The *Commission de Surveillance du Secteur Financier* (the **CSSF**) is the competent authority in Luxembourg for the purpose of Directive n°2003/71/EC (the **Prospectus Directive**) and the Luxembourg law on prospectuses for securities of 10 July 2005, for the purpose of approving this Exchange and Tender Offer Memorandum as a prospectus as defined by and in accordance with the Prospectus Directive (a **Prospectus**). This document constitutes a Prospectus for the purposes of the Prospectus Directive. Application has been made for the New Notes to be listed on the Official List of the Luxembourg Stock Exchange (the **Luxembourg Stock Exchange**) and to be traded on the regulated market of the Luxembourg Stock Exchange, which is an EU regulated market within the meaning of Directive 2004/39/EC (a **Regulated Market**). **Application has been made to the CSSF to approve this Exchange and Tender Offer Memorandum solely for the purpose of admitting the New Notes to trading on the Regulated Market of the Luxembourg Stock Exchange.**

The New Notes are expected to be assigned upon issue a rating of [A negative outlook] by Standard & Poor's Ratings Services, a division of the McGraw-Hill Companies, Inc., [Aa3] (under review for possible downgrade) by Moody's Investor Service, Inc. and [AA- negative outlook] by Fitch Ratings. Furthermore, Moody's Investor Services, Inc. has announced a potential change to its rating methodology for this type of instruments. Should such change be implemented as proposed, the ratings of the New Notes could potentially be negatively affected by a multi-notch downgrade. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the relevant rating organisation.

Offer that would permit a public offering of securities, other than in Luxembourg. **The Offers are not being made in the Republic of Italy. The Offers and the Exchange and Tender Offer Memorandum have not been submitted to the clearance procedures of the *Commissione Nazionale per le Società e le Borse* (CONSOB) pursuant to Italian laws and regulations.**

RISK FACTORS

The following section does not describe all of the risks for Holders participating in the Offers. Prior to making a decision as to whether to participate, Holders should consider carefully, in light of their own financial circumstances and investment objectives, all the information set out in this Exchange and Tender Offer Memorandum and, in particular, the following risk factors and those described in the Information Statement incorporated herein by reference in evaluating whether to participate in the Offers.

1 - Risk factors relating to the Issuer and its industry

Please refer to the section entitled "Documents Incorporated by Reference" on page 9 of this Exchange and Tender Offer Memorandum.

2 - Risk factors relating to the New Notes and the Offers

Risks Relating to the Offers

The trading market for each Series of Existing Notes not exchanged or tendered in the Offers may become more limited than it is at present and could for all practical purposes cease to exist, which could adversely affect the liquidity, market price and price volatility of the Existing Notes of that Series.

The Offers could result in a substantial or complete reduction in the principal amount outstanding of one or more series of Existing Notes. Therefore, the trading market for Existing Notes outstanding after the Offers are completed could become limited or nonexistent due to the reduction in the amount of Existing Notes outstanding.

BNP Paribas has decided to convene a meeting of the Holders of each of the Series 1 Existing Notes and Series 2 Existing Notes so as to propose to the Holders to exchange the Existing Notes which have not been exchanged or tendered in the course of the Offers against Series 1 New Notes. If such proposal is not adopted and, with respect to all Existing Notes, if a market for unexchanged or untendered Existing Notes exists after the consummation of the Offers, the Existing Notes may trade at a discount to the price at which they would have traded if the Offers had not been consummated, depending on prevailing interest rates, the market for similar securities and other factors. There can be no assurance that an active market in the unexchanged or untendered Existing Notes will exist or be maintained nor as to the prices at which the unexchanged or untendered Existing Notes may be traded.

The Existing Notes are listed on the Official List of the Luxembourg Stock Exchange, but some or all series of Existing Notes may not be actively traded. Quotations for securities that are not widely traded, such as the Existing Notes, may differ from actual trading prices and should be viewed as indications. Investors are urged to contact their brokers with respect to current market prices for the Existing Notes.

Differences between the Existing Notes and the New Notes

The financial terms and certain other conditions of the New Notes will be substantially different from those of the Existing Notes. Holders should consider the differences (which include, *inter alia*, the ranking, the interest provisions, the interest payment dates, the dates and events for early redemption, the consequences of the occurrence of a regulatory event (including loss absorption and return to profitability provisions), the governing law and central depository) closely. The full terms and conditions of the New Notes are set out in Part A and Part B of "Terms and Conditions of New Notes and Forms" below. Investors should carefully consider the differences between the New Notes and the related Existing Notes in deciding whether to deliver Existing Notes in connection with the Offers. In addition, Holders should be aware that the credit ratings assigned to the New Notes by any rating agency may be lower than those currently assigned to the Existing Notes.

Legality of Purchase

BNP Paribas nor any of its affiliates has or assumes responsibility for the lawfulness of the acquisition of the New Notes by a prospective investor in the New Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

No Obligation to Accept Offers to Exchange or to Sell

BNP Paribas is under no obligation to accept offers to exchange or to sell. Offers to exchange or to sell may be rejected in the sole discretion of BNP Paribas for any reason and BNP Paribas is under no obligation to holders of Existing Notes to furnish any reason or justification for refusing to accept an offer to exchange or to sell. For example, Existing Notes delivered for exchange or sale may be rejected if the relevant Offer is terminated, if the Offers do not comply with the relevant requirements of a particular jurisdiction, or for other reasons.

Responsibility for complying with the procedures of the Offers

Holders are responsible for complying with all of the procedures for exchanging the Existing Notes pursuant to the terms of this Exchange and Tender Offer Memorandum. None of BNP Paribas or the Exchange and Tender Agents assume any responsibility for informing Holders of irregularities with respect to the Offers.

Completion, Termination and Amendment

Subject as provided herein, BNP Paribas may, in its sole discretion, extend, re-open or amend the Offers at any time prior to its announcement whether it accepts valid deliveries of Existing Notes for exchange or sale pursuant to the Offers and may, in its sole discretion, waive conditions to the Offers after this date.

Blocking or Restricting Transfer of Existing Notes

When considering whether to participate in the Offers, Holders should take into account that restrictions on the transfer of the Existing Notes will apply from the time of submission of an Offer Instruction until the valid revocation of such instruction. A Holder will, on submitting an Offer Instruction, agree that its Existing Notes will be blocked in the relevant account in the relevant Clearing System with the Exchange and Tender Agents or in the case of Definitive Existing Notes, delivered to and held by the Luxembourg Exchange and Tender Agent who will restrict their transfer, from the date the relevant Offer Instruction is submitted, and in the case of Definitive Existing Notes, the Definitive Existing Notes delivered, until the earlier of (i) the time of settlement on the Settlement Date and (ii) the date of any termination of the relevant Offer (including where such Existing Notes are not accepted by the Issuer for tender or exchange) or on which Offer Instruction is validly withdrawn.

Compliance with Offer Restrictions

Holders of Existing Notes are referred to the offer restrictions set forth at the beginning of this Exchange and Tender Offer Memorandum and the deemed representations and warranties on pages 40 to 42 of this Exchange and Tender Offer Memorandum. Non-compliance with the offer restrictions by a Holder could result in, among other things, an inability to validly deliver Existing Notes for tender or exchange or validly deliver New Notes.

The relevant Exchange Price may not reflect the market value of the corresponding New Notes after the Offer

The New Notes will be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange. To the extent that the New Notes are traded, prices of the New Notes will fluctuate greatly depending on the trading volume and the balance between buy and sell orders. Holders are urged to contact their brokers to obtain the best available information as to the potential market price of the New Notes and for advice concerning the effect of the applicable Exchange Price.

Risks Relating to the New Notes

The New Notes are deeply subordinated obligations

The Issuer's obligations under the New Notes are deeply subordinated obligations of the Issuer which are the most junior debt instruments of the Issuer, ranking *pari passu* among themselves and with all other present and future Parity Securities, and subordinated to and ranking behind the claims of all other unsubordinated and ordinarily subordinated creditors of the Issuer, lenders in relation to *prêts participatifs* granted to the Issuer and holders of *titres participatifs* issued by the Issuer. In the event of liquidation, the Issuer's obligations under the New Notes rank in priority only to any payments to holders of Equity Securities.

Consequences of the Eligibility as Tier 1 Capital

The terms and conditions of the New Notes are set so as to be eligible as Tier 1 Capital of the Issuer. See "Terms and Conditions of the Series 1 New Notes – status of the Notes and Subordination", "Terms and Conditions of the Series 2 New Notes – Status of the Notes and Subordination". Such eligibility depends upon a number of conditions being satisfied, which are reflected in the Terms and Conditions of each Series of New Notes. One of these relates to the ability of the New Notes and the proceeds of their issue to be available to absorb any losses of the Issuer. Accordingly, in certain circumstances and/or upon the occurrence of certain events, payments of interest under the New Notes may be restricted and, in certain cases, forfeited and the amount of Broken Interest and the Current Principal Amount of the relevant New Notes may be reduced, nearly to zero. However, if the Issuer is liquidated, the nominal amount of the New notes will be automatically reinstated up to the Original Principal Amount. See "Terms and Conditions of the Series 1 New Notes – Loss Absorption and Return to Profitability" and "Terms and Conditions of the Series 2 New Notes – Loss Absorption and Return to Profitability".

The New Notes are undated securities

The New Notes are undated securities in respect of which there is no fixed redemption or maturity date. The Issuer is under no obligation to redeem the New Notes at any time (except as provided in "Terms and Conditions of the Series 1 New Notes – Redemption and Purchase" and "Terms and Conditions of the Series 2 New Notes – Redemption and Purchase").

The Holders have no right to require redemption of the New Notes, except if a judgment is issued for the insolvent judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason. See "Terms and Conditions of the Series 1 New Notes – Mandatory Redemption" and "Terms and Conditions of the Series 2 New Notes – Mandatory Redemption" below.

The New Notes may be redeemed under certain circumstances

The New Notes may be redeemed at the option of the Issuer (i) in whole (but not in part) on the First Call Date and on any Interest Payment Date thereafter and (ii) in whole (but not in part) at any time for certain tax or regulatory reasons. See “Terms and Conditions of the Series 1 New Notes – Redemption and Purchase” and “Terms and Conditions of the Series 2 New Notes – Redemption and Purchase”. In certain circumstances for tax reasons (see “Terms and Conditions of the Series 1 New Notes – Redemption and Purchase” and “Terms and Conditions of the Series 2 New Notes—Redemption and Purchase”), the Issuer will be required to redeem the New Notes in whole (but not in part). In each case, early redemption of the New Notes is subject to the prior approval of the Relevant Banking Regulator. There can be no assurance that Holders will be able to reinvest the amounts received upon redemption at a rate that will provide the same return as their investment in the New Notes.

There are certain restrictions on payments under the New Notes

For so long as the mandatory interest provisions do not apply, the Issuer may elect, and in certain circumstances shall be required, not to pay interest falling due on the New Notes on any Interest Payment Date. Any interest not so paid on any such Interest Payment Date shall be forfeited and shall no longer be due and payable by the Issuer, save as otherwise provided. See “Terms and Conditions of the Series 1 New Notes – Interest and Interest Suspension” and “Terms and Conditions of the Series 2 New Notes – Interest and Interest Suspension”.

In addition, in certain circumstances, payment of interest will be suspended automatically upon the occurrence of a Capital Deficiency Event. See “Terms and Conditions of the Series 1 New Notes – Interest and Interest Suspension” and “Terms and Conditions of the Series 2 New Notes – Interest and Interest Suspension”.

Floating Rate

The Series 1 New Notes will bear interest at a floating rate (See “Terms and Conditions of the Series 1 New Notes – Interest and Interest Suspension.” The floating rate then applicable to such New Notes will comprise (i) a reference rate and (ii) a margin to be added to such reference rate. The relevant margin will change as from the First Call Date. Further, there will be a periodic adjustment of the reference rate (every three months) which itself will change in accordance with general market conditions. Accordingly, the market value of such New Notes may be volatile if changes (particularly short term changes) to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these New Notes upon the next periodic adjustment of the relevant reference rate.

Fixed to Floating Rate

The Series 2 New Notes initially bear interest at a fixed rate and convert to a floating rate automatically (See "Terms and Conditions of the Series 2 New Notes – Interest and Interest Suspension"). The conversion of the interest rate may impact the secondary market liquidity and the market value of such New Notes.

There is no limitation on issuing or guaranteeing debt

There is no restriction on the amount of debt that the Issuer may issue or guarantee. The Issuer and its subsidiaries and affiliates may incur additional indebtedness or grant guarantees in respect of indebtedness of third parties, including indebtedness or guarantees that rank senior in priority of payment to the New Notes. If the Issuer’s financial condition were to deteriorate, the Holders could suffer direct and materially adverse consequences, including suspension of interest, loss of interest and reduction of interest and principal and, if the Issuer were liquidated (whether voluntarily or involuntarily), the Holders could suffer the loss of their entire investment.

Credit ratings may not reflect all risks

Credit ratings are expected to be assigned to the New Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the New Notes. A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension, reduction or withdrawal at any time by the relevant rating agency.

The ratings of bank subordinated capital securities are assigned in line with Moody's Investor Services Inc. (**Moody's**) existing methodology entitled "Guidelines for Rating Bank Junior Securities", dated April 2007. In that respect, Moody's cautions however that it released a Request for Comment entitled, "Moody's Proposed Changes to Bank Subordinated Capital Ratings", dated 16 June 2009, requesting market feedback on potential changes to its bank hybrid rating methodology. Should Moody's implement this revised methodology as proposed, the ratings on the hybrid securities could potentially be negatively affected by a multi-notch downgrade. Please refer to Moody's Request for Comment, entitled "Moody's Proposed Changes to Bank Subordinated Capital Ratings", for further details regarding the implications of the proposed methodology changes on Moody's ratings.

There is no prior market for the New Notes

There is currently no existing market for the New Notes, and there can be no assurance that any market will develop for the New Notes or that Holders will be able to sell their New Notes in the secondary market. There is no obligation to make a market in the New Notes. Application has been made to list the New Notes on the Official list of the Luxembourg Stock Exchange and admit them to trading on the Regulated Market of the Luxembourg Stock Exchange.

New Notes Taxation

Payments of interest on the New Notes, or profits realised by a Holder upon the sale or repayment of the New Notes, may be subject to taxation in its home jurisdiction or in other jurisdictions in which it is required to pay taxes. The tax impact on an individual Holder may differ from the situation described for Holders generally under "Taxation" below. The Issuer advises all investors to contact their own tax advisors for advice on the tax impact of an investment in the New Notes.

Independent Review and Advice

Each prospective investor in New Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the New Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the New Notes. A prospective investor may not rely on BNP Paribas or any of its affiliates in connection with its determination as to the legality of its acquisition of the New Notes or as to the other matters referred to above.

Modification of the Terms and Conditions of the Notes

The Holders of each series will be grouped automatically for the defence of their common interests in a *Masse* (See "Terms and Conditions of the Series 1 New Notes – Representations of the Noteholders" and "Terms and Conditions of the Series 2 New Notes – Representations of the Noteholders"), and a general meeting of Holders can be held. The Terms and Conditions of the New Notes permit in certain cases defined majorities to bind all Holders including Holders who did not attend and vote at the relevant general meeting and Holders who voted in a manner contrary to the majority.

