

Practical arrangements for favoring dialogue with BNP Paribas shareholders at the General Meeting of May 18, 2021

Given the extension of the declaration of a state of health emergency, the May 18, 2021 meeting will be held without the physical presence of the shareholders.

Nevertheless, in order to further facilitate the dialogue with investors, BNP Paribas will specifically make available to its shareholders, a possibility of discussion with the corporate officers. Thus, from Saturday May 15, 2021 till the Meeting, a platform will be available to shareholders wishing to ask questions in writing directly. You just need to click on the link below "[I ask my question](#)".

It will be answered during the session to the greatest possible number of them, after grouping by themes. Questions and answers will be published in the "General Meeting of May 18, 2021" section of the BNP Paribas website dedicated to Investor Relations at the address "invest.bnpparibas.com".

NB. Please kindly note that questions must be asked in French and answers will be expressed in French as well.
