outstanding at the relevant Asset Cover Test Date under such Relevant Home Loan.

"**Index**" means the index of increases of house prices issued by INSEE in relation to residential properties in France.

"**Indexed Valuation**" means at any date in relation to any Relevant Home Loan secured over any property:

- (i) where the Original Market Value of that property is equal to or greater than the Price Indexed Valuation as at that date, the Price Indexed Valuation; or
- (ii) where the Original Market Value of that property is less than the Price Indexed Valuation as at that date, the Original Market Value plus eighty per cent. (80%) of the difference between the Price Indexed Valuation and the Original Market Value.

"**LTV Cut-Off Percentage**" means:

- (i) eighty per cent. (80%) for each Relevant Home Loan secured by a Mortgage;
- (ii) eighty per cent. (80%) for each Relevant Home Loan secured by a Home Loan Guarantee issued by *Crédit Logement*;
- (iii) a percentage which will be agreed with the Rating Agencies from time to time for each Relevant Home Loan that has the benefit of an insurance policy with an acceptable insurer or guarantee with an acceptable financial institution, insuring the credit risk under such Relevant Home Loan; and
- (iv) a percentage which will be determined in accordance with the methodologies published by S&P and Fitch from time to time for each Relevant Home Loan not mentioned under (i) to (iii) above.

"Original Market Value" in relation to any property means the purchase price of such property or (as applicable) the most recent valuation of such property, as disclosed to the Borrower or the relevant Affiliate by the relevant debtor under the related Relevant Home Loan.

"Price Indexed Valuation" in relation to any property at any date means the Original Market Value of that property increased or decreased as appropriate by the increase or decrease in the Index since the date of the Original Market Value.

"Relevant Home Loan" means, with respect to a given Asset Cover Test Date, any Home Loan from which Home Loan Receivables have been granted as Borrower Collateral Security or Affiliate Collateral Security, excluding Home Loans which do not comply any more with the applicable Home Loan Eligibility Criteria.

"A2" is equal to the sum of all unadjusted "Home Loan Outstanding Principal Amounts" of all Relevant Home Loans minus the Applicable Deemed Reductions (as defined above) multiplied by the applicable Asset Percentage, whereby:

"Asset Percentage" means (i) ninety-two point five per cent. (92.5%) or (ii) such percentage figure as is determined on quarterly basis by the Issuer Calculation Agent pursuant to the relevant terms of the Borrower Collateral Security Agreement.

For the purpose of the calculation of the Asset Percentage referred to in (ii) above, the Issuer Calculation Agent will calculate, on a quarterly basis (subject to below), the WARR, the WAFF, and the WALs (and/or such figures calculated by the Issuer Calculation Agent in accordance with any relevant alternative methodologies published by S&P and Fitch) for all Relevant Home Loans or for a random sample of the same. The WARR, WAFF and WALs (or other relevant figures) so calculated will be incorporated by the Issuer Calculation Agent into one (1) or more cash flow models designed by the Issuer Calculation Agent in accordance with the methodologies published by S&P and Fitch. Such models, which test the credit enhancement required in various cash flow scenarios, will indicate, on the basis of the latest WARR, WAFF and WALs figures (or other relevant figures), the Asset Percentage needed in order to provide credit enhancement to cover all such cash flow scenarios. Save where otherwise determined in accordance with the methodologies published by S&P and Fitch, the Asset Percentage will be adjusted in accordance with the various methodologies published by S&P and Fitch provided that the Asset Percentage may not, at any time, exceed ninety two point five per cent. (92.5%).

"B" is equal to the aggregate amount of cash standing to the credit of the Cash Collateral Account, as reported by the Borrower in the relevant Asset Report.

"C" is equal to the aggregate value outstanding under all Eligible Substitution Assets held by the Issuer (the **"Aggregate Eligible Substitution Asset Amount (AESAA)"**) provided that, the amount of the Aggregate Eligible Substitution Asset Amount (AESAA) (whatever such amount is at any Asset Cover Test Date) shall in any event account only for up to twenty per cent. (20%) of the Adjusted Aggregate Asset Amount (AAAA) for the purposes hereof. The Aggregate Eligible Substitution Asset Amount (AESAA) shall be reported by the Borrower in the relevant Asset Report. Eligible Substitution Assets will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology published by the Rating Agencies.

For the purposes of the above calculation, an **"Eligible Substitution Asset"** is:

- (a) any Legal Substitution Asset (other than a Permitted Investment) which is a Euro or another Specified Currency demand or time deposit, certificate of deposit, long-term debt obligation or short-term debt obligation (including commercial paper) provided that in all cases such investment has a remaining period to maturity of one (1) year or less and the short-term unsecured, unguaranteed and unsubordinated debt obligations or, as applicable, the long-term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposit is made (being duly licensed for such purposes) are rated at least A1+/AA- by S&P and AA- and F1+ by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds); or

- (b) any Legal Substitution Asset (other than a Permitted Investment) which is a Euro or another Specified Currency denominated government and public securities, provided that such investment has a remaining maturity of one (1) year or less and is rated at least AAA by S&P and AAA by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds); or
- (c) any substitution assets which are eligible for an investment by a *société de financement à l'habitat* and which comply with the then applicable criteria determined in accordance with the methodologies published by the Rating Agencies.

"D" is equal to the aggregate value outstanding under all Permitted Investments, as determined by the Issuer Accounts Bank (or the Administrator on its behalf) and reported to the Issuer Calculation Agent pursuant to the Issuer Accounts Bank Agreement. Permitted Investments will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology published by the Rating Agencies.

Calculation of the Asset Cover Ratio (R)

On each Asset Cover Test Date, the Asset Cover Ratio (R) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Asset Cover Test Date, the Issuer Calculation Agent shall inform the Issuer and the Borrower (with a copy to the Rating Agencies and to the Asset Monitor) of its calculation of the Asset Cover Ratio (R).

Non Compliance with Asset Cover Test

Non compliance with the Asset Cover Test (the "**Non Compliance with Asset Cover Test**") would result from the Asset Cover Test Ratio (R) being less than one (1).

Remedies

Upon Non Compliance with Asset Cover Test on any Asset Cover Test Date, the Borrower shall (or, at its sole discretion and subject to the relevant terms of, the Affiliate Collateral Security Agreements, shall procure that the Affiliates):

- (i) grant additional or Eligible Assets as Borrower Collateral Security or (as appropriate) as Affiliate Collateral Security; and/or
- (ii) request a release of Eligible Assets from the Borrower Collateral Security or (as appropriate) the relevant Affiliate Collateral Security;

in each case, as necessary to cure such Non Compliance with Asset Cover Test.

A Non Compliance with Asset Cover Test does not constitute the occurrence of an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further Series as long as it remains unremedied.

Breach of Asset Cover Test

The failure by the Borrower to cure a Non Compliance with Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date shall constitute a "**Breach of Asset Cover Test**" within the meaning of the Borrower Collateral Security Agreement. The Issuer Calculation Agent will inform promptly the Issuer and the Borrower (with a copy to the Rating Agencies and to the Asset Monitor) of its calculation of the Asset Cover Ratio and, if applicable, the occurrence of a Breach of Asset Cover Test.

A Breach of Asset Cover Test constitutes the occurrence of a Borrower Event of Default.

A Breach of Asset Cover Test will not constitute the occurrence of an Issuer Event of Default but will prevent the Issuer from issuing any further Series, except for the purposes of subscription by the Issuer of Auto-held Covered-Bonds in accordance with Condition 20.

The Minimum Legal Collateralisation Ratio

The Issuer, as a *société de financement de l'habitat*, must at all times maintain a cover ratio (*ratio de couverture*) between its eligible assets (including so-called substitution assets (*valeurs de remplacement*)) and its liabilities benefiting from the *Privilège* (the "**Collateralisation Ratio**"). In accordance with the French SFH legal Framework on the date hereof, and in particular pursuant to Articles L. 515-20 and R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*), the *sociétés de financement de l'habitat* (SFH) such as the Issuer must at all times maintain a collateralisation ratio equal to at least one hundred and two per cent. (102%) (the "**Minimum Legal Collateralisation Ratio**").

Regulation no. 99-10 dated 9 July 1999, as amended, issued by the *Comité de la Réglementation Bancaire et Financière* (Banking and Financial Regulation Committee) defines the way the Collateralisation Ratio is calculated.

In the case of the Issuer, the ratio's denominator (Article 8) is comprised of the Covered Bonds and the other resources benefiting from the *Privilège*, including any amount due under the agreement referred to in Article L. 515-22 of the French Monetary and Financial Code (*Code monétaire et financier*) or derivative instruments benefiting from the *Privilège*. The ratio's numerator (Article 9) is made up of the Issuer's assets (weighted to reflect their category) and, in accordance with Article R. 515-7-2 of the French Monetary and Financial Code (*Code monétaire et financier*), shall take into account the Home Loan Receivables granted as Collateral Security.

The Specific Controller ensures that the Minimum Legal Collateralisation Ratio is complied with.

To carry out its duties, the Specific Controller will be given access by the Issuer to any information that allows confirmation of compliance with the Minimum Legal Collateralisation Ratio.

The Issuer must publish the calculation of its actual Collateralisation Ratio twice a year, on each 30 June and 31 December.

Non-compliance by the Issuer with the Minimum Legal Collateralisation Ratio shall constitute a "**Breach of Minimum Legal Collateralisation Ratio**". The Specific Controller is legally responsible for notifying promptly the Issuer and the *Autorité de contrôle prudentiel* of the occurrence of a Breach of Minimum Legal Collateralisation Ratio. Upon such notification, the Issuer shall then notify the Borrower, the Rating Agencies, the Asset Monitor and the Issuer Calculation Agent of the same.

The Maximum Legal Substitution Assets Percentage

Pursuant to Articles L. 515-17 and R. 515-7 of the French Monetary and Financial Code (*Code monétaire et financier*), the Legal Substitution Assets of the Issuer shall not exceed at any time a percentage equal to fifteen per cent. (15%) of the total amount of its liabilities which benefit from the *Privilège* (the "**Maximum Legal Substitution Assets Percentage**").

With respect to the Issuer and for the purpose of the calculation of the Maximum Legal Substitution Assets Percentage, the Legal Substitution Assets are comprised of such debt, securities, deposits and other investment products that are deemed eligible as the so-called substitution assets (*valeurs de remplacement*) within the meaning of Articles L. 515-17, R. 515-7 and R. 515-16 of the French Monetary and Financial Code (*Code monétaire et financier*) (including any Permitted Investment and any Cash Collateral made available to the Issuer by the Cash Collateral Provider in accordance with the Cash Collateral Agreement) and which are held by the Issuer from time to time.

The Specific Controller ensures that the Maximum Legal Substitution Assets Percentage is not exceeded by the Issuer.

Upon the Legal Substitution Assets of the Issuer exceeding the Maximum Legal Substitution Assets Percentage, this shall constitute a "**Breach of Maximum Legal Substitution Assets Limit**" by the Issuer. The Specific Controller ensures the Issuer and the *Autorité de contrôle prudentiel* are promptly notified of the occurrence of a

Breach of Maximum Legal Substitution Assets Limit. Upon receipt of such notice, the Issuer will then notify the Borrower, the Rating Agencies, the Asset Monitor and the Issuer Calculation Agent of the same.

The Pre-Maturity Test and the Legal Liquidity Test

The contractual liquidity test of the Issuer (the "**Pre-Maturity Test**") shall be deemed complied with for so long as, in relation to any and each Series of Covered Bonds, (i) no Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, or (ii) if, to the contrary, a Pre-Maturity Rating Downgrade Event has occurred during any Pre-Maturity Test Period, the Cash Collateral Provider has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount within fourteen (14) calendar days from the day of occurrence of such Pre-Maturity Rating Downgrade Event.

The legal liquidity test of the Issuer (the "**Legal Liquidity Test**") shall be deemed complied with for so long as, in relation to all the Liabilities of the Issuer, (i) no Legal Liquidity Rating Downgrade Event has occurred, or (ii) if, to the contrary, a Legal Liquidity Rating Downgrade Event has occurred, the Cash Collateral Provider (x) has duly funded the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount within fourteen (14) calendar days from the day of occurrence of such Legal Liquidity Rating Downgrade Event, and (y) on each day following the initial funding of the Cash Collateral as mentioned above (each, a "**CCRFA Funding Date**"), the Cash Collateral Provider has maintain in the Cash Collateral Account an amount sufficient to ensure that the balance of the Cash Collateral Account shall be at least equal to the CCRFA, as determined pursuant to the Cash Collateral Agreement, computed as of such CCRFA Funding Date.