The general meeting of Holders may, subject to the provisions of Terms and Conditions of the New Notes, decide on any proposal relating to the modification of the Terms and Conditions of the New Notes, notably

on any proposal, whether for arbitration or settlement proceedings, relating to disputed rights or rights which were the subject of judicial decisions.

EU Savings Directive

The EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the **Savings Directive**) requires each Member State since 1 July 2005 to provide to the tax authorities of another Member State details of payments of interest and other similar income within the meaning of the Savings Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) an individual resident in that other Member State, except that Belgium, Luxembourg and Austria impose instead a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information. However the Belgian State elected to abandon the transitional withholding tax and provide details of payments of interest in accordance with the Savings Directive as from 1 January 2010.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax.

French Insolvency Law

Holders of New Notes will be automatically grouped for the defense of their common interests in a *Masse* (See "Terms and Conditions of the Series 1 New Notes – Representations of the Noteholders" and "Terms and Conditions of the Series 2 New Notes – Representations of the Noteholders". However, under French insolvency law, as amended by ordinance no. 2008-1345 dated 18 December 2008 which came into force on 15 February 2009 and related order no. 2009-160 dated 12 February 2009, holders of debt securities are automatically grouped into a single assembly of holders (the **Assembly**) in order to defend their common interests if a safeguard (*procédure de sauvegarde*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the New Notes), whether or not under a debt issuance programme and regardless of their governing law.

The Assembly deliberates on the proposed safeguard (*projet de plan de sauvegarde*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (charges) of holders of debt securities (including the Holders) by rescheduling payments which are due and/or partially or totally writing-off debts;
- establish an unequal treatment between holders of debt securities (including the Holders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the New Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third (2/3rd) majority (calculated as a proportion of the debt securities held by the holders which have cast a vote at such Assembly). No quorum is required to hold the Assembly.

HOLDERS ARE ADVISED TO CHECK WITH ANY BANK, SECURITIES BROKER, CLEARING SYSTEM OR OTHER INTERMEDIARY THROUGH WHICH THEY HOLD THEIR EXISTING NOTES WHETHER SUCH INTERMEDIARY APPLIES DIFFERENT DEADLINES FOR ANY OF THE EVENTS SPECIFIED IN THIS EXCHANGE AND TENDER OFFER MEMORANDUM, AND THEN TO ALLOW FOR SUCH DEADLINES IF SUCH DEADLINES ARE PRIOR TO THE DEADLINES SET OUT IN THIS EXCHANGE AND TENDER OFFER MEMORANDUM.

TAXATION

In view of the number of different jurisdictions where tax laws may apply to a Holder, this Exchange and Tender Offer Memorandum does not discuss the tax consequences for Holders arising from the exchange of Existing Notes in the Exchange Offer for New Notes or the selling of the Existing Notes in the Tender Offer. Holders are urged to consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdictions that apply to them or to the exchange of their Existing Notes and the receipt pursuant to the Exchange Offer of New Notes, the Accrued Interest, any Cash Rounding Amount (if applicable) and the Tender Price. Holders are liable for their own taxes and have no recourse to the Issuer, the Arranger or the Exchange and Tender Agents with respect to taxes arising in connection with the Offers.

The information contained in this section is not intended as tax advice and does not purport to describe all of the tax considerations that may be relevant to a prospective investor in the New Notes. It is based upon tax laws (including tax treaties) and administrative decrees in the relevant jurisdictions as in effect as of the date hereof, which are subject to change, potentially with retroactive or retrospective effect.

This discussion is intended only as a descriptive summary and does not purport to be a complete analysis or listing of all potential effects of the receipt, purchase, ownership or disposition of the New Notes.

Prospective purchasers of the New Notes are advised to consult their own advisors as to the tax consequences of an investment in the New Notes.

European Union

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income (the **Savings Directive**). Pursuant to the Savings Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Savings Directive (interest, premiums or other debt income) made by a paying agent located within their jurisdiction to, or for the benefit of, an individual resident or certain limited types of entities established in that other Member State (the **Disclosure of Information Method**).

For these purposes, the term “paying agent” is defined broadly and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of individuals.

However, throughout a transitional period, certain Member States (Luxembourg, Belgium and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method or for the tax certificate procedure, withhold an amount on interest payments. The rate of such withholding is currently 20 per cent for a period of three years, starting on 1 July 2008, and 35 per cent thereafter.

Such transitional period will end at the end of the first full fiscal year following the later of (i) the date of entry into force of an agreement between the European Community, following a unanimous decision of the European Council, and the last of Switzerland, Liechtenstein, San Marino, Monaco and Andorra, providing for the exchange of information upon request as defined in the OECD Model Agreement on Exchange of Information on Tax Matters released on 18 April 2002 (the **OECD Model Agreement**) with respect to interest payments within the meaning of the Savings Directive, in addition to the simultaneous application by those same countries of a withholding tax on such payments at the rate applicable for the corresponding periods mentioned above and (ii) the date on which the European Council unanimously agrees that the United States of America is committed to exchange of information upon request as defined in the OECD Model Agreement with respect to interest payments within the meaning of the Savings Directive.

Belgium has, however, elected for the Disclosure of Information Method as from 1 January 2010.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

On 13 November 2008 the European Commission published a detailed proposal for amendments to the Savings Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Savings Directive they may amend or broaden the scope of the requirements described above.

France

The following generally summarises the material French tax consequences of receiving, owning and disposing of the New Notes by non-French resident Holders.

The Savings Directive has been implemented in French law under Article 242 *ter* of the French *Code Général des Impôts* and Articles 49 I *ter* to 49 I *sexies* of Schedule III of the French *Code Général des Impôts*, which impose on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Since the New Notes constitute *obligations* under French law and therefore are deemed to be issued outside France, payments of interest and other revenues made by the Issuer in respect of the New Notes to non-French resident Holders who are not concurrently shareholders of the Issuer benefit under present law (as interpreted in Ruling N°2007/59 (FP) of the *Direction Générale des Impôts*, dated 8 January 2008 and Ruling N° 2009/23 (FP) of the *Direction Générale des Impôts*, dated 7 April 2009) from the exemption from the withholding tax set out under Article 125 A III of the French *Code Général des Impôts*, as provided for in Article 131 *quater* of the French *Code Général des Impôts*. Accordingly, such payments do not give the right to any tax credit from any French source.

Non-French resident Holders of New Notes who do not hold their New Notes in connection with a business or profession conducted in France, or a permanent establishment or fixed base situated in France, will not be subject to any French income tax or capital gains tax on the sale, disposal or redemption of the New Notes.

The transfers of New Notes outside France will not be subject to any stamp duty or other transfer taxes imposed in France, provided such transfer is not recorded or referred to in any manner whatsoever in a deed executed and registered with the tax authorities in France.

Luxembourg

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the New Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Withholding Tax

(i) Non-resident holders of New Notes

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 (the **Laws**) mentioned below, and subject to the exceptions provided by the Laws, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of New Notes, nor on accrued but

unpaid interest in respect of the New Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the New Notes held by non-resident holders of New Notes.

Under the Laws implementing the Savings Directive, payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which are resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Where withholding tax is applied, it is currently levied at a rate of 20 per cent. and will be levied at a rate of 35 per cent. as of 1 July 2011. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the New Notes coming within the scope of the Laws would at present be subject to withholding tax of 20 per cent. The withholding tax system only applies during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

(ii) Resident holders of New Notes

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the **Law**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of New Notes, nor on accrued but unpaid interest in respect of New Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of New Notes held by Luxembourg resident holders of New Notes.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the New Notes coming within the scope of the Law would be subject to withholding tax of 10 per cent.

Tax treatment of the Transfer of New Notes

Non-Luxembourg resident holders of New Notes who do not hold their New Notes in connection with a permanent establishment or fixed base situated in Luxembourg, will not be subject to any Luxembourg income tax or capital gains tax on the sale, disposal or redemption of the New Notes.

The transfer of New Notes outside Luxembourg will not be subject to any stamp duty or other transfer taxes imposed in Luxembourg, provided such transfer is not recorded or referred to in any manner whatsoever in a deed executed and registered with the tax authorities in Luxembourg.

TERMS OF THE OFFER

Capitalised terms used but not defined herein have the meanings assigned to such terms in "Definitions" above.

Purpose of the Offers

The purpose of the Offers is to manage actively the capital of BNP Paribas in the changing context of regulation and perception of subordinated instruments. Over the past year, the level of net Tier II capital of the BNP Paribas Group (the **Group**) has exceeded targets due mainly to the acquisition and consolidation of Fortis Banque. The successful execution of the Offers will result in a reduction of Tier II capital and an increase in Tier I capital.

General presentation of the Offers

The Issuer invites (subject to certain offer restrictions set out in "Offer Restrictions") all Holders of Series 1 Existing Notes, Series 2 Existing Notes and Series 3 Existing Notes to offer to exchange for Series 1 New Notes or Series 2 New Notes and/or sell for cash any or all of such Existing Notes that are outstanding upon the terms and subject to the conditions of the Offers as further described below.

Holders who validly offer to exchange their Existing Notes at or prior to the Expiration Time will receive relevant New Notes in a principal amount (rounded down to the nearest US\$2,000) equal to the aggregate principal amount of such Existing Notes multiplied by the relevant Exchange Price (the **Exchange Amount**). Such Holders will also receive any Accrued Interest in respect of such Existing Notes up to (but excluding) the Settlement Date, together with any applicable Cash Rounding Amount.

An offer to exchange will only be considered eligible for acceptance by the Issuer if it relates to Existing Notes with a principal amount at least equal to the relevant Minimum Delivery Amount.

Holders who validly tender their Existing Notes in the Tender Offer at or prior to the Expiration Time will receive a cash amount equal to the aggregate principal amount of such Existing Notes multiplied by the relevant Tender Price (the **Tender Amount**) as well as any Accrued Interest in respect of such Existing Notes up to (but excluding) the Settlement Date.

There is no minimum amount for Existing Notes presented in the Tender Offer.

The Offer Period will start on 18 November 2009 and end at the Expiration Time, unless extended by the Issuer. Subject thereto, Holders are invited to offer to exchange or to sell any or all of their Existing Notes that are outstanding from 8.00 a.m., London time, on 18 November 2009 up to 4.00 p.m., London time, on 17 December 2009, subject to any earlier deadlines set by the Clearing Systems or other Intermediaries.

The Issuer expressly reserves the right, at any time, in its absolute discretion, to extend the period of time during which the Offers are open, and delay acceptance for exchange or for sale of any Existing Notes, by giving written notice of such extension to the Holders of Existing Notes as described below. The Issuer will extend the duration of the Offers if required by applicable law, and may choose to extend it in order to provide additional time for Holders to tender their Existing Notes for exchange or sale. During any such extension, all Existing Notes previously tendered will remain subject to the Offers and may be accepted for exchange or sale by the Issuer, subject to any withdrawal rights in the limited circumstances set forth under "Terms of the Offers – Withdrawal Rights".

On the Settlement Date, subject to the satisfaction or waiver (if permitted) of the conditions to the Exchange Offer, the Issuer will deliver, or procure the delivery of, through the Clearing Systems to each relevant Holder (i) the relevant New Notes in exchange for the relevant Existing Notes offered for exchange by such Holder and accepted for exchange pursuant to the Exchange Offer together with the Cash Rounding Amount

(if any) and/or (ii) the Tender Amount, as applicable, and (iii) any Accrued Interest in respect with such Existing Notes up to (but excluding) the Settlement Date.

Holders whose Existing Notes offered for exchange are not accepted, or who do not participate in the Exchange Offer, will not be eligible to receive New Notes in exchange for such Existing Notes and shall continue to hold such Existing Notes subject to their terms and conditions and Holders whose Existing Notes tendered are not accepted, or who do not participate in the Tender Offer, shall continue to hold such Existing Notes, subject to their terms and conditions, in each case unless the resolution set out in Part C of "Terms and Conditions of the New Notes and Forms" is approved in relation to the relevant Series of Existing Notes.

To the extent that such resolutions are passed, remaining Holders of Existing Notes will have such Existing Notes exchanged in accordance with the resolutions.

Applications will be made for the New Notes to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange as of the Settlement Date.

Participating Holders whose Offer Instruction is received by the Exchange and Tender Agents prior to the Expiration Time may only revoke their offers to exchange or sell in the limited circumstances set out under "Withdrawal Rights" below.

None of the Issuer, the Arranger or the Exchange and Tender Agents (or their respective directors, employees or affiliates) makes any recommendation as to whether or not Holders should participate to the Offers.

Summary of Terms of the New Notes

Exchange Price, Tender Price, Minimum New Note Amount, Minimum Delivery Amount, Accrued Interest

The principal amount of the New Notes to be issued for exchange under the Exchange Offer and the amount of cash to be paid for purchase under the Tender Offer depend on the Exchange Price and the Tender Price, respectively, for each Series of the Existing Notes.

In respect of each Series of Existing Notes, the price for each US\$1,000 or US\$10,000 in principal amount at which Existing Notes validly tendered at or prior to the Expiration Time and accepted for exchange or purchase will be exchanged for the relevant Series of New Notes under the Exchange Offer (the **Exchange Price**) or will be purchased under the Tender Offer (the **Tender Price**) determined by BNP Paribas and set out in the table below.

For the Existing Notes submitted for exchange or purchase under the Offers, an amount equal to accrued interest from the last interest payment date (included) up to but excluding the Settlement Date (excluded) will be paid in cash to the relevant Holders on the Settlement Date. Such accrued interest amounts have been calculated by BNP Paribas prior to the opening of the Offer Period in accordance with the terms and conditions of the relevant Existing Notes and are set out in the table below.

The Exchange and Tender Price, the Accrued Interest and the Minimum Delivery Amount for each Series of Existing Notes is set below:

Existing Notes	ISIN Code	Exchange Price and Tender Price (excluding Accrued Interest)	Accrued Interest up to 30 December 2009 (excluded)	Minimum Delivery Amount
Series 1 Existing Notes	LU0002906534	70.000%	US\$0.00	US\$115,000
Series 2 Existing Notes	GB0040811647	70.000%	US\$0.00	US\$115,000
Series 3 Existing Notes	FR0008131403	70.000%	US\$1.86626	US\$115,000

This Exchange and Tender Offer Memorandum does not constitute an offer or an invitation to participate in the Offers in any jurisdiction in or from which, or to any person to whom, it is unlawful to make such offer or invitation under applicable laws. No action has been or will be taken in any jurisdiction by the Issuer, the Arranger or the Exchange and Tender Agents that would constitute a public offering of the New Notes, other than in Luxembourg (See "Offer Restrictions"). Accordingly and taking into account the nominal amount of the New Notes to be issued in Exchange for the Existing Notes, the New Notes are being offered for exchange in minimum amounts of US\$80,000 (the **Minimum New Note Amount**). Holders of Existing Notes must deliver a principal amount of Existing Notes (the **Minimum Delivery Amount**) sufficient to allow them to receive the relevant Minimum New Note Amount, or their Existing Notes will not be accepted for exchange. There is no minimum amount for Existing Notes presented in the Tender Offer.

