The Issuer has not been registered under the Investment Company Act of 1940, as amended, and the Subordinated Notes have not been, and will not be, registered under the Securities Act of 1933, as amended (the “Securities Act”), or the state securities laws of any state of the United States or the securities laws of any other jurisdiction and are being offered only to qualified institutional buyers (“QIBs”), within the meaning of Rule 144A, pursuant to the registration exemption under Rule 144A and outside the United States to non-“U.S. persons” in “offshore transactions” (as such terms are defined in Rule 902 under the Securities Act) pursuant to Regulation S under the Securities Act.

Neither the Securities and Exchange Commission (the “SEC”) nor any state securities commission has approved or disapproved of the Subordinated Notes or determined that this Pricing Supplement is truthful or complete. Any representation to the contrary is a criminal offense. It is expected that delivery of the Subordinated Notes will be delivered against payment therefor on or about January 26, 2021, which will be the fifth business day following the date of pricing of the Subordinated Notes (such settlement cycle being referred to herein as “T+5”). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Subordinated Notes more than two business days prior to their date of delivery will be required, by virtue of the fact that the Subordinated Notes initially will settle in T+5, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement and should consult their own advisor.
