"Paris, 30 June 2014

BNP Paribas announces a comprehensive settlement regarding the review of certain USD transactions by US authorities

BNP Paribas today announced a comprehensive settlement of the pending investigation relating to US dollar transactions involving parties subject to US sanctions, including agreements with the U.S. Department of Justice, U.S. Attorney's Office for the Southern District of New York, the New York County District Attorney's Office, the Board of Governors of the U.S. Federal Reserve System (FED), the New York State Department of Financial Services (DFS), and the US Department of the Treasury's Office of Foreign Assets Control (OFAC).

The settlement includes guilty pleas entered into by BNP Paribas SA in relation to violations of certain US laws and regulations regarding economic sanctions against certain countries and related recordkeeping. BNP Paribas also agrees to pay a total of USD 8.97 billion (Euros 6.6 billion). Beyond what has already been provisioned, this will result in an exceptional charge of Euros 5.8 billion to be booked in the second quarter of 2014. BNP Paribas also accepts a temporary suspension of one year starting 1st January 2015 of the USD direct clearing focused mainly on the Oil & Gas Energy & Commodity Finance business line in certain locations.

BNP Paribas has worked with the US authorities to resolve these issues and the resolution of these matters was coordinated by its home regulator (Autorité de Contrôle Prudentiel et de Résolution - ACPR) with its lead regulators. BNP Paribas will maintain its licenses as part of the settlements, and expects no impact on its operational or business capabilities to serve the vast majority of its clients. During 2015, the activities of the perimeter concerned will clear US dollars through a third party bank instead of clearing through BNP Paribas New York and all necessary measures are being taken to ensure smooth transition and no material impact for the clients concerned. BNP Paribas notes that part of the Group's USD clearing is already done today through third party banks.

Based on its estimates, BNP Paribas expects its fully loaded Basel III CET1 ratio as at 30 June 2014 to be at around 10%, consistent with the Group's targets announced within its 2014-2016 business development plan. This estimate takes into account in particular solid underlying second quarter net results and pro rata temporis the current intention of the bank to adapt its dividend for 2014 to a level equal to that of 2013 (1.50 euros per share).

In advance of the settlement, the bank designed new robust compliance and control procedures. Many of these are already in force and are working effectively, and involve important changes to the Group's procedures. Specifically:

- a new department called Group Financial Security US, part of the Group Compliance function, will be headquartered in New York and will ensure that BNP Paribas complies globally with US regulation related to international sanctions and embargoes.
- all USD flows for the entire BNP Paribas Group will be ultimately processed and controlled via the branch in New York.

As a result of BNP Paribas' internal review, a number of managers and employees from relevant business areas have been sanctioned, a number of whom have left the Group.

Jean-Laurent Bonnafe, CEO of BNP Paribas, said: "We deeply regret the past misconduct that led to this settlement. The failures that have come to light in the course of this investigation run contrary to the principles on which BNP Paribas has always sought to operate. We have announced today a comprehensive plan to strengthen our internal controls and processes, in ongoing close coordination with the US authorities and our home regulator to ensure that we do not fall below the high standards of responsible conduct we expect from everyone associated with BNP Paribas".

"Having this matter resolved is an important step forward for us. Apart from the impact of the fine, BNP Paribas will once again post solid results this quarter and we want to thank our clients, employees, shareholders and investors for their support throughout this difficult

time”.

“The Group remains focused on implementing its 2014-2016 business development plan. We confirm our ambition to meet the targets of this plan announced in March this year. In particular, North America remains a strategic market for the Group where we plan to further develop our retail, investment solutions and corporate & investment banking franchise over the coming years”.

“BNP Paribas is a client-centric bank and we will continue to work every single day to earn the trust and respect of all our stakeholders in service of our clients and the economy”.

Following the settlement, the Bank expects its banking licenses to be maintained where it operates (although this settlement could provide the basis for a regulator to rescind a license), and has received confirmations or assurances in this regard from its principal regulators. The Bank expects that the settlement will have no impact on its operational or business capabilities to serve the vast majority of its clients. There can be no assurance, however, that unanticipated collateral consequences of the settlement will not adversely affect its business. Such unanticipated collateral consequences include the possibility that clients, counter-parties and other persons or entities with whom the Bank does business may choose to limit their future business with the Bank. It also includes for some limited activities, in particular in the United States, the possibility that an authority may refuse to grant the Bank a waiver needed to pursue a specific activity, or may withdraw an authorization to conduct a specific activity. Similarly, the Bank cannot be certain that the suspension of U.S. dollar clearing in respect of certain of its business lines will not lead to a loss of business.

- (b) Element B.13 is deleted and replaced with the following:

B.13	Events impacting the Issuer's solvency	As at 7 August 2014 and to the best of the Issuer's knowledge, there have not been any recent events which are to a material extent relevant to the evaluation of the Issuer's solvency since 30 June 2014.