As mentioned above, the Issuer invites all Holders of Series 1 Existing Notes, Series 2 Existing Notes and Series 3 Existing Notes to offer to exchange for Series 1 New Notes or Series 2 New Notes (the terms and conditions of which are set out in Part A and Part B of the "Terms and Conditions of New Notes and Forms", respectively) and/or sell for cash any or all of such Existing Notes that are outstanding. The Exchange Offer and the Tender Offer will be made on any and all Series 1 Existing Notes, Series 2 Existing Notes and Series 3 Existing Notes outstanding.

Under the Exchange Offer, Holders who validly tender their Existing Notes will receive relevant New Notes in a principal amount (rounded down to the nearest US\$2,000) equal to the aggregate principal amount of such Existing Notes offered for exchange multiplied by the relevant Exchange Price.

Such Holders will also receive any Accrued Interest in respect with such Existing Notes up to (but excluding) the Settlement Date and any applicable Cash Rounding Amount. The **Cash Rounding Amount** is the amount in cash (rounded to the nearest US\$0.01, with half a cent being rounded upwards) to be paid by the Issuer to a Holder on the Settlement Date for any fractional portion of New Notes that such Holder would otherwise be entitled to receive as a result of the application of the relevant Exchange Price that is not an integral multiple of US\$2,000.

Holders who validly tender their Existing Notes in the Tender Offer will receive the Tender Amount as well as Accrued Interest, if applicable, in respect of such Existing Notes up to (but excluding) the Settlement Date.

Procedures for Offering to Exchange or Offering to Sell Existing Notes

Notes held through Clearing Systems

A Holder wishing to participate in any of the Offers must submit, or arrange to have submitted on its behalf, at or before the Expiration Time and, in each case, before the deadlines set by each Clearing System, an Electronic Instruction to the relevant Clearing System in accordance with the normal procedures of such Clearing System. Holders should check with their bank, securities broker or any other Intermediary through which they hold their Existing Notes whether such Intermediary will apply different deadlines for participation from those set out in this Exchange and Tender Offer Memorandum and, if so, should follow those deadlines. A separate Electronic Instruction must be completed by or on behalf of each Holder and clearly specify whether the Holder wishes to participate in the Exchange Offer and/or the Tender Offer.

Holders can submit an Electronic Instruction by either (i) logging on to the electronic platform provided for this purpose by Euroclear and Clearstream, Luxembourg (as appropriate), currently being Euclid and CreationOnline respectively, or (ii) sending a SWIFT or Telex or any other tested electronic message in accordance with their established procedures for communication with the relevant clearing system.

The receipt of an Electronic Instruction by the relevant Clearing System will constitute instructions to debit the holder's securities account on the Settlement Date in respect of all of the Existing Notes that it has submitted for exchange or sale upon receipt by the relevant Clearing System of an instruction from the Principal Exchange and Tender Agent to accept those Existing Notes in the Offers and against credit of New Notes, Accrued Interest, Cash Rounding Amount and/or Tender Amount, as the case may be.

The offer of Existing Notes for exchange or sale by a Holder will be deemed to have occurred upon receipt by the Principal Exchange and Tender Agent from the relevant Clearing System of a valid Electronic Instruction in accordance with the requirements of such Clearing System. The receipt of such Electronic Instruction will be acknowledged in accordance with the standard practices of such Clearing System and will result in the blocking of Existing Notes in the relevant Clearing System so that no transfers may be effected in relation to such Existing Notes.

Holders must take the appropriate steps through the relevant Clearing System to ensure that no transfers may be effected in relation to such blocked Existing Notes at any time after such date, in accordance with the requirements of the relevant Clearing System and the deadlines required by such Clearing System. By blocking its Existing Notes in the relevant Clearing System, each Holder will be deemed to consent to the relevant Clearing System providing details concerning such Holder's identity to the Issuer, Arranger and Principal Exchange and Tender Agent.

Only Direct Participants may submit Electronic Instructions. If a Holder is not a Direct Participant, it must arrange for the Direct Participant through which it holds Existing Notes to submit an Electronic Instruction on its behalf to the relevant Clearing System prior to the deadline specified by the relevant Clearing System.

Notes held outside the Clearing Systems in Bearer or Registered form

A Holder of Existing Definitive Notes held outside the Clearing Systems wishing to participate in any of the Offers must complete and submit, or arrange to have submitted on its behalf, at or before the Expiration Time a duly completed Definitive Notes Instruction to the Luxembourg Exchange and Tender Agent in the manner specified herein. The Definitive Notes Instruction must clearly specify whether the Holder wishes to participate in the Exchange Offer and/or the Tender Offer and must contain a representation from the Holder that it is the sole, legal and beneficial, owner and holder or bearer of all the Existing Definitive Notes which are the subject of the Definitive Notes Instruction. Such Holders shall also deliver, or arrange for the delivery to the Luxembourg Exchange and Tender Agent of, the bearer Definitive Existing Notes and/or registered certificate(s) which are the subject of the Definitive Notes Instruction. In order to be able to receive New Notes on completion of the relevant Offer, Holders of Existing Definitive Notes held outside the Clearing Systems must, in completing the Definitive Notes Instruction, provide a valid securities account number in a Clearing System. If a Holder of Existing Definitive Notes held outside the Clearing Systems does not have such an account it should arrange for such an account to be opened in its favour by an Intermediary or any such other party providing custody services. If Holders are unsure of what actions they need to take in setting up a Clearing Systems account, do not have an Intermediary, they should contact the Arranger and Structuring Adviser as soon as possible.

Holders of such Existing Notes who have lost their bearer Definitive Existing Notes and/or registered certificate(s) should notify the Luxembourg Exchange and Tender Agent as soon as possible and in any event no later than 3.00 p.m. (London time) on the day prior to the Expiration Date. Such Holders should complete the Declaration and Indemnity that forms part of the Definitive Notes Instruction and return the completed Definitive Notes Instruction (including the completed Declaration and Indemnity) to the Luxembourg Exchange and Tender Agent by no later than the Expiration Time. Indemnities will only be accepted in lieu of Definitive Existing Notes at the discretion of the Issuer. A Definitive Notes Instruction in respect of Definitive Existing Notes held outside the Clearing Systems will not be valid unless or until the Definitive Existing Notes to which the Definitive Notes Instruction relates have been received by the Luxembourg Exchange and Tender Agent together with a duly completed Declaration and Indemnity and accepted by the Issuer.

The offer of Definitive Existing Notes for exchange or sale by a Holder will be deemed to have occurred upon receipt by the Luxembourg Exchange and Tender Agent of the valid Definitive Notes Instruction and of the Definitive Existing Notes to which it relates. The Holder may request a receipt from the Luxembourg Exchange and Tender Agent acknowledging the delivery of a valid Definitive Notes Instruction and confirming its agreement to hold the Definitive Existing Notes on behalf of the Holder until the Settlement Date. No transfers may be effected in relation to such deposited Definitive Existing Notes at any time after such date.

Other information relating to the Procedures for Offering to Exchange or Offering to Sell Existing Notes

To be valid, a Definitive Notes Instruction must specify the Existing Notes to which the Definitive Notes Instruction relates, whether the Holder wishes to participate in the Exchange Offer and/or the Tender Offer, the cash account to which it wishes the Accrued Interest and the Cash Rounding Amount or the Tender Amount, as the case may be, to be credited and any other information required by the relevant Clearing System or the Exchange and Tender Agents.

To be valid, an Electronic Instruction must specify the Existing Notes to which the Electronic Instruction relates, whether the Holder wishes to participate in the Exchange Offer and/or the Tender Offer, the securities account to which such Existing Notes are credited, any other information required by the relevant Clearing System or the Exchange and Tender Agents. Any Accrued Interest, Cash Rounding Amount or Tender Amount, as the case may be, will be credited to the securities account to which such Existing Notes are currently credited.

All questions as to the validity, form and eligibility (including time of receipt) of any Electronic Instruction or any Definitive Notes Instruction will be determined solely by the Issuer. The Issuer's determination as to whether or when an Electronic Instruction or a Definitive Notes Instruction is received, whether it is duly completed or whether it is validly withdrawn, shall be final and binding.

Holders whose Existing Notes are held in the name of a broker, dealer, bank, trust company or other nominee or custodian (collectively, an **Intermediary**) and who wish to participate in the Exchange Offer and/or the Tender Offer should contact such entity sufficiently in advance of the Expiration Date, and procure that their Existing Notes are blocked in accordance with the normal procedures and deadlines of the relevant Clearing System or in the case of Definitive Existing Notes that such Notes are delivered to the Luxembourg Exchange and Tender Agent in accordance to their procedures and deadlines.

The offer by a Holder or a Direct Participant to participate in the Exchange Offer and/or the Tender Offer may only be revoked by such Holder or Direct Participant in the limited circumstances set out in "Terms of the Offers - Withdrawal Rights" by submitting an electronic withdrawal instruction to the relevant Clearing System in accordance with the procedures of such Clearing System, or in the case of Definitive Existing Notes, a written withdrawal instruction to the Exchange and Tender Agents.

Subject to, and effective upon, the acceptance by the Issuer of the principal amount of Existing Notes tendered in accordance with the terms and subject to the conditions of the relevant Offer, a tendering Holder will be deemed to have agreed to assign and transfer to, or upon the order of, the Issuer, all right, title and interest in and to all of the Existing Notes tendered and to waive any and all other rights with respect to the Existing Notes (including, without limitation, any existing or past defaults and their consequences in respect of the Existing Notes and the claims the Holder may have now, or may have in the future, arising out of, or related to, the Existing Notes, including, without limitation, any claims that the Holder is entitled to receive additional principal or interest payments with respect to such Existing Notes or to participate in any repurchase or redemption of the Existing Notes).

In addition, by tendering its Existing Notes pursuant to an Offer, a Holder will be deemed to have irrevocably granted all necessary authority to the Exchange and Tender Agents (with full knowledge that such Exchange and Tender Agents act as agents of the Issuer) with respect to any tendered Existing Notes,

with full power of substitution and re-substitution, to (1) transfer ownership of such Existing Notes, either on the account books maintained by the Clearing Systems together with all accompanying evidences of transfer and authenticity or otherwise, to or upon the order of the Issuer and (2) receive all benefit or otherwise exercise all rights of beneficial ownership of such Existing Notes, all in accordance with the terms of the Offers.

By submitting a valid Electronic Instruction to the relevant Clearing System in accordance with the standard procedures of the relevant Clearing System, or in the case of Definitive Existing Notes, a valid Definitive Notes Instruction to an Exchange and Tender Agent, Holders shall be deemed to make the acknowledgements, representations, warranties and undertakings set out below to the Issuer, the Arranger and the Exchange and Tender Agents on each of the Expiration Date and Settlement Date (if the relevant Holder is unable to give such representations, warranties and undertakings, such Holder or the relevant Direct Participant on its behalf should contact the Arranger immediately).

Acknowledgements, Representations, Warranties and Undertakings

By submitting an Electronic Instruction or a Definitive Notes Instruction, as the case may be, each Holder and the relevant Direct Participant (on behalf of the relevant Beneficial Owner) represents, warrants and undertakes that:

The receipt from a Holder of a Definitive Notes Instruction by the Luxembourg Exchange and Tender Agent will constitute instructions to, on the Settlement Date, receive all of the Existing Notes that such Holder has offered for exchange and/or offered to sell and which have been accepted, for the account of the Issuer and against credit of the New Notes and payment by, or on behalf of, the Issuer of any Accrued Interest and Cash Rounding Amount (if any) and/or payment by, or on behalf of, the Issuer of the Tender Amount subject to the withdrawal of such Definitive Notes Instruction (in the limited circumstances in which such withdrawal is permitted) in accordance with the procedure set out in this Exchange and Tender Offer Memorandum.

In addition, delivery of an Offer Instruction will constitute voting instructions in favour of the Proposal as defined and more fully set out in "Meeting of Holders" below.

Responsibility for Delivery of Notices

None of the Issuer, the Arranger or the Exchange and Tender Agents will be responsible for the communication of offers to exchange and/or offers to sell and corresponding Notices by:

- Beneficial Owners to the Direct Participant through which they hold Existing Notes;
- the Direct Participant to the relevant Clearing System; or
- Holders to the Exchange and Tender Agents.

If a Beneficial Owner holds its Existing Notes through a Direct Participant, such Beneficial Owner should contact that Direct Participant to discuss the manner in which transmission of the Electronic Instruction and, as the case may be, transfer instructions may be made on its behalf.

If a Holder holds Definitive Existing Notes through a Direct Participant, such Holders should contact the Luxembourg Exchange and Tender Agent to discuss the manner in which transmission of the Definitive Notes Instruction, its Definitive Existing Notes and, as the case may be, transfer instructions may be made on its behalf.

In the event that the Direct Participant through which a Beneficial Owner holds its Existing Notes is unable to submit an Electronic Instruction on its behalf, such Beneficial Owner should telephone the Principal Exchange and Tender Agent for assistance on the number which appears on the back cover page of this Exchange and Tender Offer Memorandum.

Holders, Direct Participants and Beneficial Owners are solely responsible for arranging the timely delivery of their Electronic Instruction or Definitive Notes Instruction, as the case may be.

If a Beneficial Owner offers its Existing Notes through a Direct Participant, such Beneficial Owner should consult with that Direct Participant as to whether it will charge any service fees in connection with the participation in the Offers.

Amendment and Termination

Notwithstanding any other provision of the Offers, the Issuer may, subject to applicable laws, at its option and in its sole discretion at any time before the Expiration Time on the Expiration Date:

- extend the Expiration Date or re-open the Offers, as applicable (in which case all references in this Exchange and Tender Offer Memorandum to "Expiration Date" and "Expiration Time", as applicable shall, unless the context otherwise requires, be to the latest date and time to which the Expiration Date, as applicable, has been so extended or the Offers re-opened);

- otherwise extend, re-open or amend the Offers in any respect (including, but not limited to, any extension, re-opening, increase, decrease or other amendment, as applicable, in relation to the Expiration Date, the Settlement Date, each Exchange Price, each Tender Price, each New Note Price and/or the terms and conditions of the New Notes);
- delay acceptance or, subject to applicable law, exchange of Existing Notes validly submitted for exchange in the Exchange Offer or submitted for sale in the Tender Offer until satisfaction or waiver (if permitted) of the conditions to the Offers, even if the relevant Offer has expired;
- terminate the Offers in respect of any Series of Existing Notes, including with respect to any Electronic Instruction or Definitive Notes Instruction submitted before the time of such termination; or
- in respect of any Series of Existing Notes, choose not to accept all valid offers to exchange or offers to sell received by the Exchange and Tender Agents prior to the Expiration Time.

The Issuer also reserves the right at any time to waive any or all of the conditions of the Offers as set out in this Exchange and Tender Offer Memorandum.

The Issuer will ensure Holders are notified of any such extension, re-opening or amendment as soon as is reasonably practicable after the relevant decision is made by (i) the issue of a press release to a Notifying News Service, (ii) the delivery of notices to the Clearing Systems for communication to Direct Participants and (iii) publication on the Issuer's website (invest.bnpparibas.com) and on the website of the Luxembourg Stock Exchange (www.bourse.lu).