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral, up to the relevant amount, upon the occurrence of (i) the downgrading, during any Pre-Maturity Test Period (as defined below), of the then applicable ratings of the Borrower below one (1) or more of the Pre-Maturity Rating Required Levels (as defined below) (each, a "**Pre-Maturity Rating Downgrade Event**"), and/or (ii) the downgrading at any time of the then applicable ratings of the Borrower below (cumulatively) all Liquidity Rating Required Levels (as defined below) (each, a "**Legal Liquidity Rating Downgrade Event**"). The occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

The following credit ratings with respect to the Borrower are defined as the "**Pre-Maturity Rating Required Levels**" for the purposes of the Cash Collateral Agreement:

- (i) A-1 (short-term) and A (long term) by S&P; and
- (ii) F1 + (short-term) by Fitch;

or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds.

The following credit ratings with respect to the Borrower are defined as the "**Liquidity Rating Required Levels**" for the purposes of the Cash Collateral Agreement:

- (i) A-1 (short-term) and A (long term) by S&P; and
- (ii) F1 (short-term) and A (long term) by Fitch;

or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds.

Upon the occurrence of a Pre-Maturity Rating Downgrade Event and/or a Legal Liquidity Rating Downgrade Event, the Issuer Calculation Agent shall inform the Cash Collateral Provider of the same within three (3) Business Days from such occurrence by written notice (the "**Cash Collateral Funding Notice**") delivered to the Cash Collateral Provider (with a copy to the Issuer, the Administrator and the Rating Agencies).

If a Cash Collateral Funding Notice is received by the Cash Collateral Provider, the Cash Collateral Provider shall fund the Cash Collateral Account within the required time period specified above up to an amount (the "**Cash Collateral Required Funding Amount (CCRFA)**") calculated by the Issuer Calculation Agent as being equal to:

- (a) in the event of a Pre-Maturity Rating Downgrade Event occurring while no Legal Liquidity Rating Downgrade Event has occurred and is continuing:

CCRFA = max (A ; B);

with:

A = (Pre-Maturity Covered Bond Principal Amount in relation to the relevant Series of Covered Bonds + Pre-Maturity Costs in relation to the relevant Series of Covered Bonds)

B = (15% of the aggregate amount (in Euro or Euro equivalent with respect to Covered Bonds denominated in a Specified Currency) of principal outstanding at such date under any Series of outstanding Covered Bonds which are not Soft Bullet Covered Bonds)

(b) in the event of a Legal Liquidity Rating Downgrade Event occurring while no Pre-Maturity Rating Downgrade Event has occurred and is continuing: CCRFA = Liabilities - Revenues; and

(c) in the event of both a Pre-Maturity Rating Downgrade Event and a Legal Liquidity Rating Downgrade Event occurring at the same time, the CCRFA shall be equal to the greater of:

(i) CCRFA = max (A ; B); and

(ii) CCRFA = Liabilities - Revenues;

whereby:

"Pre-Maturity Costs" means the aggregate amount of fees, costs, expenses, taxes and other ancillary sums (excluding interest and principal amounts) scheduled to be paid by the Issuer on any Series of Covered Bonds within the relevant Pre-Maturity Test Period.

"Pre-Maturity Covered Bond Principal Amount" means the aggregate amount (in Euro or Euro equivalent with respect to Covered Bonds denominated in a Specified Currency) of principal that will become due and payable under any relevant outstanding Covered Bonds on the last day of the relevant Pre-Maturity Test Period.

"Pre-Maturity Test Period" means (i) with respect to any Series of outstanding Covered Bonds which are not Soft Bullet Covered Bonds, the period starting from, and including, the three hundred sixty-five (365th) calendar day preceding the Final Maturity Date of that Series and ending on, and including, such Final Maturity Date, and (ii) with respect to any Series of outstanding Soft Bullet Covered Bonds, the period starting from, and excluding, the three hundred sixty-five (365th) calendar day preceding the Extended Final Maturity Date of that Series and ending on, and including, such Extended Final Maturity Date.

"Liabilities" means, on any given date, the liabilities that are due by the Issuer to all its creditors within the Legal Liquidity Cover Period starting on, and excluding, such date (including principal and interest due by the Issuer under the then outstanding Covered Bonds).

"Revenues" means, on any given date, all the sums that are due to the Issuer by all its debtors within the Legal Liquidity Cover Period starting on, and including, such date (excluding the sums due to the Issuer under the Borrower Facility Agreement, but including the sums due by the relevant debtors under the Collateral Security Assets and the net amount due to the Issuer under the Hedging Agreements).

"Legal Liquidity Cover Period" means a period of one hundred and eighty (180) calendar days as from each CCRFA Funding Date, the first applicable Legal Liquidity Cover Period beginning upon the occurrence of a Legal Liquidity Rating Downgrade Event.

"Soft Bullet Covered Bonds" means the Covered Bonds containing an Extended Final Maturity Date specified in the relevant Final Terms.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount within fourteen (14) calendar days from the day of occurrence of a Pre-Maturity Rating Downgrade Event shall constitute a **"Breach of Pre-Maturity Test"**. A Breach of Pre-Maturity Test constitutes the occurrence of a Borrower Event of Default.

The failure by the Cash Collateral Provider to fund any required Cash Collateral within fourteen (14) calendar days from the day of occurrence of a Legal Liquidity Rating Downgrade Event or maintain the relevant amount in the Cash Collateral Account at any time during any Legal Liquidity Cover Period in accordance with the relevant terms of the Cash Collateral Agreement constitutes a "**Breach of Liquidity Test**". A Breach of Liquidity Test does not constitute the occurrence of a Borrower Event of Default or an Issuer Event of Default.

The Amortisation Test

Following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer undertakes to comply with the Amortisation Test in accordance with Condition 5 (f) of the Terms and Conditions of the Covered Bonds.

For the purpose of the determination of the Amortisation Ratio, the following terms shall have the following definitions:

"**Amortisation Test Date**" means the twentieth (20th) day of each calendar month following the enforcement of a Borrower Event of Default.

"**Amortisation Test Calculation Period**" means, in relation to any Amortisation Test Date, each period starting on, and including, the immediately preceding Amortisation Test Date, and ending on, and excluding such Amortisation Test Date.

Compliance with the Amortisation Test requires compliance with the amortisation ratio RA specified below (the "**Amortisation Ratio (RA)**"). Such compliance is tested by the Issuer Calculation Agent from time to time throughout the period following the enforcement of a Borrower Event of Default subject to, and in accordance with the Condition 5(f) of the Terms and Conditions of the Covered Bonds and the Calculation Services Agreement.

The Amortisation Ratio

"**RA**" means the following ratio which shall be at least equal to one (1) at each Amortisation Test Date:

$$RA = \left[\frac{TAAA'}{ACBOPA} \right]$$

whereby:

"**Aggregate Covered Bond Outstanding Principal Amount**" or "**ACBOPA**" means, at any Amortisation Test Date, the aggregate amount of principal (in Euro or Euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"**Transferred Aggregate Asset Amount (TAAA')**" means, at any Amortisation Test Date:

$$(TAAA') = A' + B + C + D + E$$

whereby:

"**A**" is equal to the sum of all "Transferred Home Loan Outstanding Principal Amounts" of all Home Loans title to which has been transferred to the Issuer upon enforcement of the Borrower Collateral Security and the Affiliate Collateral Security following the enforcement of a Borrower Event of Default (each, a "**Relevant Home Loan**"), as such "Adjusted Home Loan Outstanding Principal Amounts" will be calculated on the relevant Amortisation Test Date, whereby:

"**Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Transferred Home Loan, the amount of principal outstanding at the relevant Amortisation Test Date under such Relevant Transferred Home Loan.

"Relevant Transferred Home Loan" means, with respect to a given Amortisation Test Date, any Home Loan from which Home Loan Receivables have been granted as Borrower Collateral Security and Affiliate Collateral Security provided that title to such Home Loan Receivables has been transferred to the Issuer upon enforcement of the Borrower Collateral Security and Affiliate Collateral Security following the enforcement of a Borrower Event of Default; and

"Transferred Home Loan Outstanding Principal Amount" means, with respect to each Relevant Transferred Home Loan, the Home Loan Outstanding Principal Amount of such Relevant Transferred Home Loan (in Euro or Euro equivalent with respect to Home Loans denominated in a Specified Currency) multiplied by M, where for all the Relevant Transferred Home Loans that are less than three (3) months in arrears, $M = 1$ and for all the Relevant Transferred Home Loans that are three (3) months or more in arrears, $M = 0.7$.

"B", "C" and "D" have the meaning ascribed to such terms, and shall be determined, on each relevant Amortisation Test Date, subject to, and in accordance with, the terms and formula described in "**The Asset Cover Test**" above.

"E" is equal to the aggregate amount of principal and interest payments, distributions, indemnities, insurance and other proceeds, payments under any Home Loan Security and other sums received during the applicable Amortisation Test Calculation Period by the Issuer from the debtors or other relevant entities under the Borrower Collateral Security Assets and Affiliate Collateral Security Assets whose title has been transferred to the Issuer following enforcement of the Borrower Collateral Security and each Affiliate Collateral Security, as the same shall be reported by the Issuer Calculation Agent on each Amortisation Test Date subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Calculation of the Amortisation Ratio

On each Amortisation Test Date, the Amortisation Ratio (RA) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Amortisation Test Date, the Issuer Calculation Agent shall inform the Issuer (with a copy to the Rating Agencies, to the Asset Monitor and to the Specific Controller) of its calculation of the Amortisation Ratio (RA).

Non Compliance with Amortisation Test

A "**Non Compliance with Amortisation Test**" will result from the Amortisation Ratio (RA) being less than one (1).

A Non Compliance with Amortisation Test will not constitute an Issuer Event of Default. However, it will prevent the Issuer from issuing any further Series, except for the purposes of subscription by the Issuer of Auto-held Covered Bonds in accordance with Condition 20.

Breach of Amortisation Test

The failure by the Issuer to cure a Non Compliance with Amortisation Test occurred on any Amortisation Test Date prior to the next following Amortisation Test Date shall constitute a "**Breach of Amortisation Test**". The Issuer Calculation Agent will inform promptly the Issuer, each relevant Representative (with a copy to the Rating Agencies, to the Asset Monitor and to the Specific Controller) of the occurrence of a Breach of Amortisation Test.

A Breach of Amortisation Test constitutes the occurrence of an Issuer Event of Default.

Such resignation shall however be effective upon replacement of the Issuer Calculation Agent.

Issuer Calculation Agent's Defaults

Issuer Calculation Agent's Defaults will occur upon the occurrence of the following events:

- (a) any material representation or warranty made by the Issuer Calculation Agent is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Issuer has given notice thereof to the Issuer Calculation Agent or (if sooner) the Issuer Calculation Agent has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;

- (c) an Insolvency Event occurs in respect of the Issuer Calculation Agent; or

If an Issuer Calculation Agent's Default has occurred, the Issuer Calculation Agent shall notify the Issuer of such occurrence promptly after becoming aware of it.

Issuer Calculation Agent Rating Trigger Event

If an Issuer Calculation Agent Rating Trigger Event occurs, the Issuer Calculation Agent will notify the Issuer in writing of the occurrence of the Issuer Calculation Agent Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a termination event under the Calculation Services Agreement.

For such purposes, "**Issuer Calculation Agent Rating Trigger Event**" means the event in which (i) the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Issuer Calculation Agent become rated below BBB by S&P, or (ii) its senior long-term issuer default rating (IDR) becomes rated below BBB by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds).

Termination

"**Issuer Calculation Agent Termination Events**" under the Calculation Services Agreement will include the following events:

- (a) the occurrence of any Issuer Calculation Agent's Default;
- (b) the occurrence of the Issuer Calculation Agent Rating Trigger Event; or

If an Issuer Calculation Agent Termination Event occurs, the Issuer shall terminate the appointment of the Issuer Calculation Agent under the Issuer Calculation Services Agreement by delivery of a written termination notice to the Issuer Calculation Agent (the "**Notice of Termination**"). Upon receipt by the Issuer Calculation Agent of the Notice of Termination, the appointment of the Issuer Calculation Agent under the Issuer Calculation Services Agreement will terminate with effect:

- (a) not earlier than twenty (20) Business Days as from the receipt by the Issuer Calculation Agent of the Notice of Termination, if such Notice of Termination is served due to the occurrence of an Issuer Calculation Agent Rating Trigger Event;
- (b) not earlier than twenty (20) Business Days as from the receipt by the Issuer Calculation Agent of the Notice of Termination or at any other date that the Issuer may have specified in the Notice of Termination, if such Notice of Termination is served due to any other reason,

and save for any continuing obligations of the Issuer Calculation Agent contained in the Calculation Services Agreement.

