

## **NOTES TO THE CAPITAL INSTRUMENTS MAIN FEATURES TEMPLATES**

In accordance with the Commission Implementing Regulation No. 1423/2013 of 20 December 2013 laying down the technical standards with regard to disclosure of own funds requirements for institutions, the capital instruments main features are completed as presented in Annex II.

Only capital instruments contributing to Consolidated Capital are disclosed in this template.

The capital instruments are sorted according to the instrument type as per line 7 (Ordinary shares for Common Equity Tier 1, Preferred shares, Undated Super Subordinated Notes, CASHES, for Additional Tier 1, Participating notes, undated subordinated notes and redeemable subordinated debt for Tier 2), then sorted by issuer legal entity, then by issuing date (from the oldest to the most recent one).

Private placements are not reported in this template, if for confidentiality reasons, investors have not authorised disclosure of the instruments characteristics to financial news agencies such as Bloomberg.

This template summarises the main features of capital instruments.