Withdrawal Rights

If any amendment to the terms and conditions of the Offers is made by the Issuer as set out in "Amendment and Termination" above and, in the Issuer's opinion, such amendment or the content of such supplement is materially prejudicial to Holders that have already submitted an Electronic Instruction or a Definitive Notes Instruction before the announcement of such amendment or supplement (which announcement shall include a statement that in the Issuer's opinion such amendment, or the contents of such supplement, is materially prejudicial to such Holders), then such Electronic Instruction or Definitive Notes Instruction may be revoked at any time from the date and time of the notification of such amendment or supplement until 11.00 a.m., London time, on the second Business Day following such announcement or notification (subject to the earlier deadlines required by the Clearing Systems or any Intermediary through which Holders hold their Existing Notes).

Holders wishing to exercise any such right of revocation should do so by submitting an electronic withdrawal notice in accordance with the procedures of the relevant Clearing System or, in the case of Definitive Existing Notes, a written withdrawal notice to the Luxembourg Exchange and Tender Agent. Beneficial owners of Existing Notes that are held through an Intermediary are advised to check with such entity when it would require to receive instructions to revoke an Electronic Instruction or Definitive Notes Instruction in order to meet the above deadline. For the avoidance of doubt, any Holder who does not exercise any such right of revocation in the circumstances and in the manner specified above, shall be deemed to have waived such right of revocation and its original Electronic Instruction or Definitive Notes Instruction will remain effective.

Irregularities

All questions as to the validity, form and eligibility (including the time of receipt) of any Electronic Instruction or Definitive Notes Instruction, offer to exchange or offer to sell Existing Notes or revocation or revision thereof or delivery of Existing Notes will be determined by the Issuer in its sole discretion, which determination will be final and binding. The Issuer reserves the absolute right to reject any and all Electronic

Instruction or Definitive Notes Instruction not in proper form. The Issuer also reserves the absolute right to waive any of the conditions of the Offers or defects in the Electronic Instruction or Definitive Notes Instruction with regard to any Existing Notes. None of the Issuer, the Arranger or the Exchange and Tender Agents shall be under any duty to give notice to Holders, Direct Participants or Beneficial Owners of any irregularities in Electronic Instruction or Definitive Notes Instruction nor shall any of them incur any liability for failure to give notification of any material amendments to the terms and conditions of the Offers.

Participation by the Arranger

The Arranger may, subject to offer restrictions, submit Offer Instructions on behalf of other Holders.

Exchange and Tender Agents

The Issuer will pay the Exchange and Tender Agent fees to Lucid Issuer Services Limited and BGL BNP Paribas for their services and will reimburse them for reasonable out-of-pocket expenses in connection with the Offers.

Fees and Expenses

The principal solicitation of eligible offerees is being made through the Clearing Systems. Additional solicitations of eligible offerees may, however, be made by mail, email, facsimile transmission, telephone or in person by the Arranger, as well as by the Issuer's officers and other employees and those of the Issuer's affiliates. No additional compensation will be paid to any officers or employees who engage in soliciting. The Issuer will bear the expenses of soliciting tenders of the Existing Notes.

Holders of Existing Notes that participate in an Offer will not be required to pay any fee or commission to the Arranger. If, however, a participating Holder handles the transaction through its broker, dealer, commercial bank, trust company or other institution, that Holder may be required to pay brokerage fees or commissions to such broker, dealer, commercial bank, trust company or other institution.

Meeting of Holders

A meeting of the Holders of the Series 1 Existing Notes and a meeting of the Holders of the Series 2 Existing Notes will be held on 9 December 2009 on first call (and, if necessary, on 23 December 2009 on second call) in order to vote on a resolution submitted by the Issuer requesting each such meeting to approve the proposal (the **Proposal**) of the Issuer to exchange all but not some of the principal amount of Existing Notes of that Series outstanding after the end of the Offer Period for the principal amount of Series 1 New Notes multiplied by the relevant Exchange Price (for voting process and proposed resolutions, see Part C of "Terms and Conditions of the New Notes and Forms"). Such exchange is one of the matters which such a meeting of Holders has power to sanction under the relevant provisions applicable to the Existing Notes. Any Holders of Existing Notes will only continue to be Holders thereof to the extent that such resolutions are not passed. Otherwise all Holders of Existing Notes will have such Existing Notes exchanged for Series 1 New Notes in accordance with the resolutions. The relevant exchange will occur on the Settlement Date at the same time as the settlement of the Offers described in this Exchange and Tender Offer Memorandum.

The text of the resolutions to be voted upon at the Holders' meetings is set out in Part C of "Terms and Conditions of the New Notes and Forms" for information purposes only. Any Holders of Existing Notes will only continue to be Holders thereof to the extent that such resolutions are not passed. Otherwise all Holders of Existing Notes will have such Notes exchanged in accordance with the resolutions.

The submission of a Definitive Notes Instruction will have the effect of granting power and authority to Mr. Antoine Lachenaud, and in his absence, Mr. Arnaud Métayer, to vote on behalf of the relevant Holder in favour of the Proposal.

An Electronic Instruction submitted by a Holder will automatically instruct the principal paying agent under the Existing Notes to appoint Mr. Antoine Lachenaud, and in his absence, Mr. Arnaud Métayer, as its proxy to attend the relevant meeting and to vote in favour of the Proposal in respect of the Existing Notes which are the subject of the Electronic Instruction.

Consequences of not Exchanging or Tendering Existing Notes

The trading market for Existing Notes not exchanged or tendered in the Offers, may be more limited than it is at present. Therefore, investors who continue to hold Existing Notes which have not been accepted in the Offers or which have not been offered for exchange or tender may find it difficult to sell or transfer their unexchanged Existing Notes. See “Risk Factors”.

Governing Law

The terms of the Offers, including without limitation each Offer Instruction shall be governed by, and construed in accordance with, French law. By submitting an Offer Instruction a Holder or Direct Participant irrevocably and unconditionally agrees for the benefit of the Issuer, the Arranger and the Exchange and Tender Agents that the competent courts in Paris are to have jurisdiction to settle any disputes which may arise out of or in connection with the Offers or any of the documents referred to above and that, accordingly, any suit, action or proceedings arising out of or in connection with the foregoing may be brought in such courts.

Miscellaneous

Holders who need assistance with respect to the procedure relating to making an offer to exchange or an offer to sell should contact the Exchange and Tender Agents, the contact details for whom appear on the back cover page of this Exchange and Tender Offer Memorandum.

The

Issuer will not provide any post-issuance information other than as set forth herein or except if required by any applicable laws and regulations.

5. Material change

There has been no material adverse change in the prospects of the Issuer or the Group since 31 December 2008.

Save as disclosed in this Exchange and Tender Offer Memorandum, in the English translation of the Issuer's Second Update to the 2008 Registration Document and Semi Annual Financial Report filed with the AMF on 7 August 2009 and the English translation of the Issuer's Third Update to the 2008 Registration Document filed with the AMF on 10 November 2009 there has been no significant change in the financial position of the Group, since the end of the last financial period for which interim financial statements have been published as at 30 June 2009.

6. Litigation

Save as disclosed below, there have been no governmental, legal or arbitration proceedings, during the period covering at least the 12 months prior to the date of this Exchange and Tender Offer Memorandum which may have, or have had in the recent past, significant effects on the Issuer and/or the Group's financial position or profitability.

In December 2006, the Issuer was named as a defendant, along with AWB Limited (an Australian exporter of wheat) and Commodity Specialists Company (a wheat trader based in Minneapolis), in a putative class action lawsuit brought in New York. The plaintiffs attempted to assert claims on behalf of all Iraqis who resided in the three northern governorates of Iraq to recover the value of money that the Iraqi Government allegedly demanded be paid to it by entities that supplied goods to it pursuant to the United Nations Oil-for-Food Program. On 10 October 2007, the Issuer filed a motion to dismiss the action on the grounds that the Court lacked jurisdiction to hear the case and the plaintiffs had failed to state a claim against the Issuer. By order dated 30 September 2008, the court granted the Issuer's motion and dismissed the case in its entirety, on the grounds that jurisdiction was lacking because plaintiffs lacked standing to bring suit. On 22 October 2008, the plaintiffs filed a notice of appeal. The Second Circuit of the Federal Court of Appeals has confirmed on 2 October 2009 the district court decision rejecting the complaint. Theoretically, the claimant could petition the Supreme Court within a period of three months (extendible for two additional months).

7. Material contracts

The Issuer has not entered into contracts outside the ordinary course of the Issuer's business, which could result in the Issuer or any member of the Group being under an obligation or entitlement that is material to the Issuer's ability to meet its obligation to holders of the Notes.

8. Third party information

Information contained in this Exchange and Tender Offer Memorandum which is sourced from a third party has been accurately reproduced and, as far as the Issuer is aware and is able to ascertain from information published by the relevant third party, no facts have been omitted which would render the reproduced information inaccurate or misleading. The Issuer has also identified the source(s) of such information.

9. Statutory Auditors

The statutory auditors of the Issuer are currently the following:

- (i) Deloitte & Associés (which has replaced Barbier Frinault & Autres) was appointed as Statutory Auditor at the Annual General Meeting of 23 May 2006 for a six-year period expiring at the close of

The Statutory Auditors have audited the consolidated financial statements of the Group as of and for the years ended 31 December 2007 and 2008 and issued an unqualified opinion.

The addresses of the statutory auditors of the Issuer are as follows:

- (i) PricewaterhouseCoopers Audit, 63, rue de Villiers, 92208 Neuilly-sur-Seine Cedex, France;
- (ii) Deloitte & Associés, 185, avenue Charles de Gaulle, 92524 Neuilly-sur-Seine Cedex, France; and
- (iii) Mazars, 61, rue Henri-Regnault, 92400, Courbevoie, France.

10. Conflict of interest

Apart from the Issuer, no person involved in the offer of the New Notes has an interest material to the offer of the New Notes.

At the date of this Exchange and Tender Offer Memorandum, there is no conflict of interest that is material to the Offers or the issuance of the New Notes.

The New Notes do not carry a fixed date for redemption and the Issuer is not obliged, and under certain circumstances is not permitted, to make payments on the Notes at the full stated rate. In relation to Series 2 New Notes, the estimated yield to 30 December 2019 will be published on 22 December 2009 on the website of the Luxembourg Stock Exchange (www.bourse.lu).

12. Post-issuance information

The Issuer does not intend to provide any post-issuance information, except if required by any applicable laws and regulations.

4. INTEREST AND INTEREST SUSPENSION

4.1. General

The Notes bear interest on their Current Principal Amount at a floating rate equal to 3-month USD LIBOR plus the Margin (the **Interest Rate**), as determined by the Calculation Agent in accordance with Condition 4.2 below and payable quarterly in arrear on a non-cumulative basis on 30 March, 30 June, 30 September and 30 December of each year (each, an **Interest Payment Date**).

Interest will cease to accrue on the Notes on the due date for redemption thereof unless, upon such due date, payment of principal is improperly withheld or refused or if default otherwise occurs in respect of payment thereof. In such event, interest will continue to accrue at the relevant rate as specified in the preceding paragraph (before as well as after any judgment) on the Original Principal

Amount of the Notes until the day on which all sums due in respect of the Notes up to that day are received by or on behalf of the relevant Noteholder.

4.2. Interest Rate

4.2.1. Determination of the Interest Rate

The Notes bear interest at the Interest Rate, payable (subject to Condition 4.3) on each Interest Payment Date.

The Interest Rate for each Interest Period will be determined by the Calculation Agent on the following basis:

- (a) the Calculation Agent will determine the 3-month rate for deposits in U.S. dollars which appears on the display designated on Reuters Page LIBOR01 (or such other page as may replace that page on that service, or such other service as may be nominated as the information vendor, for the purpose of displaying comparable rates) as of 11:00 a.m. (London time), on the second London Business Day before the first day of the relevant Interest Period (the **Interest Determination Date**); or
- (b) if at the specified time such rate does not appear on that page, the Calculation Agent will:
 - (A) request the principal London office of each of four major banks in the London interbank market as selected by it (but which shall not include the Calculation Agent) to provide a quotation of the rate at which deposits in U.S. dollars are offered by it at approximately 11:00 a.m. (London time) on the Interest Determination Date to prime banks in the London interbank market for a 3-month period and in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean (rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, 0.000005 being rounded upwards) of such quotations with the highest and the lowest (or in the event of equality, one of the highest and/or the lowest) of such quotations being disregarded for the purposes of the calculations; or
- (c) if fewer than two such quotations are provided as requested by the Calculation Agent in accordance with the above paragraph, the Calculation Agent will determine the arithmetic mean (rounded, if necessary, as aforesaid) of the rates quoted by major banks in London, selected by the Calculation Agent, at approximately 11:00 a.m. (London time) on the first day of the relevant Interest Period for loans in U.S. dollars to leading Euro-zone banks for a 3-month period commencing on the first day of such Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Interest Rate for such Interest Period shall be equal to the sum of the Margin per annum and the rate or (as the case may be) the arithmetic mean so determined; provided, however, that if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Interest Rate applicable to the Notes during such Interest Period will be the Interest Rate which applied to the immediately preceding Interest Period.

4.2.2. Calculation of Interest Amount by the Calculation Agent

The Calculation Agent will, as soon as practicable after 11.00 a.m. (London time) on each Interest Determination Date in relation to each Interest Period, calculate the amount of interest (the **Interest Amount**) payable in respect of each Note for such Interest Period. The Interest Amount payable on the Notes on the relevant Interest Payment Date will be the product of the Current Principal Amount of the Notes and the Interest Rate for such Interest Period, multiplied by the actual number of days in such Interest Period divided by 360 and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

If interest is required to be calculated in respect of the Interest Period where the Current Principal Amount of the Notes is less than their Original Principal Amount for a portion thereof, it shall be calculated by the Calculation Agent by applying the Interest Rate to the Current Principal Amount of the Notes as determined from time to time within the Interest Period, multiplying such product by the actual number of days divided by 360 for each relevant portion of the Interest Period, adding the results for all such portions and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

4.2.3. Publication of Interest Rate and Interest Amount

The Calculation Agent will cause the Interest Rate and the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Fiscal Agent and the Luxembourg Stock Exchange and will cause the publication thereof in accordance with Condition 11 on or as soon as practicable after the first day of the relevant Interest Period. The Interest Amount so published may subsequently be amended (or appropriate arrangements made by way of adjustment). If the Notes become due and payable under Condition 6.2(b) or 6.3 (in case of a purchase of all the outstanding Notes) or under Condition 9, no publication of the Interest Rate or the Interest Amount so calculated need be made.

4.3. Mandatory Interest and Optional Interest

4.3.1. Mandatory Interest Payment

The Issuer shall, on each Mandatory Interest Payment Date, for so long as the mandatory interest provisions apply (as set out in the definition of "Mandatory Interest Payment Date"), pay interest on the Notes accrued to that date in respect of the Interest Period ending immediately prior to such Mandatory Interest Payment Date.