Upon the resignation of the Issuer Calculation Agent or termination of its appointment as Issuer Calculation Agent hereunder in accordance with the terms of the Issuer Calculation Services Agreement, the Issuer shall replace BNP Paribas, as Issuer Calculation Agent, by any legal entity (the "**Substitute Issuer Calculation Agent**"), the choice of which being subject to prior Rating Affirmation. Upon its appointment and unless otherwise agreed with the Issuer (but subject to prior Rating Affirmation), the Substitute Issuer Calculation Agent shall:

- (a) provide the Issuer with all necessary assistance and know-how, whether technical or other, as described under this Calculation Services Agreement;
- (b) together with the Issuer Calculation Agent, take all steps necessary to replace the Issuer Calculation Agent in all rights and obligations arisen from the Programme Documents to which the Issuer Calculation Agent is a party and, for such purposes, become a party, as Issuer Calculation Agent, to any relevant Programme Documents to which the Issuer Calculation Agent is a party;

Notwithstanding its resignation or the termination of its appointment in accordance with the terms of the Issuer Calculation Services Agreement and notwithstanding any other provision of the Issuer Calculation Services Agreement, the duties of the Issuer Calculation Agent under the Issuer Calculation Services Agreement shall continue and the Issuer Calculation Agent shall continue to be bound by all its obligations hereunder until the earlier of (i) its replacement as Issuer Calculation Agent and (ii) the termination of the Issuer Calculation Services Agreement in accordance with its terms (the "**Service Termination Date**").

Term and Termination of the Issuer Calculation Services Agreement

The Issuer Calculation Services Agreement shall remain in effect for an initial period of ten (10) years and shall be automatically renewed for additional ten-year periods unless a party thereto notifies to the others its intention to terminate the Issuer Calculation Services Agreement three (3) months prior to the end of the initial period or the additional periods, as the case may be in which case this Calculation Services Agreement shall terminate at the end of such three-month period.

Without prejudice to the other terms of the Issuer Calculation Services Agreement, the Issuer Calculation Services Agreement shall terminate:

- (a) on its term as defined above;
- (b) if earlier than its term as defined above, if the Issuer and any Substitute Issuer Calculation Agent replacing (i) BNP Paribas as Issuer Calculation Agent or (ii) a previous Issuer Calculation Agent having replaced BNP Paribas as Issuer Calculation Agent agree in writing to cease to be bound by the Issuer Calculation Services Agreement and execute another agreement for the performance of the services contemplated by the Issuer Calculation Services Agreement; or
- (c) if earlier than its term defined above and upon failure to replace the Issuer Calculation Agent (i) the last day of the ninety (90) calendar days period starting on the date of resignation of the Issuer Calculation Agent, or (ii) the last day of the sixty (60) calendar days period starting on the date a Notice of Termination is delivered to the Issuer Calculation Agent.

The termination of the Issuer Calculation Services Agreement in accordance with its terms shall trigger the termination of the appointment of BNP Paribas as Issuer Calculation Agent thereunder on the relevant termination date of the Issuer Calculation Services Agreement.

Limited Recourse – Non Petition

The Calculation Services Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "Issuer's Activities – Limited Recourse" and "Issuer's Activities - Non-Petition".

The Asset Monitor Agreement

Background

The "**Asset Monitor Agreement**" refers to the agreement dated on or prior to the Programme Date and made between (i) the Issuer, (ii) BNP PARIBAS as the "Issuer Calculation Agent" or, as the applicable, the "Administrator" and (iii) KPMG LLP as Asset Monitor (the "**Asset Monitor**").

Under the Asset Monitor Agreement, KPMG LLP has been appointed as Asset Monitor by the Issuer to carry out, subject to due receipt of the information to be provided by the Issuer Calculation Agent to the Asset Monitor, various testing and notification duties in relation to the calculations performed by the Calculation Agent in relation to the Asset Cover Test and the Amortisation Test subject to and in accordance with the terms of the Asset Monitor Agreement.

Services of the Asset Monitor

If the Asset Cover Test Date immediately preceding an anniversary of the Programme Date falls prior to the occurrence of a Borrower Event of Default, and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Asset Cover Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Asset Cover Test on the Asset Cover Test Date immediately preceding an anniversary of the Programme Date, as applicable, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

On each Amortisation Test Date (it being provided that the first Amortisation Test Date shall be the 20th day of the calendar month immediately following the enforcement of a Borrower Event of Default) and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Amortisation Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Amortisation Test on the relevant Amortisation Test Date, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

Upon the occurrence of a Calculation Monitoring Rating Trigger Event and for so long as such Calculation Monitoring Rating Trigger Event is continuing, or, if the Asset Monitor has been notified of the occurrence of a Non-Compliance with Asset Cover Test or of a Non-Compliance with Amortisation Test (see "Asset Monitoring"), and subject to receipt of the information to be provided to the Asset Monitor, the Asset Monitor shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, as applicable, in respect of every Asset Cover Test Date or Amortisation Test Date, as applicable.

For the purposes of this section "**Calculation Monitoring Rating Trigger Event**" means the event in which (i) the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of BNP Paribas become rated below BBB by S&P or (ii) the long-term senior issuer default rating (IDR) becomes rated below BBB by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds).

If the tests conducted by the Asset Monitor in accordance the provisions above, reveal arithmetic errors in the relevant calculations performed by the Issuer Calculation Agent such that:

- the Asset Cover Test had been failed on the relevant Asset Cover Test Date (where the Issuer Calculation Agent had recorded it as being satisfied); or
- the Amortisation Test had been failed on the relevant Amortisation Test Date (where the Issuer Calculation Agent had recorded it as being satisfied);

and subject to receipt of the information to be provided to the Asset Monitor, for a period of six (6) months thereafter, the Asset Monitor shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, in respect of every Asset Cover Test Date or Amortisation Test Date, as applicable, occurring during such six (6) month period.

The Asset Monitor shall notify, on a confidential basis, the parties to the Asset Monitor Agreement (with copy to the Rating Agencies), in writing, of the relevant calculations performed by the Issuer Calculation Agent and of the results of its tests of the accuracy of the Issuer Calculation Agent's calculations. If the calculations performed by the Issuer Calculation Agent have not been performed correctly, the Asset Monitor will report the correct calculation of the Asset Cover Test or Amortisation Test, as applicable.

The Asset Monitor is entitled, in the absence of manifest error, to assume that all information provided to it is true and correct and is complete and not misleading and is not required to conduct an audit or other similar examination in respect of or otherwise take steps to verify the accuracy or completeness of such information.

Termination

The Issuer may, at any time, terminate the appointment of the Asset Monitor hereunder upon providing the Asset Monitor with sixty (60) days' prior written notice, provided that such termination may not be effected unless and until a replacement has been found by the Issuer which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement.

The Asset Monitor may, at any time, resign from its appointment under the Asset Monitor Agreement upon providing the Issuer (copied to the Rating Agencies) with sixty (60) days' prior written notice, provided that such resignation shall not be effected unless and until a replacement, which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement has been found by the Issuer.

Fees

Under the terms of the Asset Monitor Agreement, the Issuer will pay to the Asset Monitor a fee for the tests to be performed by the Asset Monitor.

The Asset Monitor will not benefit from the *Privilège* for the payment of its fees or any other amounts that might be due to it by the Issuer under the Asset Monitor Agreement.

Limited Recourse – Non Petition

The Asset Monitor Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "Issuer's Activities – Limited Recourse" and "Issuer's Activities - Non-Petition".

Amendments

Except as further described under the Asset Monitor Agreement, any material amendment to the Asset Monitor Agreement is subject to the Rating Affirmation.

Governing Law – Jurisdiction

The Asset Monitor Agreement shall be governed by, and construed in accordance with, English law. Each party to the Asset Monitor Agreement (including the Asset Monitor) irrevocably submits to the exclusive jurisdiction of the English courts in any action or proceeding arising out of or relating to the Asset Monitor Agreement, and hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts.

ORIGINATION OF THE HOME LOANS

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include English Law Covered Bonds, German Law Covered Bonds and French Law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

The large majority of home loans originated by salespersons within BNP Paribas are originated pursuant to a so called "Sesame" procedure which makes it possible, in real time and through computerised means, to (i) deal with requests in the client's presence, (ii) register the loan agreement, (iii) validate the technical and back-office aspects of the requests, (iv) open loan accounts and (v) prepare the various documents necessary for the successful completion of the transaction.

For home loans which do not comply with underwriting criteria, a so-called "Non-Sesame" procedure is implemented which, although partially computerised, is essentially manual (see below).

Pre Acceptance Controls

Prior to acceptance of a home loan, information on the client is collected from the French Fichier des Incidents de Remboursement des Crédits aux Particuliers (central administration for consumer loans) and the French Fichier Central des Chèques (central administration for checks). If it appears that the client is registered as a defaulting borrower, the application of such client for a home loan is immediately declined.

Under his sole responsibility, the relevant salesperson shall also collect information from a general information system within BNP Paribas (Système Général d'Information). The salesperson is also responsible for the completion of the loan file and collection of all necessary relevant documents (tax profile of the client, ownership of the property, insurance policies, etc.).

When a home loan guarantee is requested from Crédit Logement, the pre acceptance process is coupled with the acceptance process run by Crédit Logement via an exchange of electronic data system which operates in real time.

Scoring through the Sesame procedure

Through the Sesame procedure, two (2) scores are established, namely:

- (a) a rating score (*score de taux*) which provides the salesperson with a "recommended rate" based on the client's potential and the risk associated with the application; and
- (b) an acceptance score (*score d'octroi*).

Two (2) scoring matrices have been set up and are used depending on whether or not the home loan is requested by a client of the bank.

The scoring process take account of various criteria such as the existing indebtedness of the client, the valuation of the property, the maximum amount of the home loan, the assets and revenues of the client, the age and profession of the client, etc.

The scoring is a recommendation to the salesperson as to whether the home loan request may be immediately accepted or not.

Under the "Non-Sesame" procedure, no automatic scoring is established and the file form is prepared manually by the relevant salesperson.

Acceptance

Depending on the level of delegated responsibility of the relevant salesperson (in terms of acceptance of maximum amounts, negotiation of margins and fees, etc.), the relevant salesperson will be authorised to accept the home loan request on its own or not. If not, directors take the responsibility for the acceptance. No home loan for a maximum principal amount exceeding one million (1,000,000) euro may be accepted by a salesperson alone but necessarily by directors. Only directors are authorised to accept home loans which have been originated through the Non-Sesame procedure.

Pre-Funding Controls

Once accepted, the home loan request file (in both its electronic and physical format) is transmitted to the one (1) of the eight (8) central agencies which are responsible within BNP Paribas for the commercial support for consumer loans (*Agence de Production et d'Appui Commercial Financement des Particuliers*).

The persons in charge at such agencies check that (i) all of the documents necessary for the funding of the home loan have been provided, (ii) the home loan complies applicable laws and (iii) information provided on the client or the property is consistent. In the event that any documents are missing or are not compliant, the home loan funding process is put on hold.

During this phase, the persons in charge at such agencies are responsible for liaising with all relevant third parties (*Crédit Logement*, notary public, etc.). The home loan offer and home loan documentation may only be issued to the client once all of the required documents have been obtained and the required conditions have been met.

Upon the return of an offer by a client, the persons in charge at such agencies check the validity of the acceptance by the client (annotations, signatures, dates, etc.) and proceed with the funding of the home loan.

Servicing

The servicing of the home loans is carried out by the servicers at the relevant *Agence de Production et d'Appui Commercial Financement des Particuliers*.

Responsibilities of the servicers include in particular:

- (a) acceptance of full or partial early repayment;
- (b) renegotiations of rates;
- (c) rescheduling;
- (d) waivers;
- (e) substitution of borrower or guarantees.

Since the beginning of 2003, home loan files have been archived in one (1) single location. Home Loan files originated between 1999 and 2002 which were formerly archived in the local branches of BNP Paribas have now been moved to this single location.

The archiving is carried out by loan category and by frequency of instalments through electronic systems.

True copies of mortgage agreements (*copies exécutoires*) are filed separately from the corresponding home loan file using a specific electronic system called ARCHIVAL.

The BOOMERANG electronic system makes it possible to request the return of home loan files or of "true copies" recorded in the ARCHIVAL system.

Arrears management

As soon as a client experiences financial difficulties and, at the latest, upon the payment default, a specialised advisor within one (1) of the forty-nine (49) commercial negotiation agencies of BNP Paribas (*Agence de Négociation Commerciale*) becomes responsible of the servicing and collection with respect to the relevant home. This advisor examines all amicable solutions, aiming to avoid possible or further payment defaults.

