

FINAL TERMS

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II product governance / target market assessment – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

NO PROSPECTUS IS REQUIRED IN ACCORDANCE WITH REGULATION (EU) 2017/1129, AS AMENDED, AND/OR THE FINANCIAL SERVICES AND MARKETS ACT 2000 FOR THE ISSUE OF NOTES DESCRIBED BELOW.

GENERAL PROVISIONS APPLICABLE TO THE NOTES

61.	Form of Notes:	<p>Bearer Notes:</p> <p>The Notes are issued in uncertificated and dematerialised book-entry form.</p> <p>For the purpose of this Series only, Condition 1 of the Terms and Conditions of the Notes shall be amended and supplemented as follows:</p> <p>"The Aggregate Principal Amount of the Notes of CHF 230,000,000 is divided into Notes with denominations of CHF 200,000 (two hundred thousand Swiss francs) per Note.</p> <p>The Notes are issued in uncertificated and dematerialised book-entry form (<i>inscription en compte</i>), registered with the Intermediary (as defined below) and held as intermediated securities (the "Intermediated Securities") (<i>Bucheffekten</i>) in accordance with the Swiss Federal Intermediated Securities Act ("FISA") (<i>Bucheffektengesetz</i>).</p> <p>Neither a global certificate nor definitive securities or any other certificate representative of the Notes will be issued</p>
-----	----------------	--

in respect of the Notes, and the Terms and Conditions shall be construed accordingly.

The Notes will be created by the Issuer as uncertificated and dematerialised securities. The Notes will then be entered into the main register (*Hauptregister*) of SIX SIS Ltd ("**SIX SIS**") or any other intermediary in Switzerland recognised for such purposes by SIX Swiss Exchange (SIX SIS or such other intermediary, the "**Intermediary**"). Once the Notes are registered in the main register (*Hauptregister*) of the Intermediary, and the Intermediary has credited the respective rights to securities accounts of the relevant participants with the Intermediary, the Notes will constitute Intermediated Securities.

The records of the Intermediary will determine the number of Notes held through each participant in that Intermediary. In respect of the Notes held in the form of Intermediated Securities, the holders of the Notes (the "**Holders**") will be the persons holding the Notes in a securities account which is in their name, or in the case of intermediaries holding the Notes for their own account in a securities account which is in their name.

So long as the Notes remain registered with the Intermediary, the Notes may only be transferred or otherwise disposed of in accordance with the provisions of the FISA, i.e. by the entry of the transferred Notes in a securities account of the transferee.

Neither the Issuer nor the Holders shall at any time have the right to effect or demand the conversion of the uncertificated and dematerialised Notes into, or the delivery of, a permanent global note or definitive notes.

Subject to the below provision, no printing of Notes in definitive form will occur.

If (i) the Swiss Paying Agent deems the printing of Notes in definitive form and, if applicable, coupons for the payment of interest or premium amount ("**Coupons**"), to be necessary or useful, or (ii) the presentation of securities in definitive form or, if applicable, Coupons, is required by Swiss or foreign laws in connection with the enforcement of rights (including in cases of bankruptcy, consolidation or reorganization of the Issuer), the Swiss Paying Agent shall determine the form of such definitive notes and, if applicable, Coupons, as well as any necessary technical changes required to these Terms and Conditions."

In relation to the Notes, the address of the Swiss Paying Agent is BNP Paribas (Suisse) SA, 2, place de Hollande, 1204 Geneva, Switzerland."

Condition 4 of the Terms and Conditions shall be amended and restated (for the purpose of this Series of Notes only) as follows:

The receipt in full by the Swiss Paying Agent of the due and punctual payment of the funds in Swiss Francs in Geneva in the manner provided by the Conditions and these Final Terms shall release the Issuer from its obligation under the Notes for the payment of principal and interest due on the respective payment dates to the extent of such payments.

In respect of the Notes, the Issuer will at all times maintain a Swiss paying agent having a specified office in Switzerland and will at no time appoint a Swiss paying agent having a specified office outside Switzerland. Subject to the above, the Issuer is entitled to vary or terminate the appointment of the Swiss Paying Agent and/or approve any change in the specified office through which it acts."

Condition 11 of the Terms and Conditions of the Notes shall be amended and supplemented (for the purpose of this Series of Notes only) as follows:

"So long as the Notes are listed on SIX Swiss Exchange and so long as the rules of SIX Swiss Exchange so require, all notices regarding the Notes and the Coupons must be published (i) on the internet website of SIX Exchange Regulation (<https://www.ser-ag.com/en/resources/notifications-market-participants/official-notices.html#/>) or (ii) otherwise in accordance with the regulations of SIX Swiss Exchange. PART B – OTHER INFORMATION

1. Listing and Admission to trading

- (i) Listing and admission to trading: Listing of the Notes on the Standard for Bonds at SIX Swiss Exchange will be applied for. Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to provisional trading on SIX Swiss Exchange with effect from 12 July 2021. The last trading will be 9 July 2027.
- (ii) Estimate of total expenses related to admission to trading: Not applicable

2. Ratings

Ratings: The Notes to be issued are expected to be rated as follows:

S&P Global Ratings Europe Limited, French branch ("**S&P**"): A-

Moody's France S.A.S. ("**Moody's**"): Baa1

Fitch Ratings Ireland Limited ("**Fitch**"): A+

DBRS Ratings GmbH ("**DBRS**"): A (High)

S&P, Moody's, Fitch and DBRS are established in the European Union and each of S&P, Moody's, Fitch and DBRS is registered under Regulation (EC) No. 1060/2009 (as amended).