In order to calculate the amount of interest required to be paid on the Notes on a Mandatory Interest Payment Date pursuant to this Condition 4.3.1 (the **Mandatory Interest Payment**):

- (i) if the Mandatory Interest Payment results from an event described in sub-paragraph (i) of the definition of Mandatory Interest Payment Date, it will be calculated on the basis of the Current Principal Amount of the Notes applying the Interest Rate for such Interest Period, as the case may be, and
- (ii) if the Mandatory Interest Payment results from an event described in sub-paragraph (ii) of the definition of Mandatory Interest Payment Date, it shall be equal to the Notional Interest Amount.

Notional Interest Amount means, in respect of any Note, the amount of interest which would have been payable, absent a non-payment of interest pursuant to Conditions 4.3.2 and

4.4 below, for the one-year period prior to, and including, such Interest Payment Date, calculated by the Issuer on the basis of the Current Principal Amount of such Note, multiplied by the Underlying Security Payment Percentage, as calculated by the Issuer prior to the relevant Interest Payment Date.

Underlying Security means the class of Parity Securities in respect of which the payments made represent the highest proportion of the payment which would have been payable during the one-year period prior to, and including, the relevant Interest Payment Date.

Underlying Security Payment Percentage means the ratio, calculated by the Issuer as a percentage, equal to (i) the payments effectively made on the Underlying Security during the one-year period prior to, and including, the relevant Interest Payment Date, divided by (ii) the maximum amount of the payments which would have been payable during such period on the Underlying Security.

Interest accrued and payable on any Mandatory Interest Payment Date is not subject to reduction in accordance with Condition 5.1.

4.3.2. Optional Interest Payment

For so long as the mandatory interest provisions do not apply, the Issuer may elect not to pay interest on any Optional Interest Payment Date, in particular with a view to restoring its regulatory capital in order to ensure the continuity of its activities without weakening its financial structure.

On any Optional Interest Payment Date, the Issuer may, at its option, pay all or part of the interest in respect of the Notes accrued to that date in respect of the Interest Period ending immediately prior to such Optional Interest Payment Date, but the Issuer shall have, subject to such election and decision having been made as described above, no obligation to make such payment and any such failure to pay shall not constitute a default by the Issuer under the Notes or for any other purpose.

Notice of non-payment of all or any interest under the Notes on any Optional Interest Payment Date (an **Interest Non-Payment Notice**) shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, to the Luxembourg Stock Exchange. The Interest Non-Payment Notice shall be given no later than two London Business Days prior to the relevant Optional Interest Payment Date.

Save as otherwise provided, any interest not paid on an Optional Interest Payment Date will be forfeited and accordingly will no longer be due and payable by the Issuer.

The amount of Broken Interest in respect of the Interest Period ending immediately prior to any Optional Interest Payment Date may be reduced following a Capital Deficiency Event, as provided in Condition 5.1.

Payment of interest will automatically be suspended upon the occurrence of a Capital Deficiency Event (and until the occurrence of an End of Capital Deficiency Event), unless the relevant Interest Payment Date is a Mandatory Interest Payment Date.

4.4. Optional Interest and Capital Deficiency Event

4.4.1. Interest Payable on Optional Interest Payment Dates Following the Occurrence of a Capital Deficiency Event

In the event that during any Interest Period, on or at any time prior to the fifth Business Day prior to an Optional Interest Payment Date, a Capital Deficiency Event has occurred or would occur upon payment of the interest due on the next Optional Interest Payment Date:

- (i) the accrual of interest, if any, in respect of the Notes shall automatically be suspended. In addition, the amount of Broken Interest may be reduced to absorb losses in accordance with Condition 5.1; and
- (ii) no interest on the Notes shall accrue nor be payable by the Issuer with respect to the remaining period in such Interest Period or any other Interest Period during the period starting on the date of the Capital Deficiency Event and ending on the date of the End of Capital Deficiency Event.

4.4.2. Interest Payable on Optional Interest Payment Dates after End of Capital Deficiency Event

At the option of the Issuer, any Broken Interest, to the extent not reduced to absorb losses in accordance with Condition 5.1, may be paid on the first Optional Interest Payment Date falling on or after the date of the End of Capital Deficiency Event. Any Broken Interest not paid by the Issuer on such first Optional Interest Payment Date will be forfeited.

In respect of any Optional Interest Payment Date which occurs on or after the End of Capital Deficiency Event, interest on the Notes will recommence accruing on its Current Principal Amount, on the basis of the number of days elapsed during the period from (and including) the date of End of Capital Deficiency Event to (but excluding) the next succeeding Interest Payment Date as calculated by the Calculation Agent in accordance with Condition 4.1 or, as the case may be, 4.2. At the option of the Issuer, such interest may be paid on the next succeeding Optional Interest Payment Date occurring as from the date of the End of Capital Deficiency Event (inclusive). Any such interest not paid by the Issuer on such first Optional Interest Payment Date will be forfeited.

5. LOSS ABSORPTION AND RETURN TO PROFITABILITY

5.1. Loss Absorption

In the event that, at any time, a Capital Deficiency Event has occurred, the board of directors of the Issuer will convene an extraordinary shareholders' meeting to be held during the three months following the occurrence of such event in order to propose a share capital increase or any other measure regarded as necessary or useful to remedy such event. If a share capital increase or any such other proposed measure is not adopted by the Issuer's extraordinary shareholders' meeting or if the share capital increase is not sufficiently subscribed to remedy such event in full, or if such event remains in effect at the end of the Quarter following the Quarter during which the Capital Deficiency Event has occurred, the board of directors of the Issuer will implement, within ten days, a reduction of the amount of Broken Interest, if any, and thereafter for purposes of computing the Interest Amount a reduction of the Current Principal Amount of the Notes (a **Loss Absorption**). **Quarter** means one quarter of a calendar year, *i.e.*, 1st January to 31st March, 1st April to 30th June, 1st July to 30th September and 1st October to 31st December.

Notwithstanding any other provision, the Current Principal Amount of each Note shall never be reduced to an amount lower than one cent of one U.S. dollar (USD 0.01).

The amounts by which Broken Interest and, as the case may be, the Current Principal Amount of the Notes are reduced to enable the Issuer to absorb losses in order to ensure the continuity of its activities in accordance with the Applicable Banking Regulations, will be (in the case that a Capital Deficiency Event has occurred pursuant to clause (a) of the definition thereof) the lower of (i) the

amount of the excess of (a) the total consolidated capital required by Applicable Banking Regulations over (b) the total consolidated capital of the Issuer after the share capital increase or any other measures adopted by the shareholders' meeting of the Issuer to remedy such Capital Deficiency Event (or the total consolidated capital of the Issuer in the absence of such measures) and (ii) the sum of the amounts of Broken Interest, if any, and the Current Principal Amount of the Notes before such reduction. In the case that a Capital Deficiency Event has occurred pursuant to clause (b) of the definition thereof, the amounts by which Broken Interest and, as the case may be, the Current Principal Amount of the Notes are reduced, will be determined by the Issuer with the consent of the Relevant Banking Regulator.

For the avoidance of doubt, the first remedy to the Capital Deficiency Event will be the share capital increase or the implementation of any other measures adopted by the extraordinary shareholders' meeting of the Issuer to remedy such Capital Deficiency Event. To the extent such increase of share capital or other measures are not sufficient, the Loss Absorption will be applied first against the amount of Broken Interest, if any, and thereafter, if necessary, against the Current Principal Amount of the Notes as herein described.

Broken Interest and the Current Principal Amount of the Notes may be reduced on one or more occasions, as required.

In the event that other Parity Securities which would be subject to such reductions are outstanding, such reductions will be applied on a pro-rata basis among the Notes and such other Parity Securities. Interest accrued and payable on any Mandatory Interest Payment Date is not subject to reduction.

Notice of any Capital Deficiency Event and of any End of Capital Deficiency Event shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, the Luxembourg Stock Exchange. Such notice shall be given as soon as practicable following the occurrence of a Capital Deficiency Event and of any End of Capital Deficiency Event. Notice of any reduction of the Current Principal Amount of the Notes shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, the Luxembourg Stock Exchange. Such notice shall be given at least seven days prior to the relevant reduction of the Current Principal Amount.

For the avoidance of doubt, the occurrence of a Capital Deficiency Event and any resulting notice will be effective only with respect to the interest amount due on the immediately following Interest Payment Date. As appropriate, the Issuer will make a new determination and deliver other notice(s) with respect to any subsequent Interest Payment Date in relation to which a Capital Deficiency Event is continuing or occurs again.

5.2. Return to Profitability

If, following a Loss Absorption, the Issuer has recorded positive Consolidated Net Income for at least two consecutive fiscal years (a **Return to Profitability**) following the end of the most recent fiscal year in which there was a Loss Absorption (the **Absorption Year End**), the Issuer shall increase the Current Principal Amount of the Notes (a **Reinstatement**) on any date and in any amount that it determines (either up to the Original Principal Amount or up to any other amount lower than the Original Principal Amount), to the extent any such Reinstatement complies with Applicable Banking Regulations.

Irrespective of whether a Return to Profitability has occurred, the Issuer shall increase the Current Principal Amount of the Notes in an amount equal to the Mandatory Reinstatement Amount on any date that it determines if (i) a Mandatory Reinstatement Event has occurred since the Absorption Year End, and (ii) the Issuer has not since such Mandatory Reinstatement Event occurred made a

Reinstatement up to the Original Principal Amount pursuant to the provisions of the immediately preceding paragraph.

The amount of any Reinstatement will not exceed the amount of the latest positive Consolidated Net Income of the Issuer.

For the avoidance of doubt, any Reinstatement shall be made in a maximum amount that will ensure that such Reinstatement does not trigger the occurrence of a Capital Deficiency Event or, except with respect to any optional redemption by the Issuer of the Notes in accordance with their terms, a worsening of a Capital Deficiency Event.

No payments will be made to holders of Equity Securities, in each case to the extent categorized as Tier 1 Capital, before all amounts due, but unpaid, to all Noteholders under the Notes have been paid by the Issuer.

In the event that other Parity Securities are outstanding and may also benefit from a reinstatement or an increase of their current principal amount in accordance with their terms, any Reinstatement will be applied on a pro-rata basis with other reinstatements or increases of the principal amount made on such other Parity Securities.

Such Reinstatement or increase of the Current Principal Amount of the Notes shall be made on one or more occasions in the conditions described above until the Current Principal Amount of the Notes has been reinstated to the Original Principal Amount (save in the event of occurrence of another Capital Deficiency Event).

For the avoidance of doubt, any Broken Interest that has been reduced pursuant to Condition 5.1 shall not be reinstated pursuant to this Condition 5.2.

Notice of any Return to Profitability shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, the Luxembourg Stock Exchange. Such notice shall be given as soon as practicable following the occurrence of a Return to Profitability. Notice of any Reinstatement and any increase of the Current Principal Amount of the Notes shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, to the Luxembourg Stock Exchange. Such notice shall be given at least seven days prior to the relevant Reinstatement and increase of the Current Principal Amount of the Notes.

6. REDEMPTION AND PURCHASE

The Notes may not be redeemed otherwise than in accordance with this Condition 6.

6.1. No Final Redemption

The Notes are undated securities in respect of which there is no fixed redemption or maturity date.

6.2. Issuer's Call Options Subject to the Approval of the Relevant Banking Regulator

(a) General Call Option

On the First Call Date and on any Interest Payment Date thereafter, the Issuer, subject to having given not less than 30, and not more than 60, days' prior notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 11, and subject to prior approval of the Relevant Banking Regulator, may, at its option, redeem the Notes in whole or in part at a price (the **Base Call Price**) equal to the Original Principal Amount of the Notes, together with any amounts outstanding thereon, including accrued interest.

In the case of a partial call, this shall be performed by way of an equal reduction of the Original Principal Amount of each of the Notes. For the avoidance of doubt, such reduction is distinct from a Loss Absorption. Following a partial call the Original Principal Amount of each Note shall be permanently reduced by the amount of principal called and paid for.

- (b) Redemption for Regulatory Reasons or Taxation Reasons
- (i) If by reason of any change in French law, any change in Applicable Banking Regulations, or any change in the official application or interpretation of such laws or regulations, becoming effective on or after the Issue Date, the proceeds of the Notes cease to be eligible as Tier 1 Capital for the Issuer, the Issuer may, at its option, at any time, subject to having given not more than 45 nor less than 30 days' notice to Noteholders (which notice shall be irrevocable) in accordance with Condition 11, and subject to the prior approval of the Relevant Banking Regulator, redeem the Notes (in whole but not in part) at the Base Call Price provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the last day before the date on which the proceeds of the Notes cease to meet the requirements to be eligible as Tier 1 Capital.

3. **STATUS OF THE NOTES AND SUBORDINATION**

The Notes are deeply subordinated notes of the Issuer issued pursuant to the provisions of Article L. 228-97 of the French *Code de commerce*.

The proceeds of the issue of the Notes will be treated, for regulatory purposes, as *fonds propres de base* of the Issuer (**Tier 1 Capital**). *Fonds propres de base* shall have the meaning given to it in Article 2 of *Règlement n° 90-02* dated 23 February 1990, as amended, of the *Comité de la Réglementation Bancaire et Financière* (the **CRBF Regulation**), or otherwise recognized as *fonds propres de base* by the SGCB. 4. INTEREST AND INTEREST SUSPENSION

4.1. General

The Notes bear interest on their Current Principal Amount at a fixed rate published on 22 December 2009 on the Issuer's website (invest.bnpparibas.com) and on the website of the Luxembourg Stock Exchange (www.bourse.lu) (the **Fixed Interest Rate**) from (and including) the Issue Date to (but excluding) the First Call Date, payable (subject to Condition 4.4) annually in arrear on a non-cumulative basis on 30 December of each year (each, a **Fixed Rate Interest Payment Date**), commencing on 30 December 2010. Thereafter, the Notes will bear interest on their Current Principal Amount at a floating rate equal to 3-month USD LIBOR plus a margin equal to 4.750 per cent. per annum (the **Floating Interest Rate**), as determined by the Calculation Agent in accordance with Condition 4.2 below and payable quarterly in arrear on a non-cumulative basis on 30 March, 30 June, 30 September and 30 December of each year (each, a **Floating Rate Interest Payment Date**), commencing on 30 March 2020. For the avoidance of doubt, the Floating Interest Rate is equivalent to the Fixed Interest Rate following conversion of the Fixed Interest Rate into a floating interest rate using the mid-market interest rate swap rate in USD as quoted at the time of pricing for a period equivalent to the Fixed Rate Interest Period plus one percent.

Interest will cease to accrue on the Notes on the due date for redemption thereof unless, upon such due date, payment of principal is improperly withheld or refused or if default otherwise occurs in respect of payment thereof. In such event, interest will continue to accrue at the relevant rate as specified in the preceding paragraph (before as well as after any judgment) on the Original Principal Amount of the Notes until the day on which all sums due in respect of the Notes up to that day are received by or on behalf of the relevant Noteholder.