If an amicable solution cannot be implemented and provided that three months of instalment remains unpaid, the responsibility for the servicing and collection of the home loan is handed over to a collection agency.

As from the third month of non-payment, with respect to a home loan guaranteed by *Crédit Logement*, the guarantee is drawn in favour of BNP Paribas. *Crédit Logement* must start paying the relevant guaranteed amounts within one (1) month of receipt of the relevant drawing notice. Upon payment by *Crédit Logement*, the latter becomes responsible for the servicing of the home loan for a maximum duration of 24 months. *Crédit Logement* shall make its best efforts to reach an amicable solution with the client. During such 24 month period, *Crédit Logement* can opt either to reimburse to BNP Paribas only the guaranteed amounts which are due or immediately accelerate the payment of all guaranteed amounts. *Crédit Logement* is committed to accelerate the payment of all the guaranteed amounts at the end of the above mentioned 24 month period. At this point, it becomes solely responsible for the servicing of the home loan.

Five (5) interregional litigation departments within BNP Paribas (*services contentieux interrégionaux*) are responsible for collecting proceeds by enforcing the mortgages, insurance and other security and guarantees (other than the guarantees from *Crédit Logement*) securing the repayment of the home loan.

THE HEDGING STRATEGY

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will include English Law Covered Bonds, German Law Covered Bonds and French Law Covered Bonds and the expression "Bondholders" includes any holder of such Covered Bonds, in the following section.

The present section describes the hedging strategy (the "**Hedging Strategy**") to be implemented from time to time, by the Issuer upon the occurrence of a Hedging Rating Trigger Event (as defined below) and/or any Borrower Event of Default (as defined under section the "**Borrower Facility Agreement**"), as applicable.

Hedging strategy before the occurrence of a Hedging Rating Trigger Event and/or any Borrower Event of Default

The Covered Bonds issued under the Programme may be Fixed Rate Covered Bonds or Floating Rate Covered Bonds. Each Series of Covered Bonds will be denominated in any Specified Currency (see "Terms and Conditions of the Covered Bonds").

The proceeds from the issuance of the Covered Bonds under the Programme will be used by the Issuer to fund Borrower Advances to be made available to the Borrower under the Borrower Facility. The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the Covered Bonds funding such Borrower Advance, as further described hereunder and in the relevant Final Terms of the Borrower Advance (see "The Borrower Facility Agreement").

The Issuer is therefore not exposed to any risk of an interest rate or currency mismatch arising between the payments received on the Borrower Advances and the payments to be made under the Covered Bonds. As a consequence, in the absence of any Hedging Rating Trigger Event (as defined below) and of any Borrower Event of Default, the Issuer will have no obligation to hedge any interest rate or currency risk.

The determination of the currency and of the interest rate of each Series of Covered Bonds, as specified in each applicable Final Terms, shall be made by the Issuer regardless of the currencies in which the Borrower Collateral Security Assets are denominated and the interest rate conditions applicable, as the case may be, to such Borrower Collateral Security Assets (see "The Borrower Collateral Security").

Before the enforcement of the Borrower Collateral Security, the Borrower retains any interest rate or currency risk linked to the mismatch between the Borrower Collateral Security Assets and the Borrower Debt. Thus until and unless such enforcement occurs, the Borrower will hedge these risks according to its usual and current strategies and practices.

Upon enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security (if any) following the enforcement of a Borrower Event of Default, and the transfer of the title to the Borrower Collateral Security Assets and of the Affiliate Collateral Security Assets to the Issuer, the Issuer would need to have in place appropriate derivative transactions to hedge the currency and interest rate risks arising from such Home Loans and Homes Loans Security.

Hedging Strategy upon the occurrence of a Hedging Rating Trigger Event

Provisions common to the Issuer Hedging Agreements and to the Borrower Hedging Agreements

Upon the issuance of each Series of Notes, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agencies) the margin (relative to Euribor (one (1) month)) to be paid by the Borrower when hedging the interest and principal payable by the Issuer under such Series in the relevant Specified Currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) (the "**Notes Hedging Margin**").

At the end of each three (3) calendar months' period as from the Programme Date and before the occurrence of a Hedging Rating Trigger Event, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agencies) the average margin (relative to Euribor (one (1) month)) to be received by the Issuer when hedging the interest and principal payable under the Borrower Collateral Security Assets in each relevant currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) (the "**Assets Hedging Margin**").

Upon the occurrence of a Hedging Rating Trigger Event, the Issuer (or the Administrator on its behalf) will enter into:

- (a) derivative agreement(s) with Eligible Hedging Providers (as defined below) (the "**Issuer Hedging Agreement(s)**");
- (b) a back-to-back derivative agreement concluded with BNP Paribas (the "**Borrower Hedging Agreement**" and together with the Issuer Hedging Agreement(s), the "**Hedging Agreements**").

These Hedging Agreements will hedge both:

- the amount of interest and principal payable by the Issuer under the relevant Series, in the relevant Specified Currency; and
- the amount corresponding to the interest and principal payable under the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets, in each relevant currency,

into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) or, subject to prior Rating Affirmation, to any other index (the "**Permitted Index**"). The financial conditions of these Hedging Agreements shall be determined so that (a) the margin payable by the Issuer under the Hedging Agreement related to a Series of Notes is no more than the Notes Hedging Margin calculated for such Series and (b) the margin received by the Issuer under the Hedging Agreement related to the Borrower Collateral Security Assets is at least as much as the last communicated Assets Hedging Margin.

Upon the occurrence of a Hedging Rating Trigger Event, a failure by the Issuer (or the Administrator on its behalf) to enter into any Issuer Hedging Agreement with any relevant Eligible Hedging Provider or into any Borrower Hedging Agreement with BNP Paribas within thirty (30) calendar days from the occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy, will constitute an Issuer Event of Default (see "Terms and Conditions of the Covered Bonds").

Each Hedging Agreement shall be in Approved Form (as defined below).

On 13 January 2012, following the occurrence of a Hedging Rating Trigger Event, the Issuer and the Borrower executed the Issuer Hedging Agreement (as it may be amended from time to time), the Borrower Hedging Agreement (as it may be amended from time to time) and the related Hedging Transactions in accordance with the provisions of the above and for which a Rating Affirmation was made. As a result, the Issuer's obligations under the Hedging Strategy and the Amended Hedging Approved Form Letter, as described above, are fully satisfied and completed on the date of this Base Prospectus.

Each Issuer Hedging Agreement provides that all amounts to be paid by the Issuer under such Hedging Agreement will be paid according to the relevant Priority Payment Order, as described in Condition 15 of the Terms and Conditions.

Any costs and expenses to be born by the Issuer when negotiating and/or entering into any Hedging Agreement (including, in particular, any sums to be paid to allow the Hedging Agreements to be transacted at the Notes Hedging Margin and the Assets Hedging Margin, given the market conditions prevailing at the time the Hedging Agreements are transacted (*soulte*)) shall be paid by BNP Paribas.

Pursuant to the terms of the Issuer Hedging Agreements, in the event that the relevant ratings of the Eligible Hedging Provider(s) (or its respective guarantor, as applicable) (the "**Hedging Provider**") is or are downgraded by a Rating Agency below the required ratings specified in the relevant Hedging Agreement and, where applicable, as a result of such downgrade, the then current ratings of any outstanding Covered Bonds would be

adversely affected, the relevant Hedging Provider will, in accordance with and pursuant to the terms of the relevant Hedging Agreement, be required to take certain remedial measures which may include one (1) or more of the following: (i) providing collateral for its obligations under the relevant Hedging Agreement; (ii) arranging for its obligations under the relevant Hedging Agreement to be transferred to a replacement hedging provider with the ratings required by the Rating Agencies (as specified in the relevant Hedging Agreement); (iii) procuring another entity with the ratings required by the relevant Rating Agency (as specified in the relevant Hedging Agreement) to become co-obligor in respect of its obligations under the relevant Hedging Agreement; and/or (iv) taking such other actions (including no action) as will result in the relevant ratings of the Covered Bonds then outstanding following the taking of such action (or inaction) being at, or restored to, the level it would have been, had the relevant downgrade of the Hedging Provider's ratings not occurred, and as confirmed by Fitch or S&P.

The Issuer Hedging Agreement(s)

Any sums due by the Issuer under any Issuer Hedging Agreements shall benefit from the *Privilège* provided for in article L.515-19 of the French Monetary and Financial Code (*Code monétaire et financier*).

The Issuer Hedging Agreement(s) will be used to hedge mismatches between the Borrower Collateral Security Assets and the Covered Bonds in the following manner.

The interest rate payable by the Issuer with respect to a Series may be calculated in various manners, depending on the type of Covered Bonds (Fixed Rate Covered Bonds or Floating Rate Covered Bonds). Each Series of Covered Bonds may be denominated in any Specified Currency. To provide a hedge between:

- the amount of interest and principal payable by the Issuer under the relevant Series, in the relevant Specified Currency; and
- the amount corresponding to the interest and principal payable under the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets, in each relevant currency,

each relevant Eligible Hedging Provider (where applicable with the appropriate collateralisation requirements), and the Issuer will enter into interest rate and/or currency derivative transactions (each, a "**Hedging Transaction**") in relation to each relevant Series in Approved Form and in substance acceptable to the Rating Agencies, upon the occurrence of a Hedging Rating Trigger Event.

Each Issuer Hedging Agreement may be terminated in accordance with certain termination events and events of default. An Issuer Event of Default will not constitute a termination event under any Issuer Hedging Agreement.

Any Issuer Hedging Subordinated Termination Costs (as defined in section "Cash Flow" of this Base Prospectus) due by the Issuer to the counterparty under any relevant Issuer Hedging Agreement(s) shall be paid in accordance with the relevant Priority Payment Order described under the section "Cash Flow" of the Base Prospectus (see "Cash Flow - Priority Payment Orders").

The Borrower Hedging Agreement

The Borrower Hedging Agreement will be used to hedge mismatches between the Borrower Collateral Security Assets and the Borrower Advances, and as such, the purpose of the Borrower Hedging Agreement will be to transfer to the Borrower the benefit of the Issuer Hedging Agreement(s).

The sums due under any Borrower Hedging Agreement(s) will not benefit from the *Privilège* provided for in article L.515-19 of the French Monetary and Financial Code (*Code monétaire et financier*).

The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the Covered Bonds funding such Borrower Advance. As a consequence, the interest rate payable by the Borrower with respect to a Borrower Advance may be calculated in various manners, depending on the type of Covered Bonds funding such Borrower Advance (Fixed Rate Covered Bonds or Floating Rate Covered Bonds). Moreover, each Borrower Advance may be denominated in one (1) or two (2) Specified Currencies. To provide a hedge between:

- the amount of interest and principal payable by the Borrower under the relevant Borrower Advance, in the relevant Specified Currencies (which shall be equivalent to the amount of interest and principal payable by the Issuer under the Covered Bonds funding such relevant Borrower Advance); and
- the amount of interest and principal payable to the Borrower under the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets, in each relevant currency,

BNP Paribas and the Issuer will enter into interest rate and/or currency derivative transactions (each, a "**Borrower Hedging Transaction**") in relation to each relevant Series in form and substance acceptable to the Rating Agencies, upon the occurrence of a Hedging Rating Trigger Event.

Each Borrower Hedging Agreement may be terminated in accordance with certain termination events and events of default. In particular, a Borrower Event of Default which is enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement constitutes the occurrence of a termination event under a Borrower Hedging Agreement but does not constitute the occurrence of a termination event under an Issuer Hedging Agreement.

Hedging Strategy upon the occurrence of a Borrower Event of Default

Upon the occurrence of a Borrower Event of Default which is enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, and the subsequent transfer in favour of the Issuer of title to the Home Loan Receivables (and related Home Loans Security) following an enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security (in any):

- (a) the Issuer will maintain its rights and obligations under the existing Issuer Hedging Agreement(s);
- (b) the Issuer will immediately terminate the Borrower Hedging Agreement.

For the purposes of this section:

"**Approved Form**" means a 1992 (Multicurrency - Cross Border) or 2002 ISDA Master Agreement (including its schedule), credit support document and confirmation governed thereby or, as the case may be, a 2001 FBF Master Agreement relating to transactions on forward financial instruments (including its schedule), collateral annex and confirmation governed thereby, in a form agreed by the Issuer and the Borrower pursuant to the Hedging Approved Form Letter, as amended from time to time, or otherwise agreed subject to prior Rating Affirmation.

"**Hedging Rating Trigger Event**" means the event in which (i) the short term senior unsecured, unsubordinated and unguaranteed debt obligations of BNP Paribas become rated below A-1 (short term) by S&P or (ii) the short term senior issuer default rating (IDR) becomes rated below F-1+ (short term) or AA- (long term) by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds).

