

FINAL TERMS

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended or superseded, the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, as amended. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("UK"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 ("EUWA"); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the "FSMA") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of UK domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II product governance / target market assessment – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories in item 19 of the Guidelines published by ESMA on 3 August 2023, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

RESPONSIBILITY

The Issuer accepts responsibility for the information contained in these Final Terms.

Signed on behalf of the Issuer:

By: 
Duly authorised

PART B – OTHER INFORMATION

1. Listing and Admission to trading

- (i) Listing and admission to trading: Application will be made by the Issuer (or on its behalf) for the Notes to be admitted to trading on Euronext Paris with effect from 20 January 2026.
- (ii) Estimate of total expenses related to admission to trading: EUR 10,000

2. Ratings

Ratings:

The Notes to be issued are expected to be rated:

- Baa1 by Moody's Deutschland GmbH, Frankfurt am Main ("**Moody's**"),
- A- by S&P Global Ratings Europe Limited ("**S&P**")
- A+ by Fitch Ratings Ireland Limited ("**Fitch**") and
- A (High) by DBRS Ratings GmbH ("**DBRS**").

According to Moody's' definitions, obligations rated Baa are judged to be medium-grade and subject to moderate credit risk and as such may possess certain speculative characteristics. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category.

According to S&P's definitions, an obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The addition of a plus (+) or minus (-) sign shows relative standing within the rating categories.

According to Fitch's definitions, 'A' ratings denote expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifier "+" is appended to denote relative status within major rating categories.

According to DBRS' definitions, 'A' rating means good credit quality. The capacity for the payment of financial obligations is substantial, but of lesser credit quality than AA. The Issuer may be vulnerable to future events, but qualifying negative factors are considered manageable. All rating categories other than AAA and D also contain subcategories (high) and (low).

Each of Moody's, S&P, Fitch and DBRS is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended) (the "**CRA Regulation**"). As such each of Moody's, S&P, Fitch and DBRS is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>) in accordance with such Regulation.

3. Interests of Natural and Legal Persons Involved in the Issue

Save for the fees payable to the Managers, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer.

4. Reasons for the Offer and Estimated Net Proceeds

(i) Reasons for the offer:

The Notes constitute Green Bonds and the net proceeds will be applied to Eligible Green Assets as defined in the Green Bond Framework, as amended and supplemented from time to time (the "Green Bond Framework"), which is available on the website of BNPP: [BNP Paribas Green Bond Framework 2025](#).

Pending the allocation or reallocation, as the case may be, of the net proceeds of the Notes to Eligible Green Assets, the Issuer will invest the balance of the net proceeds, at its own discretion and in accordance with relevant internal policies, in cash, cash equivalent and/or other liquid marketable instruments. BNPP will use its best efforts to substitute any redeemed loans or any other forms of financing that cease to be an Eligible Green Asset, as soon as practicable and once an appropriate substitution option has been identified, as long as Green Bond issues are outstanding. The Issuer will monitor the use of the net proceeds of the Notes via its internal information systems and thus will prevent any double financing of the Eligible Green Assets.

"Eligible Green Assets" means any existing, ongoing loans or any other form of financing, directly financed and/or refinanced by the Issuer, or indirectly via any one of BNPP's subsidiaries. Eligible Categories means the following categories (all as more fully described in the Green Bond Framework): Renewable Energy, Energy Efficiency, Green Buildings, Clean Transportation, Water Management and Water Treatment, Pollution prevention and control, Coastal and Marine conservation and restoration.

For the avoidance of doubt, the following sectors are excluded from the BNP Paribas Green Bond Framework: defence and security, palm oil, wood pulp, nuclear power generation, coal-fired power generation, oil and gas, mining, tobacco, aviation and any infrastructure dedicated to the exploration, production, transport or storage of fossil fuels. The Eligible Green Assets are sourced from the various Eligible Categories and are selected following the application of a screening process that aims to assure that the potential environmental, social and governance risks linked to eligible projects are identified. This includes sustainability criteria covering Social, Environmental, Health and Safety and Supply Chain indicators.

The Issuer will apply its best efforts to produce, at least once a year, a report for all Green and Blue Bond issuances under the Green Bond Framework, on (i) the Eligible Green Assets financed and/or refinanced by the net proceeds and their relevant environmental impact indicators, on an aggregated basis (ii) the allocation of the net proceeds to Eligible Green Assets detailing the

aggregate amount dedicated to each of the Eligible Categories and (iii) the balance of unallocated cash, cash equivalent and/or other liquid marketable instruments still held by the Issuer.

The report will be published by the Issuer on its website: [Search & Debt | Documentation on programs and issuances | Investors & Shareholders | BNP Paribas Bank](#) and the report will be reviewed and verified by appropriate external independent auditors.

Pursuant to the BNP Paribas Green Bond Framework, BNPP will appoint an independent Second Party Opinion provider to assess the sustainability elements of its Green Bond Framework, and in particular, to verify its alignment with the ICMA Green Bond Principles. The Second Party Opinion is available on the website of the Issuer: [Second Party Opinion \(SPO\) - Sustainability Quality of the Issuer and Green Bond Framework of BNP Paribas](#). Any material update to the Framework will be subject to the prior approval of the selected Second Party Opinion provider.

The Managers shall have no responsibility for, nor be obliged to concern themselves with, the use of such net proceeds.

(ii) Estimated net proceeds: EUR 1,495,500,000