4.2. Fixed Interest Rate

4.2.1. The amount of interest (the **Fixed Rate Interest Amount**) payable (subject to Condition 4.4) on the Notes on each Fixed Rate Interest Payment Date will be the product of the Current Principal Amount of the Notes and the Fixed Interest Rate, multiplied by the 30/360 day count fraction and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

4.2.2. If interest is required to be calculated in respect of a Fixed Rate Interest Period where the Current Principal Amount of the Notes is less than their Original Principal Amount for a portion thereof, it shall be calculated by the Calculation Agent by applying the Fixed Interest Rate to the Current Principal Amount of the Notes as determined from time to time within the Fixed Rate Interest Period, multiplying such product by the 30/360 day count fraction for each relevant portion of the Fixed Rate Interest Period, adding the results for all such portions and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

4.2.3. The Calculation Agent will cause such Fixed Rate Interest Amount to be notified to the Issuer, the Fiscal Agent and the Luxembourg Stock Exchange and will cause the publication thereof in accordance with Condition 11 as soon as possible after its determination but in no event later than the fourth day which is both a London Business Day and a New York Business Day thereafter.

For the purposes of this Condition:

30/360 day count fraction means, in respect of any period, the number of days in any portion of a Regular Period in respect of which payment is being made divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months); and

Regular Period means each period from (and including) the Issue Date or any Interest Payment Date to (but excluding) the next Interest Payment Date.

4.3. Floating Rate

4.3.1. Determination of Floating Interest Rate

The Notes bear interest at the Floating Interest Rate from the First Call Date, payable (subject to Condition 4.4) on each Floating Rate Interest Payment Date.

The Floating Interest Rate for each Floating Rate Interest Period will be determined by the Calculation Agent on the following basis:

- (a) the Calculation Agent will determine the 3-month rate for deposits in U.S. dollars which appears on the display designated on Reuters Page LIBOR01 (or such other page as may replace that page on that service, or such other service as may be nominated as the information vendor, for the purpose of displaying comparable rates) as of 11:00 a.m. (London time), on the second London Business Day before the first day of the relevant Floating Rate Interest Period (the **Floating Rate Interest Determination Date**); or
- (b) if at the specified time such rate does not appear on that page, the Calculation Agent will:
 - (A) request the principal London office of each of four major banks in the London interbank market as selected by it (but which shall not include the Calculation Agent) to provide a quotation of the rate at which deposits in U.S. dollars are offered by it at approximately 11:00 a.m. (London time) on the Floating Rate Interest Determination Date to prime banks in the London interbank market for a 3-month period and in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean (rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, 0.000005 being rounded upwards) of such quotations with the highest and the lowest (or in the event of equality, one of the highest and/or the lowest) of such quotations being disregarded for the purposes of the calculations or
- (c) if fewer than two such quotations are provided as requested by the Calculation Agent in accordance with the above paragraph, the Calculation Agent will determine the arithmetic mean (rounded, if necessary, as aforesaid) of the rates quoted by major banks in London, selected by the Calculation Agent, at approximately 11:00 a.m. (London time) on the first day of the relevant Floating Rate Interest Period for loans in U.S. dollars to leading Euro-zone banks for a 3-month period commencing on the first day of such Floating Rate Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Floating Interest Rate for such Floating Rate Interest Period shall be equal to the sum of the applicable Margin and the rate or (as the case may be) the arithmetic mean so determined; provided, however, that if the Calculation Agent is unable to determine a rate or

(as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Floating Rate Interest Period, the Floating Interest Rate applicable to the Notes during such Floating Rate Interest Period will be the Floating Interest Rate which applied to the immediately preceding Floating Rate Interest Period (or, if the relevant Floating Rate Interest Period is the first Floating Rate Interest Period, the sum of the last available 3-month rate for deposits in U.S. dollars which appeared on the display designated on Reuters Page LIBOR01 and the applicable Margin).

4.3.2. Calculation of Floating Rate Interest Amount by the Calculation Agent

The Calculation Agent will, as soon as practicable after 11.00 a.m. (London time) on each Floating Rate Interest Determination Date in relation to each Floating Rate Interest Period, calculate the amount of interest (the **Floating Rate Interest Amount**) payable in respect of each Note for such Floating Rate Interest Period. The Floating Rate Interest Amount payable on the Notes on the relevant Floating Rate Interest Payment Date will be the product of the Current Principal Amount of the Notes and the Floating Interest Rate for such Floating Rate Interest Period, multiplied by the actual number of days in such Interest Period divided by 360 and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

If interest is required to be calculated in respect of the Floating Rate Interest Period where the Current Principal Amount of the Notes is less than their Original Principal Amount for a portion thereof, it shall be calculated by the Calculation Agent by applying the Floating Interest Rate to the Current Principal Amount of the Notes as determined from time to time within the Floating Rate Interest Period, multiplying such product by the actual number of days divided by 360 for each relevant portion of the Floating Rate Interest Period, adding the results for all such portions and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

4.3.3. Publication of Floating Interest Rate and Floating Rate Interest Amount

The Calculation Agent will cause the Floating Interest Rate and the Floating Rate Interest Amount for each Floating Rate Interest Period and the relevant Floating Rate Interest Payment Date to be notified to the Issuer, the Fiscal Agent and the Luxembourg Stock Exchange and will cause the publication thereof in accordance with Condition 11 on or as soon as practicable after the first day of the relevant Floating Rate Interest Period. The Floating Rate Interest Amount so published may subsequently be amended (or appropriate arrangements made by way of adjustment). If the Notes become due and payable under Condition 6.2(b) or 6.3 (in case of a purchase of all the outstanding Notes) or under Condition 9, no publication of the Floating Interest Rate or the Floating Rate Interest Amount so calculated need be made.

4.4. Mandatory Interest and Optional Interest

4.4.1. Mandatory Interest Payment

The Issuer shall, on each Mandatory Interest Payment Date, for so long as the mandatory interest provisions apply (as set out in the definition of "Mandatory Interest Payment Date"), pay interest on the Notes accrued to that date in respect of the Interest Period ending immediately prior to such Mandatory Interest Payment Date.

In order to calculate the amount of interest required to be paid on the Notes on a Mandatory Interest Payment Date pursuant to this Condition 4.3.1 (the **Mandatory Interest Payment**):

- (i) if the Mandatory Interest Payment results from an event described in sub-paragraph (i) of the definition of Mandatory Interest Payment Date, it will be calculated on the basis of the Current Principal Amount of the Notes applying the Interest Rate for such Interest Period, as the case may be, and
- (ii) if the Mandatory Interest Payment results from an event described in sub-paragraph (ii) of the definition of Mandatory Interest Payment Date, it shall be equal to the Notional Interest Amount.

Notional Interest Amount means, in respect of any Note, the amount of interest which would have been payable, absent a non-payment of interest pursuant to Conditions 4.3.2 and 4.4 above, for the one-year period prior to, and including, such Interest Payment Date, calculated by the Issuer on the basis of the Current Principal Amount of such Note, multiplied by the Underlying Security Payment Percentage, as calculated by the Issuer prior to the relevant Interest Payment Date.

Underlying Security means the class of Parity Securities in respect of which the payments made represent the highest proportion of the payment which would have been payable during the one-year period prior to, and including, the relevant Interest Payment Date.

Underlying Security Payment Percentage means the ratio, calculated by the Issuer as a percentage, equal to (i) the payments effectively made on the Underlying Security during the one-year period prior to, and including, the relevant Interest Payment Date, divided by (ii) the maximum amount of the payments which would have been payable during such period on the Underlying Security.

Interest accrued and payable on any Mandatory Interest Payment Date is not subject to reduction in accordance with Condition 5.1.

4.4.2. Optional Interest Payment

For so long as the mandatory interest provisions do not apply, the Issuer may elect not to pay interest on any Optional Interest Payment Date, in particular with a view to restoring its regulatory capital in order to ensure the continuity of its activities without weakening its financial structure.

On any Optional Interest Payment Date, the Issuer may, at its option, pay all or part of the interest in respect of the Notes accrued to that date in respect of the Interest Period ending immediately prior to such Optional Interest Payment Date, but the Issuer shall have, subject to such election and decision having been made as described above, no obligation to make such payment and any such failure to pay shall not constitute a default by the Issuer under the Notes or for any other purpose.

Notice of non-payment of all or any interest under the Notes on any Optional Interest Payment Date (an **Interest Non-Payment Notice**) shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, to the Luxembourg Stock Exchange. The Interest Non-Payment Notice shall be given no later than two London Business Days prior to the relevant Optional Interest Payment Date.

Save as otherwise provided, any interest not paid on an Optional Interest Payment Date will be forfeited and accordingly will no longer be due and payable by the Issuer.

The amount of Broken Interest in respect of the Interest Period ending immediately prior to any Optional Interest Payment Date may be reduced following a Capital Deficiency Event, as provided in Condition 5.1.

Payment of interest will automatically be suspended upon the occurrence of a Capital Deficiency Event (and until the occurrence of an End of Capital Deficiency Event), unless the relevant Interest Payment Date is a Mandatory Interest Payment Date.

4.5. Optional Interest and Capital Deficiency Event

4.5.1. Interest Payable on Optional Interest Payment Dates Following the Occurrence of a Capital Deficiency Event

In the event that during any Interest Period, on or at any time prior to the fifth Business Day prior to an Optional Interest Payment Date, a Capital Deficiency Event has occurred or would occur upon payment of the interest due on the next Optional Interest Payment Date:

- (i) the accrual of interest, if any, in respect of the Notes shall automatically be suspended. In addition, the amount of Broken Interest may be reduced to absorb losses in accordance with Condition 5.1; and
- (ii) no interest on the Notes shall accrue nor be payable by the Issuer with respect to the remaining period in such Interest Period or any other Interest Period during the period starting on the date of the Capital Deficiency Event and ending on the date of the End of Capital Deficiency Event.

4.5.2. Interest Payable on Optional Interest Payment Dates after End of Capital Deficiency Event

At the option of the Issuer, any Broken Interest, to the extent not reduced to absorb losses in accordance with Condition 5.1, may be paid on the first Optional Interest Payment Date falling on or after the date of the End of Capital Deficiency Event. Any Broken Interest not paid by the Issuer on such first Optional Interest Payment Date will be forfeited.

In respect of any Optional Interest Payment Date which occurs on or after the End of Capital Deficiency Event, interest on the Notes will recommence accruing on its Current Principal Amount, on the basis of the number of days elapsed during the period from (and including) the date of End of Capital Deficiency Event to (but excluding) the next succeeding Interest Payment Date as calculated by the Calculation Agent in accordance with Condition 4.2 or, as the case may be, 4.2. At the option of the Issuer, such interest may be paid on the next succeeding Optional Interest Payment Date occurring as from the date of the End of Capital Deficiency Event (inclusive). Any such interest not paid by the Issuer on such first Optional Interest Payment Date will be forfeited.

5. LOSS ABSORPTION AND RETURN TO PROFITABILITY

5.1. Loss Absorption

In the event that, at any time, a Capital Deficiency Event has occurred, the board of directors of the Issuer will convene an extraordinary shareholders' meeting to be held during the three months following the occurrence of such event in order to propose a share capital increase or any other measure regarded as necessary or useful to remedy such event. If a share capital increase or any such other proposed measure is not adopted by the Issuer's extraordinary shareholders' meeting or if the share capital increase is not sufficiently subscribed to remedy such event in full, or if such event remains in effect at the end of the Quarter following the Quarter during which the Capital Deficiency Event has occurred, the board of directors of the Issuer will implement, within ten days, a reduction

of the amount of Broken Interest, if any, and thereafter for purposes of computing the Interest Amount a reduction of the Current Principal Amount of the Notes (a **Loss Absorption**). **Quarter** means one quarter of a calendar year, *i.e.*, 1st January to 31st March, 1st April to 30th June, 1st July to 30th September and 1st October to 31st December.

Notwithstanding any other provision, the Current Principal Amount of each Note shall never be reduced to an amount lower than one cent of one U.S. dollar (USD 0.01).

The amounts by which Broken Interest and, as the case may be, the Current Principal Amount of the Notes are reduced to enable the Issuer to absorb losses in order to ensure the continuity of its activities in accordance with the Applicable Banking Regulations, will be (in the case that a Capital Deficiency Event has occurred pursuant to clause (a) of the definition thereof) the lower of (i) the amount of the excess of (a) the total consolidated capital required by Applicable Banking Regulations over (b) the total consolidated capital of the Issuer after the share capital increase or any other measures adopted by the shareholders' meeting of the Issuer to remedy such Capital Deficiency Event (or the total consolidated capital of the Issuer in the absence of such measures) and (ii) the sum of the amounts of Broken Interest, if any, and the Current Principal Amount of the Notes before such reduction. In the case that a Capital Deficiency Event has occurred pursuant to clause (b) of the definition thereof, the amounts by which Broken Interest and, as the case may be, the Current Principal Amount of the Notes are reduced, will be determined by the Issuer with the consent of the Relevant Banking Regulator.

For the avoidance of doubt, the first remedy to the Capital Deficiency Event will be the share capital increase or the implementation of any other measures adopted by the extraordinary shareholders' meeting of the Issuer to remedy such Capital Deficiency Event. To the extent such increase of share capital or other measures are not sufficient, the Loss Absorption will be applied first against the amount of Broken Interest, if any, and thereafter, if necessary, against the Current Principal Amount of the Notes as herein described.

Broken Interest and the Current Principal Amount of the Notes may be reduced on one or more occasions, as required.

In the event that other Parity Securities which would be subject to such reductions are outstanding, such reductions will be applied on a pro-rata basis among the Notes and such other Parity Securities. Interest accrued and payable on any Mandatory Interest Payment Date is not subject to reduction.

Notice of any Capital Deficiency Event and of any End of Capital Deficiency Event shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, the Luxembourg Stock Exchange. Such notice shall be given as soon as practicable following the occurrence of a Capital Deficiency Event and of any End of Capital Deficiency Event. Notice of any reduction of the Current Principal Amount of the Notes shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, the Luxembourg Stock Exchange. Such notice shall be given at least seven days prior to the relevant reduction of the Current Principal Amount.

For the avoidance of doubt, the occurrence of a Capital Deficiency Event and any resulting notice will be effective only with respect to the interest amount due on the immediately following Interest Payment Date. As appropriate, the Issuer will make a new determination and deliver other notice(s) with respect to any subsequent Interest Payment Date in relation to which a Capital Deficiency Event is continuing or occurs again.

5.2. Return to Profitability

If, following a Loss Absorption, the Issuer has recorded positive Consolidated Net Income for at least two consecutive fiscal years (a **Return to Profitability**) following the end of the most recent fiscal year in which there was a Loss Absorption (the **Absorption Year End**), the Issuer shall increase the Current Principal Amount of the Notes (a **Reinstatement**) on any date and in any amount that it determines (either up to the Original Principal Amount or up to any other amount lower than the Original Principal Amount), to the extent any such Reinstatement complies with Applicable Banking Regulations.

Irrespective of whether a Return to Profitability has occurred, the Issuer shall increase the Current Principal Amount of the Notes in an amount equal to the Mandatory Reinstatement Amount on any date that it determines if (i) a Mandatory Reinstatement Event has occurred since the Absorption Year End, and (ii) the Issuer has not since such Mandatory Reinstatement Event occurred made a Reinstatement up to the Original Principal Amount pursuant to the provisions of the immediately preceding paragraph.