"**Eligible Hedging Provider**" means a financial institution which meets the following conditions:

- such financial institution is permitted under any applicable and relevant law to enter into derivative contracts with French residents; and
- (i) the rating of its senior unsecured, unsubordinated and unguaranteed debt obligations or senior issuer default rating (IDR), as the case may be, is at least a Hedging Required Rating, or (ii) the rating of the senior unsecured, unsubordinated and unguaranteed debt obligations of its guarantor or the guarantor's senior issuer default rating (IDR), as the case may be, under the relevant Hedging Agreement is at least a Hedging Required Rating, or (iii) this financial institution has provided collateral for its obligations under the relevant Hedging Agreement and taken any remedial action as required by the relevant Rating Agencies.

"**Hedging Required Rating**" means, as regards any Eligible Hedging Provider or, as applicable, its guarantor under the relevant Hedging Agreement:

- in relation to the hedging of currency risks and other risks, A-1 (short-term) by S&P, and F-1 (short-term)/A (long-term) by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds); or
- in relation to the hedging of interest risks, A-1 (short-term) by S&P, and F-1 (short-term)/A (long-term) by Fitch (or, after the date hereof, any other rating levels (i) as may be required by applicable laws and regulations or as per the most recently public available rating criteria methodology reports published by the Rating Agencies and (ii) commensurate with the then current ratings of the Covered Bonds).

"Hedging Approved Form Letter" means any letter agreement, as amended from time to time dated on or prior to the Programme Date and pursuant to which the Issuer and the Borrower agree on the Approved Form of the Hedging Agreements.

TAXATION

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will only include English Law Covered Bonds and French Law Covered Bonds, in the following section

The following is a summary limited to certain tax considerations in France relating to the payments made in respect of the Covered Bonds that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. This summary is based on the laws in force in France as of the date of this Base Prospectus and as applied by the tax authorities, all of which are subject to changes or to different interpretation. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Covered Bonds. Each prospective holder or beneficial owner of Covered Bonds should consult its tax advisor as to the tax consequences of any investment in or ownership and disposal of the Covered Bonds in light of its particular circumstances.

EU Savings Directive

On 3 June 2003, the European Union adopted the Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Directive**"). The Directive requires Member States as from 1 July 2005 to provide to the tax authorities of other Member States details of payments of interest and other similar income within the meaning of the Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) an individual resident in another Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

The European Commission has proposed certain amendments to the Saving Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

France

French Withholding Tax

- (a) Following the introduction of the French *loi de finances rectificative pour 2009* no. 3 (n° 2009-1674 dated 30 December 2009) (the "**Law**"), payments of interest and other revenues made by the Issuer with respect to the Covered Bonds will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code (*Code général des impôts*) unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (*Code général des impôts*) (a "**Non-Cooperative State**"). If such payments under the Covered Bonds are made in a Non-Cooperative State, a seventy-five per cent. (75 %) withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French General Tax Code (*Code général des impôts*).

Notwithstanding the foregoing, the Law provides that the seventy-five per cent. (75%) withholding tax will not apply in respect of the issue of the Covered Bonds if the Issuer can prove that the principal purpose and effect of such issue of Covered Bonds was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant the official guidelines issued by the French tax authorities under the references BOI-INT-DG-20-50-20120912, No. 990, BOI-RPPM-RCM-30-10-20-50-20120912, No. 70, and BOI-ANX-000366-20120912, No. 90, an issue of Covered Bonds will benefit from the Exception without the issuer having to provide any proof of the purpose and effect of such issue of covered bonds if such covered bonds are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code (*Code monétaire et financier*) or pursuant to an equivalent offer in a state other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French Monetary and Financial Code (*Code monétaire et financier*), or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Furthermore, pursuant to Article 238 A of the French General Tax Code (*Code général des impôts*), interest and other revenues on such Covered Bonds are, inter alia, not deductible from the Issuer's taxable income, if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 *et seq.* of the French General Tax Code (*Code général des impôts*), in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* 2 of the French General Tax Code (*Code général des impôts*), at a rate of thirty per cent. (30%) or seventy-five (75%).

However, neither the non-deductibility set out under Article 238 A of French General Tax Code (*Code général des impôts*), nor the withholding tax set out under article 119 *bis* 2 of the French General Tax Code (*Code général des impôts*) will apply in respect of the Covered Bonds solely by the reason of the relevant payments being made to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State if the Issuer can prove that it can benefit from the Exception and that the relevant interest or revenues relate to genuine transactions and are not in an abnormal or exaggerated amount. Pursuant to official guidelines issued by French tax authorities under the references BOI-INT-DG-20-50-20120912, no. 550, BOI-ANX-000364-20120912, no. 20 and BOI-ANX-000366-20120912, no. 90, the issue of the Covered Bonds will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of the issue of the Covered Bonds if the Covered Bonds satisfy to one of the three above-mentioned conditions.

- (b) Payments of interest and other revenues with respect (i) Covered Bonds issued (or deemed issued) outside France as provided under Article 131 *quater* of the French General Tax Code (*Code général des impôts*), before 1 March 2010 and (ii) Covered Bonds which are assimilated (*assimilables* for the purpose of French law) and form a single series with such Covered Bonds, will continue to be exempt from the withholding tax set out under Article 125 A III of the French General Tax Code (*Code général des impôts*).

Covered Bonds issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the official guidelines issued by the French tax authorities under the reference BOI-RPPM-RCM-30-10-30-30-20120912, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French General Tax Code (*Code général des impôts*), in accordance with the official guidelines issued by the French tax authorities under the reference BOI-RPPM-RCM-30-10-30-30-20120912.

Furthermore, neither the non-deductibility set-out under Article 238 A of the French General Tax Code (*Code général des impôts*), nor the withholding tax set out under article 119 *bis* 2 of the same code will apply in respect of the Covered Bonds which are assimilated (*assimilés*) with Covered Bonds issued before 1 March 2010 solely by reason of the relevant payments being made to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State if the Issuer can prove that the relevant interest or revenues relate to genuine transactions and are not in an abnormal or exaggerated amount.

- (c) Pursuant to the 2013 Finance Law (*loi de finances pour 2013, n° 2012-1509 du 29 décembre 2012*) and subject to certain exceptions, interest and other revenues received under the Covered Bonds as from 1 January 2013 by individuals who are fiscally domiciled in France are subject to a 24% withholding tax, set out under Articles 125 A and 125 D of the French General Tax Code (*Code général des impôts*). This withholding tax is an advance payment made in respect of the personal income tax of the individual receiving the interest or revenue, which is deductible from his personal income tax liability in respect of the year during which this withholding has been made; if the amount of this withholding exceeds the amount of personal income tax due, the excess is refundable. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding at an aggregate rate of 15.5% on interest and similar revenues paid by the Issuer under the Covered Bonds, to individuals who are fiscally domiciled in France.

Directive

The Directive has been implemented in French law by Article 242 *ter* of the French General Tax Code (*Code général des impôts*) and Articles 49 I *ter* to 49 I *sexies* of Annex III to French General Tax Code (*Code général des impôts*) imposes on paying agents based in France an obligation to report certain information to the French tax authorities with respect to interest (and other similar revenues) payments made to beneficiaries domiciled in another Member State, including, in particular, the identity and address of the beneficiaries as well as a detailed list of the different categories of interest paid to these beneficiaries.

CERTAIN US FEDERAL INCOME TAX CONSIDERATIONS

CIRCULAR 230 DISCLOSURE

To ensure compliance with Treasury Department Circular 230, each US Holder (defined below) is hereby notified that:

(i) the following summary of US federal income tax issues was not intended or written to be used, and it cannot be used by any taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer under the US federal income tax laws; (ii) the summary was written to support the promotion or marketing (within the meaning of Circular 230) of the transactions or matters addressed thereby; and (iii) the taxpayer should seek advice from its own tax advisor based on the taxpayer's particular circumstances.

The following describes certain material US federal income tax ("USFIT") consequences to US Holders (defined below) under current law of the purchase, ownership and disposition of Registered English Law Covered Bonds only. Thus, this summary does not address the material USFIT consequences of every type of Covered Bond that may be issued under the Programme, and the relevant Final Terms will contain additional or modified disclosure concerning the material USFIT consequences relevant to such type of Covered Bond and a specific issue of Covered Bonds as appropriate. This summary applies only to purchasers of Registered English Law Covered Bonds that are US Holders and that will hold such bonds as capital assets.

This discussion is based on the US Internal Revenue Code of 1986, as amended (the "**US Internal Revenue Code**"), as in effect on the date of this prospectus and on US Treasury regulations in effect or, in some cases, proposed, as of the date of this prospectus, as well as judicial and administrative interpretations thereof available on or before such date. All of the foregoing authorities are subject to change, which change could apply retroactively and could affect the USFIT consequences described below.

The following discussion does not address all aspects of USFIT law and does not deal with all tax consequences that may be relevant to any particular investor or to persons in special tax situations such as:

- Certain financial institutions
- Insurance companies
- Dealers in securities
- US expatriates or former long-term residents of the US subject to section 877 of the US Internal Revenue Code
- Traders that elect to mark to market
- Tax exempt entities
- Real estate investment trusts
- Regulated investment companies
- Persons liable for the alternative minimum tax
- Persons holding Registered English Law Covered Bonds as part of a straddle, hedging, conversion, or integrated transaction
- Persons holding Registered English Law Covered Bonds through partnership or other pass-through entities
- Persons whose "functional currency" is not the US dollar

For the purposes of this summary, a "**US Holder**" is a beneficial owner of Covered Bonds that is, for USFIT purposes: (i) an individual citizen or resident of the United States; (ii) a corporation created or organised in or under the laws of the United States or any state thereof (including the District of Columbia); (iii) an estate the income of which is subject to USFIT regardless of its source; or (iv) a trust if (x) a court within the United States is able to exercise primary supervision over its administration and (y) one or more US persons have the authority to control all of the substantial decisions of such trust. As provided in US Treasury regulations, certain trusts in existence on 20th August, 1996, and treated as United States persons prior to that date that maintain a valid election to continue to be treated as United States persons also are US Holders.

If a partnership holds the Covered Bonds, the USFIT treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner of a partnership holding the Covered Bonds should consult its tax advisor regarding the tax considerations of investing in the Covered Bonds under its particular situation.

No rulings have been sought from the Internal Revenue Service ("IRS") regarding the matters discussed herein, and there can be no assurance that the IRS or a court will agree with the views expressed herein. This discussion is a general summary and does not cover all tax matters that may be important to a particular investor.

This summary addresses Registered English Law Covered Bonds that will be treated as non-contingent debt for USFIT purposes. If, at the time of issuance, the Issuer believes that the Covered Bonds of a given series of Registered English Law Covered Bonds may not be so treated, the tax treatment of such Covered Bonds will be discussed in the applicable Final Terms.

Bearer English Law Covered Bonds and Materialised Covered Bonds are not being offered to US Holders. A US Holder that comes to hold a Bearer English Law Covered Bond or a Materialised Covered Bond may be subject to limitations under USFIT laws, including the limitations provided in sections 165(j) and 1287(a) of the US Internal Revenue Code.

PROSPECTIVE INVESTORS SHOULD CONSULT THEIR TAX ADVISORS ABOUT THE APPLICATION OF THE USFIT RULES TO THEIR PARTICULAR CIRCUMSTANCES AS WELL AS THE STATE, LOCAL, NON-US, AND OTHER TAX CONSEQUENCES TO THEM OF THE PURCHASE, OWNERSHIP, AND DISPOSITION OF REGISTERED ENGLISH LAW COVERED BONDS.

Payments of Interest

Payments of "qualified stated interest" (as defined below under the section entitled "-Original Issue Discount") on a Covered Bond (and including any tax withheld on such interest payment) will be taxable to a US Holder as ordinary interest income at the time that such payments are accrued or are received (in accordance with the US Holder's method of tax accounting). Such interest (along with any OID (defined below) on the Covered Bond) will constitute foreign source income for USFIT purposes and will generally constitute "passive category income" or "general category income" for USFIT foreign tax credit limitation purposes. *The rules relating to foreign tax credits are extremely complex and US Holders should consult their own tax advisers with regard to the availability of a foreign tax credit and the application of the foreign tax credit rules to their particular situation.*

If such payments of interest are made in a currency other than US dollars (a "**Foreign Currency Covered Bond**"), the amount of interest income realized by a US Holder that uses the cash method of tax accounting will be the US dollar value of the Specified Currency payment based on the exchange rate in effect on the date of receipt, regardless of whether the payment in fact is converted into US dollars on such date. A US Holder that uses the accrual method of accounting for tax purposes will usually be required to determine its interest income by using one of the following methods. Under the first method, the US Holder will accrue interest income on the Foreign Currency Covered Bond in the relevant foreign currency and translate the amount accrued into US dollars based on the average exchange rate in effect during the interest accrual period (or portion thereof within the US Holder's taxable year). The average exchange rate for an accrual period (or partial period) is the simple average of the spot rates for each business day of such period or other average exchange rate for that period reasonably derived and consistently applied by the U.S. Holder. Under the second method, the US Holder can make an election to translate the accrued interest on the Foreign Currency Covered Bond into US dollars at the spot rate of exchange on the last day of the accrual period (or the last day of the taxable year within such accrual period if the accrual period spans more than one taxable year), or at the spot rate of exchange on the date of receipt if such date is within five (5) business days of the last day of the accrual period. A US Holder that makes such election must apply it consistently to all debt instruments from year to year and cannot change the election without the consent of the IRS.