According to S&P's definitions, an obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The addition of a plus (+) or minus (-) sign shows relative standing within the rating categories.

According to Moody's' definitions, obligations rated Baa are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category.

According to Fitch's definitions, 'A' ratings denote expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifier "+" is appended to denote relative status within major rating categories.

According to DBRS' definitions, 'A' rating means good credit quality. The capacity for the payment of financial obligations is substantial, but of lesser credit quality than AA. May be vulnerable to future events, but qualifying negative factors are considered manageable. All rating

categories other than AAA and D also contain subcategories (high) and (low).

3. Reasons for the offer

Reasons for the offer:

The net proceeds of the issue of the Notes will be allocated or reallocated from time to time to the financing and/or refinancing, in whole or in part, of Eligible Green Assets as defined below and further described in the BNP Paribas Green Bond Framework dated September 2020 available at <https://invest.bnpparibas.com/en/green-bond-issues>, as may be amended from time to time by the Issuer (the “**BNP Paribas Green Bond Framework**”).

Pending the allocation or reallocation, as the case may be, of the net proceeds of the Notes to Eligible Green Assets, the Issuer will invest the balance of the net proceeds, at its own discretion, in cash and/or cash equivalent and/or other liquid marketable instruments. The Issuer will use its best efforts to substitute any redeemed loans, any other form of financing that is no longer financed or refinanced by the net proceeds, and/or any such loans or any other form of financing which cease to be Eligible Green Assets, as soon as practicable once an appropriate substitution option has been identified, as long as Green Bond issues are outstanding. The Issuer will monitor the use of the net proceeds of the Notes via its internal information systems.

For the avoidance of doubt, payment of principal and interest in respect of the Notes will be made from general funds of the Issuer and will not be directly or indirectly linked to the performance of Eligible Green Assets.

“**Eligible Green Assets**” means any existing, on-going and/or future loans or any other form of financing from Eligible Categories selected by the Issuer, which meet the Eligibility Criteria, all in accordance with the BNP Paribas Green Bond Framework.

Eligible Categories means the following categories (all as more fully described in the BNP Paribas Green Bond Framework):

- Renewable Energy
- Energy Efficiency
- Green buildings
- Transportation
- Water Management and Water Treatment
- Pollution prevention and control

For the avoidance of doubt, the following sectors are excluded from the BNP Paribas Green Bond Framework: defence and security, palm oil, wood pulp, nuclear power generation, coal-fired power generation, unconventional oil and gas, mining and tobacco.

“Eligibility Criteria” means the criteria with which any loan or any other form of financing should comply, at any time, in order to be considered as an Eligible Green Asset (as such criteria may be amended, from time to time, by the Issuer, subject to external review by third parties, as the case may be, as per the BNP Paribas Green Bond Framework). As part of the application of the Eligibility Criteria, the Issuer will assess the potential environmental, social and governance risks of the relevant assets, in line with its framework for managing such risks, including specific risk assessment tools and the Equator Principles. The selection of the Eligible Green Assets in accordance with the Eligibility Criteria will then be verified by external third parties, as per the BNP Paribas Green Bond Framework.

As long as any Notes are outstanding, the Issuer is expected to provide a report, at least annually, on (i) the Eligible Green Assets financed or refinanced by the net proceeds and their relevant environmental impact indicators, (ii) the allocation of the net proceeds of the Notes to Eligible Green Assets detailing the aggregate amount dedicated to each of the Eligible Categories and (iii) the balance of unallocated cash and/or cash equivalent and/or other liquid marketable instruments still held by the Issuer, as further described in the BNP Paribas Green Bond Framework. The Issuer has mandated an appropriate external independent auditor to provide an assurance report on this report.

Pursuant to the BNP Paribas Green Bond Framework, a Second Party Opinion has been obtained from an appropriate second party opinion provider to assess the sustainability of its Green Bond Framework and to confirm its alignment with the ICMA Green Bond Principles. This Second Party Opinion on the Green Bond Framework will be published as and when BNP Paribas Framework is updated. For the avoidance of doubt, Green Asset Categories not reviewed by an independent second party opinion provider, either in whole or in part, would require an updated version of the Second Party Opinion on the Green Bond Framework before their insertion in BNP Paribas’ single common pool of Eligible Green Assets. On an annual basis, an independent second party opinion provider will also provide a verification of the compliance of all the new Eligible Green Assets added within the course of the year.

The report of the Issuer, the assurance report of an external independent auditor relating to the report of the Issuer and the Second Party Opinion are available at <https://invest.bnpparibas.com/en/green-bond-issues>.