The amount of any Reinstatement will not exceed the amount of the latest positive Consolidated Net Income of the Issuer.

For the avoidance of doubt, any Reinstatement shall be made in a maximum amount that will ensure that such Reinstatement does not trigger the occurrence of a Capital Deficiency Event or, except with respect to any optional redemption by the Issuer of the Notes in accordance with their terms, a worsening of a Capital Deficiency Event.

No payments will be made to holders of Equity Securities, in each case to the extent categorized as Tier 1 Capital, before all amounts due, but unpaid, to all Noteholders under the Notes have been paid by the Issuer.

In the event that other Parity Securities are outstanding and may also benefit from a reinstatement or an increase of their current principal amount in accordance with their terms, any Reinstatement will be applied on a pro-rata basis with other reinstatements or increases of the principal amount made on such other Parity Securities.

Such Reinstatement or increase of the Current Principal Amount of the Notes shall be made on one or more occasions in the conditions described above until the Current Principal Amount of the Notes has been reinstated to the Original Principal Amount (save in the event of occurrence of another Capital Deficiency Event).

For the avoidance of doubt, any Broken Interest that has been reduced pursuant to Condition 5.1 shall not be reinstated pursuant to this Condition 5.2.

Notice of any Return to Profitability shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, the Luxembourg Stock Exchange. Such notice shall be given as soon as practicable following the occurrence of a Return to Profitability. Notice of any Reinstatement and any increase of the Current Principal Amount of the Notes shall be given to the Noteholders in accordance with Condition 11 and, for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of that exchange so require, to the Luxembourg Stock Exchange. Such notice shall be given at least seven days prior to the relevant Reinstatement and increase of the Current Principal Amount of the Notes.

6. REDEMPTION AND PURCHASE

The Notes may not be redeemed otherwise than in accordance with this Condition 6.

6.1. No Final Redemption

The Notes are undated securities in respect of which there is no fixed redemption or maturity date.

6.2. Issuer's Call Options Subject to the Approval of the Relevant Banking Regulator

(a) General Call Option

On the First Call Date and on any Interest Payment Date thereafter, the Issuer, subject to having given not less than 30, and not more than 60, days' prior notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 11, and subject to prior approval of the Relevant Banking Regulator, may, at its option, redeem the Notes in whole or in part at a price (the **Base Call Price**) equal to the Original Principal Amount of the Notes, together with any amounts outstanding thereon, including accrued interest.

In the case of a partial call, this shall be performed by way of an equal reduction of the Original Principal Amount of each of the Notes. For the avoidance of doubt, such reduction is distinct from a Loss Absorption. Following a partial call the Original Principal Amount of each Note shall be permanently reduced by the amount of principal called and paid for.

(b) Redemption for Regulatory Reasons or Taxation Reasons

(i) If by reason of any change in French law, any change in Applicable Banking Regulations, or any change in the official application or interpretation of such laws or regulations, becoming effective on or after the Issue Date, the proceeds of the Notes cease to be eligible as Tier 1 Capital for the Issuer, the Issuer may, at its option, at any time, subject to having given not more than 45 nor less than 30 days' notice to Noteholders (which notice shall be irrevocable) in accordance with Condition 11, and subject to the prior approval of the Relevant Banking Regulator, redeem the Notes (in whole but not in part) at the Base Call Price provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the last day before the date on which the proceeds of the Notes cease to meet the requirements to be eligible as Tier 1 Capital.

(ii) If by reason of any change in the laws or regulations of the French Republic, or any political subdivision therein or any authority thereof or therein having power to tax, any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), or any other change in the tax treatment of the Notes, becoming effective on or after the Issue Date, interest payment under the Notes is no longer tax-deductible by the Issuer for French corporate income tax (*impôts sur les bénéfices des sociétés*) purposes, the Issuer may, at its option, at any time, subject to having given not more than 45 nor less than 30 days' notice to Noteholders (which notice shall be irrevocable) in accordance with Condition 11, and subject to the prior approval of the Relevant Banking Regulator, redeem the Notes (in whole but not in part) at the Base Call Price provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make such payment with interest payable being tax deductible for French corporate income tax (*impôts sur les bénéfices des sociétés*) purposes.

(iii) If by reason of a change in the laws or regulations of the French Republic, or any political subdivision therein or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), becoming effective on or

after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 8.2, the Issuer may, at any time, subject to having given not more than 45 nor less than 30 days' prior notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 11, and subject to the prior approval of the Relevant Banking Regulator, redeem the Notes (in whole but not in part) at the Base Call Price provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes or, if such date has passed, as soon as practicable thereafter.

- (iv) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8.2, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days' prior notice to the Noteholders in accordance with Condition 11, and subject to the prior approval of the Relevant Banking Regulator, redeem the Notes (in whole but not in part) at the Base Call Price provided that the due date for redemption of which notice hereunder shall be given shall be no earlier than the latest practicable date on which the Issuer could make payment of the full amount of principal and interest payable without withholding for French taxes or, if such date has passed, as soon as practicable thereafter.

6.3. Purchases

The Issuer may at any time purchase Notes in the open market or otherwise at any price provided that it has obtained the prior approval of the Relevant Banking Regulator.

6.4. Cancellation

All Notes which are purchased or redeemed by the Issuer pursuant to Conditions 6.2 or 6.3 (other than in the event of a partial call, as set out in Condition 6.2(a)) will be cancelled and accordingly may not be reissued or sold.

7. PAYMENTS AND CALCULATIONS

7.1. Method of Payment

Payments in respect of principal and interest on the Notes will be made in U.S. dollars by credit or transfer to a U.S. dollar denominated account (or any other account to which U.S. dollars may be credited or transferred) specified by the payee. Such payments shall be made to the Account Holders (including the depositary banks for Euroclear and Clearstream, Luxembourg) for the benefit of the Noteholders and all payments validly made to such Account Holders in favor of Noteholders will be an effective discharge of the Issuer and the Fiscal Agent, as the case may be, in respect of such payment.

Payments in respect of principal and interest on the Notes will, in all cases, be made subject to any fiscal or other laws and regulations or orders of courts of competent jurisdiction applicable in respect of such payments but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged by the Issuer, the Fiscal Agent or any Paying Agent to the Noteholders in respect of such payments.

7.2. U.S. Paying Agents

Notwithstanding the foregoing, payments will be made at the specified office in the United States of any Paying Agent and (if no such appointment is then in effect) the Issuer shall appoint and maintain a Paying Agent with a specified office in New York City at which payments will be made if (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that the Paying Agents would be able to make payment at the specified offices outside the United States of the full amount payable with respect to the Notes in the manner provided above when due, (ii) payment of the full amount due in U.S. dollars at all specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) the payment is then permitted under United States law

7.3. Payments on Business Days

If the due date for payment of any amount of principal or interest in respect of any Note is not a Business Day (as defined below), payment shall not be made of the amount due and credit or transfer instructions shall not be given in respect thereof until the next following Business Day and the Noteholder shall not be entitled to any interest or other sums in respect of such postponed payment.

For the purposes of this Condition, **Business Day** means any day, not being a Saturday or a Sunday on which Euroclear France, Euroclear and Clearstream, Luxembourg are operating and which is both a London Business Day and a New York Business Day.

7.4. Fiscal Agent, Paying Agents and Calculation Agent

The name and specified office of the initial Fiscal Agent, Principal Paying Agent and Calculation Agent are as follows:

FISCAL AGENT AND PRINCIPAL PAYING AGENT
BNP Paribas Securities Services
9, rue Débarcadère

France

The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, Paying Agents or Calculation Agent and/or to appoint a substitute Fiscal Agent, Paying Agent, Calculation Agent and additional or other Paying Agents or approve any change in the office through which the Fiscal Agent, the Calculation Agent or any Paying Agent acts, provided that there will at all times be (i) a Fiscal Agent, (ii) a Paying Agent having a specified office a European city and (iii) a Calculation Agent. If the Calculation Agent is unable or unwilling to continue to act as such or if the Calculation Agent fails to make any calculations in relation to the Notes, the Issuer shall appoint some other leading European bank engaged in the U.S. dollar interbank market to act in its place, subject to having given notice to the Noteholders in accordance with Condition 11 not more than 45 nor less than 30 days prior to such appointment. The Calculation Agent may not resign its duties without a successor having been so appointed. Any notice of a change in Fiscal Agent, Paying Agent, Calculation Agent or their specified office shall be given to Noteholders as specified in Condition 11.

7.5. Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purpose of the provisions of these Conditions whether by the Calculation Agent or the relevant banks in the London interbank market (or any of them) shall (in the absence of wilful default or manifest error) be binding on the Issuer, the Calculation Agent,

the Paying Agents, the Fiscal Agent, the relevant banks in the London interbank market and the Noteholders. No Noteholder shall (in the absence of the aforesaid wilful default or manifest error) be entitled to proceed against the Calculation Agent or any of the foregoing entities in connection with the exercise or non-exercise by them of their powers, duties and discretionary judgments.

8. TAXATION

8.1. Withholding Tax Exemption

Payments of interest and other revenues made by the Issuer in respect of the Notes to non-French tax residents who do not invest from a permanent establishment or a fixed base situated in France and who are not concurrently shareholders of the Issuer benefit under present law (as interpreted in the *Instruction* of the *Direction Générale des Impôts* 5 I-11-98 dated 30 September 1998 and in the *Rescripts* of the *Direction Générale des Impôts* 2007/59 (FP) dated 8 January 2008 and 2009/23 (FP) dated 7 April 2009) from the exemption provided for in Article 131 *quater* of the French *Code général des impôts* (General Tax Code) from deduction of tax at source. Accordingly, such payments do not give the right to any tax credit from any French source.

8.2. Additional Amounts

If French law or regulations should require that payments of principal or interest in respect of any Note be subject to deduction or withholding in respect of any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed or levied by or on behalf of the French Republic or any authority therein or thereof having power to tax, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary so that the holder of each Note, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such deduction or withholding; provided, however, that the Issuer shall not be liable to pay any such additional amounts in respect of any Note to a Noteholder (or beneficial owner (*ayant droit*)):

- (a) who is subject to such taxes, duties, assessments or other governmental charges in respect of such Note by reason of his having some present or former connection with the French Republic other than the mere holding of such Note; or
- (b) more than 30 days after the Relevant Date (as defined below), except to the extent that the holder thereof would have been entitled to such additional amounts on the last day of such period of 30 days; or
- (c) where such deduction or withholding is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive.

For this purpose, the **Relevant Date** in relation to any Note means whichever is the later of (A) the date on which the payment in respect of such Note first becomes due and payable, and (B) if the full amount of money payable on such date in respect of such Note has not been received by the Fiscal Agent on or prior to such date, the date on which notice is given in accordance with Condition 11 to Noteholders that such money has been so received.

References in these Conditions to principal and interest shall be deemed also to refer to any additional amounts that may be payable under the provisions of this Condition 8.

9. MANDATORY REDEMPTION

If any judgment is issued for the insolvent judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer has been liquidated for any other reason, then the Notes shall become immediately due and payable as described below.

The rights of the Noteholders in the event of a liquidation of the Issuer will be calculated on the basis of the Original Principal Amount of the Notes they hold together with interest accrued and due in accordance with the Conditions and any other outstanding payments under the Notes. No payments will be made to the Noteholders before all amounts due, but unpaid, to all other creditors of the Issuer (including holders of Unsubordinated Obligations, holders of Ordinarily Subordinated Obligations, lenders in relation to *prêts participatifs* granted to the Issuer and holders of *titres participatifs* issued by the Issuer, but excluding Parity Securities, which will be paid *pro rata* with the Notes) have been paid by the Issuer, as ascertained by the judicial liquidator.

No payments will be made to holders of Equity Securities before all amounts due, but unpaid, to all Noteholders have been paid by the Issuer, as ascertained by the judicial liquidator.

10. REPRESENTATION OF THE NOTEHOLDERS

Noteholders will form a *masse* under French law in defense of their common interests (hereinafter referred to as the "*Masse*").

The *Masse* will be governed by the provisions of the French Code de commerce (with the exception of the provisions of Articles L. 228-48, L. 228-59, L.228-65-II, L.228-71, R.228-63, R.228-67, R.228-69 and R.228-72 thereof), subject to the provisions below.

10.1. A Legal Entity

The *Masse* will be treated as a separate legal entity and will act in part through its representative (hereinafter referred to as the **Representative**) and in part through general assemblies of Noteholders.

The *Masse*, acting alone and to the exclusion of all individual Noteholders, will exercise the collective rights of the Noteholders with respect to the Notes, both present and future.

10.2. Representative

A person of any nationality may serve as the Representative of the *Masse*. However, the following persons may not be designated a Representative:

- (a) the Issuer, the members of the Issuer's board of directors (*conseil d'administration*), the Issuer's executive officers (*directeurs généraux*), the Issuer's statutory auditors or the Issuer's employees, as well as the ascendants, descendants or spouses of any such persons; or
- (b) companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), executive officers (*directeurs généraux*), members of their board of directors, executive board or supervisory board, their statutory auditors or their employees, as well as the ascendants, descendants or spouses of any such persons; or
- (c) companies holding 10 per cent. or more of the share capital of the Issuer, or companies in which the Issuer holds 10 per cent. or more of the share capital; or

- (d) persons who are restricted from the practice of banking or who have been deprived of the right to direct, administer or manage a company in any capacity whatsoever.

The initial Representative of the *Masse* has been designated as:

Antoine Lachenaud
10, rue de Sèze
75009 Paris
France

The alternate representative (the **Alternate Representative**) has been designated as:

Arnaud Métayer
6-8, avenue de Messine
75008 Paris
France

In the event of the death, incapacity, resignation or revocation of the powers of the Representative, he or she will be replaced by the Alternate Representative, and all references to the "Representative" herein will be deemed to refer to the "Alternate Representative". The Alternate Representative will then have the same powers as the Representative.

In the event of the death, incapacity, resignation or revocation of the powers of the Alternate Representative, he or she will be replaced by a person selected at a general assembly of Noteholders.

The Issuer shall pay to the Representative an amount of EUR 3,000 in connection with his services, payable on the Issue Date. The Alternate Representative will be entitled to payment of EUR 300 per year only if it begins to exercise the duties of Representative on a permanent basis; such compensation will begin to accrue on the date that the Alternate Representative assumes these duties.

Interested parties will at all times have the right to obtain the name and address of the Representative and the Alternate Representative at the head office of the Issuer and at the offices of any of the Paying Agents.

10.3. Powers of the Representative

The Representative shall, in the absence of any decision by the general assembly of Noteholders that provides otherwise, have the power to take undertake all actions that aim at defending the common interests of the Noteholders. All legal proceedings initiated against the Noteholders must be initiated against the Representative, and all legal proceedings initiated by the Noteholders must be initiated by the Representative.

The Representative may not interfere in the management of the affairs of the Issuer.