"In addition, (ii), (iii), (v) - (ix) are available on the Issuer's website: "www.invest.bnpparibas.com".";

- (c) the following new paragraphs are inserted immediately below the paragraph under the heading "5. Material Adverse Change" (which was included in the Base Prospectus by virtue of the First Supplement):

"As indicated in the Second Update to the BNPP 2013 Registration Document (filed with the *Autorités des Marchés Financiers* on 7 July 2014), on 30 June 2014 the Bank entered into a comprehensive settlement that included agreements with and orders issued by U.S. federal and New York state government agencies and regulatory authorities comprising the U.S. Department of Justice, the New York County District Attorney's Office, the U.S. Attorney's Office for the Southern District of New York, the Board of Governors of the Federal Reserve System, the Office of Foreign Assets Control of the U.S. Department of the Treasury and the New York State Department of Financial Services, in settlement of investigations into violations of U.S. laws and regulations regarding economic sanctions.

The fines and penalties imposed on the Bank as part of this settlement include, among other things, the payment of monetary penalties totaling approximately \$8.97 billion (€6.6 billion), guilty pleas by BNP Paribas S.A., the parent company of the BNP Paribas group, to charges of having violated U.S. federal criminal law (conspiracy to violate the Trading with the Enemy Act and the International Emergency Economic Powers Act) and New York State criminal law (conspiracy and falsifying business records), and the suspension of the New York branch of BNP Paribas for (a) a one-year period (2015) of the USD direct clearing focused mainly on the Oil & Gas Energy and Commodity Finance business line in certain locations and (b) a two-year period of U.S. dollar clearing as a correspondent bank for unaffiliated third party banks in New York and London.

Following the settlement, the Bank expects its banking licenses to be maintained where it operates (although this settlement could provide the basis for a regulator to rescind a license), and has received confirmations or assurances in this regard from its principal regulators. The Bank expects that the settlement will have no impact on its operational or business capabilities to serve the vast majority of its clients. There can be no assurance, however, that unanticipated collateral consequences of the settlement will not adversely affect its business. Such unanticipated collateral consequences include the possibility that clients, counter-parties and other persons or entities with

whom the Bank does business may choose to limit their future business with the Bank. It also includes for some limited activities, in particular in the United States, the possibility that an authority may refuse to grant the Bank a waiver needed to pursue a specific activity, or may withdraw an authorization to conduct a specific activity. Similarly, the Bank cannot be certain that the suspension of U.S. dollar clearing in respect of certain of its business lines will not lead to a loss of business.";

- (d) the paragraph under the heading "6. Legal and Arbitration Proceedings" on page 603 of the Base Prospectus (which was included in the Base Prospectus by virtue of the First Supplement) is deleted and replaced with the following:

"Save as disclosed on pages 100 to 101 and 137 to 138 of the Third Update to the BNPP 2013 Registration Document, there have been no governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Issuer is aware), during the period covering at least the twelve (12) months prior to 7 August 2014 which may have, or have had in the recent past, significant effects on the Issuer and/or the Group's financial position or profitability.";

- (e) the paragraphs under the heading "7. Significant Change" on page 603 of the Base Prospectus (which were included in the Base Prospectus by virtue of the First Supplement) are deleted and replaced with the following:

"There has been no significant change in the financial or trading position of the Group since 30 June 2014 (being the end of the last financial period for which interim financial statements have been published).";

- (f) the table under the heading "17. Capitalization of BNPP and the BNP Paribas Group" on page 605 of the Base Prospectus is deleted and replaced with the following:

"Paris, le 30 juin 2014

BNP Paribas annonce un accord global avec les autorités des Etats-Unis relatif à la revue de certaines transactions en dollars

BNP Paribas annonce aujourd'hui être parvenue à un règlement global relatif à l'enquête portant sur certaines transactions en dollars concernant des pays soumis aux sanctions des Etats-Unis. Ce règlement inclut des accords avec le US Department of Justice, le US Attorney's Office pour le district sud de New York, le District Attorney's Office du comté de New York, le Conseil des Gouverneurs de la Réserve fédérale américaine (FED), le Département des Services financiers de l'État de New York (DFS) et l'Office of Foreign Assets Control (OFAC) du Département du Trésor américain.

Dans le cadre de cet accord, BNP Paribas SA reconnaît sa responsabilité (« guilty plea ») pour avoir enfreint certaines lois et réglementations des Etats-Unis relatives à des sanctions économiques à l'encontre de certains pays et aux enregistrements des opérations liées. BNP Paribas accepte également de payer un total de 8,97 milliards de dollars (6,6 milliards d'euros). Compte tenu des sommes déjà provisionnées, ce montant donnera lieu à la comptabilisation d'une charge exceptionnelle de 5,8 milliards d'euros dans les comptes du 2ème trimestre 2014. Par ailleurs, BNP Paribas accepte une suspension temporaire, pour une durée d'un an à compter du 1er janvier 2015, de certaines opérations directes de compensation en dollars US, portant principalement sur le périmètre de l'activité de financement du négoce international de matières premières, pour la partie pétrole et gaz, dans certaines implantations.