A US Holder that uses the accrual method of accounting for USFIT purposes will recognize foreign currency gain or loss, as the case may be, on the receipt of an interest payment made with respect to a Foreign Currency Covered Bond if the exchange rate in effect on the date the payment is received differs from the rate applicable to a previous accrual of that interest income. Any such foreign currency gain or loss will be treated as US source

ordinary income or loss but generally will not be treated as an adjustment to interest income received on such Foreign Currency Covered Bond.

A US Holder will have a tax basis in any foreign currency received on a Foreign Currency Covered Bond equal to the US dollar value of such foreign currency, determined at the time of payment. Any gain or loss realized by a US Holder on a sale or other disposition of the foreign currency (including its exchange for US dollars or its use to purchase Foreign Currency Covered Bonds) will be ordinary income or loss, and any gain generally will be from sources within the United States for purposes of computing the foreign tax credit allowable under USFIT law.

Original Issue Discount

If the Issuer issues Covered Bonds at a discount from their stated redemption price at maturity ("**SRPM**"), defined below, and such discount is equal to or more than the product of (i) one-fourth of one per cent. (0.25%) of the SRPM of the Covered Bonds and (ii) the number of full years to their maturity, the Covered Bonds will be **OID Bonds**. The difference between the issue price and the SRPM of the Covered Bonds will be the original issue discount ("**OID**"). The issue price will be the first price at which a substantial amount of the Covered Bonds are sold to the public (*i.e.*, excluding sales to underwriters, placement agents, wholesalers, or similar persons). The SRPM will include all payments under the Covered Bonds other than payments of qualified stated interest ("**QSI**," as defined below).

US Holders of OID Bonds generally will be subject to the special tax accounting rules for obligations issued with OID provided under the US Internal Revenue Code and Treasury regulations (the "**OID Rules**"). US Holders of such Covered Bonds should be aware that, as described in greater detail below, they generally must include OID in ordinary gross income for USFIT purposes as it accrues, in advance of the receipt of cash attributable to that income.

In general, each US Holder of an OID Bond, whether such holder uses the cash or the accrual method of tax accounting, will be required to include in ordinary gross income the sum of the daily portions of OID on the OID Bond for all days during the taxable year that the US Holder owns such Bond. The daily portions of OID on an OID Bond are determined by allocating to each day in any accrual period a ratable portion of the OID allocable to that accrual period. Accrual periods may be any length and may vary in length over the term of an OID Bond, provided that no accrual period is longer than one year and each scheduled payment of principal or interest occurs on either the final day or the first day of an accrual period. In the case of an initial holder, the amount of OID on an OID Bond allocable to each accrual period is determined by (a) multiplying the "adjusted issue price" (as defined below) of the OID Bond at the beginning of the accrual period by the "yield to maturity" of such Bond (appropriately adjusted to reflect the length of the accrual period) and (b) subtracting from that product the amount (if any) of QSI (as defined below) allocable to that accrual period. The yield to maturity is the discount rate that causes the present value of all payments on the OID Bond as of its original issue date to equal the issue price of such Bond. The adjusted issue price of an OID Bond at the beginning of any accrual period will generally be the sum of its issue price and all prior accruals of OID, reduced by the amount of all payments other than payments of QSI (if any) made with respect to such Bond in all prior accrual periods. The term QSI generally means stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually during the entire term of an OID Bond at a single fixed rate of interest or, subject to certain conditions, based on one or more interest indices.

In the case of an OID Bond that is a Floating Rate Covered Bond, both the yield to maturity and QSI generally will be determined for these purposes as though the OID Bond will bear interest in all periods at a fixed rate generally equal to the rate that would be applicable to the interest payments on the Covered Bond on its date of issue or, in the case of certain Floating Rate Covered Bonds, the rate that reflects the yield that is reasonably expected for the Covered Bond. (Additional rules may apply if interest on a Floating Rate Covered Bond is based on more than one interest index.)

A US Holder generally may make an irrevocable election to include in its income its entire return on an OID Bond (*i.e.*, the excess of all remaining payments to be received on the Covered Bond, including payments of QSI, over the amount paid by such US Holder for such Covered Bond) under the constant-yield method described above. If a Covered Bond was purchased at a premium or market discount, a US Holder making such an election will also be deemed to have made the election (discussed below in Premium and Market Discount) to amortize premium or to accrue market discount in income currently on a constant-yield basis.

Where an OID Bond is also a Foreign Currency Covered Bond, a US Holder should determine the US dollar amount includible in income as OID for each accrual period by (a) calculating the amount of OID allocable to each accrual period in the Specified Currency using the constant-yield method described above, and (b) translating the amount of the Specified Currency so derived at the average exchange rate in effect during that accrual period (or portion thereof within a US Holder's taxable year) or, at the US Holder's election (as described above under Payments of Interest), at the spot rate of exchange on the last day of the accrual period (or the last day of the taxable year within such accrual period if the accrual period spans more than one taxable year), or at the spot rate of exchange on the date of receipt if such date is within five (5) business days of the last day of the accrual period. Because exchange rates may fluctuate, a US Holder of an OID Bond that is also a Foreign Currency Covered Bond may recognize a different amount of OID income in each accrual period than would the holder of an otherwise similar OID Bond denominated in US dollars.

All payments on an OID Bond (other than payments of QSI) will generally be viewed first as payments of previously accrued OID (to the extent thereof, with payments attributed first to the earliest-accrued OID), and then as payments of principal. Upon the receipt of an amount attributable to OID (whether in connection with a payment of an amount that is not QSI or the sale or retirement of the OID Bond), a US Holder of a Foreign Currency Covered Bond will recognize ordinary income or loss measured by the difference between the amount received (translated into US dollars at the exchange rate in effect on the date of receipt or on the date of disposition of the OID Bond, as the case may be) and the amount accrued (using the exchange rate applicable to such previous accrual).

A subsequent US Holder of an OID Bond that purchases such Bond at a cost less than its remaining redemption amount (as defined below), or an initial US Holder that purchases an OID Bond at a price other than such Bond's issue price, also generally will be required to include in gross income the daily portions of OID, calculated as described above. However, if the US Holder acquires the OID Bond at a price greater than its adjusted issue price, such holder may reduce its periodic inclusions of OID income to reflect the premium paid over the adjusted issue price. The remaining redemption amount for an OID Bond is the total of all future payments to be made on such Bond other than payments of QSI.

Floating Rate Covered Bonds are expected to bear interest at a "qualified floating rate" and thus to be treated as variable rate debt instruments ("**VRDIs**") under the OID Rules. Accordingly, the stated interest on a Floating Rate Covered Bond generally will be treated as QSI, and such a Covered Bond will not have OID solely as a result of the fact that it provides for interest at a variable rate.

A Floating Rate Covered Bond will be treated as VRDI if (1) its issue price does not exceed the total non-contingent principal payments due by more than a prescribed *de minimis* amount, (2) it provides for stated interest, paid or compounded at least annually, at (i) one or more qualified floating rates, (ii) a single fixed rate and one or more qualified floating rates, (iii) a single objective rate, or (iv) a single fixed rate and a single objective rate this a qualified inverse floating rate, and (3) it does not provide for any principal payments that are contingent (other than as described in (1) above).

A "qualified floating rate" for this purpose is any variable rate where variations in the value of the rate can reasonably be expected to measure contemporaneous variations in the cost of newly borrowed funds in the currency in which the bond is denominated. Various limitations apply to rates set as multiples of a qualified floating rate, or rates structured with caps or floors. An "objective rate" is a rate that is not itself a qualified floating rate but which is determined using a single fixed formula and which is based on objective financial or economic information. A rate will not qualify as an objective rate if it is based on information that is within the control of or unique to the circumstances of the Issuer (or a related party) (e.g., Issuer's dividends, profits or stock value – although a rate based on the Issuer's credit quality is not disqualified). Other variable interest rates may be treated as objective rates if so designated by the IRS in the future. However, a Floating Rate Covered Bond will not be treated as bearing interest at an objective rate if it is reasonably expected that the average value of the rate during the first half of its term will be either significantly less than or greater than the average value of the rate during the final half of the term. A "qualified inverse floating rate" is any objective rate where the rate is equal to a fixed rate minus a qualified floating rate, as long as variations in the rate can reasonably be expected to inversely reflect contemporaneous variations in the qualified floating rate. A description of the USFIT considerations relevant to US Holders of Registered English Law Covered Bonds that are issued with OID and are treated as VRDIs will be provided in the applicable Final Terms. *Prospective purchasers are advised to consult their tax advisers with respect to determining the VRDI status of Floating Rate Covered Bonds.*

If a Floating Rate Covered Bond does not qualify as a VRDI, such Covered Bond will be subject to special rules (the CPDI Rules defined and discussed below) that govern the USFIT treatment of debt obligations that provide for contingent payments. A description of the USFIT considerations relevant to US Holders of any such Covered Bonds will be provided in the applicable Final Terms. *Prospective purchasers are advised to consult their tax advisers as to the proper accrual of income with respect to Floating Rate Covered Bonds.*

If certain of the Covered Bonds are subject to special redemption, repayment or interest rate reset features, as indicated in the applicable Final Terms Document, such Covered Bonds (particularly OID Bonds) may be subject to special rules that differ from the general rules discussed above. Purchasers of Covered Bonds with such features should carefully examine the applicable Final Terms and should consult their own tax advisors with respect to such Covered Bonds since the USFIT consequences with respect to such features, and especially with respect to OID, will depend, in part, on the particular terms of the purchased Covered Bonds.

Purchase, Sale and Retirement

Upon the sale, exchange, retirement or other disposition of a Covered Bond, a US Holder generally will recognize gain or loss equal to the difference between the amount realized on the sale, exchange, retirement or other disposition (less any accrued QSI, which will be taxable as such) and the US Holder's tax basis in such Covered Bond. If a US Holder receives a currency other than the US dollar in respect of the sale, exchange or retirement of a Covered Bond, the amount realized will be the US dollar value of the Specified Currency received, calculated at the exchange rate in effect on the date the instrument is disposed of or retired. In the case of a Foreign Currency Covered Bond that is traded on an established securities market, a cash-basis US Holder and, if it so elects, an accrual-basis US Holder will determine the US dollar value of the amount realized by translating such amount at the spot rate on the settlement date of the sale. This election available to accrual-basis US Holders in respect of the purchase and sale of Foreign Currency Covered Bonds traded on an established securities market must be applied consistently to all debt instruments from year to year and cannot be changed without the consent of the IRS.

A US Holder's tax basis in a Covered Bond generally will equal the cost of such Covered Bond to such holder, increased by any amounts includible in income by the holder as OID, and market discount, and reduced by any amortized premium (each as described below) and any payments other than payments of QSI made on such Covered Bond.

In the case of a Foreign Currency Covered Bond, the cost to a US Holder will be the US dollar value of the foreign currency purchase price on the date of purchase. In the case of a Foreign Currency Covered Bond that is traded on an established securities market, a cash-basis US Holder and, if it so elects, an accrual basis US Holder will determine the US dollar value of the cost of such Foreign Currency Covered Bond by translating the amount paid at the spot rate of exchange on the settlement date of the purchase. If an accrual method taxpayer makes such an election, the election must be applied consistently to all debt instruments from year to year and cannot be changed without the consent of the IRS. The amount of any subsequent adjustments to a US Holder's tax basis in a Foreign Currency Covered Bond in respect of OID, market discount and premium denominated in the Specified Currency will be determined in the manner described under "Original Issue Discount" (above) and Premium and Market Discount (below). The conversion of US dollars to the Specified Currency and the immediate use of such currency to purchase a Foreign Currency Covered Bond generally will not result in taxable gain or loss for a US Holder.