10.4. General Assemblies of Noteholders

General assemblies of Noteholders may be held at any time, at the request of either the Issuer or the Representative. One or more Noteholders, who individually or collectively hold at least one-thirtieth of the outstanding Notes, may demand that the Issuer and the Representative convene a general assembly. If a general assembly has not been convened within two months of the date of this demand, these Noteholders may designate one person among them to petition a court within the jurisdiction of the Paris Court of Appeals to appoint an agent (*mandataire*) on the Noteholders' behalf, who will then be responsible for convening a general assembly.

Notice of the date, time, place and agenda of any general assembly of Noteholders will be published as provided under Condition 11.

Each Noteholder has the right to participate in general assemblies in person or by proxy. Each Note carries the right to one vote.

10.5. Powers of General Assemblies

A general assembly is empowered to deliberate on the reduction of compensation for the Representative or the Alternate Representative, and may also decide to remove or replace the Representative or the Alternate Representative. A general assembly may also act on any other matter that affects the collective rights of the Noteholders with respect to the Notes, both present and future, including authorizing the Representative to act as plaintiff or defendant in any action.

A general assembly may further deliberate on any proposal relating to the modification of the Terms and Conditions of the Notes, including any proposal in connection with arbitration or settlement proceedings relating to disputed rights or rights that were the subject of judicial decisions; *provided, however*, that a general assembly may not increase amounts payable by Noteholders, nor establish any unequal treatment between the Noteholders, nor decide to convert the Notes into shares, and provided further that no amendment to the status of the Notes may be approved without the prior consent of the Relevant Banking Regulator.

A general assembly may validly deliberate on the first date on which it is convened only if the Noteholders present or otherwise represented at such assembly hold at least one-quarter of the Notes then outstanding. On the second date on which a general assembly is convened, if any, no such quorum shall be required. Decisions at assemblies shall be taken based on a simple majority of votes cast, either by Noteholders attending the assembly in person or who are otherwise represented at such assembly for voting purposes.

Decisions of general assemblies must be published in accordance with the provisions set forth in Condition 11.

10.6. Information to the Noteholders

Each Noteholder or his or her representative will have the right, during the 15-day period preceding the date of each general assembly, to consult or make a copy of the text of the resolutions to be proposed as well as any reports to be presented at the general assembly, which will be available for inspection at the principal office of the Issuer, at the specified offices of the Paying Agents and at any other place specified in the notice of the general assembly given in accordance with Condition 11.

10.7. Expenses

The Issuer will pay all expenses incurred in connection with the functioning of the *Masse*, including the expenses of calling and holding general assemblies and the Representative's compensation, and more generally will pay all administrative costs of the *Masse* as documented at a general assembly of Noteholders, it being expressly stipulated that no expenses may be offset against interest payable on the Notes.

11. NOTICES

Any notice to the Noteholders will be valid if delivered to the Noteholders through Euroclear France, Euroclear or Clearstream, Luxembourg, for so long as the Notes are cleared through such clearing systems. So long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and the rules of such exchange so require, any notice shall also be published (i) in a leading daily

newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*), or (ii) on the website of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which such publication is made.

12. PRESCRIPTION

Claims against the Issuer for the payment of principal and interest in respect of the Notes shall become prescribed 10 years (in the case of principal) and 5 years (in the case of interest) from the due date for payment thereof.

13. FURTHER ISSUES

The Issuer may from time to time, subject to the prior written approval of the Relevant Banking Regulator but without the consent of the Noteholders, issue further notes to be assimilated (*assimilables*) with the Notes as regards their financial service, provided that such further notes and the Notes shall carry rights identical in all respects (or in all respects except for the first payment of interest thereon) and that the terms of such further notes shall provide for such assimilation. In the event of such assimilation, the Noteholders and the holders of any assimilated (*assimilables*) notes will for the defense of their common interests be grouped in a single *Masse* having legal personality.

14. GOVERNING LAW AND JURISDICTION

The Notes are governed by, and shall be construed in accordance with, the laws of the French Republic.

In relation to any legal action or proceeding arising out of or in connection with the Notes, the Issuer irrevocably submits to the jurisdiction of the competent courts in Paris.

NOTICE IS HEREBY GIVEN that a Meeting of the Noteholders convened by the Issuer will be held at the offices of BNP Paribas at 37, place du Marché Saint-Honoré, 75001 Paris, France on Wednesday 9 December 2009, at [15h00 /16h00] (Paris time) for the purpose of considering and, if thought fit, passing the following Resolution which will be proposed as an Extraordinary Resolution in accordance with the provisions of the trust deed dated [10 September 1984] [11 July 1986] (the **Trust Deed**) made between the Issuer and The Law Debenture Trust Corporation p.l.c. (the **Trustee**) as trustee for the Noteholders and constituting the Notes.

EXTRAORDINARY RESOLUTION

"THAT this Meeting of the holders of the [US\$200,000,000 Undated Floating Rate Securities] [US\$400,000,000 Undated Subordinated Floating Rate Securities] of Banque Paribas (now BNP Paribas) presently outstanding (the **Existing Notes** and the **Issuer** respectively) constituted by the trust deed dated [10 September 1984] [11 July 1986] (the **Trust Deed**) made between the Issuer and The Law Debenture Trust Corporation p.l.c. (the **Trustee**) as trustee for the holders of the Notes (the **Noteholders**) hereby:

1. approves the proposal set out herein (the **Proposal**) to exchange, as contemplated by paragraph 20(ii) of Schedule 3 to the Trust Deed, on the Interest Payment Date (as defined in the terms and conditions of the Existing Notes) falling in December 2009 (being 30 December 2009), Existing Notes held by each Noteholder for a principal amount of US\$Undated Deeply Subordinated Floating Notes of BNP Paribas (the **New Notes**) on the terms described in paragraphs (a) and (b) below by

BNP Paribas issuing on the Settlement Date (also being 30 December 2009) to each such Noteholder:

- a) a principal amount of New Notes (rounded down to the nearest US\$2,000) equal to the aggregate principal amount of such Existing Notes multiplied by the Exchange Price for such Series of Existing Notes. The terms and conditions of the New Notes, including the Exchange Price for such Series of Existing Notes, are set out in an Exchange and Tender Offer Memorandum dated on or about 17 November 2009 (the **Memorandum**) which is available on request from the registered office of the Issuer; and
- b) a fractional portion in principal amount of New Notes which the Noteholder would have been entitled to receive as a result of applying the relevant Exchange Price which is not an integral multiple of US\$2,000, such amount to be calculated in the manner set out in the Memorandum.

All references to an **Existing Note** shall be to a principal amount of US\$1,000 of the Existing Notes.

2. sanctions every abrogation, modification, compromise or arrangement in respect of the rights of the Noteholders appertaining to the Notes against the Issuer whether or not such rights arise under the Trust Deed, involved in or resulting from or to be effected by, the Proposal and its implementation;
3. authorises, directs, requests and empowers the Trustee to concur in the Proposal and, in order to give effect thereto and to implement the same, to execute and do, all such other deeds, instruments, acts and things as may be necessary or appropriate to carry out and give effect to this Resolution; and
4. discharges and exonerates the Trustee from any liability in respect of any act or omission for which it may be or become responsible under the Trust Deed, the Notes or the Coupons in connection with the Proposal, its implementation or this Extraordinary Resolution or in connection with any step or action taken or omitted to be taken by the Trustee under or pursuant to or in connection with this Extraordinary Resolution."

The terms of the New Notes are more fully set forth in the Memorandum published on or about 17 November 2009. When considering the Proposal, Noteholders should have regard to the Memorandum. In particular, Noteholders should have regard to (a) the section entitled "Risk Factors relating to the New Notes" and (b) the terms and conditions of the New Notes, in each case as set out in the Memorandum. Terms used but not otherwise defined herein shall have the meanings attributed to such terms in the Memorandum.

The attention of Noteholders is particularly drawn to the quorum required for the Meeting and for an adjourned Meeting. The quorum required at the Meeting is two or more persons present holding Notes or voting certificates or being proxies and holding or representing in the aggregate a clear majority in principal amount of the Notes for the time being outstanding. If the Meeting is adjourned for want of a quorum, the quorum at such an adjourned Meeting will be two or more persons present in person holding Notes or voting certificates or being proxies whatever the principal amount of the Notes so held or represented. Further details are set out in paragraph 2 of **Voting and Quorum** below.

Copies of a draft of the agency agreement relating to the New Notes (including the terms and conditions relating thereto) and of certain other relevant documents will be available for inspection by Noteholders at the specified offices of the Paying Agents set out below.

In accordance with normal practice, the Trustee expresses no opinion as to the merits of the Proposal (which it was not involved in negotiating). It has, however, authorised it to be stated that, on the basis of the information set out in this Notice, it has no objection to the Extraordinary Resolution referred to above being submitted to the Noteholders for their consideration. The Trustee has, however, not been involved in

formulating the Proposal and makes no representation that all relevant information has been disclosed to Noteholders in this Notice. Accordingly, the Trustee urges Noteholders who are in any doubt as to the impact of the implementation of the Proposal to seek their own independent financial advice.

VOTING AND QUORUM

1. The provisions governing the convening and holding of a Meeting are set out in the Third Schedule to the Trust Deed relating to the Existing Notes, a copy of which is available for inspection by the Noteholders during normal business hours at the specified office of the Paying Agent(s) and the Registrar set out below.

For the purposes of the Meeting, a **Noteholder** shall mean (i) in the case of Bearer Notes held through Clearstream Banking, société anonyme (**Clearstream, Luxembourg**) and/or Euroclear Bank S.A./N.V. (**Euroclear**), each person who is for the time being shown in the records of Clearstream, Luxembourg and/or Euroclear as the holder of a particular principal amount of the Notes, (ii) in the case of any other Bearer Notes, each person who is for the time being the bearer of one or more Notes and (iii) in the case of Registered Notes, each person whose name appears on the Register as at 7 December 2009.

A holder of a Bearer Note wishing to attend the Meeting in person must produce at the Meeting either his Note(s) or a valid voting certificate issued by a Paying Agent relating to the Note(s) in respect of which he wishes to vote. A holder of Registered Notes wishing to attend and vote in person at the Meeting relating to his Notes may do so only if he produces at such Meeting the Certificate(s) of which he is the holder.

A holder of a Bearer Note not wishing to attend and vote at the Meeting in person may either deliver, or procure delivery of, his Note(s) or valid voting certificate(s) to the person whom he wishes to attend on his behalf or give a voting instruction (either on a voting instruction form obtainable from the specified offices of any of the Paying Agents set out below or, where his Note(s) is/are held through Clearstream, Luxembourg and/or Euroclear, by giving his voting instructions to Clearstream, Luxembourg and/or Euroclear) instructing a Paying Agent to appoint a proxy to attend and vote at the Meeting in accordance with his instructions.

A holder of a Bearer Note who wishes to obtain a voting certificate or give voting instructions in respect of his Note(s) must first either (a) arrange for his Note(s) to be deposited and held at the specified office of any of the Paying Agents or (b) where his Note(s) is/are held through Clearstream, Luxembourg and/or Euroclear, request the relevant clearing system to block the Notes in his own account and to hold the same to the order or under the control of a Paying Agent not later than 48 hours before the time appointed for holding the Meeting.

Notes so deposited and held or so blocked will not be released until the earlier of:

- (a) the conclusion of the Meeting (or, if applicable, any adjournment of such Meeting); and
- (b)
 - (i) in respect of (a) voting certificate(s), the surrender to a Paying Agent of such voting certificate(s) and (if applicable) the notification by the relevant Paying Agent to the relevant clearing system of such surrender or the compliance in such other manner with the rules of the relevant clearing system; or
 - (ii) in respect of voting instructions, not less than 72 hours before the time for which the Meeting (or, if applicable, any adjournment of such Meeting) is convened, either (I) in the case of deposited Notes, the surrender to the relevant Paying Agent of the voting receipt issued in respect of such deposited Notes or (II) in the case of blocked Notes, the notification in writing of any revocation of a Noteholder's previous

instructions to the Paying Agent and the same then being notified in writing by the Paying Agent to the Issuer at least 48 hours before the time appointed for holding the Meeting and (if applicable) such Notes ceasing in accordance with the procedures of the relevant clearing system and with the agreement of such Paying Agent to be held to its order or under its control.

A holder of Registered Notes wishing to attend and vote at the Meeting relating to his Notes may do so only if he produces at such Meeting the Certificate(s) of which he is the holder.

A holder of Registered Notes not wishing to attend and vote in person at the Meeting relating to his Notes may, by an instrument in writing in the English language signed by the holder or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation, and delivered to the specified office of the Registrar or Transfer Agent not less than 24 hours before the time fixed for the relevant Meeting, appoint the person as a proxy to act on his or its behalf in connection with the relevant Meeting and any adjournment to such Meeting. Forms of proxy will be available from the Registrar and the Transfer Agent.

A holder of Registered Notes who holds Notes through a nominee should instruct that nominee either to vote in person or to appoint a proxy on his or its behalf.

Any holder of Registered Notes which is a corporation may by a resolution of its directors or other governing body authorise any person to act as its representative in connection with the relevant Meeting and any adjournment to such Meeting.

In the case of joint holders of Registered Notes, the vote of the senior who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names stand on the Register in respect of the joint holding.

2. The quorum required at the Meeting is two or more persons present holding Notes or voting certificates or being proxies and holding or representing in the aggregate a clear majority in principal amount of the Notes for the time being outstanding. If a quorum is not present within half an hour from the time appointed for any such Meeting, the Meeting will be adjourned and the Extraordinary Resolution will be considered at an adjourned Meeting (notice of which will be given to the Noteholders). The quorum at such an adjourned Meeting will be two or more persons present in person holding Notes or voting certificates or being proxies whatever the principal amount of the Notes so held or represented.

Noteholders should note this quorum requirement and should be aware that if the Noteholders either present or appropriately represented at the Meeting are insufficient to form a quorum the Extraordinary Resolution, and consequently the Proposal, cannot be formally considered thereat. Noteholders are therefore encouraged either to attend the Meeting in person or to arrange to be represented at the Meeting as soon as possible.

3. Every question submitted to the Meeting will be decided on a show of hands unless a poll is duly demanded by the Chairman of the Meeting or by the Issuer or by one or more persons present holding Notes or voting certificates or being proxies and holding or representing in the aggregate not less than one-fiftieth part of the principal amount of the Notes then outstanding. On a show of hands every person who is present in person and produces a Note or voting certificate or holds Registered Notes or is a proxy shall have one vote. On a poll every person who is so present shall have one vote in respect of each US\$1,000 in principal amount of the Notes so produced or represented by the voting certificate so produced or Registered Notes so held or in respect of which he is a proxy.

4. To be passed, the Extraordinary Resolution requires a majority in favour consisting of not less than three-quarters of the votes cast. If passed, the Extraordinary Resolution will be binding upon all the Noteholders, whether or not present at such Meeting and whether or not voting.

Each of the Offers is subject to offer and distribution restrictions in, amongst other countries, the United States of America, the United Kingdom, Belgium, France and Italy. The distribution of this Definitive Notes Instruction in those jurisdictions is restricted by the laws of such jurisdictions.