BNP Paribas a travaillé avec les autorités des Etats-Unis pour aboutir à cet accord dont le règlement a été coordonné par son autorité de tutelle nationale (l'Autorité de Contrôle Prudentiel et de Résolution - ACPR), en lien avec ses principales autorités de tutelle à l'étranger. BNP Paribas conservera ses licences dans le cadre de ces accords, et n'anticipe aucune incidence sur sa capacité opérationnelle ou commerciale à répondre aux besoins de la quasi-totalité de ses clients. En 2015, les activités du périmètre concerné seront compensées en dollars via une banque tierce et non par l'intermédiaire de la succursale de BNP Paribas à New York. Toutes les mesures nécessaires sont prises pour assurer une transition sans difficulté et éviter tout impact significatif pour les clients concernés. BNP Paribas rappelle qu'une partie de l'activité de compensation en dollars US du Groupe est déjà réalisée via des banques tierces.

BNP Paribas estime que son ratio de fonds propres (CET1) de « Bâle 3 plein » devrait rester de l'ordre de 10% au 30 juin 2014, en ligne avec les objectifs annoncés dans le plan de développement 2014-2016. Cette estimation tient compte notamment d'un résultat net hors exceptionnels solide au 2ème trimestre et, prorata temporis, de l'intention de la banque d'ajuster le niveau de dividende pour 2014 au niveau de celui de 2013 (1,50 euros

par action).

Sans attendre cet accord, la banque a mis au point un ensemble de procédures solides en matière de conformité et de contrôle. Nombre de ces procédures sont déjà en place et fonctionnent efficacement. Elles traduisent une évolution majeure des processus opérationnels du Groupe. En particulier :

- *un nouveau département, baptisé « Sécurité Financière Groupe aux Etats-Unis » et faisant partie de la fonction « Conformité Groupe », sera localisé à New York et aura pour mission de veiller à ce que BNP Paribas respecte dans le monde entier les réglementations des Etats-Unis relatives aux sanctions internationales et aux embargos.*
- *la totalité des flux en dollars du Groupe BNP Paribas sera à terme traitée et contrôlée par la succursale de New York.*

A l'issue de la revue interne menée par BNP Paribas, plusieurs cadres et collaborateurs des entités concernées ont été sanctionnés. D'autres ont quitté le Groupe.

Jean-Laurent Bonnafé, Administrateur Directeur général de BNP Paribas, a déclaré : « Nous exprimons nos regrets pour ces erreurs passées qui nous amènent aujourd'hui à cet accord. Certaines défaillances qui ont été identifiées lors de cette enquête sont contraires aux principes éthiques que BNP Paribas a toujours cherché à respecter. Nous avons annoncé aujourd'hui un plan d'envergure pour renforcer nos contrôles et nos processus internes, en étroite coopération avec les autorités américaines et notre régulateur national, pour veiller à ce que nos pratiques soient conformes aux standards élevés en matière de comportement responsable que nous attendons de chacun chez BNP Paribas».

« Cet accord constitue une étape importante pour nous. Au titre de ses activités courantes, BNP Paribas enregistra à nouveau des résultats solides ce trimestre et nous tenons à remercier nos clients, nos collaborateurs, nos actionnaires et nos investisseurs pour leur soutien tout au long de cette période difficile ».

« Le Groupe reste mobilisé sur la mise en œuvre de son plan de développement 2014-2016. Nous confirmons notre ambition d'atteindre les objectifs prévus dans ce plan, annoncé en mars 2014. En particulier, les États-Unis demeurent un marché stratégique pour le Groupe et nous comptons continuer à y développer nos activités de banque de détail, d'investissement solutions et de banque de financement et d'investissement (BFI) au cours des années à venir. »

« BNP Paribas est une banque qui place les clients au cœur de ses priorités. Nous allons continuer à travailler chaque jour pour mériter la confiance et le respect de tous, au service de nos clients et de l'économie »."

A la suite de cet accord, la Banque s'attend à conserver ses licences bancaires là où elle opère (même si l'accord pourrait constituer un motif d'annulation d'une licence pour un régulateur), et a reçu des confirmations ou assurances dans ce sens de ses principaux régulateurs bancaires. La Banque ne s'attend pas à ce que l'accord ait une incidence sur sa capacité opérationnelle ou commerciale à répondre aux besoins de la quasi-totalité de ses clients. Cependant, il ne peut être exclu que des conséquences collatérales imprévisibles de cet accord impactent de manière négative son activité. Ces conséquences collatérales imprévisibles incluent le risque que des clients, contreparties et toute autre personne ou entité contractant avec la Banque, décident de limiter leur activité future avec la Banque. Cela inclut également pour certaines activités limitées, en particulier aux Etats-Unis, le risque qu'une autorité refuse d'accorder à la Banque une dispense nécessaire à la poursuite

d'une activité déterminée ou ne retire une autorisation nécessaire à l'exercice d'une activité déterminée. De même, la Banque ne peut savoir avec certitude si la suspension de la compensation en dollars dans certains de ses activités conduira à une perte d'activité.