Except as discussed below with respect to market discount, Short-Term Bonds (as defined below) and foreign currency gain or loss, any gain or loss recognized by a US Holder generally will be long-term capital gain or loss if the US Holder has held the Covered Bond for more than one year at the time of disposition. Long-term capital gains recognized by an individual holder generally are subject to tax at a lower rate than short-term capital gains or ordinary income. The deductibility of capital losses is subject to limitations.

Gain or loss recognized by a US Holder on the sale, exchange or retirement of a Foreign Currency Covered Bond generally will be treated as ordinary income or loss to the extent that the gain or loss is attributable to changes in exchange rates during the period in which the holder held such Foreign Currency Covered Bond. Such foreign currency gain or loss will not be treated as an adjustment to interest income received on the Foreign Currency Covered Bond.

Premium and Market Discount

Premium

A US Holder of a Covered Bond that purchases the Covered Bond at a cost greater than its remaining redemption amount (as defined above) will be considered to have purchased the Covered Bond at a premium, and may elect to amortize such premium (as an offset to interest income), using a constant-yield method, over the remaining term of the Covered Bond. Such election, once made, generally applies to all bonds held or subsequently acquired by the US Holder on or after the first taxable year to which the election applies and may not be revoked without the consent of the IRS. A US Holder that elects to amortize such premium must reduce its tax basis in a Covered Bond by the amount of the premium amortized during its holding period. OID Bonds purchased at a premium will not be subject to the OID rules described above.

In the case of premium in respect of a Foreign Currency Covered Bond, a US Holder should calculate the amortization of such premium in the Specified Currency. Amortization deductions attributable to a period reduce interest payments in respect of that period and therefore are translated into US dollars at the exchange rate used by the US Holder for such interest payments. Exchange gain or loss will be realized with respect to amortized bond premium on such a Covered Bond based on the difference between the exchange rate on the date or dates such premium is recovered through interest payments on the Covered Bond and the exchange rate on the date on which the US Holder acquired the Covered Bond.

With respect to a US Holder that does not elect to amortize bond premium, the amount of bond premium will be included in the US Holder's tax basis when the Covered Bond matures or is disposed of by the US Holder. Therefore, a US Holder that does not elect to amortize such premium and that holds the Covered Bond to maturity generally will be required to treat the premium as capital loss when the Covered Bond matures.

Market Discount

If a US Holder of a Covered Bond purchases the Covered Bond at a price that is lower than its remaining redemption amount or, in the case of an OID Bond, its adjusted issue price, by at least one fourth per cent. (0.25%) of its remaining redemption amount multiplied by the number of remaining whole years to maturity, the Covered Bond will be considered to have market discount in the hands of such US Holder. In such case, gain realized by the US Holder on the disposition of the Covered Bond generally will be treated as ordinary income to the extent of the market discount that accrued on the Covered Bond while it was held by such US Holder. In addition, the US Holder could be required to defer the deduction of a portion of the interest paid on any indebtedness incurred or maintained to purchase or carry the Covered Bond. In general terms, market discount on a Covered Bond will be treated as accruing rateably over the term of such Covered Bond or, at the election of the holder, under a constant yield method.

Market discount on a Foreign Currency Covered Bond will be accrued by a US Holder in the Specified Currency. The amount includible in income by a US Holder in respect of such accrued market discount will be the US dollar value of the amount accrued, generally calculated at the exchange rate in effect on the date that the Covered Bond is disposed of by the US Holder.

A US Holder may elect to include market discount in income on a current basis as it accrues (on either a rateable or constant-yield basis) in lieu of treating a portion of any gain realized on a sale of a Covered Bond as ordinary income. If a US Holder elects to include market discount on a current basis, the interest deduction deferral rule described above will not apply. Any such election, if made, applies to all market discount bonds acquired by the taxpayer on or after the first day of the first taxable year to which such election applies and is revocable only with the consent of the IRS.

Any accrued market discount on a Foreign Currency Covered Bond that is currently includible in income will be translated into US dollars at the average exchange rate for the accrual period (or portion thereof within the US Holder's taxable year).

Short-Term Bonds

The rules set forth above will also generally apply to Covered Bonds having maturities of not more than one year ("**Short-Term Bonds**"), but with certain modifications.

In general, an individual or other cash basis US Holder of a Short-Term Bond is not required to accrue OID (as specially defined below for the purposes of this paragraph) for USFIT purposes unless it elects to do so (but may be required to include any stated interest in income as the interest is received). Accrual basis US Holders and certain other US Holders are required to accrue OID on Short-Term Bonds on a straight-line basis or, if the US Holder so elects, under the constant-yield method (based on daily compounding). In the case of a US Holder not required and not electing to include OID in income currently, any gain realized on the sale or retirement of the Short-Term Bond will be ordinary income to the extent of the OID accrued on a straight-line basis (unless an election is made to accrue the OID under the constant-yield method) through the date of sale or retirement. US Holders who are not required and do not elect to accrue OID on Short-Term Covered Bonds will be required to defer deductions for interest on borrowings allocable to Short-Term Bonds in an amount not exceeding the deferred income until the deferred income is realized.

For purposes of determining the amount of OID subject to these rules, all interest payments on a Short-Term Bond are included in the Short-Term Covered Bond's SRPM. A US Holder may elect to determine OID on a Short-Term Bond as if the Short-Term Bond had been originally issued to the US Holder at the US Holder's purchase price for the Short-Term Bond. This election shall apply to all obligations with a maturity of one year or less acquired by the US Holder on or after the first day of the first taxable year to which the election applies, and may not be revoked without the consent of the IRS.

The market discount rules generally will not apply to a Short-Term Bond.

Information Reporting and Backup Withholding

In general, payments of interest and accrued OID on, and the proceeds of a sale, redemption or other disposition of, the Covered Bonds, payable to a US Holder by a US paying agent or other US intermediary will be reported to the IRS and to the US Holder as may be required under applicable regulations. Backup withholding will apply to these payments and to accruals of OID if the US Holder fails to provide an accurate taxpayer identification number or certification of exempt status or fails to report all interest and dividends required to be shown on its USFIT returns.

The amount of any backup withholding from a payment to a US Holder will be allowed as a credit against the US Holder's USFIT liability and may entitle the US Holder to a refund, provided that the required information is timely furnished to the IRS in the manner required.

Certain US Holders (including, among others, corporations) are not subject to the information reporting or backup withholding rules described above. US Holders should consult their tax advisers as to their qualification for exemption from backup withholding and the procedure for obtaining an exemption.

Reportable Transactions

A US taxpayer that participates in a "reportable transaction" will be required to disclose its participation to the IRS. The scope and application of these rules is not entirely clear. A US Holder may be required to treat a foreign currency exchange loss from the Covered Bonds as a reportable transaction if the loss exceeds US\$50,000 in a single taxable year, if the US Holder is an individual or trust, or higher amounts for other non-individual US Holders. Accordingly, if a US Holder realises a loss on any Covered Bond (or, possibly, aggregate losses from the Covered Bonds) satisfying the monetary thresholds discussed above, the US Holder could be required to file an information return with the IRS, and failure to do so may subject the US Holder to penalties. In addition, the Issuer and its advisers may also be required to disclose the transaction to the IRS, and to maintain a list of US Holders, and to furnish this list and certain other information to the IRS upon written request. *Prospective purchasers are urged to consult their tax advisers regarding the application of these rules to the acquisition, holding or disposition of Covered Bonds.*

Medicare Tax

Certain U.S. Holders who are individuals, estate or trusts will be required to pay an additional 3.8% tax on, among other things, interest and capital gains from the sale or other disposition of investments such as the Covered Bonds.

Information Reporting with Respect to Specified Foreign Financial Assets

Individual U.S. Holders (and certain U.S. entities specified in IRS guidance) who hold any interest in any "specified foreign financial assets" with an aggregate value in excess of \$50,000 generally are required to file an information report with respect to such assets with their USFIT returns. "Specified foreign financial assets" include any financial accounts maintained with a foreign financial institution as well as any of the following assets, but only if they are not held in accounts maintained by financial institutions: (i) stocks and securities issued by non-U.S. persons (including the Covered Bonds), (ii) financial instruments and contracts held for investment that have non-U.S. issuers or counterparties and (iii) interests in foreign entities. Substantial penalties may be imposed, and the period of limitation on assessment and collection of USFIT may be extended, in the event of a failure to comply. *U.S. Holders should consult their tax advisers regarding the application of this requirement to their ownership of the Covered Bonds.*

FOREIGN ACCOUNT TAX COMPLIANCE ACT

TO ENSURE COMPLIANCE WITH TREASURY DEPARTMENT CIRCULAR 230, EACH TAXPAYER IS HEREBY NOTIFIED THAT: (A) ANY TAX DISCUSSION HEREIN IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED BY THE TAXPAYER FOR THE PURPOSE OF AVOIDING U.S. FEDERAL INCOME TAX PENALTIES THAT MAY BE IMPOSED ON THE TAXPAYER; (B) ANY SUCH TAX DISCUSSION WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) THE TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended ("FATCA") impose a new reporting regime and potentially a 30% withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a "foreign financial institution", or "FFI" (as defined by FATCA)) that does not become a "**Participating FFI**" by entering into an agreement with the U.S. Internal Revenue Service ("**IRS**") to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a "United States Account" of the Issuer (a "**Recalcitrant Holder**"). The Issuer is an FFI for the purposes of FATCA.

The new withholding regime will be phased in beginning 1 January 2014 for payments from sources within the United States and will apply to "**foreign passthru payments**" (a term not yet defined) no earlier than 1 January 2017. This withholding would potentially apply to payments in respect of (i) any Covered Bonds characterized as debt (or which are not otherwise characterized as equity and have a fixed term) for U.S. federal tax purposes that are issued on or after the "**grandfathering date**", which is the later of (a) 1 January 2014 and (b) the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payment are filed with the Federal Register, or which are materially modified on or after the grandfathering date and (ii) any Covered Bonds characterised as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued.

The United States and a number of other jurisdictions have announced their intention to negotiate intergovernmental agreements to facilitate the implementation of FATCA (each, an "**IGA**"). Pursuant to FATCA and the "Model 1" and "Model 2" IGAs released by the United States, an FFI in an IGA signatory country could be treated as a "**Reporting FI**" not subject to withholding under FATCA on any payments it receives. Further, an FFI in a Model 1 IGA jurisdiction would not be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being "**FATCA Withholding**") from payments it makes (unless it has agreed to do so under the U.S. "qualified intermediary," "withholding foreign partnership," or "withholding foreign trust" regimes). The Model 2 IGA leaves open the possibility that a Reporting FI might in the future be required to withhold as a Participating FFI on foreign passthru payments and payments that it makes to

Recalcitrant Holders. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and France have announced an intention to enter into an IGA (a **U.S.-France IGA**”).

The Issuer expects to be treated as a Reporting FI pursuant to a U.S.-France IGA and does not anticipate being obliged to deduct any FATCA Withholding on payments it makes on the Covered Bonds. There can be no assurance, however, that the Issuer will be treated as a Reporting FI, or that it would in the future not be required to deduct FATCA Withholding from payments it makes on the Covered Bonds. Accordingly, the Issuer and financial institutions through which payments on the Covered Bonds are made may be required to withhold FATCA Withholding if (i) any FFI through or to which payment on such Covered Bond is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

If an amount in respect of FATCA Withholding were to be deducted or withheld either from amounts due to the Issuer or from interest, principal or other payments made in respect of the Covered Bonds, neither the Issuer nor any paying agent nor any other person would, pursuant to the conditions of the Covered Bonds, be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and model IGAs, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Covered Bonds.

Non-U.S. holders may be required to comply with applicable certification procedures to establish that they are non-U.S. holders in order to avoid the application of certain information reporting requirements and backup withholding tax.

CERTAIN ERISA CONSIDERATIONS

CIRCULAR 230 DISCLOSURE

To ensure compliance with Treasury Department Circular 230, each US Holder (defined below) is hereby notified that:

(i) the following summary of US federal income tax issues was not intended or written to be used, and it cannot be used by any taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer under the US federal income tax laws; (ii) the summary was written to support the promotion or marketing (within the meaning of Circular 230) of the transactions or matters addressed thereby; and (iii) the taxpayer should seek advice from its own tax advisor based on the taxpayer's particular circumstances.

