Objectives pursued by BNP PARIBAS

In accordance with the fifth resolution approved by the combined General Meeting on May 18th, 2021, the shares may be purchased for the purposes of:

- their cancellation in situations identified by the Extraordinary General Meeting
- honoring the obligations linked to the issuance of equity instruments, stock option plans, bonus share awards, the allotment or selling of shares to employees as part of a profit sharing scheme, employee shareholding or Corporate Savings Plans, or any other type of share grant for employees and corporate officers of BNP Paribas and of the companies controlled exclusively by BNP Paribas within the meaning of article L.233-16 of the French Commercial Code;
- for the purposes of holding and subsequently remitting them in exchange or as payment for external growth transactions, mergers, spin-offs or asset contributions;

The General Meeting has authorized the Board of Directors to purchase a number of shares representing up to 10% of the shares comprising the share capital of BNP Paribas, or, for illustrative purposes, as of July 19th 2018, the date on which the share capital was last recorded, a maximum of 124,979,856 shares. Based on a maximum repurchase price of EUR 73 per share, set by the fifth resolution approved by the General Meeting dated May 18th, 2021, this number of shares represents a theoretical maximum purchase amount of EUR 9,123,529,488.