The following is a summary of material considerations arising under the United States Employee Retirement Income Security Act of 1974, as amended ("**ERISA**") and the US Internal Revenue Code, and the prohibited transaction provisions of Section 406 of ERISA and Section 4975 of the US Internal Revenue Code that may be relevant to a prospective purchaser of the Covered Bonds that is an employee benefit plan (as defined in Section 3(3) of ERISA) that is subject to the provisions of part 4 of subtitle B of Title I of ERISA, or other plans and arrangements, including individual retirement accounts and annuities, and Keogh plans subject to section 4975 of the US Internal Revenue Code, and certain collective investment funds and insurance company general or separate accounts in which such plans, accounts, or arrangements are invested, or an entity whose underlying assets include plan assets of any such plan by reason of a plan's investment in such entity (collectively, "**Plans**"). The discussion does not purport to address all aspects of ERISA or US Internal Revenue Code Section 4975 or other laws or regulations that may be relevant to particular Plans or other employee benefit plans in light of their particular circumstances. Any further ERISA considerations with respect to Covered Bonds may be found in the relevant

Final Terms Document

*Due to the complexity of these rules and the penalties that may be imposed upon persons involved in non-exempt Prohibited Transactions (as defined below), prior to making an investment in the Covered Bonds, prospective investors that are Plans and other employee benefit plans subject to provisions under applicable federal, state, local, non-U.S. or other laws or regulations that are similar to the provisions of Section 406 of ERISA or Section 4975 of the US Internal Revenue Code ("**Similar Laws**") should consult with their legal advisors concerning the impact of ERISA, the US Internal Revenue Code and Similar Laws on such an investment with respect to their specific circumstances.*

This discussion is based on the current provisions of ERISA and the US Internal Revenue Code, existing and currently proposed regulations under ERISA and the US Internal Revenue Code, the legislative history of ERISA and the US Internal Revenue Code, existing administrative rulings of the United States Department of Labor ("**DOL**") and reported judicial decisions. No assurance can be given that legislative, judicial, or administrative changes will not affect the accuracy of any statements herein with respect to transactions entered into or contemplated prior to the effective date of such changes.

General

Investments by Plans covered by ERISA are subject to general fiduciary requirements pursuant to ERISA, including the requirement of investment prudence and diversification, requirements respecting delegation of investment authority and the requirement that a Plan's investments be made in accordance with the Plan's governing documents. A fiduciary (as defined in Section 3(21)(A) of ERISA) of such a Plan who proposes to cause such a Plan to purchase Covered Bonds should determine whether, under the general fiduciary standards of ERISA or other applicable law, an investment in the Covered Bonds is appropriate for such Plan. In determining whether a particular investment is appropriate for such a Plan, fiduciaries of a Plan are required by DOL regulations to give appropriate consideration to (among other things) the role that the investment plays in the Plan's portfolio, taking into consideration (i) whether the investment is designed reasonably to further the Plan's purpose, (ii) an examination of the risk and return factors, (iii) the portfolio's composition with regard to diversification, (iv) the liquidity and current return of the total portfolio relative to the anticipated cash flow needs of the Plan and (v) the projected return of the total portfolio relative to the Plan's funding objectives.

Before investing the assets of such a Plan in the Covered Bonds, a fiduciary should determine whether such an investment is consistent with the foregoing regulations and its fiduciary responsibilities, including, without limitation, any specific restrictions to which such fiduciary may be subject.

Prohibited transaction rules

Section 406 of ERISA and Section 4975 of the US Internal Revenue Code prohibit certain transactions ("**Prohibited Transactions**") involving the assets of a Plan and certain persons (referred to as "parties in interest" under ERISA or "disqualified persons" under the US Internal Revenue Code) having certain relationships to such Plan, unless an exemption is available. For example, fiduciaries and service providers of Plans are "parties in interest" and "disqualified persons" of those Plans for purposes of the Prohibited Transaction rules. A party in interest or a disqualified person who engages in a Prohibited Transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the US Internal Revenue Code, and, unless an exemption applies, the transaction may have to be rescinded. Furthermore, a fiduciary that permits a Plan to engage in a transaction that the fiduciary knows or should know is a Prohibited Transaction may be liable to the Plan for any losses realized by the Plan or any profits realized by the fiduciary in the transaction. Consequently, a fiduciary considering a purchase of Covered Bonds on behalf of, or with the assets of, a Plan should consider whether such an investment might constitute or give rise to a Prohibited Transaction under ERISA or the US Internal Revenue Code.

If the Covered Bonds are acquired by a Plan with respect to which the Issuer, the Arranger, the Dealer, any of their respective affiliates, or any other party to the Covered Bond transaction is a party in interest or a disqualified person, such acquisition could give rise to a Prohibited Transaction unless a specific exemption applies (subject, however, to the discussion below, with respect to any acquisition by a sponsor of, or investment advisor with respect to, such Plan). Certain exemptions from the Prohibited Transaction rules may apply depending on the type of Plan fiduciary making the decision to acquire the Covered Bonds and the circumstances under which the decision is made. Among these exemptions, each of which contains several conditions which must be satisfied before exemption applies, are the statutory exemption for certain transactions between Plans and non-fiduciary service providers as described in Section 408(b)(17) of ERISA and US Internal Revenue Code Section 4975(d)(20), and Prohibited Transaction Class Exemption ("**PTCE**") 96-23 (relating to transactions directed by an "in house" asset manager); PTCE 95-60 (relating to transactions involving insurance company general accounts); PTCE 91-38 (relating to investments by bank collective investment funds); PTCE 84-14 (amended effective August 23, 2005) (relating to transactions effected by qualified professional asset managers); and PTCE 90-1 (relating to investments involving insurance company pooled separate accounts). However, there is no assurance that any of these class or statutory exemptions or any other exemption will be available with respect to any particular transaction involving the Covered Bonds.

Sponsors of or investment advisers to Plans may receive certain benefits in connection with the sale to such Plans of instruments such as Covered Bonds. If the Issuer, the Arranger, or their respective affiliates had any such sponsorship of or investment authority over the assets of Plans purchasing Covered Bonds the purchase might be deemed to be a violation of the Prohibited Transaction rules of ERISA and/or Section 4975 of the US Internal Revenue Code for which no exemption may be available. Accordingly, the Covered Bonds may not be purchased using the assets of any Plan if any of the Issuer, the Arranger, or their respective affiliates has investment authority with respect to such assets.

Employee benefit plans that are governmental plans (as defined in Section 3(32) of ERISA), certain church plans (as defined in Section 3(33) of ERISA) and non-U.S. plans (as described in Section 4(b)(4) of ERISA), while generally not subject to the requirements of ERISA or Section 4975 of the US Internal Revenue Code, may be subject to Similar Laws.

Review by plan fiduciaries

As a result of the foregoing, the Covered Bonds, and any interest therein, may not be purchased or held by any Plan, any employee benefit plan subject to Similar Laws, or any person investing assets of either unless the purchase, holding or disposition of the Covered Bonds would not constitute a nonexempt Prohibited Transaction under ERISA and/or the US Internal Revenue Code or a violation of any applicable Similar Law.

Each purchaser and subsequent transferee of any Covered Bond will be deemed by such purchase or acquisition of any such Covered Bond to have represented and warranted, on each day from the date on which the purchaser

or transferee acquires such Covered Bond through and including the date on which the purchaser or transferee disposes of such Covered Bond, either that:

- (a) it is not, and is not acting on behalf of (and for so long as it holds any such Covered Bond or interest therein will not be, and will not be acting on behalf of) a Plan or an entity whose underlying assets include the assets of any Plan or a governmental, church or non-U.S. plan which is subject to any federal, state or local law of the United States that is substantially similar to the provisions of section 406 of ERISA or section 4975 of the US Internal Revenue Code, or
- (b) (i) its purchase, holding and disposition of a Covered Bond or interest therein will not result in a prohibited transaction under section 406 of ERISA or section 4975 of the US Internal Revenue Code (or, in the case of a governmental, church or non-U.S. plan, any substantially similar federal, state or local law of the United States) for which an exemption is not available, (ii) none of the Issuer, the Arranger, the Dealer or their affiliates is a sponsor of or a fiduciary (within the meaning of ERISA or any Similar Laws) with respect to the purchaser or transferee in connection with its purchase or holding of such Covered Bond, and (iii) no advice provided by the Issuer or any of its affiliates has formed a primary basis for any investment or other decision by or on behalf of the purchaser or holder in connection with the Covered Bonds.

Any further ERISA considerations with respect to Covered Bonds may be found in the relevant Final Terms Document.

The sale of any Covered Bonds to a Plan is in no respect a representation by the Issuer, the Arranger, the Dealer or any other party to the transactions that such an investment meets all relevant legal requirements with respect to investments by Plans generally or any particular Plan, or that such an investment is appropriate for Plans generally or any particular Plan.

PLAN OF DISTRIBUTION

For the avoidance of doubt, it is specified that the expression "Covered Bonds" will only include English Law Covered Bonds and French Law Covered Bonds and the expression "Bondholders" includes any holder of such English Law Covered Bonds and French Law Covered Bonds, in the following section.

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated on or around 18 June 2013 between the Issuer, the Arranger and the Permanent Dealer (the "**Dealer Agreement**"), the Covered Bonds will be offered by the Issuer to the Permanent Dealer. However, the Issuer has reserved the right to sell Covered Bonds directly on its own behalf to Dealers that are not Permanent Dealers. The Covered Bonds may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Covered Bonds may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Covered Bonds to be issued in syndicated Tranches that are jointly and severally underwritten by two (2) or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Covered Bonds subscribed by it. The Issuer has agreed to reimburse the Arranger for their expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Covered Bonds in certain circumstances prior to payment for such Covered Bonds being made to the Issuer.

Selling Restrictions

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers in particular following a change in a relevant law, regulation or directive. Any such modification will be set out in a supplement to this Base Prospectus.

Each Dealer shall, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Covered Bonds or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

United States of America

The 3(a)(2) Covered Bonds and the US Guarantee have not been, and are not required to be, registered under the Securities Act.

The Covered Bonds have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States, or to, or for the account or benefit of, U.S. persons except in the case of the 3(a)(2) Covered Bonds and, in certain limited circumstances, the 144A Covered Bonds, and in transactions exempt from or not subject to the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Materialised Covered Bonds and English Law Covered Bonds in bearer form having a maturity of more than three hundred and sixty-five (365) days are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code, as amended and regulations thereunder.

Each Dealer has represented that it will not offer or sell 144A Covered Bonds within the United States except in compliance with Rule 144A to persons it reasonably believes to be "qualified institutional buyers" within the meaning thereof and that in connection with each such sale, it has taken or will take reasonable steps to ensure

that the purchaser of such 144A Covered Bonds is aware that such sale is being made in reliance on Rule 144A. Accordingly, neither such Dealer, its affiliates nor any person acting on its behalf have engaged or will engage in any general solicitation or general advertising with respect to the 144A Covered Bonds.

Other than with respect to 3(a)(2) Covered Bonds and 144A Covered Bonds, each Dealer has further represented and agreed that it has not and will not offer, sell or, in the case of Materialised Covered Bonds and English Law Covered Bonds in bearer form, deliver the Covered Bonds of any identifiable Tranche, (i) as part of their distribution at any time, or (ii) otherwise until forty (40) days after the completion of the distribution of such Tranche as determined, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Covered Bonds during this period a confirmation or other notice setting forth the restrictions on offers and sales of the Covered Bonds within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further represented that neither it, its affiliates nor any persons acting on its or their behalf have engaged or will engage in any directed selling efforts with respect to Covered Bonds sold pursuant to Regulation S.

In addition, until forty (40) days after the commencement of the offering, an offer or sale of Covered Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

The Issuer and the Dealers reserve the right to reject any offer to purchase the Covered Bonds, in whole or in part, for any reason. This Base Prospectus does not constitute an offer to any person in the United States, other than with respect to any (i) 3(a)(2) Covered Bonds or (ii) any 144A Covered Bonds, if to a qualified institutional buyer within the meaning of Rule 144A to whom an offer relating to such Covered Bonds has been made directly by one of the Dealers or its U.S. broker-dealer affiliate. Distribution of this Base Prospectus to any U.S. person or to any other person within the United States, other than as provided for herein, is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States, is prohibited.

Any distribution of the 3(a)(2) Covered Bonds offered hereby will be made in compliance with applicable provisions of Rule 5121 of the Financial Industry Regulatory Authority, Inc. ("**FINRA**"), which provides that, among other things, when a FINRA member participates in such an offering, it may not execute transactions in any discretionary account without the prior specific written approval of the customer.

The Covered Bonds have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Law No. 25 of 1948, as amended, the "**FIEA**") and each of the Dealers has represented and agreed that it will not, directly or indirectly, offer or sell any Covered Bonds in Japan or to, or for the benefit of, any resident in Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act No. 228 of 1949, as amended), or to others for re-offering or resale, directly or indirectly in Japan or to a resident in Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the FIEA and any other applicable laws, regulations and ministerial guidelines of Japan.

provided that no such offer of French Law Covered Bonds referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of French Law Covered Bonds to the public**" in relation to any French Law Covered Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the French Law Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe the French Law Covered Bonds, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC of 4 November 2009 (and the amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU of 24 November 2010.
